The Unadulterated Tale of the Creation of a Comedy Legend

_____ They had a cunning plan. A few decades ago, three young grads from England's greatest universities - Oxford, Cambridge, and Hull (actually, Manchester) - came up with a historical comedy series. Few thought it would live long in the memory. Today, Blackadder is a timeless comic masterpiece, and its stars have gone on to glittering careers. The True History of the Black Adder is the first ever history of one of Britain's greatest and most unique sitcoms, from its medieval beginnings to its legendary tragic finale. Informed by exclusive - and hilarious - interviews with essential figures like Rowan Atkinson, Tony Robinson, Ben Elton, Stephen Fry, Brian Blessed and many more, this the definitive account of how a British institution came to be, as well as a fascinating look into how this classic comedy was almost very different - and a compendium of brilliantly funny anecdotes from a team of Britain's most celebrated comedians. British history is a patchwork of questionable stories, constantly rewritten, re-evaluated and ridiculed; final editorial control has always belonged to the winners. And nobody likes winners... At last, Blackadder enthusiasts can now uncover THE cunning plan, in all its hideous hilarity.

Winner of the 2004 C. Hugh Holman Award from the Society for the Study of Southern Literature. Seems Like Murder Here offers a revealing new account of the blues tradition. Far from mere laments about lost loves and hard times, the blues emerge in this provocative study as vital responses to spectacle lynchings and the violent realities of African American life in the Jim Crow South. With brilliant interpretations of both classic songs and literary works, from the autobiographies of W. C. Handy, David Honeyboy Edwards, and B. B. King to the poetry of Langston Hughes and the novels of Zora Neale Hurston, Seems Like Murder Here will transform our understanding of the blues and its enduring power.

"Thomas Goldstone.A man of billion dollar deals in custom-tailored suits, he demands more than your best. He's scary. Driven. Haunted by inner demons that have taken him to the brink. But beneath the arrogant, controlling façade lies a heart of gold.It makes me want to solve him one growly, messy piece at a time. To be the only one who sees the truth of the man.But I'm . . . me. A pink-haired, anime-loving, data-crunching geek with an office in the basement of Goldstone HQ. My chances with the big boss? Statistically insignificant. His burning gaze and clenched jaw say otherwise though. Gives me hope and ignites a flame so hot my glasses fog up. I shouldn't mix business with pleasure.Shouldn't tempt the beast upstairs. Shouldn't keep wondering . . .Do fairy tales really come true?" --

The Christian Advocate

Time isn't always on a vampire's side.... Iolanthe Tennyson has had a very bad year—due in part to the very bad men in her life. So she's accepted her cousin's invitation to spend the summer in Austria to indulge her photography hobby. Rumors of a haunted forest there draw Iolanthe into the dark woods—and into the eighteenth century.... Nikola Czerny is a cursed man, forced by his half brothers to live forever as a Dark One. But his miserable existence takes an intriguing turn when a strange, babbling woman is thrown in his path. Iolanthe claims to know Nikola's daughter—three hundred years in the future. She also knows what fate—in the form of his murderous half brothers—has in store for him. If only she knew the consequences of changing the past to save one good, impossibly sexy vampire...

A fight for life

A Complete Cyclopaedia on the Subject of Optical Lanterns, Slides, and Accessory Apparatus

Franchises have become an ever-present feature of American life, both in our landscapes and our economics. Peter M. Birkeland worked for three years in the front-line operations of franchise units for three companies, met with CEOs and executives, and attended countless trade shows, seminars, and expositions. Through this extensive fieldwork Birkeland not only discovered what makes franchisees succeed or fail, he uncovered the difficulties in running a business according to someone else's system and values. Bearing witness to a market flooded with fierce competitors and dependent on the inscrutable whims of consumers, he revealed the numerous challenges that franchisees face in making their businesses succeed. Cavalier and Puritan Song

Dangerous. Intense. Utterly obsessed.And so off limits I'm in trouble. One kiss with Mr. Tall, Dark, and Scary broke the trance.I was sleepwalking through life until the day he stormed in. Gabriel Jackson.With his boy next door charm and dimpled grin, he jolts me wide awake.He makes me crave the dark heat he promises.To frolic in the lust behind his eyes. But life isn't a fairy tale, and things aren't always as they seem.This Prince is the devil in disguise. A wolf in sheep's clothing.And I just found out I'm the lamb. His ulterior motives, his secrets, scream run.But every fiery night whispers stay. Can a fallen angel become my guardian?Can forever exist with a man like Gabriel? My monster, my protector, my Not-So Prince Charming.

The Duel in European History

Publishers' Circular

For centuries, duelling played an integral role in the preservation of the aristocratic order in Europe, defying attempts by both church and state to ban the practice. Moreover, the romance and drama of the duel has made it an enduring fixture in films, literature, and the theatre. In **The Duel in European History**, renowned historian Victor Kiernan writes with his characteristic wit and insight of duelling's evolution from its medieval origins – when it was regarded as a badge of rank - to the early twentieth century, by which time it was seen as an irrational anachronism. In doing so, he shows how the duelling tradition was something unique to Europe and its colonies, and, in its contribution to the development of the officer corps, played a key part in shaping European military power. Drawing on a vast range of historical and cultural sources, this is the definitive account of a violent ritual that continues to fascinate even today.
