Readers will learn about Cassius' family and neighbors in Louisville, Kentucky, and how, after a thief stole his bike, Cassius began training as an amateur boxer at age twelve. Before long, he won his first Golden Gloves bout and began his transformation into the unrivaled Muhammad Ali. freedom, justice and equality - And I wouldn't even mind if folks forgot how pretty I was. Muhammad Ali No one has straddled the world of sport, politics and popular culture as Muhammad Ali did. He was born in Louisville in 1942 in an America where blacks were subjected to a brutal apartheid and were treated as second class citizens. He rose, through his boxing skill and character, to become the most famous person in the world at the time. He was most famous for styling himself as 'The Greatest'. There is a consensus that he was the greatest of boxers during an era of great boxers. However, he was far more than that. He was a very great man a moral leader, anti-war and fierce opponent of racial prejudice. A career beyond boxing as a black political leader, fighting for the rights of an oppressed minority, seemed inevitable. Fate had another twist however and Ali suffered from Parkinson's Disease for 30

Muhammad Ali's daughter captures the legendary heavyweight boxing champion, Olympic Gold medalist, activist, and philanthropist as never before in this candid and intimate family memoir, based on personal recordings he kept throughout his adult life. Athlete. Activist. Champion. Ambassador. Icon. Father. The greatest, Muhammad Ali, is all of these things. family and friends. In that role, he took center stage as an ambassador for peace and friendship. Dedicated to preserving his family's unique history, Ali began recording a series of audio diaries in the 1970s, which his daughter later inherited. Through these private tapes, as well as personal journals, love letters, cherished memories, and many never-before-seen photographs, she reveals a complex man devoted to keeping all nine of his children united, and to helping others. Hana gives us a privileged glimpse inside the Ali home, sharing the everyday adventures her family experienced—all so “normal,” with visitors such as Clint Eastwood and John Travolta dropping by. She shares the joy and laughter, the hardship and pain, and, most importantly, the dedication and love that has bonded them. “It’s been said that my father is one of the most written-about people in the world,” Hana writes. “As the

Muhammad Ali, in the late 1960s, was young, successful, brash, and hugely admired—but with some reservations. He was bombastic and cocky in a way that captured the imagination of America, but also drew its detractors. He was a bold young African American in an era when few people were as outspoken. He renounced his name—Cassius Clay—as being his 'slave name,' and joined the Nation of Islam, renaming himself Muhammad Ali. Muhammad Ali is an ambassador to the world, consistently being acclaimed everywhere as Sportsman of the Century. What few people realise, all these years later, is that the legend first took shape in those early years of 1961-1964 in Miami, where he trained with the celebrated Angelo Dundee. It was here that the young Cassius Clay honed his boxing as well as his self-promotional skills, transforming himself into the boxer who spun hilarious doggerel about his opponents and

With over 80 stunning photographs, taken during three extended sessions in the early 1960s, this book captures the young Cassius Clay in tender, almost intimate settings - that would never be duplicated once the spotlights focused on the young boxer - to reveal a personality of extraordinary confidence and charisma.

In his own words, the heavyweight champion of the world pulls no punches as he chronicles the battles he faced in and out of the ring in this fascinating memoir
