Traditional Chinese Edition of [Little People Big Dreams-Mother Teresa]

The great saints devoted their lives to the love of God and of others. Their fascinating life stories will help children discover the great adventure of holiness. This beautifully illustrated book tells the story of such a great saint who lived in our times. Amid the slums of Calcutta, Mother Teresa offered a comforting smile, consoling arms, soothing hands, a kind look that gave dignity, tears of compassion, and the light of Jesus in the darkness of great poverty. She found God in the poorest of the poor; she cherished them and became a mother to all. She is a powerful witness that "whatever we do for one of the least of our brothers, we do for Jesus" (cf. Matthew 25:40) Mother Teresa founded an order of sisters to work with her to serve the poorest of the poor, the Missionaries of Charity. When she passed away in 1997 at the age of eighty-seven, the government of India honored her with a state funeral. A million people lined the streets that day to honor their beloved saint. Her tomb quickly became a place of prayer for people of all faiths, rich and poor alike.

Mother Teresa will be canonized a Saint by Pope Francis on September 4.

Mother Theresa in Theory and Practice

Among his many books, perhaps none have sparked more outrage than The Missionary Position, Christopher Hitchens's meticulous and searing study of the life and deeds of Mother Teresa--and it is now available as a Signal deluxe paperback. A Nobel Peace Prize recipient canonized by the Catholic Church in 2003, Mother Teresa of Calcutta was celebrated by heads of state and adored by millions for her work on behalf of the poor. In his measured critique, Hitchens asks only that Mother Teresa's reputation be judged by her actions--not the other way around. With characteristic elan and rhetorical dexterity, Hitchens eviscerates the fawning cult of Teresa, recasting the Albanian missionary in a light she has never before been seen in.
