The Outsiders

Diver John Volanthen reveals how he pushed the limits of human endurance in the life-or-death mission to rescue the Thai youth soccer team trapped for over a week in a flooded cave. The world held its breath in 2018 when the Wild Boars soccer team and their coach went missing deep underground in the Tham Luang cave complex in northern Thailand. They had been stranded by sudden, continuous monsoon rains while exploring the caves after practice. As the torrential rain persisted and the waters continued to rise, an army of rescue teams and equipment was deployed, including Thai Navy SEALs, a US Air Force special tactics squadron, police sniffer dogs, drones and robots. But it was British cave diver John Volanthen and his partner, Rick Stanton, who were first to reach the stranded team and who played a key role in their ultimate rescue. The picture of them alive on a ledge in a flooded cave made front page news worldwide. As John’s light flickered from one boy to another, he called out, ‘How many of you?’ ‘Thirteen,’ a boy answered. ‘Brilliant,’ he said. After 10 days trapped in desperate blackness, the boys and their coach were all alive. Each chapter of Thirteen Lessons that Saved Thirteen Livestells one part of the edge-of-your-seat mission from Tham Luang but also imparts a life lesson, gleaned from John’s previous rescues and record-breaking cave dives, that can be applied to everyday obstacles and challenges. In this story of breathtaking courage and mental mastery, John reveals how responding positively to the statement, ‘But I can’t...’ by stating, ‘I can,’ led to one of the most incredible rescues in history. He hopes that his story will inspire the superhero in you.

Illustrations and rhyming text celebrate police officers and what they do, including giving directions, providing first aid, and directing traffic. By the author of Trains: Steaming! Pulling! Huffing!

“Gripping and timely.” —People “The YA debut we’re most excited for this year.” —Entertainment Weekly “A book that knocks you off your feet while dropping the kind of knowledge that’ll keep you down for the count. Prepare to BE slain.” —Nic Stone, New York Times bestselling author of Dear Martin and Odd One Out Ready Player One meets The Hate U Give in this dynamite debut novel that follows a fierce teen game developer as she battles a real-life troll intent on ruining the Black Panther–inspired video game she created and the safe community it represents for Black gamers. By day, seventeen-year-old Kiera Johnson is an honors student, a math tutor, and one of the only Black kids at Jefferson Academy. But at home, she joins hundreds of thousands of Black gamers who duel worldwide as Nubian personas in the secret multiplayer online role-playing card game, SLAY. No one knows Kiera is the game developer, not her friends, her family, not even her boyfriend, Malcolm, who believes video games are partially responsible for the “downfall of the Black man.” But when a teen in Kansas City is murdered over a dispute in the SLAY world, news of the game reaches mainstream media, and SLAY is labeled a racist, exclusionist, violent hub for thugs and criminals. Even worse, an anonymous troll infiltrates the game, threatening to sue Kiera for “anti-white discrimination.” Driven to save the only world in which she can be herself, Kiera must preserve her secret identity and harness what it means to be unapologetically Black in a world intimidated by Blackness. But can she protect her game without losing herself in the process?

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

An instant New York Times bestseller! "Internment sets itself apart...terrifying, thrilling and urgent."--Entertainment Weekly Rebellions are built on hope. Set in a horrifying near-future United States, seventeen-year-old Layla Amin and her parents are forced into an internment camp for Muslim American citizens. With the help of newly made friends also trapped within the internment camp, her boyfriend on the outside, and an unexpected alliance, Layla begins a journey to fight for freedom, leading a revolution against the camp's Director and his guards. Heart-racing and emotional, Internment challenges readers to fight complicit silence that exists in our society today.

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

The cats who saved Christmas . . . The charming seaside village of Molena Point, California, leads one to expect a quiet traditional Christmas surrounded by family and friends—but not this holiday season. Instead of singing carols and climbing into Christmas trees, Joe Grey, feline P.I., is faced with his most difficult case yet—and that’s saying a lot for a wily tomcat who for years has been solving crimes the police can’t even crack. At midnight in the deserted gardens of the shopping plaza, a stranger lies dead beneath the village Christmas tree; the only witness to the shooting is a little child. But when the police arrive, summoned by an anonymous phone call of feline origin, both the body and the child have disappeared. As police scramble for leads, the grey tomcat, his tabby lady, and their tortoiseshell pal, Kit, launch their own unique investigation. Together Joe Grey, Dulcie, and Kit face their most heartbreaking case yet as they care for the child who may be the killer’s next target. Trying to sort out perplexing clues amidst the happiness of the season, they shadow a cast of colorful characters. But neither the police nor their unknown feline assistants are aware that they might have stumbled over the murderer and never known it, until an electrifying final scene when the killer’s identity is revealed. For years Shirley Rousseau Murphy has written tales that have delighted readers and critics alike. With her lyrical prose and fast-paced plotting, Murphy has created another delightfully absorbing trip to a magical place populated by unforgettable characters whom readers have come to think of as friends.
