

Presidents Of The United States (America Handbooks, A TIME For Kids Series)

This study aims to demonstrate that presidents are persistent agents of change, continually disrupting and transforming the political landscape. The politics of the "third way" is also discussed in relation to Bill Clinton's political strategies.

Documents the relationships between U.S. Presidents and the prominent Jews of their day, from Haym Solomon, who helped George Washington finance the American revolution, to Senator Joe Lieberman, who was chosen by Al Gore to be the first Jewish nominee on a national ticket.

Leadership from John Adams to Bill Clinton, Revised Edition

Harry S. Truman : Containing the Public Messages, Speeches, and Statements of the President

An insider's account of the often-fraught U.S.-Saudi relationship Saudi Arabia and the United States have been partners since 1943, when President Roosevelt met with two future Saudi monarchs. Subsequent U.S. presidents have had direct relationships with those kings and their successors—setting the tone for a special partnership between an absolute monarchy with a unique Islamic identity and the world's most powerful democracy. Although based in large part on economic interests, the U.S.-Saudi relationship has rarely been smooth. Differences over Israel have caused friction since the early days, and ambiguities about Saudi involvement—or lack of it—in the September 11 terrorist attacks against the United States continue to haunt the relationship. Now, both countries have new, still-to-be-tested leaders in President Trump and King Salman. Bruce Riedel for decades has followed these kings and presidents during his career at the CIA, the White House, and Brookings. This book offers an insider's account of the U.S.-Saudi relationship, with unique insights. Using declassified documents, memoirs by both Saudis and Americans, and eyewitness accounts, this book takes the reader inside the royal palaces, the holy cities, and the White House to gain an understanding of this complex partnership.

Follows the careers of every president through George W. Bush, offering facts about the major events, issues, and achievements of each administration.

Follows the life of George Washington, including his childhood, education, employment, political career, and term of presidency.

Presidents of the United States-Contemporary United States

Single-page biographies with portraits of the forty-six presidents of the United States.

In addition to data on the thirty-five Presidents, and fact summaries of their administrations, the set includes brief biographies of many other famous Americans.

TigerBeat for U.S. presidents—a tour of our nation's history through its irresistible commanders-in-chief Is there anything hotter than former U.S. presidents? Obviously, there is not. And yet, until now, there was no way to learn about these handsome and mysterious men that is funny, educational, and includes thoughtful analysis of which ones would make good boyfriends. Thankfully, Hottest Heads of State fills this void. Get to know each president intimately with an individual profile outlining his particular charms (or, in some cases, "charms"). Plus, inside you'll find: · GAMES including "Match the Mistress to her POTUS" · QUIZZES like "Which President has a Secret Crush on You?" and "Can You Cover Up Watergate?" · that POSTER of Rutherford B. Hayes you've always secretly wanted! J. D. and Kate Dobson's wickedly smart and refreshingly bipartisan debut is a spot-on parody of a teen magazine featuring such unlikely heartthrobs as Richard Nixon and William H. Taft. In the end, you'll learn centuries' worth of cocktail party-worthy trivia, and you'll be slightly more prepared to take the AP U.S. History exam. You'll also start tingling whenever you hear the name Herbert Hoover.

Presidents of the United States of America

Excerpt from Presidents of the United States From 1779 to 1896 He taught school for two years, while studying law. In 1770 he was one of the selectmen in the Boston Convention to protest against British imposts on tea, glass, etc. In 1773 he was a member of the Council of State. In 1774. He was one of the delegates to the first Continental Congress, which met at Philadelphia, and advocated the Declaration of Independence, and was pronounced by Jefferson the ablest champion of independence on the floor of the House. In 1780 he was sent as Minister to Holland. In 1782 he negotiated, with others, the Treaty of Peace with England. In 1785 he went as the first Ambassador. From the United States to that nation. From 1789 to 1797 was vice-president under Washington. He became President, 1797. At this time there were no regular life insurance companies doing business in the United States. Relive the fascinating course of the United State's history through the lives of its Presidents, from George Washington all the way up to its present leaders. A perfect resource for home and school.

"From this day forward, it's going to be only America first, America first." -President Donald J. Trump, January 20, 2017 President Donald Trump's inaugural address at 1,433 words and 15 minutes was the shortest since President Carter in 1977 and second-shortest since President Kennedy in 1961. Still, it was far longer than the shortest-ever address by the first president of the United States, George Washington, in his second inaugural address on March 4, 1793, with just 135 words. On the other hand, will we remember President Trump's address or any of his quotes as we do with President Franklin Roosevelt's quote in 1933: "Let me assert my firm belief that the only thing we have to fear is fear itself, nameless, unreasoning, unjustified terror which paralyzes needed efforts to convert retreat into advance"; or President John Kennedy's quote in 1961: "Ask not what your country can do for you, ask what you can do for your country?" Time will tell. This volume, *Inaugural Addresses of the Presidents of the United States*, with inaugural addresses from each of the nation's new leaders, and the subsequent inaugural words of re-elected Presidents, collects the thoughts of the first leader, President George Washington, entering office on April 30, 1789, through the forty-fifth leader, President Donald Trump on January 20, 2017. Their words set the tenor for their administrations, and this firsthand document of American history is vital for understanding their work in the White House and the legacy they left for the future. The Joint Congressional COMMITTEE ON INAUGURAL CEREMONIES (JCCIC) coordinates the Inaugural swearing-in ceremony of the President and Vice President of the United States, the traditional Inaugural luncheon that follows, and all other Inaugural activities at the U.S. Capitol. It is comprised of the Senate Majority Leader, the Chairman and Ranking Member of the Senate Committee on Rules and Administration, the Speaker of the House of Representatives, and the

Majority and Minority Leaders of the House of Representatives.

"Containing the public messages, speeches, and statements of the President", 1956-1992.

NEW YORK TIMES BESTSELLER • With unparalleled reporting, a Pulitzer Prize-winning New York Times reporter chronicles the clash between a president and the officials of his own government who tried to stop him. "A meticulously reported volume that clearly benefits from the author's extraordinary access . . . [a] startling dissection of the Trump presidency."—The New York Times Drawing on secret FBI and White House documents and confidential sources inside federal law enforcement and the West Wing, Donald Trump v. The United States tells the dramatic, high-stakes story of those who felt compelled to confront and try to contain the forty-fifth president of the United States as he shredded norms and sought to expand his power, bringing American democracy to the brink. Michael S. Schmidt broke many of the major stories of the Trump era, from the news of Hillary Clinton's use of a personal email account to the report on the memos of former FBI director James Comey's conversations with Trump that led directly to the appointment of special counsel Robert S. Mueller III. In Donald Trump v. The United States, Schmidt takes us inside the defining events of a presidency, chronicling the clash between an increasingly emboldened president and the officials of his own government who found themselves trying to thwart the president they had once pledged to serve. Through their eyes and ears, we observe an epic struggle to stop a rogue agent in our nation's highest office. A vital work of journalism, Donald Trump v. The United States is a riveting contemporary history and a lasting account of just how fragile and vulnerable American democracy really is.

This updated second volume of Inaugural Addresses of the Presidents of the United States now includes the January 20, 2009 address of President Barack Obama. Volume Two contains the speeches of Presidents Grover Cleveland, William McKinley, Theodore Roosevelt, William Howard Taft, Woodrow Wilson, Warren G. Harding, Calvin Coolidge, Herbert Hoover, Franklin D. Roosevelt, Harry S Truman, Dwight D. Eisenhower, John F. Kennedy, Lyndon Baines Johnson, Richard Milhous Nixon, Jimmy Carter, Ronald Reagan, George Bush, William Jefferson Clinton, George W. Bush, and, now, Barack Hussein Obama.

The Buck Stops Here

The presidential historian charts the progression of American power from George Washington to George W. Bush, revealing the exercise of power through the office as it has developed into an "imperial" seat of authority, in an updated edition of the classic history. Reprint.

Homes and Libraries of the Presidents identifies, describes, and provides sources of additional information to almost one hundred homes, libraries, and museums that commemorate one or more of the presidents of the United States – from George Washington to George W. Bush. Each president's life and home is put into personal and historical context. The book has three sections. Section one provides an overview of the historical significance of presidential homes and museums, discusses restoration and preservation efforts, and traces the federal government's role, through the National Park Service and the National Archives, in administering and maintaining these sites. Section two—the most extensive part of the book—presents short anecdotal biographies of each president, followed by a description of the relevant home, museum, or library sites. Basic locational and access information is also provided for each site. Section three identifies sources of additional information related to the theme of the book, and provides lists of presidential birthplaces, burial sites, and associations related to presidential history.

Surveys the presidents of the United States, from George Washington through Barack Obama, and examines the events that marked each administration including key historical events, battles, discoveries, and inventions.
