

Road To Nowhere : DCI Miller 3: The Edge Of Your Seat Thriller With A Killer Twist

The tenth Logan McRae novel from the No.1 Sunday Times bestselling author. Scottish crime fiction at its very best.

Newly appointed police inspector Domenic Jejeune doesn't mind ruffling a few feathers to flush out suspects in the brutal murder of a renowned ecological activist. 2015 Arthur Ellis Award — Winner, Best First Novel • Globe and Mail 100: Best Books of 2014 • 2015 Kobo Emerging Writer Prize — Shortlisted, Best Mystery Inspector Domenic Jejeune's success has made him a poster boy for the U.K. police service. The problem is Jejeune doesn't really want to be a detective at all; he much prefers watching birds. Recently reassigned to the small Norfolk town of Saltmarsh, located in the heart of Britain's premier birding country, Jejeune's two worlds collide when he investigates the grisly murder of a prominent ecological activist. His ambitious police superintendent foresees a blaze of welcome publicity, but she begins to have her doubts when Jejeune's most promising theory involves a feud over birdwatching lists. A second murder only complicates matters. To unravel this mystery, Jejeune must deal with unwelcome public acclaim, the mistrust of colleagues, and his own insecurities. In the case of the Saltmarsh birder murders, the victims may not be the only casualties.

When Maggie Taylor accepts a new job in Manchester, she is sure it is the right move for her family. The children have settled well although her husband, Duncan, doesn't appear to be so convinced. But nothing prepared her for the shock of coming home from work one night to find that Duncan has disappeared, leaving their young children alone. His phone is dead, and she has no idea where he has gone, or why. And then she discovers she's not the only one looking for him. When a woman who looks just like Maggie is brutally murdered and DCI Tom Douglas is brought in to investigate, Maggie realizes how little she knows about Duncan's past. Is he the man she loves? Who is he running from? She doesn't have long to decide whether to trust him or betray him. Because one thing has been made clear to Maggie--another woman will die soon, and it might be her.

This changes everything we thought we knew about John Steinbeck. After languishing in the CIA's archives for 60 years, a letter is uncovered in John Steinbeck's own hand that shatters everything history tells us about the author's life. Written in 1952, to CIA Director Walter Bedell Smith, Steinbeck makes an offer to become an asset for the Agency during a trip to Europe later that year. More shocking than Steinbeck's letter is Smith's reply accepting John's proposal. Discovered by author Brian Kannard, these letters create the tantalizing proposal that John Steinbeck was, in fact, a CIA spy. Utilizing information from Steinbeck's FBI file, John's own correspondence, and interviews with John's son Thomas Steinbeck, playwright Edward Albee, a former CIA intelligence officer, and others, Steinbeck: Citizen Spy uncovers the secret life of American cultural icon and Nobel Prize-winner, John Steinbeck. •Did Steinbeck actively gather information for the intelligence community during his 1947 and 1963 trips to the Soviet Union? •Why was the controversial author of The Grapes of Wrath never called before the House Select Committee on Un-American Activities, despite alleged ties to Communist organizations? •Did the CIA influence Steinbeck to produce Cold War propaganda as part of Operation MOCKINGBIRD? •Why did the CIA admit to the Church Committee in 1975 that Steinbeck was a subject of their illegal mail-opening program known as HTLINGUAL? These and a host of other resources leave little doubt that there are depths yet unplumbed in the life of one of America's most treasured authors. Just how heavily was Steinbeck involved in CIA operations? What did he know? And how much did he sacrifice for his country? Steinbeck: Citizen Spy brings us one step closer to the truth.

NEIGHBOURS FROM HELL by Steven Suttie The Haughton Park development just outside Manchester is an exclusive new suburb of expensive homes for professional families. When the developer fails to sell half of the properties, the project is thrown into financial chaos. The local council steps in with a workable solution. They propose to use the unsold homes as social housing for homeless families, in return for the much needed cash injection that the developer needs to pay the bills. It's a win-win situation. Or is it? Many of the home-owners are up-in-arms at the proposal. They don't want the place over-run with 'scrubbers.' They start a media campaign to stop the plans. But they are defeated. The homeless families are given temporary accommodation on the swish development. Mum of four Rachel Birdsworth is one of the new residents, and she's determined to get past these stupid class differences. She does her very best to get along with everybody and make new friends. It all starts off quite well. But when she realizes that the home-owner across the road is a wife-beating bully, and that his wife is a virtual prisoner in the home, she wants to help. But this kind of help has deadly consequences. DCI Andrew Miller is back, trying to get to the bottom of what exactly has happened over at Haughton Park in this heart-stopping, dark thriller from One Man Crusade author Steven Suttie. DCI Miller is faced with a head-ache and a half in the latest Manchester based adventure GONE TOO FAR. Kathy Hopkirk, the nation's most detested "celebrity" has disappeared. Famed for her outrageous remarks and nasty observations about ordinary people in the street and stars from the showbiz world, Kathy has always taken great delight in grabbing the headlines and causing as much controversy as possible. But now she is in the news for a different reason. She is missing. While visiting Manchester for work, she was staying at The Midland. The iconic, world famous hotel was the last place Kathy was seen, CCTV recorded her leaving on foot. Her destination was unknown. Three days later, her disappearance was reported to police by her manager. The sensational news was met with great interest by the British public, though very little surprise or sympathy. Kathy Hopkirk had been pushing it for years. It looks like this time, she may just have gone too far. DCI Miller and his team are overwhelmed by the amount of vitriol and hatred which surrounds the missing woman. Where do they possibly start with this one? Kathy has had thousands of death threats on Twitter alone. DCI Miller is back with another roller-coaster case. Provides the final report of the 9/11 Commission detailing their findings on the September 11 terrorist attacks.

Set in Dundee, this fast-paced crime novel is the first to feature Polish Detective Sergeant Dania Gorska. Volatile times in the city of discovery . . . DS Dania Gorska is a stranger in a foreign land. Born in Poland and transferred from London to Dundee's specialist crime division, she is called upon to investigate a series of grotesque killings where the victims are first brutally murdered and then displayed in a bizarre manner. Although seemingly unrelated, clues point to the victims having been members of a local druidic cult. While solving these murders is Dania's priority, she finds herself increasingly drawn to the case of two runaway teenage girls. But when she learns they were also members of the same druid group she becomes convinced their disappearance is linked to the murders. And, despite what the evidence suggests, Dania starts to fear that the girls have not run away but are actually the newest, undiscovered victims of the killer . . . Praise for Hania Allen 'Nicely nasty in all the right places . . . The story rattles along until bringing the curtain down with an unnerving twist' Craig Robertson 'Captivating characters and an intriguing plot. A great new find for crime fans' Lin Anderson 'Pitch-perfect . . . a witty, tense crime novel written in a highly readable style' Russel D McLean

The nightmare is just beginning... A short story and prequel featuring DCI Matilda Darke, star of Michael Wood's darkly compelling crime series. Perfect for fans of Angela Marsons and Patricia Gibney.

P. D. James meets E. L. James in Under a Silent Moon, this first novel in an exciting British crime series—a blend of literary suspense and page-turning

thriller that introduces formidable Detective Chief Inspector Louisa Smith—from suspense talent Elizabeth Haynes, author of the bestselling *Into the Darkest Corner*. In the crisp, early hours of an autumn morning, the police are called to investigate two deaths. The first is a suspected murder at a farm on the outskirts of a small village. A beautiful young woman has been found dead, her cottage drenched with blood. The second is a reported suicide at a nearby quarry. A car with a woman's body inside was found at the bottom of the pit. As DI Louisa Smith and her team gather evidence, they discover a shocking link between the two cases and the two deaths—a bond that sealed their terrible fates one cold night, under a silent moon. In *Under a Silent Moon*, Elizabeth Haynes interweaves fictional primary source materials—police reports, phone messages, interviews—and multiple character viewpoints to create a sexy, edgy, and compulsively readable tale of murder, mystery, and unsettling suspense.

When a body is discovered at a popular Highland landmark, it seems like just another day on the job for DCI Jack Logan and his team. Except this body is missing a very vital component, and given its location - The Well of Seven Heads - it seems like someone is trying to send a message. But why? And to whom? With pressure mounting from his superiors, six hundred teenagers baying for blood, and the press sniffing around for a scandal, the only chance Jack has of cracking his latest case is if he finds a way to keep the heid, while all around are losing theirs. Ahead of the Game is the tenth book from bestselling Scottish crime author, JD Kirk, and is perfect for fans of Ian Rankin, Stuart Macbride, and Val McDermid.

The cold war came to a grinding halt during the astounding developments of 1989-1991. The Berlin Wall fell, Eastern European countries freed themselves from Soviet domination, and the Soviet Union itself disintegrated after witnessing a failed coup presumably aimed at restoring a communist dictatorship. Suddenly the "evil empire" was no more, and U.S. foreign policy was forever changed. This volume explores the revisions to a variety of bureaucratic institutions and policy areas in the wake of these political upheavals.

To catch the hunter, become the prey. When the body of a female backpacker is found on the Yorkshire moors, the killer seems obvious, the motive clear. If only. Because Grimm and his team are up against not just a murderer, but a predator, and when the key suspect disappears, it's only a matter of time before another body is found. To catch one of the most dangerous killers he has ever faced, and to have any chance of staying alive himself, Grimm will need to not only draw on his skills as a detective, but as a soldier, and to trust his team with his life as he goes to war once more. But at least he won't have to eat cheese and cake. Hopefully . . . Corpse Road is the third book in the DCI Harry Grimm crime thriller series, set in the Yorkshire Dales, and perfect for fans of L. J. Ross, J. D. Kirk, , Adam Croft, Simon McCleave, Alex Smith, J. M. Dalgliesh, J. E. Mayhew, and J. R. Ellis.

Money, success, family? A deadly combination... Out for a jog on a snowy winter morning, a young detective witnesses a brutal murder. The victim is Tanvi Roy, one of the richest women in Britain and a matriarch of a food empire. It's just DCI Craig Gillard's luck that he's on duty. As he delves deeper into the Roy family, it's soon apparent that not everything is as it seems. But then Gillard realises trouble of a different sort is brewing closer to home... Perfect for readers of Mark Billingham, The Body in the Snow is a remarkable and gripping crime thriller.

After the September 11 attacks, the 9/11 Commission argued that the United States needed a powerful leader, a spymaster, to forge the scattered intelligence bureaucracies into a singular enterprise to vanquish America's new enemies—stateless international terrorists. In the midst of the 2004 presidential election, Congress and the president remade the post-World War II national security infrastructure in less than five months, creating the Office of the Director of National Intelligence (DNI) and a National Counterterrorism Center (NCTC). Blinking Red illuminates the complicated history of the bureaucratic efforts to reform America's national security after the intelligence failures of 9/11 and Iraq's missing weapons of mass destruction, explaining how the NSC and Congress shaped the U.S. response to the 9/11 attacks. Michael Allen asserts that the process of creating the DNI position and the NCTC is a case study in power politics and institutional reform. By bringing to light the legislative transactions and political wrangling during the reform of the intelligence community, Allen helps us understand why the effectiveness of these institutional changes is still in question.

An old mystery solved after thirty-five years. And a new one just beginning...Millionaire Murdo Wolf took off in a small plane from the island where he lived, and neither he nor the plane was ever seen again. Until now. The Wolf family have gathered on the island they used to call home. They're celebrating the life of their father, Oliver Wolf, who died six months ago. Now, one of Oliver's sons has been murdered. And when his body is discovered, so is the body of his grandfather. Did the son know where his grandfather was hidden? Did he die because of it? DCI Harry McNeil is sent to the island to investigate the cold case and track down a killer who may or may not still be there. Helping with the investigation are two detectives from Glasgow, DCI Jimmy Dunbar and DS Robbie Evans. This isn't an open-and-shut case and they discover the killer is still lurking on the island, and the body count is increasing. But with no clear motive and no direct links to the patriarch going missing all those years ago, this is going to be one of the hardest cases Harry has ever worked on. Point of no Return is book number 7 in the DCI Harry McNeil series.

"Every moment of Sir Hugo Fletcher's life has been chronicled in the British press: his privileged upbringing, his high-profile charity work to end human trafficking -- even his two marriages. But when the billionaire philanthropist is discovered murdered in his London home, tied naked to a bed, the scandal is only a shadow of the darkness lurking off-camera. Laura Fletcher returns from an Italian vacation to find her husband dead and her home under siege by paparazzi. Is she shocked? Yes. But is she distraught? Not exactly. Especially when Chief Inspector Tom Douglas reveals his suspicions that Hugo's killer is female. Laura always knew she wasn't the only woman in Hugo's life. And she knows she wasn't the only one with a motive to kill. The deeper Douglas digs, the more sordid details about Hugo Fletcher he uncovers. And yet nothing compares to the secret Laura guards, a secret that could bring the guilty to justice -- or destroy an innocent life forever."--Publisher description.

Great Britain is going through austerity. Those affected worst are the poorest and most vulnerable people in society. People who have nothing, are having the tiny amount of money they receive in benefits taken away by a spiteful government hell bent on protecting the very wealthiest, and savagely attacking the very poorest. But the problem is being ignored, or overlooked by the British public, largely due to a corrupt system where most of the media is controlled by the same wealthy people that the government pander to. In Manchester, it seems that one man is determined to put this issue right in the spotlight. His methods are met with disgust and outrage by the population, as he attacks DWP staff from behind as they leave their work, causing them life-changing injuries which shock and upset the entire nation. The DWP workers refuse to show up for work, and the whole British welfare system is thrown into chaos. Pensions and benefit payments aren't being processed and this looks like the biggest crisis to hit the blundering, incompetent government, since the last one. DCI Andy Miller is handed an open cheque-book, and all the resources that he needs to bring this shocking crime-wave to a swift conclusion. The government announce that extra officers are being used. But in austerity Britain, there are no extra officers. Only tired, under-paid and frustrated ones who hate the government just as much as the attacker seems to. Miller and his team are going to have to dig deep and come up with something extra special in order to put a stop to this madness. THE FINAL CUT, the 5th DCI Miller adventure. P. Sniadecki, Brett Story, Deborah Stratman, Maryam Tafakory, Mila Turajlic, Lynette Wallworth, Travis Wilkerson, and Shengze Zhu. Can nonfiction film be defined? How close to reality can or should documentary storytelling be, and is film and video in its less restrictive iterations "truer" than traditional narratives? How can a story be effectively conveyed? As they consider these and many other questions, these passionate, highly articulate filmmakers will inspire not only cinema enthusiasts, but activists and artists of all stripes.

One Dark Secret. One act of revenge. When Emma Joseph met her husband David, he was a man shattered by grief. His first wife had been killed outright when her car veered off the road. Just as tragically, their six-year-old daughter mysteriously vanished from the scene of the accident. Now, six years later, Emma believes the painful years are behind them. She and David have built a new life together and have a beautiful baby son, Ollie. Then a stranger walks into their lives, and their world tilts on its axis. Emma's life no longer feels secure. Does she know what really happened all those years ago? And why does she feel so frightened for herself and for her baby? When a desperate Emma reaches out to her old friend DCI Tom Douglas for help, she puts all their lives in jeopardy. Before long, a web of deceit is revealed that shocks both Emma and Tom to the core. They say you should never trust a stranger. Maybe they're right.

Off-Duty Police Sergeant Jason Knight from Bolton police station has disappeared whilst cycling in the Lancashire countryside. His wife raised the alarm. Jason is not the kind of man who would go missing. Something is very clearly wrong. The disappearance quickly becomes a full-scale alert, and counter-terror police are on standby, monitoring the situation extremely closely. DCI Andrew Miller is drafted in urgently to try and figure out what the hell is going on, and why Knight might suddenly disappear. It's a race against time to find the popular, well respected Sergeant. Meanwhile, the local press are calling for Miller's resignation following the infamous "Neighbours From Hell" trial, and newspaper revelations that suggest Miller could be responsible for an apparent miscarriage of justice. If Andy Miller thought that he already had enough on his plate - he's about to discover that there's plenty of room for more, in this fast-paced, gritty thriller set in Manchester and The Trough of Bowland, in the heart of Lancashire. DCI MILLER 3 - Road To Nowhere. RELEASE DATE 18th May 2016 Road to nowhere is the third DCI Miller story from popular British indie author Steven Suttie. Miller 1 is "One Man Crusade" Miller 2 is "Neighbours From Hell" Miller 3 is "Road To Nowhere" THINGS PEOPLE SAY about Steven Suttie's books; "Suttie grabs you by the scruff of the neck on page one and doesn't let go until the last page." "Totally gripping" "Found myself laughing a lot even though it was a gritty thriller. Fantastic!" "I can't wait to read more from this author." "Suttie struggles to spell some words and he also uses far too many adjectives. The inaccurate use of apostrophes is quite alarming." WARNING, Contains bad language at times. A stand-alone novella featuring the same characters as Rachel Abbott's bestselling novel Stranger Child " Someone is looking for Tasha. But does she want to be found? " Eight months ago Tasha Joseph ran away, and her stepmother, Emma, has been searching for her ever since. She is desperate to give Tasha the home and security she deserves. The problem is, Emma isn't the only one looking for Tasha. The police are keen to find her too. She could be a vital witness in a criminal trial, and DCI Tom Douglas has a team constantly on the lookout for her. But Tasha remains hidden, and nobody appears to have seen her. Suddenly, the stakes are raised. Somebody is offering money - a lot of money - for information about Tasha's whereabouts. Tom and Emma know they have never been closer to finding the young girl. But they also recognise that she has never been closer to danger. Can they find her first? She can run - but for how long can she hide?

A drowned man. A missing teenager. A deadly secret. When Emmy Leach discovers the body of a drug addict, wrapped in a tent and submerged in the icy waters of a Cumbrian tarn, she causes more than one problem for investigating officer DCI Jude Satterthwaite. Not only does the discovery revive his first, unsolved, case, but the case reveals Emmy's complicated past and opens old wounds on the personal front, regarding Jude's relationship with his colleague and former partner, Ashleigh O'Halloran. As Jude and his team unpick an old story, it becomes increasingly clear that Emmy is in danger. What secrets are she and her controlling, coercive husband hiding, from the police and from each other? What connection does the dead man have with a recently-busted network of drug dealers? And, as the net closes in on the killer, can Jude and Ashleigh solve a murder - and prevent another? A traditional British detective novel set in Cumbria

"When Olivia Brookes calls the police to report that her husband and children are missing, she believes she will never see them again. She has reason to fear the worst; this isn't the first tragedy that Olivia has experienced. Now, two years later, Detective Chief Inspector Tom Douglas is called in to investigate this family again, but this time it's Olivia who has disappeared. All the evidence suggests that she was here, in the family home, that morning. But her car is in the garage, and her purse is in her handbag - on the kitchen table. The police want to issue an appeal, but for some reason every single picture of this family has been removed from albums, from phones, from computers. And then they find the blood... Has the past caught up with Olivia?"--Amazon.com.
