this book is divided in 30 chapters, one for each day, to let you learn the basics of this language in just one month. To make the most of this course, you just need to follow one rule: reading one chapter every day, no more, no less. If you follow this rule and the guidelines included in this book, the result is guaranteed. Forget about the usual boring grammar courses, with their impersonal style. "How to learn Spanish in 30 days" has been created with all the trappings of self-help, as a practical manual, with a

pretty well with grammar and vocabulary, trust me. Of course, in 30 days no one becomes a native speaker: but you can build a strong foundation on which to build a beautiful house. Do you get what I mean? Studying a little bit every day is a secret as simple as it is effective to make the learning easier and quicker. I will give you the opportunity to analyse in depth every little secret about grammar and vocabulary, and you must really promise me that you will do everything you can to complete this rich training:
