The Short and Tragic Life of Robert Peace

Finally! Board member orientation truly simplified. Serving on a nonprofit board can be an incredibly rewarding experience for the properly prepared board member. This book is for the generous and busy people who agree to give of their time and talents by serving on nonprofit boards. Nonprofit boards often fail to do a good job of board member orientation for a variety of reasons. It takes a significant amount of time and effort to plan and conduct quality board member orientation programs, and every time a new board member arrives, it's time to do it again! Because of the challenges associated with providing quality board member orientation, many nonprofit organizations do not do it at all, leaving their board members to wing it. This book provides help and support to the truly great men and women serving on nonprofit boards whose service makes a positive difference in the lives of countless people every day. This book is a concise and appropriately comprehensive guide to nonprofit board service designed especially for new board members. It is a quick read, (about one hour), yet it addresses with accuracy the most significant elements of board service, such as mission, responsibility, duty, risk, liability, and board meeting dynamics. Hokey Alerts! Watch for Hokey Alerts! where the author identifies and dispels common myths and legends about nonprofit board service. There are many sources of false or misleading information about the nonprofit board service environment. A perfect example is the often vaguely-worded and intimidating assertion or implication that the Sarbanes-Oxley Act passed by Congress in 2002 applies to nonprofit organizations in a manner similar to how it applies to publicly-traded companies. (It does not.) Reviews "This book is the perfect guide for every nonprofit board member! Concise, highly informative, and loaded with nuggets of wisdom, it's a must read that will take board members to the next level of successful board governance." -- J. Todd Chasteen, General Counsel, Samaritan's Purse "Mike Batts has put his quarter century of advising and serving on nonprofit boards to good use in this accurate and easy-to-read book. In addition to describing major principles of nonprofit law and governance, the book provides helpful questions to guide board members in understanding the practical applications of the concepts discussed. While geared primarily toward helping new board members get up to speed quickly, it should also help veteran board members discharge their stewardship roles wisely and efficiently." -- Chuck Hartman, Associate Professor of Business Law and Accounting, Cedarville University "This book, Board Member Orientation, is exactly what a busy volunteer board member needs. The board member's duties are presented in a clear and concise manner from the perspective of someone who has been around many boards. With a focus on those issues that are most common and/or most important, it is perfect for board member orientation and for quick reference reminders for the experienced board member." -- Doug Starcher, Partner, Broad & Cassel "This book provides clear, no-nonsense guidance on the basic issues for new nonprofit board members. Using this book for board member orientation will ensure your organization has communicated fundamental governance issues and will assist the board in determining risk management strategies." -- Dan Busby, President, ECFA ***** The Simple Board Member Orientation Process Using This Book: 1.Your board members read Chapters 1-9 of the book, which will provide them with insights regarding the key elements of nonprofit board service. 2.You provide the board members with copies of the documents described in Chapter 10 related to your organization. 3.You meet with your board members to discuss the unique attributes of your organization following the discussion questions provided in Chapter 10. Done!

"Visual QuickStart Guides are now even more visual: Building on the success of the top-selling Visual QuickStart Guide books, Peachpit now offers Video QuickStarts. As a companion to Microsoft Office 2011 for Macintosh: Visual QuickStart Guide, Peachpit offers more than an hour of short, task-based videos that will help you master Office 2011 for Mac top features and techniques; instead of just reading about how to use a tool, you can watch it in action. It's a great way to learn all the basics and some of the newer or more complex features of the program. This Video QuickStart guides you through the basics and new features of Word 2011 and Excel 2011. Veteran best-selling author and presenter Steve Schwartz provides in-depth instructions on many of the new features and changes introduced in Office 2011. Coverage of each application is jam-packed with information and tips that not only explain how to perform a task, but why you need this procedure and when it's best to use it."--Resource description page.

The new version of Office for Mac is Microsoft's most collaborative, compatible, and easy-to-use version for Mac to date--bringing the Mac version on an even level with Office 2010 for the PC while remaining truly Mac-like. Using Microsoft Office 2011 for Mac explains the tasks you need to perform if you must switch between platforms, as well as the rich, new features in this version if you are upgrading from an older Mac version. Using Microsoft Office 2011 for Mac is broken into five sections--one section for each of the four applications and a fifth section on Document Connection that teaches you how to use the collaboration features of Office via SharePoint or SkyDrive. For Word, PowerPoint, and Excel, each section includes an introductory chapter to get you comfortable with the basics and subsequent chapters that teach you how to enhance your work and use productivity tools. Additionally, online audio and video instruction enhance the book by explaining additional topics and demonstrating real-world tasks.

The long-awaited version of Microsoft Office for the iPad gives Office users the opportunity to use Excel, PowerPoint, and Word on their Apple tablet. In this practical, no fluff guide, author Tom Negrino gets straight to point, showing users how to get the most out of the Office apps on an iPad. Assuming you have some existing knowledge of the desktop Office apps this book focuses on maximizing your productivity on the new iPad version. After showing how to install the Office apps on your iOS and desktop devices, Tom covers how to set up OneDrive, Microsoft's cloud services for uploading and syncing files across devices. Tom then moves on to showing you how to accomplish the most common Office tasks on the iPad, including how to create and edit documents with the touch interface. Tom also covers how to use the popular OneNote on the iPad.
