

National Geographic Readers: Amelia Earhart (Readers Bios)

Introduces the life, accomplishments, and mysterious disappearance of female aviation pioneer, Amelia Earhardt.

From the moment Amelia Earhart took her first airplane ride in 1920, she knew she wanted to spend the rest of her life flying. Her achievements opened doors for women pilots around the world. Her disappearance remains a mystery. Amelia Earhart is a legend in the field of aviation, and no accomplishment of hers is more acclaimed than her unparalleled 1932 solo flight across the Atlantic. As only the second person—and the first woman—to achieve such a feat, Amelia Earhart earned a place in the history books, and award-winning author Robert Burleigh has captured every nuance of her remarkable journey in this detailed picture book that is full of action and edge. Readers will be thrilled with the adventure and drama in this nonfiction account—and Wendell Minor’s vivid paintings will make them feel as if they’re along for the ride.

A biography of an aviation pioneer, emphasizing her childhood.

National Geographic Little Kids First Big Book of Where

Amelia Earhart was a pioneer pilot and was known as the best aviator of her time. She was a daring, skillful, and courageous woman who broke flight records of speed and distance. One of her greatest achievements was in 1932, when she was the first woman to fly solo across the Atlantic Ocean. She succeeded in a time when people believed that piloting was only for men, but Amelia proved that female pilots were just as capable and courageous. In all of her pursuits, Amelia worked hard to prove that women could do anything men could do. Amelia Earhart was a role model for women. Earhart always encouraged women to take charge of their own lives, and never to be discouraged by the doubts of others.

This title introducing the great Amelia Earhart will make readers soar. The book starts off with Amelia's beginnings and takes you with her on her path to becoming one of the most famous aviators and females of her time and ours. Complete with beautiful and wonderful historical photographs.

Amelia Earhart captured the hearts of the nation after becoming the first woman to fly solo across the Atlantic in 1928. And her disappearance on an around-the-world flight in 1937 is an enduring mystery. Based on ten years of research, this is a richly textured portrait of Earhart in all her complexity. It’s the perfect complement to the October 2009 movie Amelia, starring Hilary Swank, Richard Gere, and Ewan McGregor.

Amelia Earhart’s account of her ill-fated last flight around the world, begun in 1937, remains one of the most moving and absorbing adventure stories of all time. Last Flight compiles the letters, diary entries and charts that she sent to her family during each stage of her trip. In her own words, these dispatches offer a window into her experience on this ground-breaking journey and illustrate her cheerful, charming nature. Her story continues to intrigue and inspire people to this day.

Little Kids First Big Book of who

A Photobiography of Amelia Earhart

"Women must try to do things as men have tried. " When she was eight years old, Amelia Earhart built a roller coaster and "flew" through the air. She loved to watch daredevil pilots fly loops in the sky. Amelia decided to pilot a plane herself, and became one of the first women to learn to fly. She broke flight records and in 1932 was the first woman to fly across the Atlantic Ocean alone. The whole world admired her courage and daring. Amelia Earhart disappeared while trying to set a new record flying all the way around the world at the equator, but her pioneer spirit inspired many others to follow in her path.

Profiles the young Jewish girl who kept a diary of her time in hiding from the Nazis during World War II.

This Level 3 first reader is an inventor's biography sure to engage young readers.
