

One Chance: A Thrilling Christian Fiction Mystery Romance (A Penelope Chance Mystery Book 1)

*One Chance*A Thrilling Christian Fiction Mystery Romance*Penelope Chance Mystery*

How did a Jewish state come to resonate profoundly with Americans in the twentieth century? Since WWII, Israel's identity has been entangled with America's belief in its own exceptionalism. Turning a critical eye on the two nations' turbulent history together, Amy Kaplan unearths the roots of controversies that may well divide them in the future.

Christian filmmaking, done outside of the corporate Hollywood industry and produced for Christian churches, affected a significant audience of church people. Protestant denominations and individuals believed that they could preach and teach more effectively through the mass medium of film. Although suspicion toward the film industry marked many conservatives during the early 1930s, many Christian leaders came to believe in the power of technology to convert or to morally instruct people. Thus the growth of a Christian film industry was an extension of the Protestant tradition of preaching, with the films becoming celluloid sermons. Celluloid Sermons is the first historical study of this phenomenon. Terry Lindvall and Andrew Quicke highlight key characters, studios, and influential films of the movement from 1930 to 1986—such as the Billy Graham Association, with its major WorldWide Pictures productions of films like The Hiding Place, Ken Curtis' Gateway Films, the apocalyptic "end-time" films by Mark IV (e.g. Thief in the Night), and the instructional video-films of Dobson's Focus on the Family--assessing the extent to which the church's commitment to filmmaking accelerated its missions and demonstrating that its filmic endeavors had the unintended consequence of contributing to the secularization of liberal denominations.

I was asked recently why I decided to write this book when there are numerous "famous" authors on the subject? The question took me by surprise, but as I pondered my reasons, my response was two-fold: - I wanted to write a book that the general public (lay persons) could read with a high degree of comprehension, using word structure that is common in everyday language. - I wanted the book to lend itself to being used as the material for a detailed Bible study on the end-times. I am currently working on a journal to complement the book. As the reader works through the chapters of this book, he/she will discover: - how Daniel's prophecies predict the seven years of Tribulation. These prophecies serve as the backbone of this book; - why Christ chose the seven churches in chapters 2 and 3; - details about the rapture . . . when it will occur, who is involved""Don't be left behind; - details of the Judgment Seat of Christ; - details of the Four Horsemen of the Apocalypse; - description of the Seven Seals, Seven Trumpets, and Seven Bowls""when they occur, their devastation and purpose; - the Antichrist""discussed in detail; - details about the great revival during the first months of Tribulation; - who the two witnesses are and their purpose during the first half of Tribulation; - details regarding the Marriage Supper of the Lamb; - fascinating details of the Glorious Appearing and Armageddon; - surprising revelations about Satan; - details of the Judgment of the Sheep and Goats and the Great White Throne Judgment; - fascinating details about the Millennial Reign of Christ; - how many Books of Life exist. Are there more than one? - a full discussion of the New Heaven and New Earth; - the author's "time line" of events that happened during the seven-year Tribulation Period and beyond.

This is a series of books which have a common theme: the understanding of Christ, and therefore the revelation of God, in the work of C. S. Lewis. These books are a systematic study of Lewis's theology, Christology and doctrine of revelation; as such they draw on his life and work. They are written for academics and students, but also, crucially, for those people, ordinary Christians, without a theology degree who enjoy and gain sustenance from reading Lewis's work. www.cslewisandthechrist.net

Finally, a book for single women who, unsatisfied with living a worldly lifestyle, want to give their lives a new and godly direction. Author Dawn Eden, a Jewish-born rock journalist turned salty Christian blog queen, gives these readers the positive and uplifting message that they've been wanting to hear-that spiritual healing and a renewed outlook await them. Using her own experiences in the New York City singles jungle, she shows women how they too can go from insecurity to purity, and from forlorn to reborn. She tells women who have been around the block how to find their way home. Among inspirational books for single women, The Thrill of the Chaste is a pair of hip Ray-Bans in a field of rose-colored glasses. This isn't a book for dainty damsels in lacy white dresses patiently awaiting their handsome prince. This is for real women who need strong, motivational, and deeply moral messages to counter the ones they receive from a superficial, sex-obsessed world.

The Story of an Entangled Alliance

The Christian Examiner and Religious Miscellany

The Doctrine of God is one of the most exciting studies we can undertake. It is amazing to think that Almighty God - Creator of the heavens and the earth - has taken the time to reveal Himself to the people He created. We learn from the story of creation that He made people to fellowship with Himself. This is our primary purpose. Adam was created for the purpose of fellowship, not primarily to be a gardener. His purpose was to "know God" - his assignment "to make Him known." There can be no greater focus in life than to know God. It is important to realize, however, that we can know nothing about God except that which He chooses to reveal of Himself. Our human, finite minds cannot grasp His greatness and we need to pay close attention to His revelation of Himself in the Bible. The study of our Lord Jesus Christ, His Person and Work, is one of the most important themes in the Bible. HISTORY is HIS STORY. The Coming of MESSIAH was prophesied in great detail thousands of years before the physical birth of Jesus, the Christ. Literally hundreds of prophecies were required to be fulfilled by the One who laid claim to the title. To fulfill just eight of them by chance or coincidence is practically impossible. The probability has been estimated as one in ten to the seventeenth power, i.e. one with seventeen zeros. This is a number so big that we cannot even begin to comprehend it. Imagine an area the size of London being covered two feet deep in Euro coins. Somewhere out there in the middle of those coins is one with a red dot on it. Imagine a blindfolded person being given only one chance to pick up the marked coin. That will give you some idea of the improbability of the situation. Jesus Christ fulfilled all of these prophecies in minute detail, bringing the odds to an even more impossible number. No one could have organized that, but God Himself. Not only did Christ fulfill hundreds of prophecies relating to the events of His First Coming to earth, but He is about to fulfill many more with His Return. What an exciting event to look forward to. He is Lord and Savior indeed.

"History of the Christian Church" is an eight volume account of Christian history written by Philip Schaff. In this great work Schaff covers the history of Christianity from the time of the apostles to the Reformation period. "Ecclesiastical History" of Eusebius, the bishop of Caesarea, was a 4th-century pioneer work giving a chronological account of the development of Early Christianity from the 1st century to the 4th century. The result was the first full-length historical narrative written from a Christian point of view. It was written in Koine Greek, and survives also in Latin, Syriac and Armenian manuscripts.

This ebook cannot be sold to the United Kingdom. Why is it, asks Bishop Fulton Sheen, that one hears so often the expression "Go to hell!" and almost never the expression "Go to heaven!" Here, at his most penetrating, challenging, and illuminating best is Bishop Sheen with his answer, in a book that breathes new meaning into the truths about heaven and hell, and new life into the concepts of faith, tolerance, love, prayer, suffering, and death. Beginning with "The First Faint Summons to Heaven," Sheen shows how unpopular it is today to be a true Christian, and describes the struggle for living our faith amid the disorders of our times. Keenly aware of evil in the myriad forms it takes in today's world, Bishop Sheen writes about the constant battle man faces with the "seven pallbearers of character" - pride, avarice, envy, lust, anger, gluttony and sloth - linking them with the corrosive forces that never cease in their attacks on the Church and those who earnestly desire to be serious Christians. In Go to Heaven, a great spiritual teacher and writer, deeply aware of the human and spiritual conflicts being waged in the world, shows us the way to heaven in a most eloquent book, encouraging the reader to choose heaven now, and to understand the "reality of hell."
