In a world where magic is tightly controlled, the most powerful man in history must choose between his kingdom and his son in the first book in the epic NYT bestselling Lightbringer series. Guile is the Prism. He is high priest and emperor, a man whose power, wit, and charm are all that preserves a tenuous peace. Yet Prisms never last, and Guile knows exactly how long he has left to live. When Guile discovers he has a son, born in a far kingdom after the war that put him in power, he must decide how much he’s willing to pay to protect a secret that could tear his world apart. If you loved the action and adventure of the Night Angel trilogy, you will devour this incredible epic fantasy series by Brent Weeks.

From the author of the #1 New York Times bestseller Wait for You Do Teresa and Jase have a real shot at getting together or will life get in the way? Teresa Hamilton is having a rough year—she’s in love with her big brother’s best friend, but he hasn’t spoken to her since they shared a truly amazing, mind-blowing, life-changing kiss. Then she got out of a terrible relationship. Now an injury is threatening to end her dance career for good. It’s time for plan B: college. And maybe she’ll have a chance to convince Jase that what they have together is real. Jase Winstead has a huge secret that he’s not telling anyone—especially not his best friend’s incredibly beautiful sister. Even though he and Teresa shared the hottest kiss of his life, he knows that his responsibilities must take priority. He certainly doesn’t have time for a relationship. But it doesn’t help that all he can think about is kissing the one girl who could ruin everything for him. As they’re thrown together more and more, Jase and Teresa can’t keep denying their feelings for each other. But a familiar danger looms and tragedy strikes. As the campus recovers, the star-crossed couple must decide what they’re willing to risk to be together and what they’re willing to lose if they’re not. . . .

In the real world, when you vanish into thin air for a week, people tend to notice. After his unexpected journey into the lands of the fey, Ethan Chase just wants to get back to normal. Well, as "normal" as you can be when you see faeries every day of your life. Suddenly the former loner with the bad reputation has someone to try for—his girlfriend, Kenzie. Never mind that he's forbidden to see her again. But when your name is Ethan Chase and your sister is one of the most powerful faeries in the Nevernever, "normal" simply isn't to be. For Ethan's nephew, Keirran, is missing and may be on the verge of doing something unthinkable in the name of saving his own love. Something that will fracture the human and faery worlds forever and give rise to the dangerous fey known as the Forgotten. As Ethan's and Keirran's fates entwine and Keirran slips further into darkness, Ethan's next choice may decide the fate of them all.

In the instant New York Times bestseller that started the Dark Elements series, one kiss is enough to kill... Layla just wants to fit in at school and go on a date with Zayne, whom she's crushed on since forever. Trouble is, Zayne treats Layla like a sister—and Layla is a half demon, half gargoyle with abilities no one else possesses. And even though Zayne is a Warden, part of the race of gargoyles tasked with keeping humanity safe, Layla's kiss will kill anything with a soul—including him. Then she meets Roth—a demon who claims to know her secrets. Though Layla knows she should stay away, it's tough when that whole no-kissing thing isn't an issue. Trusting Roth could ruin her chances with Zayne, but as Layla discovers she's the reason for a violent demon uprising, kissing the enemy suddenly pales in comparison to the looming end of the world. Originally published October 2011 Now includes bonus novella DAIMON The Hematoi descend from the unions of gods and mortals, and the children of two Hematoi-pure-bloods-have godlike powers. Children of Hematoi and mortals-well, not so much. Half-bloods only have two options: become trained Sentinels who hunt and kill daemons or become servants in the homes of the pures. Seventeen-year-old Alexandria would rather risk her life fighting than waste it scrubbing toilets, but she may end up slumming it anyway. There are several rules that students at the Covenant must follow. Alex has problems with them all, but especially rule #1: Relationships between pures and halves are forbidden. Unfortunately, she's crushing hard on the totally hot pure-blood Aiden. But falling for Aiden isn't her biggest problem-staying alive long enough to graduate the Covenant and become a Sentinel is. If she fails in her duty, she faces a future worse than death or slavery: being turned into a daemon, and being hunted by Aiden. And that would kind of suck.

Book Two of the bestselling Lux series Being connected to Daemon Black sucks... Thanks to his alien mojo, Daemon's determined to prove what he feels for me is more than a product of our bizarre connection. So I've sworn him off, even though he's running more hot than cold these days. But we've got bigger problems. Something worse than the Arum has come to town... The Department of Defense is here. If they ever find out what Daemon can do and that we're linked, I'm a goner. So is he. And there's this new boy in school who's got a secret of his own. He knows what's happened to me and he can help, but to do so, I have to tie to Daemon and stay away from him. Like that's possible. Against all common sense, I'm falling for Daemon. Hard. But then everything changes... I've seen someone who shouldn't be alive. And I have to tell Daemon, even though I know he's never going to stop searching until he gets the truth. What happened to his brother? Who betrayed him? And what does the DOD want from them—from me? No one is who they seem. And not everyone will survive the lies... A Shadow in the Ember

The Crown of Gilded Bones

Some People Are Destined to Meet

St Vladimir’s Academy isn’t just any boarding school - hidden away, it’s a place where vampires are educated in the ways of magic and half-human teens train to protect them. Rose Hathaway is a Dhampir, a bodyguard for her best friend Lissa, a Moroi Vampire Princess. They’ve been on the run, but now they’re being dragged back to St Vladimir’s where the girls must survive a world of forbidden romances, a ruthless social scene and terrifying night time rituals. But most of all, staying alive.

Ivy Morgan hasn’t been feeling like herself lately. Not like anyone can blame her. After all, being held captive by a psychotic fae prince hell-bent on permanently opening the gates to the Otherworld is bound to leave some mental scars. It’s more than that, though. Something dark and insidious is spreading throughout Ivy, more powerful than she could ever imagine... and it’s coming between her and the man she’s fallen deeply in love with, elite Order member Ren Owens. Ren would do anything to keep Ivy safe. Anything. But when he makes a life altering choice for her, the fallout of his act has far reaching consequences that threaten to tear their lives apart. If Ivy is going to have any hope of surviving this, she must put aside the hurt and betrayal she feels, and work with not only those she loves, but with an enemy she would rather kill than ever trust. War is coming, and it soon becomes clear that what Ivy and Ren thought they knew about the Order, themselves, and even their enemies, has been nothing but a cluster of dangerous, deadly lies. Ivy knows she must be more than just brave to save those she loves--and, ultimately, to save herself. Because behind every evil fae Prince, there’s a Queen....

NEW YORK TIMES BESTSELLER • The bestselling author of Morning Star returns to the Red Rising universe with the thrilling sequel to Iron Gold. “Brown’s plots are like a depth charge of nitromethane dropped in a bucket of gasoline. His pacing is 100% him standing over it all with a lit match and a smile, waiting for us to dare him to drop it.”—NPR (Best Books of the Year) He broke the chains. Then he broke the world.... A decade ago Darrow led a revolution, and laid the foundations for a new world. Now he’s an outlaw. Cast out of the very Republic he founded, with half his fleet destroyed, he wages a rogue war on Mercury. Outnumbered and outgunned, is he still the hero who broke the chains? Or will he become the very evil he fought to destroy? In his darkening shadow, a new hero rises. Lysander au Lune, the displaced heir to the old empire, has returned to bridge the divide between the Golds of the Rim and Core. If united, their combined might may prove fatal to the fledgling Republic. On Luna, the embattled Sovereign of the Republic, Virginia au Augustus, fights to preserve her precious democracy and her exiled husband. But one may cost her the other, and her son is not yet returned. Abducted by enemy agents, Pax au Augustus must trust in a Gray thief, Ephraim, for his salvation. Far across the void, Lyria, a Red refugee accused of treason, makes a desperate bid for freedom with the help of two unlikely new allies. Fear dims the hopes of the Rising, and as power is seized, lost, and reclaimed, the worlds spin on and on toward a new Dark Age. A Novel

The Iron Traitor Special Edition

Things are about to get Wicked in New Orleans. Twenty-two year old Ivy Morgan isn't your average college student. She, and others like her, know humans aren't the only thing trolling the French Quarter for fun... and for food. Her duty to the Order is her life. After all, four years ago, she lost everything at the hands of the creatures she'd sworn to hunt, tearing her world and her heart apart. Ren Owens is the last person Ivy expected to enter her rigidly controlled life. He's six feet and three inches of temptation and swoon-inducing charm. With forest-green eyes and a smile that's surely left a stream of broken hearts in its wake, he has an uncanny, almost unnatural ability to make her yearn for everything he has to offer. But letting him in is as dangerous as hunting the cold-blooded killers stalking the streets. Losing the boy she loved once before had nearly destroyed her, but the sparking tension that grows between them becomes impossible for Ivy to deny. Deep down, she wants... she needs more than what her duty demands of her, what her past has shaped for her. But as Ivy grows closer to Ren, she realizes she's not the only one carrying secrets that could shatter the frail bond between them. There's something he's not telling her, and one thing is for certain. She's no longer sure what is more dangerous to her-the ancient beings threatening to take over the town or the man demanding to lay claim to her heart and her soul. Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.

I knew the moment Katy Swartz moved in next door, there was going to be trouble. Lots of it. And trouble’s the last thing I need, since I’m not exactly from around here. My people arrived on Earth from Lux, a planet thirteen billion years away. Plus, if there’s one thing I know, it’s that humans can’t be trusted. We scare them. We can do things they only dream about, and honestly, we make them look weak as hell. ‘Cuz they are. But Kat is getting to me in ways no one else has, and I can’t stop myself from wanting her—or wanting to use my powers to protect her. She makes me weak, and I’m the strongest of our kind, tasked with protecting us all. So this one simple girl...she can mean the end for us.

Because the Luxen have an even bigger enemy—the Arum, and I need to stay on my game. Falling for Katy—a human—won't just place her in danger. It could get us all killed, and that’s one thing I’ll never let happen...

#1 New York Times, USA Today, and internationally bestselling author Jennifer L. Armentrout returns to the world of the Lux with The Burning Shadow, the steamy, shocking second installment of the Origin series that will leave readers reeling. When Evelyn Dasher crossed paths with Luc, she was thrown headfirst into the world of the Lux—only to discover that she was already far more involved in their world than she ever suspected. Because the Luxen aren’t the only ones with a hidden past. There’s a gap in Evie’s memory, lost months of her life and a lingering sense that something happened, something she can’t remember and nobody is willing to tell her. She needs to find out the truth about who she is—and who she was. But every answer she finds only brings up more questions. Her search for the truth brings her ever closer to Luc, the Origin at the center of it all. He’s powerful, arrogant, inhumanly beautiful, extremely dangerous...and possibly in love with her. But even as Evie falls for him, she can’t help but wonder if his attraction is to her, or to the memory of a girl who no longer exists. And all the while, a new threat looms: reports of a flu-like, fatal virus that the government insists is being spread by Luxen. A horrifying illness that changes whoever it touches, spreading panic across a country already at its breaking point. The Summer King Bundle: 3 Stories by Jennifer L. Armentrout

*From #1 New York Times and USA Today bestselling author Jennifer L. Armentrout comes The Summer King Bundle... THE PRINCE She's everything he wants... Cold. Heartless. Deadly. Whispers of his name alone bring fear to fae and mortals alike. The Prince. There is nothing in the mortal world more dangerous than him. Haunted by a past he couldn't control, all Caden desires is revenge against those who'd wronged him, trapping him in never-ending nightmare. And there is one person he knows can help him. She's everything he can't have... Raised within the Order, Brighton Jussier knows just how dangerous the Prince is, reformed or not. She'd seen firsthand what atrocities he could be capable of. The last thing she wants to do is help him, but he leaves her little choice. Forced to work alongside him, she begins to see the man under the bitter ice. Yearning for him feels like the definition of insanity, but there's no denying the heat in his touch and the wicked promise is his star. She's everything he'll take.... But there's someone out there who wants to return the Prince to his former self. A walking, breathing nightmare that is hell bent on destroying the world and everyone close to him. The last thing either of them needs is a distraction, but with the attraction growing between them each now, the one thing he wants more than anything may be the one thing that will be his undoing. She's everything he'd die for.... THE KING As Caden and Brighton's attraction grows despite the odds stacked against a happily ever after, they must work together to stop an Ancient fae from releasing the Queen, who wants nothing more than to see Caden become the evil Prince once feared by fae and mortals alike. THE QUEEN The King must have his Queen.... Bestowed the forbidden Summer's Kiss by the King of the Summer fae, Brighton Jussier is no longer just human. What she is, what she will become, no one knows for sure, but that isn't her biggest concern at the moment. Now Caden, the King, refuses to let her go, even at the cost of his Court. When the doorway to the Otherworld is breached, both Brighton and Caden must do the unthinkable—not just to survive themselves, but also to save mankind from the evil that threatens the world. **Every 1001 Dark Nights novella is a standalone story. "The Accursed Share" provides an introduction to Bataille the philosopher. Here he uses his unique economic theory as the basis for an incisive inquiry into the very nature of civilization. Unlike conventional economic models based on notions of scarcity, Bataille's theory develops the concept of excess - a civilization, he argues, reveals its order most clearly in the treatment of its surplus energy.

Jennifer L. Armentrout (also known as J. Lynn), New York Times bestselling author of the Wait for You saga, delivers a new novel of first love, second chances, and scorching chemistry. Eleven months ago, bartender and weird-shirt-wearing extraordinaire Roxy and Officer Reece Anders had a one night stand. Well, kind of. She's been in love with him since she was fifteen, and he wishes that night they shared never happened. She's sworn him off forever, but the past and future collide, forcing her to rely on the one man who broke her heart not once, but twice. Her best friend since birth has been in a long-term care facility since he became a victim of a hate crime years ago, and the person who put him in there is out of prison and wanting to make amends with him and Roxy. She's not sure she has room for forgiveness in her and when she begins to receive frightening messages and is on the receiving end of escalating violence, she thinks she knows who is to blame. The man who already destroyed one life already. But Reece isn't convinced. The threats are too personal, and even if Roxy doesn't believe him, he's not willing to let anyone hurt her. Including himself. He's already messed up more than once when it comes to Roxy and he's not going to let history repeat itself.

One Decision

Stone Cold Touch

White Hot Kiss

Between the pissed off creatures that want demon-hunter Lily Marks dead, and Julian, the fallen angel who just wants her, she’s ready for a quiet 20 minutes with her favorite hamburger. If only her life could be that simple. That she and Julian are even civil to one another, let alone sharing sexy times, is enough to have her fired from the Sanctuary where she works. Oh, and there’s that tiny fact that she’s suspected of being a traitor. Lily’s life quickly moves from merely complicated to I-hope-I-can-survive-the-night. She must discover the real traitor before she loses everything—and she’ll need Julian’s help. That is, if he’s really there to do good. Yeah, being a Nephilim isn’t everything it’s cracked up to be, and staying alive has become her number one priority.

An instant #1 New York Times Bestseller and a USA Today and Indie Bestseller! The Stormlight Archive saga continues in Rhythm of War, the eagerly awaited sequel to Brandon Sanderson's #1 New York Times bestselling Oathbringer, from an epic fantasy writer at the top of his game. After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent a year fighting a protracted, brutal war. Neither side has gained an advantage, and the threat of a betrayal by Dalinar’s crafty ally Taravangian looms over every strategic move. Now, as new technological discoveries by Navani Kholin’s scholars begin to change the face of the war, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideals, and potentially reveal the secrets of the ancient tower that was once the heart of their strength. At the same time that Kaladin Stormblessed must come to grips with his changing role within the Knights Radiant, his Windrunners face their own problem: As more and more deadly enemy Fused awaken to wage war, no more honorspren are willing to bond with humans to increase the number of Radiants. Adolin and Shallan must lead the coalition’s envoy to the honorspren stronghold of Lasting Integrity and either convince the spren to join the cause against the evil god Odium, or personally face the storm of failure. With Dwight attending Tippett Academy this semester, the kids of McQuarrie Middle School are on their own—no Origami Yoda to give advice and help them navigate the treacherous waters of middle school. Then Sara gets a gift she says is from Dwight—a paper fortune-teller in the form of Chewbacca. It’s a Fortune Wookiee, and it seems to give advice that’s just as good as Yoda’s—even if, in the hands of the girls, it seems too preoccupied with romance. In the meantime, Dwight is fitting in a little too well at Tippett. Has the unimaginable happened? Has Dwight become normal? It’s up to his old friends at McQuarrie to remind their kooky friend that it’s in his weirdness that his greatness lies. This is the third case file in the blockbuster bestselling Origami Yoda series, written by Tom Angleberger, author of Star Wars: Return of the Jedi: Beware the Power of the Dark Side, showcasing his proven knack for authentically capturing the intrigues, fads, and dramas of middle school in “a satisfying tale of friendship and just resistance to authority” (Kirkus Reviews, starred review). Praise for The Secret of the Fortune Wookieehas crafted a worthy follow-up to his break STARRED REVIEW "Angleberger’s third in the series continues the fun. A chorus of spot-on middle school voices and plenty of laughs are wrapped around this tale of friendship and seasoned with Star Wars references." —Kirkus Reviews, starred review "Tom Angleberger offers a hilarious third book in his best-selling series starring origami Star Wars characters. Angleberger’s grasp of middle-school emotions, humor and behavior is spot-on, and parents who want to get a sense of what it’s like be a preteen these days might consider reading this book. But you'll likely have to pry it out of your young reader’s hands first." —Scripps Howard News Service Award 2013 ReadKiddoRead Kiddos - FINALIST

#1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling Flesh and Fire series—set in the beloved Blood and Ash world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel’s future has never been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera’s real destiny is the most closely guarded secret in all of Lasania—she’s not the well protected Maiden but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death’s unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she’s never allowed herself to feel and cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.

Lux: Consequences (Opal & Origin)

Vampire Academy

Since the 1970s humans have forced supernaturals to live in caged cities. Silver brands embedded in their foreheads identify them by species: a full moon for Vampires, a crescent moon for Shifters, a pair of wings for Fairies, and the list goes on, for each supernatural species has been tagged and categorized by humans. Lanore Vesta is marked with a silver X, the brand of Mixbreeds, second-class citizens shunned by society. She stays to herself, revealing her ability to create fire only during emergencies. All she wants to do is graduate college and stop having to steal to survive. But when she stumbles upon a murder in progress, she catches the attention of a supernatural killer. Now all she wants is to stop finding dead bodies in her apartment. Enlisting help from her Were-cheetah ex-boyfriend Meshack and a new mysterious friend named Zulu, she is steered through the habitat's raunchy nightlife. But their presence sometimes proves to be more burden than help, as they fight for her attention. While the corpses pile up, and the scent of blood fills the air, Lanore is left wondering: will she find the psycho or die trying?

A celebration of "meet-cute" moments, this YA short story collection features when-they-first-met-stories from beloved YA authors, including Nicola Yoon, Sara Shepard, Katie Cotugno, and more.

Targeted by a fanatical order that wants to prevent her Awakening on her eighteenth birthday, Alexandra hides the truth to protect Aiden and finds her illicit encounters with Seth causing her to develop additional marks of the Apollyon.

We never should have done it. But we needed a break. Some time off from the superhero stuff. A chance to act like normal kids. Well - as normal as four kids who can morph into animals, a boy trapped in a hawk's body, and a bright blue alien can be. Everything should have been cool.Now Rachel is missing. And there's this... this thing that's after us. But it's not up to me to tell the whole story. Tobias, Cassie, Marco, and Ax were there, too. Even Rachel has some info to add. So go ahead and check this out. And remember not to tell anyone what we're about to tell you. It could mean the difference between life and death. Or worse...

Lux: Beginnings (Obsidian & Onyx)

Discover the New York Times bestselling Lux series, which RT Book Reviews called “A thrilling ride from start to finish," from the very beginning... Starting over sucks. When we moved to West Virginia right before my senior year, I'd pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his looming height and eerie green eyes. Things were looking up. And then he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger attacks me and Daemon literally freezes time with a wave of his hand, well, something...unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon's touch has me lit up like the Vegas Strip. The only way I'm getting out of this alive is by sticking close to Daemon until my alien mojo fades. If I don't kill him first, that is. #1 New York Times, USA Today, and internationally bestselling author Jennifer L. Armentrout returns to the world of the Lux with this steamy, shocking third installment of the Origin series that will leave readers reeling. The hardcover edition of The Brightest Night includes a bonus short story, and the first printing will be signed by the author. He is the darkest star. She is the burning shadow. And together, they will bring about the brightest night. Less than a year ago, Evelyn Dasher was a normal girl, living a safe, rather unremarkable life—a life that was a total lie. Now she’s learned the truth about who she was and what she is. Hidden within Zone 3, she knows that if she loses control of her dangerous abilities again, she not only puts everyone in the secret community at risk, but also the beautiful, deadly inhuman Luc. He will do anything to keep her safe. Lie. Barter. Beg. Kill. But there are truths that not even Luc can prepare for, and as Evie’s abilities evolve, the consequences of everything he’s done turn devastating. Luc is stepping into the darkness. But Evie might already be lost to the shadows. At the Publisher's request, this title is

***Bow Before Your Queen Or Bleed Before Her... From #1 New York Times bestselling author Jennifer L. Armentrout comes book three in her Blood and Ash series. She's been the victim and the survivor... Poppy never dreamed she would find the love she's found with Prince Casteel. She wants to revel in her happiness but first they must free his brother and find hers. It's a dangerous mission and one with far-reaching consequences neither dreamed of. Because Poppy is the Chosen, the Blessed. The true ruler of Atlantia. She carries the blood of the King of Gods within her. By right the crown and the kingdom are hers. The enemy and the warrior... Poppy has only ever wanted to control her own life, not the lives of others, but now she must choose to either forsake her birthright or seize the gilded crown and become the Queen of Flesh and Fire. But as the kingdoms' dark sins and blood-drenched secrets finally unravel, a long-forgotten power rises to pose a genuine threat. And they will stop at nothing to ensure that the crown never sits upon Poppy's head. A lover and heartmate... But the greatest threat to them and to Atlantia is what awaits in the far west, where the Queen of Blood and Ash has her own plans, ones she has waited hundreds of years to carry out. Poppy and Casteel must consider the impossible—travel to the Lands of the Gods and wake the King himself. And as shocking secrets and the harshest betrayals come to light, and enemies emerge to threaten everything Poppy and Casteel have fought for, they will discover just how far they are willing to go for their people—and each other. And now she will become Queen...
