[Siren Menage Everlasting: Erotic Futuristic Sci-Fi Menage a Quatre Romance, M/F/M/M, HEA] Shannon Regis buys a Celtic warrior slave bracelet and finds herself transported to planet Aeros, where she meets triplets Barclay, Darby, and Gilmore Calhoun. The Calhoun brothers see the bracelet on Shannon's upper arm and know she has been sent to them by the goddess of love and beauty, Branwen. They have to convince Shannon that she isn't dreaming or hallucinating and is in fact no longer on Earth, but they also have to convince her that she is meant to be their bond mate. Just as Shannon seems to be finding her place in her new home, trouble brews from some of the Calhoun brothers' warriors,

and they kidnap her. Shannon is in for the fight of her life, but knows she is no match for nearly seven-foot, crazy warriors. Will her warriors get to her in time to save her? Or will they be too late? Note: There is no sexual relationship or touching for titillation between or among siblings. \*\* A Siren Erotic Romance

When the two most important people in my life die tragically, I'm left to pick up the pieces. Pop-pop and G-ma left me their home on Lucky Cove -my only sanctuary. They also left an inheritance to set me up for life. And more than one person is trying to rip it out from under me. Between the grief of losing them and dealing with a family that certainly don't act like they give a damn, I'm barely keeping my head above water. The only good things right now are the handsome neighbours who

help me see beyond my loss. And they come with hateful wives and bitter exes. My new job has me delving deep into the underbelly of the glittering Gold Coast. It puts me in the crosshairs of some people who would rather see me dead than digging into their affairs. Now I'm racing against the clock -and a tropical cyclone- to find the evidence to stop those who are gunning for me. Will I win and get to live the life I've always dreamed of? Or will I become just another victim of the Gold Coast underworld? Lucky Cove is meant to be my fresh start, but could it end up being the beginning of the end? If you're a fan of super hot sex, snarky females and men who make you drool while ordering you around, don't miss Lucky Cove. *No one messed with Gunner. No one. He was the Jackal, living chaos, the infamous Cyborg banned from civilized society. He was also the only Monster Hunter for the EPED who took the hard jobs, the under-the-table work. Jobs that often left a trail of blood and bones in their wake. When a pirate commandeers his ship, Gunner takes it upon himself to exact a revenge that will ignite a wildfire of rage, death, and torment upon those who made the mistake of taking what was rightfully his. Elodie has spent most of her life pretending to be a boy to remain alongside her father in space. He's the only family she has left. When the ship they worked on is attacked, she's taken prisoner. Every day, she feared that her secret would be discovered--that she's a woman alone*
