Pirates are among the most heavily romanticized and fabled characters in history. From Bluebeard to Captain Hook, they have been the subject of countless movies, books, children's tales, even a world-famous amusement park ride. In *Sodomy and the Pirate Tradition*, historian B. R. Burg investigates the social and sexual world of these sea rovers, a tightly bound brotherhood of men engaged in almost constant warfare. What, he asks, did these men, often on the high seas for years at a time, do for sexual fulfillment? Buccaneer sexuality differed widely from that of other all-male institutions such as prisons, for it existed not within a regimented structure of rule, regulations, and oppressive supervision, but instead operated in a society in which widespread toleration of homosexuality was the norm and conditions encouraged its practice. In his new introduction, Burg discusses the initial response to the book when it was published in 1983 and how our perspectives on all-male societies have since changed.

Authors Angus Konstam and Roger Michael Kean reveal the truth behind our myths, fairy tales, and Hollywood-inspired images. The reality is, unbelievably, even more intriguing than the flashing swords, talking parrots, and mysterious eye patches portrayed in the movies. In this lavishly illustrated tour through history, you can explore the lives of real pirates, such as Blackbeard, Thomas Tew, and Captain Kidd. Find out how, even today, pirates regularly attack and plunder ships. Discover their motivations, diverse backgrounds, daily lives, and codes of conduct. Peek inside pirate ships, trace their journeys on the map, see their bloody battle, and thrill at the daring, brutal ways in which they live and die. From prehistory to the twenty-first century, whenever trade takes to the sea, the predators are close behind. This new authoritative history details the derring-do of pirate through the ages, analyzing our fascination for the actions of men—and some women—who were, after all, vicious criminals. Packed with illustrations, this volume is the essential companion for every armchair swashbuckler. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history—books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Sale with the iconic pirate-villains and outlaws, experience great sea adventures and dangerous treasure hunts! You will find it all in this passionately edited collection: Treasure Island (R. L. Stevenson) Captain Blood (Rafael Sabatini) Sea Hawk (Sabatini) Blackbeard: Buccaneer (R. D. Paine) Pieces of Eight (Le Gallienne) Captain Singleton (Defoe) Gold-Bug (Edgar Allan Poe) Hearts of Three (Jack London) The Dark Frigate (C. B. Hawes) Isle of Pirate's Doom (Robert E. An Illustrated History

The Ballad of the Pirate Queens

Robinson Crusoe, The History of the Pirates, Captain Singleton, Memoirs of a Cavalier, A Journal of the Plague Year, Moll Flanders, Roxana, The History of the Devil, The King of Pirates and many more Pirates of the Golden Age had to deal with scurvy, fight ferocious battles, and eat everything from monkeys to snakes to sea turtles, but you won't learn that in your history books! Discover the truth about Anne Bonny, the Irish woman who was a true Pirate of the Caribbean, and the secrets of Blackbeard and the daring pirate Cheng I Sao. Then learn how to talk like a pirate and make a buried treasure map for your friends. It's all part of the true stories from the Top Secret Files: Pirates and Buried Treasure. Take a look if you dare, but be careful! Some secrets are meant to stay hidden . . . Ages 9-12 Reveals the truth behind our myths, fairy-tales, and Hollywood-inspired images of pirates. The reality is, unbelievably, even more intriguing than the flashing swords, talking parrots, and eye patches portrayed in the movies. In this lavishly illustrated tour through history, you can explore the lives of real pirates, such as Blackbeard, Thomas Tew, and Captain Kidd. Find out how, even today, pirates regularly attack and plunder ships. Discover their motivations, diverse backgrounds, daily lives, and codes of conduct. Peek inside pirate ships, trace their journeys on the map, see their bloody battles, and thrill at the daring, brutal ways in which they live and die. ¿Fascinating and colorful, this book dispels falsehoods and illuminates the truth about pirates.¿

Hinduja examines the social, psychological, criminological, and behavioral aspects of Internet crime. Guided by the most prominent general theories of criminal behavior, he explores music piracy - an all too-common form of cybercrime - by attempting to answer a number of questions. Does stress and strain play a role? What about low self-control? Is music piracy learned within intimate social groups? Do rationalizations and justifications contribute to participation? Is the behavior strengthened or weakened through rewards and punishments? Hinduja then discusses his findings in detail, with the intention of framing ideas into feasible practices that can accommodate the benefits of the new digital economy, the music industry, and the perpetually growing wired world.

Art Blastside in her second daring adventure upon the high seas in search of missing treasure - and into the greatest sea battle of all time. Having escaped the dreary Angels Academy for Young Maidens, 17-year-old Artemesia Blastside has rediscovered her mother's old friends and welded them into a formidable,

motley crew of pirates. After successfully leading them through the haunts of highwaymen, pirates and smugglers in the treasure hunt of all time, Art has won her mother's crown as the famous PIRATICA. She is now the most admired pirate in England. And England is in the grip of piratomania. But treasure snatched from her grasp still beckons from Parrot Island - and so it's time to lead the next high-sea adventure and try to reclaim what was almost hers. At her side is the gorgeous Felix Phoenix; and in her way, across war-torn seas, is the dastardly and monstrous Little Goldie Girl. And on the horizon is the greatest sea battle of all time ...

Jack and company are hot on the trail of the notorious pirate Left Foot Louis, who they believe is currently in possession of the Sword of Cort,s, but the newly appointed first mate Arabella has a personal score to settle with Louis that could jeopardize the entire mission. Original.

It is 1667 and the Dutch and the English are at war. Sir Francis Courtney and his son Henry 'Hal' Courtney, in their fighting caravel Lady Edwina, are on patrol off the Agulhas Cape of Southern Africa: lying in wait for one of the galleons of the Dutch East India Company returning from the Orient laden with treasure to fall into their net. It is the beginning of the quest that will sweep them from the new settlement of Good Hope at the southern tip of Africa to the Great Horn of Ethiopia far to the north. The bloody capture of the Dutch merchantman, and three valuable hostages, launches Hal into a perilous adventure which only the bravest will survive... Along the way Hal will encounter many enemies. A dangerous mutineer, sworn to extract to revenge. A fellow Knight Templar, now his father's betrayer. And the most dangerous adversary on the African continent, the Dutch swordsman Schreuder. His spirit will also be tested by love. For the rich and pampered Dutch heiress, Katinka. For the beautiful slave girl, Sukeena. And for a woman whose unstinting courage will outshine them all... From the dungeons of Good Hope to the uncharted wilderness of the Dark Continent and then to the fatal narrows of the Red Sea, Hal's faith will lead him to his destiny. To the defense of the final Christian stronghold in Africa. The kingdom of Prester John, historic guardian of the priceless Holy Grail... Birds of Prey is a Courtney Family Adventure from bestselling author Wilbur Smith.

A rhyming tale of pirates who go to school accompanied by their parrots, learn arithmetic and letters, and want to hear sea stories at storytime.

The Golden Age of Piracy

Chuck Klosterman IV

Three short chapter books in one volume tell the story of Neptune, the pirate's parrot, who sails the high seas with Captain Snatchit and his crew. Then the pirate ship, the Seaslug, sinks and he flies away to find a new home. In "The Pirate's Parrot", Neptune discovers a green island. It's a parrots' paradise until Captain Snatchit lands there too. When the pirates start chopping down trees, the parrots decide to get rid of them. But how? Neptune holds the key... In "Captain Snatchit's Revenge", the Captain finds out he was tricked. He vows to catch that pesky parrot Neptune! In "The Wreck of the Seaslug", Captain Snatchit salvages his old ship and sets up his pirate base on Parrot Island. This is going to need the parrots' most ingenious plan yet... With thrills, spills, laughs and plenty of bad pirate language, these stories are ideal for reading aloud, or for more confident readers to enjoy on their own.

An original collection from one of the most active poets in contemporary literature. Winner of the 2019 International Poetry Prize from the City of Münster The Pirate Who Does Not Know the Value of Pi is a poem-novel about the relationship between a pirate and a parrot who, after capturing a certain quantity of prizes, are shipwrecked on a deserted island, where they proceed to discuss whether they would have been able to communicate with people indigenous to the island, had there been any. Characterized by multilingual punning, humor puerile and set-theoretical, philosophical irony and narrative handicaps, Eugene Ostashevsky's new large-scale project draws on sources as various as early modern texts about pirates and animal intelligence, old-school hip-hop, and game theory to pursue the themes of emigration, incomprehension, untranslatability, and the otherness of others.

Boris von der Borch's image as a mean, greedy, bossy, tough-as-nails pirate is seriously threatened when a young boy sneaks onto Boris's ship.

Presents a history of piracy from Viking times to the present, discussing their ships, weapons, hideaways, life at sea, and criminal escapades, and describes famous pirates and myths and legends.

The true story of the Caribbean Piracy has been obscured through time by whimsical stories, which create confusing and distorted images of these characters, by not defining the line that divides reality from fiction. In this book we will see the stark truth about them. We do not intend to give an exhaustive view of this activity, but rather to tell several stories based on the information obtained through documents from the protagonists of the events themselves, that is, from their victims and their persecutors. Most of them terrible, others romantic and heroic, about the life and actions of these legendary characters. Those who had as their framework of life the excessive ambition. A situation that generated a violent power struggle in the Caribbean, of people driven mad by the thirst for wealth, who lived on the edge of the abyss, expressing the worst of their twisted feelings. Bringing this as a result, actions of irreversible consequences, many of them served as an instrument to European empires with expansionist pretensions. They benefited in this way from the exploitation of the wealth that Spain obtained in America, on an exclusive basis. They used their supremacy as a power to impose a commercial and territorial monopoly in the new continent. Others acted on their own or in partnership with greedy merchants. We intend to tell the stories around the facts, so that we can approach reality in a more efficient and direct way than in a conventional history book, thus offering a fully separated version of the myth in which these characters have been involved throughout time. Although several volumes of hundreds of pages would be necessary to relate the numerous acts of barbarism committed by these pirate men and women, although the latter in a very reduced number. We have summarized in it, the most prominent actors who left their mark on the Caribbean region. In the golden age of this society of adventurers. In this book we will get to know the rea

But what does a parrot need? A book about wanting and needing what a child wants and what a wild bird needs.

Pack your cutlass and blunderbuss--it's time to go a-pirating! The Invisible Hook takes readers inside the wily world of late seventeenth- and early eighteenth-century pirates. With swashbuckling irreverence and devilish wit, Peter Leeson uncovers the hidden economics behind pirates' notorious, entertaining, and sometimes downright shocking behavior.

Why did pirates fly flags of Skull & Bones? Why did they create a "pirate code"? Were pirates really ferocious madmen? And what made them so successful? The Invisible Hook uses economics to examine these and other

infamous aspects of piracy. Leeson argues that the pirate customs we know and love resulted from pirates responding rationally to prevailing economic conditions in the pursuit of profits. The Invisible Hook looks at legendary pirate captains like Blackbeard, Black Bart Roberts, and Calico Jack Rackam, and shows how pirates' search for plunder led them to pioneer remarkable and forward-thinking practices. Pirates understood the advantages of constitutional democracy--a model they adopted more than fifty years before the United States did so. Pirates also initiated an early system of workers' compensation, regulated drinking and smoking, and in some cases practiced racial tolerance and equality. Leeson contends that pirates exemplified the virtues of vice--their self-seeking interests generated socially desirable effects and their greedy criminality secured social order. Pirates proved that anarchy could be organized. Revealing the democratic and economic forces propelling history's most colorful criminals, The Invisible Hook establishes pirates' trailblazing relevance to the contemporary world.

Music Piracy and Crime Theory

The Book of Buried Treasure, The Dark Frigate, Blackbeard, The King of Pirates, Pieces of Eight, Captain Blood, Treasure Island, The Gold-Bug, Captain Singleton, Facing the Flag, Black Bartlemy's Treasure...

The exciting true story of the captaincy, wreck, and discovery of the Whydah – the only pirate ship ever found – and the incredible mysteries it revealed. The 1650s to the 1730s marked the golden age of piracy, when fearsome pirates like Blackbeard ruled the waves, seeking not only treasure but also large and fast ships to carry it. The Whydah was just such a ship, built to ply the Triangular Trade route, which it did until one of the greediest pirates of all, Black Sam Bellamy, commandeered it. Filling the ship to capacity with treasure, Bellamy hoped to retire with his bounty – but in 1717 the ship sank in a storm off Cape Cod. For more than two hundred years, the wreck of the Whydah (and the riches that went down with it) eluded treasure seekers, until the ship was finally found in 1984 by marine archaeologists. The artifacts brought up from the ocean floor are priceless, both in value and in the picture they reveal of life in that much-mythologized era, changing much of what we know about pirates. This book is an historical study of piracy in the ancient Greek and Roman world. It examines the origins and growth of piracy, the impact of piracy on trade, and the relationship between warfare and piracy, and evaluates attempts to suppress piracy by the states and rulers of the ancient world. A major innovation is the author's discussion of the way that pirates and piracy are portrayed in major works of

Security is one of the most critical problems facing anyone who is charged with administering and maintaining an enterprise's computer network. This text aims to help anyone involved with maintaining a network to better secure it and prevent disasters from occurring and systems from crashing and destroying vital corporate data. It covers: strategies for preventing networks from attack; Internet and external security; tunnelling through VPNs (Virtual Private Networks); choosing and configuring firewalls; and dealing with bugs, viruses and Trojan Horses.

This book is needed today! This book is presenting the news media stories about the strange and unusual happenings that are taking place in the skies, on the land, in the waters, and with the weather. This book is needed today! People around the world are frightened and terrified. They are looking for answers and there are no real solutions for the catastrophes presented by the news media. This book is needed today! The scientific community is theorizing that global warming/ climate change is the reason for the unusual events; however, the Bible provides prophetic explanations regarding these events that are taking place and that will continue with greater ferocity. This book is needed today! This book offers opportunity for Believers to become fully grounded in the Word of God. Religious leaders may find this book to be a resource in preparing bible studies. This book increases awareness of events to come and hope for escaping the Old-World Order in preparation for the New World Order that the Bible promises. By reading this book, one will gain a clear understanding of how to make preparation for future events, and gain an understanding of the only hope for the future through the One who is the Way, the Truth and the Life.

Piracy in the Graeco-Roman World

An Essay from Chuck Klosterman IV

Yo Ho Ho and a Bottle of Milk

Security Complete

A collection by the pop culture commentator includes some of his most noteworthy profiles and trend stories, a selection of favorite opinion pieces, and a semi-autobiographical short story, in a volume complemented by twenty "hypothetical questions."

Two women who sailed with Calico Jack Rackham and his pirates in the early 1700s do their best to defend their ship while the men on board are busy drinking.

The most authoritative history of piracy, Frank Sherry's rich and colorful account reveals the rise and fall of the real "raiders and rebels" who terrorized the seas. From 1692 to 1725 pirates sailed the oceans of the world, plundering ships laden with the riches of India, Africa, South America, and the Caribbean. Often portrayed as larger-than-life characters, these outlaw figures and their bloodthirsty exploits have long been immortalized in fiction and film. But beneath the legends is the true story of these brigands -- often common men and women escaping the social and economic restrictions of 18th-century Europe and America. Their activities threatened the beginnings of world trade and jeopardized the security of empires. And together, the author argues, they fashioned a surprisingly democratic society powerful enough to defy
