In this book you will learn how to Overcome setbacks, household wickedness, spiritual enslavement and financial obstacles and warfare prayer points to unlock your destiny The modern concept of demons owes many of its key features to the influence in Christian and theological doctrine, which were heavily influenced by Jewish beliefs through the Old Testament. In Christianity, a demon is not just a malicious spirit, but a spirit of hell sent to Earth by the Devil to enforce his authority or to carry out his purposes. There are various opinions and definitions for Spiritual Warfare; however, it can be summed up in the following quote: "Some speak of [Spiritual Warfare as being] the struggle between good and evil. Others talk of the battle between right and wrong, or between light and darkness. Still others refer to the conflict between the positive forces which seek to preserve life and order in the universe and the negative forces which tend to disturb and even destroy life and order, from a biblical perspective, however, this dualism is revealed to be an on-going conflict waged on two fronts: God and His angelic kingdom confront Satan and his demonic kingdom, while the children of God contend with the children of Satan." The writings of the Bible invoke images of conflict and spiritual struggle in the life of the Christian. One of the evocative images that are associated with Spiritual Warfare is found in the New Testament in the Epistle to the Ephesians. This letter is traditionally ascribed to the authorship of the Apostle Paul. In that letter, Paul gives instruction to his readers on the spiritual life in the context of conflict. He illustrates his points by apparently alluding to the armor and weapons of a Roman centurion, though it is notable that Paul's phraseology imitates Isaiah 59:17.

The Battle Is Ours! "Our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world" (Eph. 6:12 NIV). For generations when Christians have engaged in spiritual warfare, most of the time they have focused on "satan" as the main opponent. However, C. Peter Wagner has gathered together a number of ministers who teach from personal experience that the "principalities and powers" are more than just satan—there is an entire hierarchy of demons in this world. Often, missionaries and ministers are finding that they have far more success in an area when they first go to war in the spirit and in prayer against the evil power that rules a certain region. C. Peter Wagner has compiled this book of many voices, speaking from Scripture and personal experience, teaching the reality of territorial spirits and the necessity of waging targeted, powerful warfare against them in order to reach the souls these evil powers have held captive for too long. You will learn:· There is an entire hierarchy of demons in this world, many with specific geographic territories.· Once a territorial spirit's power is broken, ministry in that area can be far more effective.· How to go to war against evil spirits to break their power over the people of a region. Christians must take to heart what the Bible teaches about spiritual warfare.Arm yourself with this book!

The enemy's weapons are no match at all to the weapons of God's Warriors. Our God-given weapons of warfare are infinitely more powerful than the enemy's. Unfortunately, one of the tragedies of our time is that so many Christians either don't know their weapons of spiritual warfare or have dropped those weapons of warfare.In this book, The Warrior's Weapons, you have everything you need to become armed and dangerous against every adversary that threatens you, your destiny, and the destinies of your loved ones. The book presents strategic weapons in our spiritual arsenal and how they are to be used against the kingdom of darkness.
