The sweet scents of rural life infuse Ah, Sweet Mystery of Life, a collection of Roald Dahl's country stories - but there is always something unexpected lurking in the undergrowth . . . Whether it is taking a troublesome cow to be mated with a prime bull; dealing with a rat-infested hayrick; learning the ways and means of maggot farming; or describing the fine art of poaching pheasants using nothing but raisins and sleeping pills, Roald Dahl brings his stories of everyday country folk and their strange passions wonderfully to life. Lacing each tale with dollops of humour and adding a sprinkling of the sinister, Dahl ensures that this collection is brimful of the sweet mysteries of life. 'A sophisticated account of village life. The rural characters are moulded by Dahl's dark, inquisitive imagination. Compelling and very funny' Time Out 'Roald Dahl is one of the few writers I know whose work can accurately be described as addictive' Irish Times Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. A collection of 100 postcards, each featuring a different and iconic Penguin book jacket. From classics to crime, here are over seventy years of quintessentially British design in one box. In 1935 Allen Lane stood on a platform at Exeter railway station, looking for a good book for the journey to London. His disappointment at the poor range of paperbacks on offer led him to found Penguin Books. The quality paperback had arrived. Declaring that 'good design is no more expensive than bad', Lane was adamant that his Penguin paperbacks should cost no more than a packet of cigarettes, but that they should always look distinctive. Ever since then, from their original - now world-famous - look featuring three bold horizontal stripes, through many different stylish, inventive and iconic cover designs,

Penguin's paperback jackets have been a constantly evolving part of Britain's culture. And whether they're classics, crime, reference or prize-winning novels, they still follow Allen Lane's original design mantra. Sometimes, you definitely should judge a book by its cover.

Humorous anecdotes from the author's childhood describe summer vacations in Norway and life in an English boarding school.

These eighteen tales of the macabre show Dahl's dark brilliance as a short-story writer. They are wicked (as an old man attracts the attentions of those more interested in his skin than his wellbeing), shocking (as distasteful bets are made ? a daughter's hard on the identity of a glass of claret, a finger risked for a Cadillac) and blackly humorous (as a cuckolded husband receives a chance to take his revenge out on his wife's neck). Someone Like You is as devilishly ingenious and suspenseful as writing gets.
