Poignant, touching, and lively, this memoir of a woman who loses her mother and creates a new life for herself in Paris will speak to anyone who has lost a parent or reinvented themselves. Lisa Anselmo wrapped her entire life around her mother, a strong woman who was a defining force in her daughter's life—maybe too defining. When her mother dies from breast cancer, Lisa realizes she hadn't built a life of her own, and struggles to find her purpose. Who is she without her mother—and her mother's expectations? Desperate for answers, she reaches for a lifeline in the form of an apartment in Paris, refusing to play it safe for the first time. What starts out as a lurching act of survival sets Lisa on a course that reshapes her life in ways she never could have imagined. But how can you imagine a life bigger than anything you've ever known? In the vein of *Eat, Pray, Love* and *Wild, My (Part-time) Paris Life* a story is for anyone who's ever felt lost or hopeless, but still holds out hope of something more. This candid memoir explores one woman's search for peace and meaning, and how the ups and downs of expat life in Paris taught her to let go of fear, find self-worth, and create real, lasting happiness.

Take a journey through the world's most romantic city, traveling from color to magnificent color with this beguiling book. An orange caf+® chair, bright blue bicycles against a fence, a weathered white door—Nichole Robertson's sumptuous photographs of the distinctive details of Paris, all arranged by color, evoke a sense of serendipitous discovery and celebrate the city as never before. At once a work of art and a window into the heart of the city, *Paris in Color* will surprise and delight those who love art, design, color, and, of course, Paris!

Three women. One daring mission. 1946. One morning while passing through Grand Central Terminal, Grace Healey finds an abandoned suitcase tucked beneath a bench. Inside is a dozen photographs—each of a different woman. Grace soon learns that the suitcase belonged to Eleanor Trigg, leader of a network of female secret agents deployed out of London during the war. Twelve of these women were sent to Occupied Europe as couriers and radio operators to aid the resistance, but they never returned home. Setting out to learn the truth behind the women in the photographs, Grace finds herself drawn to a young mother turned agent named Marie, whose mission overseas reveals a remarkable story of friendship, valor and betrayal. In this riveting story inspired by true events, Pam Jenoff weaves a tale of courage, sisterhood and the great strength of women to survive in the hardest of circumstances. Don't miss Pam Jenoff's new novel, *Code Name Sapphire*, a riveting tale of bravery and resistance during World War II. Hearty boeuf Bourguignon served in deep bowls over a garlic-rubbed slice of baguette toast; decadently rich croque monsieur, eggy and oozing with cheese; gossamer crème brulee, its sweetness offset by a brittle burnt-sugar topping. Whether shared in a cozy French bistro or in your own home, the romance and enduring appeal of French country cooking is irrefutable. Here is the book that helps you bring that spirit, those evocative dishes, into your own home. What Ina

Garten is known for—on her Food Network show and in her three previous bestselling books—is adding a special twist to familiar dishes, while also streamlining the recipes so you spend less time in the kitchen but still emerge with perfection. And that’s exactly what she offers in *Barefoot in Paris*. Ina’s kir royale includes the unique addition of raspberry liqueur—a refreshing alternative to the traditional crème de cassis. Her vichyssoise is brightened with the addition of zucchini, and her chocolate mousse is deeply flavored with the essence of orange. All of these dishes are true to their Parisian roots, but all offer something special—and are thoroughly delicious, completely accessible, and the perfect fare for friends and family. *Barefoot in Paris* is suffused with Ina’s love of the city, of the bustling outdoor markets and alluring little shops, of the bakeries and fromageries and charcuteries—of the wonderful celebration of food that you find on every street corner, in every neighborhood. So take a trip to Paris with the perfect guide—the Barefoot Contessa herself—in her most personal book yet.

Americans have built an empire on the idea of “race,” a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to

*inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.*

*Graffiti artists in Paris, much like in New York and Los Angeles, have transformed urban spaces—sidewalks, metro stations, staircases, abandoned buildings—into showrooms that exhibit their work in all of its many mediums, from a proliferation of stickers to cleverly applied stencils to giant murals. In Graffiti Paris, Fabienne Grévy takes readers on a tour of Paris's street art, and also discusses the variety of unique sources that inspire the artists, including the cave paintings at Lascaux, nineteenth-century Japanese blockprints, and comics.*

*The New York Times Bestseller! "A beautiful and elegant account of an ordinary man's unexpected and reluctant descent into heroism during the second world war." —Malcolm Gladwell An extraordinary novel about a gifted architect who reluctantly begins a secret life devising ingenious hiding places for Jews in World War II Paris, from an author who's been called "an up and coming Ken Follett." (Booklist) In 1942 Paris, gifted architect Lucien Bernard accepts a commission that will bring him a great deal of money and maybe get him killed. But if he's clever enough, he'll avoid any trouble. All he has to do is design a secret hiding place for a wealthy Jewish man, a space so invisible that even the most determined German officer won't find it. He sorely needs the money, and outwitting the Nazis who have occupied his beloved city is a challenge he can't resist. But when one of his hiding spaces fails horribly, and the problem of where to hide a Jew becomes terribly personal, Lucien can no longer ignore what's at stake. The Paris Architect asks us to consider what we owe each other, and just how far we'll go to make things right. Written by an architect whose knowledge imbues every page, this story becomes more gripping with every soul hidden and every life saved.*

***A charming and insightful memoir about coming of age as a fashion journalist in 1980s Paris, by former Vogue and Harper's Bazaar editor Kate Betts, the author of Everyday Icon: Michelle Obama and the Power of Style "You can always come back," my mother said. "Just go." As a young woman, Kate Betts nursed a dream of striking out on her own in a faraway place and becoming a glamorous foreign correspondent. After college—and not without trepidation—she took off for Paris, renting a room in the apartment of a young BCBG (bon chic, bon genre) family and throwing herself into the local culture. She was determined to master French slang, style, and savoir faire, and to find a job that would give her a reason to stay. After a series of dues-paying jobs that seemed only to reinforce her outsider status, Kate's hard work and willingness to take on any assignment paid off: Her writing and intrepid forays into la France Profonde—true France—caught the eye of John Fairchild, the mercurial fashion arbiter and publisher of Women's Wear Daily, the industry's bible. Kate's earliest assignments—investigating the mineral water preferred by high society, chasing after a costumed band of wild boar hunters through the forests of Brittany—were a rough apprenticeship, but she was rewarded for her efforts and was initiated into the elite ranks of Mr. Fairchild's trusted few who sat beside him in the front row and at private previews in the ateliers of the gods of French fashion. From a woozy yet mesmerizing Yves Saint Laurent and the mischievous and commanding Karl Lagerfeld to the riotous, brilliant young guns who were rewriting all the rules—Martin Margiela, Helmut Lang, John Galliano—Betts gives us a view of what it was like to be an American girl, learning about herself, falling in love, and finding her tribe. Kate Betts's captivating memoir brings to life the enchantment of France—from the nightclubs of 1980s Paris where she learned to dance Le Rock, to the lavender fields of Provence and the grand spectacle of the Cour Carrée—and magically re-creates that moment in life when a young woman discovers who she's meant to be. Praise for My Paris Dream "[A] glittering coming-of-age tale."—Entertainment Weekly (The Must List) "Fashion and self-examination—froth and wisdom—might seem like odd bookfellows, but Betts brings them together with winning confidence."—The New York Times Book Review "As light and***

Every birthday Rosalie sends a card inscribed with her heart’s desire fluttering down from the Eiffel Tower - but none of her wishes has ever been fulfilled. Then one day when an elderly gentleman trips up in her shop and knocks over a post-card stand, it seems that her wish cards are working after-all. Rosalie finds out that it is Max Marchais, famed and successful author of children’s books who’s fallen into her life. When he asks her to illustrate his new (and probably last) book, Rosalie is only too glad to accept, and the two - very different - maverick artists become friends. Rosalie’s wishes seem to be coming true at last, until a clumsy American professor stumbles into her store with accusations of plagiarism. Between 1888 and 1927 Eugne Atget meticulously photographed Paris and its environs, capturing in

thousands of photographs the city's parks, streets, and buildings as well as its diverse inhabitants. His images preserved the vanishing architecture of the ancien rgime as Paris grew into a modern capital and established Atget as one of the twentieth century's greatest and most revered photographers. Christopher Rauschenberg spent a year in the late '90s revisiting and rephotographing many of Atget's same locations. Paris Changing features seventy-four pairs of images beautifully reproduced in duotone. By meticulously replicating the emotional as well as aesthetic qualities of Atget's images, Rauschenberg vividly captures both the changes the city has undergone and its enduring beauty. His work is both an homage to his predecessor and an artistic study of Paris in its own right. Each site is indicated on a map of the city, inviting readers to follow in the steps of Atget and Rauschenberg themselves. Essays by Clark Worswick and Alison Nordstrom give insight into Atget's life and situate Rauschenberg's work in the context of other rephotography projects. The book concludes with an epilogue by Rosamond Bernier as well as a portfolio of other images of contemporary Paris by Rauschenberg. If a trip to the city of lights is not in your immediate future, this luscious portrait of Paris then and now is definitely the next best thing.

*Paris. The name alone conjures images of chestnut-lined boulevards, sidewalk cafés, breathtaking façades around every corner--in short, an exquisite romanticism that has captured the American imagination for as long as there have been Americans. In 1995, Adam Gopnik, his wife, and their infant son left the familiar comforts and hassles of New York City for the urbane glamour of the City of Light. Gopnik is a longtime New Yorker writer, and the magazine has sent its writers to Paris for decades--but his was above all a personal pilgrimage to the place that had for so long been the undisputed capital of everything cultural and beautiful. It was also the opportunity to raise a child who would know what it was to romp in the Luxembourg Gardens, to enjoy a croque monsieur in a Left Bank café--a child (and perhaps a father, too) who would have a grasp of that Parisian sense of style we Americans find so elusive. So, in the grand tradition of the American abroad, Gopnik walked the paths of the Tuileries, enjoyed philosophical discussions at his local bistro, wrote as violet twilight fell on the arrondissements. Of course, as readers of Gopnik's beloved and award-winning "Paris Journals" in The New Yorker know, there was also the matter of raising a child and carrying on with day-to-day, not-so-fabled life. Evenings with French intellectuals preceded middle-of-the-night baby feedings; afternoons were filled with trips to the Musée d'Orsay and pinball games; weekday leftovers were eaten while three-star chefs debated a "culinary crisis." As Gopnik describes in this funny and tender book, the dual processes of navigating a foreign city and becoming a parent are not completely dissimilar journeys--both hold new routines, new languages, a new set of rules by which everyday life is lived. With singular wit and insight, Gopnik weaves the magical with the mundane in a wholly delightful, often hilarious look at what it was to be an American family man in Paris at the end of the twentieth century. "We went to Paris for a sentimental reeducation-I did anyway-even though the sentiments we were instructed in were not the ones we were expecting to learn, which I believe is why they call it an education."*

*In 2005, The Woman at the Washington Zoo was published to major critical acclaim. The late Marjorie Williams possessed "a special voice, one capable not just of canny political observations but of tenderness and bracing intimacy," observed the New York Times Book Review. Now, in a collection of profiles with the richness of short fiction, Williams limns the personalities that dominated politics and the media during the final years of the twentieth century. In these pages, Clark Clifford grieves "in his laborious baritone" a bank scandal's blow to his re-pu-taaaaaay-shun. Lee Atwater likens himself to Ulysses and pleads, "tah me to the mast!" Patricia Duff sheds "precipitous tears" over her divorce from Ronald Perelman, resembling afterwards "a garden refreshed by spring rain." Reputation illuminates our recent past through expertly drawn portraits of powerful - and messily human - figures.*
