

Montana Sky Justice (Montana Sky Series Book 9)

Once Phillip Kincaid fixes his mind on something he sets about getting it. And as soon as he stops in Friendly, New Mexico, he knows the town is perfect for his new film. Sadly he discovers this behind bars. To catch a killer ...will she risk a life? When a childhood friend and her family are killed on their Montana ranch, Detective Luna Griffin finds it especially gut-wrenching. To solve the case, she must work with the victim's brother, Benjamin, who'll do anything to get justice for his sister. But the by-the-book cop must bend the rules while not falling for the ex-marine. Until one bullet--and long-buried secrets--threatens everything... From Harlequin Romantic Suspense: Danger. Passion. Drama. Feel the excitement in these uplifting romances, part of the Big Sky Justice series: Book 1: Danger in Big Sky Country Book 2: Her K-9 Protector Headwaters County District Attorney Jefferson Kirk reluctantly agrees to assist John Sharp and the Sharp Ranch launch a recreational cattle drive business. Swollen mountain streams and washed out roads first plague the fledgling enterprise's trip into Montana's Big Belt Mountains. The adventure and intrigue increase when the cattle drivers encounter a religious/military sect led by Caleb Howe. This cult like group has moved to the Lucky Dog Mining Claim intent on establishing a new nation in the wilds of Montana. Kirk and Sharp must again rely on their wits, outdoor acumen and Kirk's creative legal strategies to extricate themselves and the cattle drive guests from danger. Montana Justice is the third novel in J.T. Flynn's Montana series. Readers familiar with Montana Pursuit and Montana Mirage will find Headwaters County Sheriff Ben Green, rancher William J. Sharp and the attractive journalist Heidi Singer together again in a new adventure. JOHN "J.T." FLYNN was raised on a cattle ranch in southwestern Montana. He has been a prosecuting attorney for many years. He shares his love and understanding of Montana's Big Sky country not only in his books but also through his work as a hunting guide and as one of the hosts of the Montana High Country Cattle Drive. Every summer, the cattle drive offers guests the opportunity to join Montana ranchers on traditional Montana cattle drives. Lieutenant Eve Dallas must solve the murder of a seemingly ordinary family, and protect one small, terrified survivor in this novel in the #1 New York Times bestselling In Death series. No affairs. No criminal connections. No DNA. No clues. Lieutenant Eve Dallas may be the best cop in the city!not to mention having the lavish resources of her husband Roarke at her disposal!but the Swisher case has her baffled. The family members were murdered in their beds with brutal, military precision. The state-of-the-art security was breached, and the killers used night vision to find their way through the cozy middle-class house. Clearly, Dallas is dealing with pros. The only mistake they made was to overlook the nine-year-old girl cowering in the dark in the kitchen! Now Nixie Swisher is an orphan!and the sole eyewitness to a seemingly inexplicable crime. Kids are not Dallas's strong suit. But Nixie needs a safe place to stay, and Dallas needs to solve this case. Not only because of the promise she made to Nixie. Not only for the cause of justice. But also to put to rest some of her own darkest memories!and deepest fears. With her partner Peabody on the job, and watching her back!and with Roarke providing the kind of help that only he can give!Lieutenant Eve Dallas is running after shadows, and dead-set on finding out who's behind them.

Today, a new generation of farmers are working to heal both the land and agriculture's legacy of racism. In Healing Grounds, Liz Carlisle tells the stories of Indigenous, Black, Latinx, and Asian American farmers who are reviving their ancestors' methods of growing food--techniques long suppressed by the industrial food system. This, Carlisle shows, is the true regenerative agriculture: a holistic approach that values diversity in both plants and people. It has the power to combat climate change, but only if we reckon with agriculture's history of oppression. Through rich storytelling, Carlisle lays bare that painful history, while lifting up the voices of farmers who are working to restore our soil, our climate, and our humanity.

Rules of the Game She had vowed never to mix business with pleasure. But one look into the mesmerizing eyes of Parks Jones was all it took for Brooke Gordon. He was utterly desirable and completely off-limits--so Parks was going to have to break a few rules to convince her that love wasn't just a game to him, it meant forever... The Law is a Lady When Phillip Kincaid was scouting locations for his new movie, he didn't expect the long arm of the law to point him in the right direction. But when he was jailed for speeding, he realized Friendly, New Mexico, was just the godforsaken little town he'd been looking for. And Victoria Ashton, town sheriff, was just the woman he'd been waiting for. Tory knew she had a tiger by the tail when she tossed Kincaid in the slammer. How could she possibly remain impartial when every look, every touch, made her want to throw caution to the winds? It was lucky that both Cupid--and justice--were blind.

A cold case leads to present danger Charlie Farmington has been blaming herself for her stepsister Lindy's unsolved murder for fifteen years. Then, through the twinkling lights and pine-scented air of a Montana Christmas, she glimpses Lindy--alive--standing on the street. Shocked and afraid, Charlie turns to the only person she can trust to help her: William "Shep" Shepherd, her first love, who knows all of Charlie's secrets...except one. The intriguing girl Shep fell hard for has become a breathtaking woman--and now that she's back in his life, he'll do whatever he can to help her uncover what really happened to her sister. But when Charlie finally reveals the secret that ripped them apart all those years ago, Shep realizes how much danger is still lurking. For the truth about that night isn't just dark--it's deadly. And their second chance together could end before it's even begun...

A history and legal analysis of vigilantism in Montana in the 1860s, from a state Supreme Court justice and legal historian. Historians and novelists alike have described the vigilantism that took root in the gold-mining communities of Montana in the mid-1860s, but Mark C. Dillon is the first to examine the subject through the prism of American legal history, considering the state of criminal justice and law enforcement in the western territories and also trial procedures, gubernatorial politics, legislative enactments, and constitutional rights. Using newspaper articles, diaries, letters, biographies, invoices, and books that speak to the compelling history of Montana's vigilantism in the 1860s, Dillon examines the conduct of the vigilantes in the context of the due process norms of the time. He implicates the influence of lawyers and judges who, like their non-lawyer counterparts, shaped history during the rush to earn fortunes in gold. Dillon's perspective as a state Supreme Court justice and legal historian uniquely illuminates the intersection of territorial politics, constitutional issues, corrupt law enforcement, and the basic need of citizenry for social order. This readable and well-directed analysis of the social and legal context that contributed to the rise of Montana vigilante groups will be of interest to scholars and general readers interested in Western history, law, and criminal justice for years to come. "[Justice Dillon's] book reads like a Western. Dillon masterfully sets the stage for the rise of the Montana vigilantes by bringing alive the people who created and lived in [mining] towns. There are heroes, villains, shady characters, and more than a few politicians, businessmen, lawyers and judges. What sets Dillon's book apart from historical texts and fictional tales is that he provides legal analyses and explanations of the trials, sentences, due process and procedures of the day . . . And shed[s] grisly light on the details of the hangings. Dillon's unique background as an attorney and judge and his downright dogged research are what makes this complex story so engaging. The prose is clear, crisp and gets to the point. . . . The book is satisfying because it answers contemporary nagging questions about the law regarding the vigilantes and the hangings." --Gregory Zenon, Brooklyn Barrister "Dillon's analysis of the vigilantes of Bannack, Alder Gulch, and Helena in Montana Territory is the most detailed, insightful, and legally nuanced yet produced. . . . This book is a model for historians to follow when dealing with 19th-century criminal proceedings. Establishing historical context includes examining the laws in books as well as the law in action." --Gordon Morris Bakken, Great Plains Research

Throughout history, and in today's times, there has always been conflict between the pursuit of law and order and citizens' concepts of justice. Ideally, the two virtues should be served by a single authority but in the early days of Montana Territory, they climaxed in an ultimate test. Earnest citizens had to secretly unite to organize a vigilante committee and hunt to ground the ruthless band of outlaws headed by, none other than, Territorial Sheriff Henry Plummer who represented the only source of "law and order" in Montana's gold fields. This colorful chapter in Montana's pursuit of statehood was its first taste of real justice and its influence has had a lasting influence on Montana's concepts of law and order. The Montana Vigilance Committee was officially organized on September 23, 1862, and to this day, has never officially disbanded.

A comnan's daughter takes refuge with the family she never knew she had in New York Times bestseller B.J. Daniels's latest addition to the Cardwell family saga. Dee Anna Justice had thought that her convict father was her only living relative. Now Walter Justice, fearing for his daughter's safety, urges her to seek out her cousins in Montana. Calling in a decades-old debt, he also enlists private investigator Beau Tanner to protect her. Despite their fiery attraction, she resents the bodyguard her dad foists on her. Trust doesn't come easy to DJ. But the warm, embracing family she finds at Cardwell ranch just might begin to soften her suspicious nature, and learning to trust the sexy PI may be the key to saving her life.

In Prestatehood Legal Materials, you will find bibliographies, references, and discussion on a varied list of source materials, including: state codes drafted by Congress county, state, and national archives journals and digests state and federal reports, citations, surveys, and studies books, manuscripts, papers, speeches, and theses town and city records and documents Web sites to help your search for more information and more Prestatehood Legal Materials provides you with brief overviews of state histories from colonization to acceptance into the United States. In this book, you will see how foreign countries controlled the laws of these territories and how these states eventually broke away to govern themselves. The text also covers the legal issues with Native Americans, inter-state and the Mexico and Canadian borders, and the development of the executive, legislative, and judicial branches of state government. This guide focuses on materials that are readily available to historians, political scientists, legal scholars, and researchers. Resources that assist in locating not-so-easily accessible materials are also covered. Special sections focus on the legal resources of colonial New York City and Washington, DC—which is still technically in its prestatehood stage. Cardwell Beware The Cardwell clan has a new, mysterious member. Dana Cardwell warmly welcomed her Justice cousin into the family fold and to the ranch for a reunion. But this cunning kin has other plans for Dana...and designs on her husband, Hud. Hilde Jacobson has known Dana too long to let her best friend get conned, or worse--killed. Unfortunately Hilde is no match for a skilled impostor who's duped everyone in the canyon. Only Deputy Marshal Colt Dawson believes Hilde's claims about the phony relation; only his strong arms have saved her from "accidents" intended to get her out of the way. Together can they convince the Cardwells a predator lurks in their happy home? Big Sky Standoff also included in this book!

"From the summer of my twelfth year I carry a series of images more vivid and lasting than any others of my boyhood and indelible beyond all attempts the years make to erase or fade them...". So begins David Hayden's story of what happened in Montana in 1948. The events of that cataclysmic summer permanently alter twelve-year-old David's understanding of his family: his father, a small-town sheriff; his remarkably strong mother; the Hayden's Sioux housekeeper, Marie Little Soldier, whose revelations are at the heart of the story; David's uncle, a war hero and respected doctor. As their story unravels around David, he learns that truth is not what you believe it to be, that power is abused, and that sometimes you have to choose between family loyalty and justice. In a voice as brilliantly clear as the eastern Montana sky, Larry Watson has created a completely new American classic. With nearly perfect pitch, Watson evokes a time, a place, and more: a story whose pages will not stop, turning, because its characters will not let them.

During the 1930s in the United States, the Works Progress Administration developed the Federal Writers' Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors--many of whom would later become celebrated literary figures--were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. Montana, one of the Great Plains states, is finely portrayed in its WPA guide. Originally published in 1939, the spirit of the Wild West shines throughout this guide to the Treasure State. During this time period, the population of Montana was rural and cities small, with most of the economy tied to the land, mining, or cattle. With 10 hiking trails outlined for Glacier National Park alone and 18 driving tours throughout the state, this book is an excellent resource for history and nature buffs alike.

Edgar Award Finalist: The “exciting” true story of the abduction of biathlete Kari Swenson and the five-month manhunt to bring her tormentors to justice (The New York Times Book Review). Former rodeo cowboy Johnny France had been sheriff of Madison County, Montana, for three years when Kari Swenson, a Bozeman resident training for the World Biathlon Championship, went missing near Big Sky Resort in July 1984. Her friends feared that Kari had been attacked by a grizzly bear, but the truth was far scarier: She'd been kidnapped at gunpoint by father-and-son survivalists Don and Dan Nichols. The pair had been living in the wilderness off and on for years and hoped to make Kari a “mountain woman” and Dan's bride. But the plan went horribly wrong from the start, and after a deadly firefight with rescuers, the kidnapers vanished into the rugged terrain of the Spanish Peaks. As Montana's summer froze into brutal winter blizzards, SWAT teams, forest rangers, and antiterrorist units searched the backcountry but sighted the mountain men only once. Then came the call about a strange campfire on a slope above the Madison River. Sheriff France decided to go into the forest to face the fugitives—alone. The resulting showdown made him “perhaps the most famous Western sheriff since Wyatt Earp . . . a modern legend” (Chicago Tribune). Incident at Big Sky is an “amazing . . . exciting retelling of a modern crime” that made headlines around the world (The New York Times Book Review). In a voice as distinctive and compelling as the Montana landscape, France takes readers on a high-stakes adventure so bizarre and unforgettable it could only be true.

The Inside Story of the Search for Two Savage Killers in Montana

Acquaintance rape is a crime like no other. Unlike burglary or embezzlement or any other felony, the victim often comes under more suspicion than the alleged perpetrator. This is especially true if the victim is sexually active, if she had been drinking prior to the assault--and if the man she accuses plays on a popular sports team. For a woman in this situation, the pain of being forced into sex against her will is only the beginning of her ordeal. If she decides to go to the police, undertrained officers sometimes ask if she has a boyfriend, implying that she is covering up infidelity. She is told rape is extremely difficult to prove and repeatedly asked if she really wants to press charges. If she does want to charge her assailant, district attorneys frequently refuse to prosecute. If the assailant is indicted, even though a victim's name is supposed to be kept confidential, rumors start in the community and on social media, labeling her a slut, unbalanced, an attention-seeker. The vanishingly small but highly publicized incidents of false accusations are used to dismiss her claims in the press. If the case goes to trial, the woman's entire personal life often becomes fair game for the defense attorneys. This brutal reality goes a long way toward explaining why acquaintance rape is the most underreported crime in America. In addition to physical trauma, its victims often suffer devastating psychological damage that leads to feelings of shame, emotional paralysis, and stigmatization. In Missoula, Krakauer chronicles the experiences of several women in Missoula--the nights when they were raped, their fear and self-doubt in the aftermath; the way they were treated by the police, prosecutors, defense attorneys; the public vilification and private anguish; their bravery in pushing forward and what it cost them.

In Painted Montana Sky, a NOVELLA from the acclaimed Montana Sky Series, USA Today bestselling author Debra Holland brings together two people who have turned their backs on love and relationships. In 1894, Lily Maxwell, aspiring painter, travels to Sweetwater Springs, Montana, with her precious cocker spaniel to work on an artistic project that could launch her career. For years, Lily has denied herself happiness because of her equestrian accident that left her with a damaged hip, a limp, and a sense of unworthiness. Her inability to bear children has kept her from giving her heart to anyone. After rancher Tyler Dunn's wife abandoned him and their son, he wants nothing to do with women. But this new girl in town, with her lovely violet eyes and her wonderful talent, stirs feelings in Tyler. After Tyler rescues Lily's dog from being swept away by the river, Lily develops a friendship with him, the people on his ranch, and his young son, Oliver. Yet the two of them dare not give in to their feelings for each other. Can these lonely souls find their hearts' desires under the majestic Montana Sky? Cardwell charm was all he'd ever needed... Until now Six years ago, Dana Cardwell found her mother's will in a cookbook and became sole owner of the Cardwell Ranch in Big Sky, Montana. Now happily married, Dana is surprised when her siblings, Stacy and Jordan, show up on the ranch...and trouble isn't too far behind. As danger draws closer to the ranch, deputy marshal Liza Turner quickly realizes that Jordan Cardwell isn't the man the town made him out to be. This special collector's edition includes the story that started it all, Crime Scene at Cardwell Ranch!

The critically acclaimed author of *The Home Place* explores the heart and mystery of Big Sky Country in this evocative and atmospheric novel of family, home, love, and responsibility inspired by William Shakespeare's *Hamlet*. The only son of a cattle rancher, Anthony Fry chafed against the expectation that he would take over the business that had belonged to his family for generations. While his ancestors planted deep roots in the unforgiving Montana soil, Anthony wanted nothing more than to leave Billings for the excitement, sophistication, and culture of city life. After college he fled to New York, hoping to turn his lifelong love of the theater into a career. But New York wasn't the dream Anthony thought it would be. Now, with the unexpected death of his father, Anthony suddenly finds himself back in the place he swore he'd left behind. While the years have transformed the artistic dreamer, they've also changed Billings. His uncle Neal, always the black sheep of the Fry family, has become alarmingly close with Anthony's mother, and a predatory mining company covets the Fry land. Anthony has always wanted out of Montana, away from his father's suffocating expectations. Yet now that he may be freed from the burden of family legacy, he's forced to ask himself what he truly finds important . . . answers that will ultimately decide his fate. In this unforgettable novel, *Carrie La Seur* once again captures the breathtaking beauty of the West and its people as she explores the power of family and the meaning of legacy—the burdens we inherit and those we place upon ourselves.

In a future where human nature remains as predictable as death, a killer plays God and puts innocent lives in the palm of his hand in this novel in the #1 New York Times bestselling *In Death* series. With the precision of a surgeon, a serial killer preys on the most vulnerable souls of the world's city streets. The first victim: a sidewalk sleeper, found dead in New York City. No bruises, no signs of struggle. Just a laser-perfect, fist-sized hole where his heart had once been. Lieutenant Eve Dallas is assigned to investigate. But in the heat of a cat-and-mouse game with the killer, Dallas's job is suddenly on the line. Now her hands are tied...between a struggle for justice—and a fight for her career...
