Originally published October 2011 Now includes bonus novella DAIMON The Hematoi descend from the unions of gods and mortals, and the children of two Hematoi-pure-bloods-have godlike powers. Children of Hematoi and mortals-well, not so much. Half-bloods only have two options: become trained Sentinels who hunt and kill daemons or become servants in the homes of the pures. Seventeen-year-old Alexandria would rather risk her life fighting than waste it scrubbing toilets, but she may end up slumming it anyway. There are several rules that students at the Covenant must follow. Alex has problems with them all, but especially rule #1: Relationships between pures and halves are forbidden. Unfortunately, she's crushing hard on the totally hot pure-blood Aiden. But falling for Aiden isn't her biggest problem-staying alive long enough to graduate the Covenant and become a Sentinel is. If she fails in her duty, she faces a future worse than death or slavery: being turned into a daemon, and being hunted by Aiden. And that would kind of suck.

Aiden St. Delphi will do anything to save Alex. Even if it means doing the one thing he will never forgive himself for. Even if it means making war against the gods. The incredible must-read novella told from Aiden's perspective, picking up where the nail-biting ending of DEITY left off... The de Vincent brothers are back—and so is the intrigue that surrounds them—in *New York Times* bestselling author Jennifer L. Armentrout's sizzling new novel . . . Nicolette Bresson never

thought she'd return to the de Vincents' bayou compound. It's where her parents work, where Nikki grew up . . . and where she got her heart broken by Gabriel de Vincent himself. Yet here

she is, filling in for her sick mother. Avoiding Gabe should be easy, especially when so much of Nikki's time is spent trying not to be stabbed in the back by the malicious hangers-on who

frequent the mansion. But escaping memories of Gabe, much less his smoking-hot presence, is harder than expected—especially since he seems determined to be in Nikki's space as much as possible. Gabriel spent years beating himself up over his last encounter with Nikki. He'd wanted her then, but for reasons that were bad for both of them. Things have now changed. Gabe sees

more than a girl he's known forever: he sees a smart, talented, and heartbreakingly beautiful woman . . . one who's being stalked from the shadows. Now, Gabe will do anything to keep Nikki

safe—and to stop the de Vincent curse from striking again.

“With an iron fist, the Great Library controls the knowledge of the world, ruthlessly stamping out all rebellion and in the name of the greater good forbidding the personal ownership of

books. Jess Brightwell has survived his introduction to the sinister, seductive world of the Library, but serving in its army is nothing like what he envisioned. His life and the lives of

those he cares for have been altered forever. His best friend is lost, and Morgan, the girl he loves, is locked away in the Iron Tower, doomed to a life apart from everything she knows.

Embarking on a mission to save one of their own, Jess and his band of allies make one wrong move and suddenly find themselves hunted by the Library's deadly automata and forced to flee

Alexandria, all the way to London. But Jess's home isn't safe anymore. The Welsh army is coming, London is burning, and soon Jess must choose between his friends, his family, and the

Library, which is willing to sacrifice anything and anyone in the search for ultimate control!”--

After the Kiss

A sexy category romance from Entangled's Brazen imprint... He can protect her from everyone except himself. Alana Gore is in danger. A take-no-prisoners publicist, her way with people has made her more than a few enemies over the years, but a creepy stalker is an entirely different matter. She needs a bodyguard, and the only man she can ask is not only ridiculously hot, but reputed to have taste for women that goes beyond adventurous. Chandler Gamble has one rule: don't protect anyone you want to screw. But with Alana, he's caught between his job and his increasingly hard libido. On one hand, Alana needs his help. On the other, Chandler wants nothing more than to take the hot volcano of a woman in hand. To make her writhe in pleasure, until she's at his complete mercy. She needs protection. He needs satisfaction. And the moment the line is crossed, all hell will break loose...

St Vladimir's Academy isn't just any boarding school - hidden away, it's a place where vampires are educated in the ways of magic and half-human teens train to protect them. Rose Hathaway is a Dhampir, a bodyguard for her best friend Lissa, a Moroi Vampire Princess. Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher

in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure.

Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And

longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take

back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy

is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.

Discover the New York Times bestselling Lux series, which RT Book Reviews called “A thrilling ride from start to finish,” from the very beginning... Starting over sucks. When we moved to

West Virginia right before my senior year, I'd pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his

looming height and eerie green eyes. Things were looking up. And then he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger

attacks me and Daemon literally freezes time with a wave of his hand, well, something...unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon

and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon's touch has me lit up like the Vegas Strip. The only way I'm getting out of this alive is by sticking

close to Daemon until my alien mojo fades. If I don't kill him first, that is. Read the entire bestselling series! #1: Obsidian (from Katy's point of view) #2: Onyx (from Katy's point of

#1 New York Times, USA Today, and internationally bestselling author Jennifer L. Armentrout returns to the world of the Lux with this steamy, shocking third installment of the *Origin* series that will leave readers reeling. The hardcover edition of *The Brightest Night* includes a bonus short story, and the first printing will be signed by the author. He is the darkest star. She is the burning shadow. And together, they will bring about the brightest night. Less than a year ago, Evelyn Dasher was a normal girl, living a safe, rather unremarkable lifela life that was a total lie. Now she's learned the truth about who she was and what she is. Hidden within Zone 3, she knows that if she loses control of her dangerous abilities again, she not only puts everyone in the secret community at risk, but also the beautiful, deadly inhuman Luc. He will do anything to keep her safe. Lie. Barter. Beg. Kill. But there are truths that not even Luc can prepare for, and as Evie's abilities evolve, the consequences of everything he's done turn devastating. Luc is stepping into the darkness. From #1 New York Times bestselling author Brandon Sanderson, *Words of Radiance*, Book Two of the Stormlight Archive, continues the immersive fantasy epic that *The Way of Kings* began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command

of the royal bodyguards, a controversial first for a low-status “darkeyes.” Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his

honorspren, Syl. The Assassin, Szeth, is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the

war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the

civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of

Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are

incalculable.
