It's a rainy day in the month of May and Sam spots a rainbow, and then a puddle. A perfect spring puddle. His mother warns, "No! No jumping in puddles! You must keep clean today!" but Sam can't stop himself from testing the water with his galoshes. And

then the puddle invites him to play. The puddle whispers, "Jump, Puddle Jumper, jump!" and with that very first jump, Sam is off on an adventure of the imagination. He'll be a frog in a pond, with a hat and some spots and a magic wand. He'll be a crocodile with pink polka dots and teeth like blades, and a polar bear with purple polar hair. He's going to jump, leap, dance, plunge, swim, and jump again. Sam is having so much fun in his puddle that even Mom can't resist. With a leap and a thwump, she's jumping too, cheering, "Jump, Puddle Jumper, jump!" This happy picture book celebrates the simple, pure joy of jumping in a rain puddle. Nancy Cote's cheerful illustrations are full of kid appeal, a perfect match to a story that captures the magic of being a child. Let your imagination take you on your own adventure the next time you encounter an irresistible puddle. Aimed for children ages 3 to 6, this is a charming book about letting your imagination run wild and also about the joys children can find in even just a simple rain puddle. Encouraging kids to explore their outside world provides important developmental play for kids and parents will find the mom's reluctance and then acquiescence a good reminder that adults need to enter the world of children in order to allow them to explore their world and to learn from it. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to

play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Jewel Bay for over a hundred years. To celebrate their recent makeover as a gourmet food market, Erin has organized a town festival, Festa di Pasta, featuring the culinary goods of Jewel Bay's finest - including her mother Fresca's delicious Italian specialties. But Erin's sweet success is soured when the shop's former manager, Claudette, is found dead behind the Merc on the Festa's opening night. With rival chef James Angelo stirring up rumors that Fresca's saucer recipes were stolen from Claudette, Erin's mother is under close scrutiny. Now Erin will have to hunt down some new suspects, or both her family and her store might wind up in hot water . . . Includes fresh, delicious recipes! 'Small-town charm and big-time chills. Jewel Bay, Montana, is a food lover's paradise - and ground zero for murder! A dizzying culinary delight with a twisty-turny plot! I'm totally enamored of Leslie Budewitz's huckleberry chocolates, Shasta daisies, and Cowboy Roast coffee.' Erin is one smart cookie, but can she keep the holiday spirit—and herself—alive till Christmas? In Jewel Bay, all is merry and bright. At Murphy’s Mercantile, aka the Merc, manager Erin Murphy is ringing in the holiday season with food, drink, and a new friend: Merrily Thornton. A local girl gone wrong, Merrily has turned her life around. But her parents have publicly shunned her, and they nurse a bitterness that chills Erin. When Merrily goes missing and her boss discovers he’s been robbed, fingers point to Merrily—until she’s found dead, a string of lights around her neck. The clues and danger snowball from there. Can Erin nab the killer—and keep herself in one piece—in time for a special Christmas Eve? Includes delicious recipes! Praise for the Food Lovers’ Village Mysteries: “A lighthearted and amusing story with the added bonus of several

yummy recipes.” —Mystery Scene “Treble at the Jam Fest has all the necessary elements to satisfy cozy mystery lovers: likeable, believable characters, a fast-moving plot, and a logical ending. Great fun!” —Suspense Magazine “A pleasing read with a thoughtful heroine, a plethora of red herrings, and some foodie tips.” —Kirkus Reviews “A delicious mystery as richly constructed as the layers of a buttery pastry. A holiday on the Mexican Baja draws an unsuspecting American student into the dark and terrifying white slavery trade that thrives just below the glamorous surface of this high-end playground of the rich. The young girl's parents are close friends of President Hunt who sanctions a covert CIA action to bring the young lady home. Alec Caldwell is assigned the task, and in rescuing Katherine, stumbles on a well organized drug smuggling operation linked to the

kidnapping. Its existence is unknown to the DEA. Fearing exposure of their ties to the illegal drug trade, President Hunt and his Mexican counterpart conspire to have Caldwell disappear. A daring military raid frees Alec who ultimately takes down both the assassin sent to kill him, and the people who run the drug trade and who were planning to sell the young girl to a Saudi buyer in payment for the drugs they were funneling up the Baja into the U.S. President Hunt's betrayal of Alec brings a harsh response from the CIA. His misdeeds have been well documented and a secret campaign is launched to expose this treachery and unseat him. But the CIA's initial efforts fail. Hunt is ultimately taken down, but not by the CIA. A person outside the agency with a personal vendetta is thought to be the assassin. But she disappears and a worldwide manhunt ensues. Is the assassin a CIA pawn? Does Alec remain with the CIA and go with Vanessa to Morocco on yet another black ops assignment? Or does he return to Montana to the respectable lifestyle his wife has planned for him? And, what does Alec mean when he toasts Vanessa with... "Here's looking at you, Kid!"

"Human flight is not a simple matter of science and technology. It is a continuing epic of dreams and obsession, of yearning and striving to harness the intellect in the service of the emotions." In *Like Sex with Gods: An Unorthodox History of Flight*, Bayla Singer offers a unique approach to humanity's fascination with flying. Rather than merely tracing the factual prehistory of flight up to the success of the Wright Brothers, Bayla Singer considers the interaction and influence of our dreams, fantasies, culture, and technology on the age-old quest to fly. This enlightening study begins with the deities and other denizens of the heavens that humanity has created in its religion, literature, and art. At first a monopoly of the gods, flight came to interest humanity as a way to free itself from the physical and intellectual bonds of the earth. The myth of flight eventually gives way to the pursuit of actual flight. Singer shows in compelling detail the many flying machines that have been created, including balloons, gliders, and kites. The

accomplishment of the Wright Brothers and our successful trips into space are merely stops on a continuing journey, as our ancient dream of flight continues to push us to new and loftier places. Filled with compelling stories and detailed illustrations, this book provides absorbing reading for aviation experts, those fascinated with the intimate relationship between technology and culture, and all of us who have even a passing interest in flying.

Their First Time: Teenage Romance tells of a young man's hopes, loves, disappointments, and life experiences beginning at the age of 16 when he runs away from home. The story covers his high school years through his returning home from Korea at the age of 20. The novel begins with the run-away from home by a very shy 16-year-old boy after his completion of the 11th grade of high school. He is a very bright and athletic young man. Even though he is shy, he makes many good friends, especially his first love. His last year of high school is filled with excitement and successes in sports, which lead up to his first date. His life is torn apart when, due to the trickery of a mean aunt, his life is changed forever. He is on his own again and desperately tries to return to the girl he dearly loves. Situations and

circumstances cause him to enlist in the United States Air Force. His basic training in the Air Force is described from beginning to end. After basic training, he is assigned to the intelligence service posing as a civilian at a large Ivy League university. Here, he has a devastating experience, which causes the loss of his virginity. After loss of his virginity, he develops a "no holds barred" attitude caused by many disappointments. The novel describes his stint in Korea and ends with his return home the States after turning the age of 20.

While there is no vulgarity (only hinted) do not read this book if you are squeamish when reading about romantic sex acts. The title of the novel gives you a hint. -The author
