

## Rookie Move (Brooklyn Bruisers Book 1)

On the first day he is called up to the newly franchised Brooklyn Bruisers, professional hockey player Leo Trevi gets checked on both sides, first by the team's coach, who holds a long-standing grudge, and then by the team's publicist, his former girlfriend, Georgia Worthington, whom he still loves.

Bestselling authors Sarina Bowen and Lauren Blakely team up for the first time in an enemies-to-lovers, opposites-attract, irresistibly sexy standalone romance between the best man and the other best man! In my defense, I was left alone with a bottle of single-malt and a life-long penchant for protecting my baby sister. Still, that's no excuse to send ten drunk-texts on why her hasty marriage would be a mistake. If only I had just texted my sister. But nope. I accidentally sent the message to her, her groom, and his super hot wingman. I also used the phrase "super hot wingman," so I'd like to die now. Instead, I have to plan a wedding with the aforementioned hottie and share a too-small guesthouse in steamy Miami. Three days in the sun with the cocky, charming former athlete who likes to push my buttons? Fine, two can play at that let's-infuriate-each-other game. Until Asher ups the stakes with one wildly sexy suggestion. A no-strings fling, then I go back to my single dad life in New York, and he returns to his star-studded one. Sign me up. But the more nights I spend with the other best man, the more I want days too, and that just can't happen. Especially when I find out the real reason why... Contents Include: First times, a secret to-do list, champion-level flirting, fast cars, #eggplants, and two men who look good in formal wear.

She's the only one who ever loved him—and the only one he can never have. Jude lost everything one spring day when he crashed his car into an apple tree on the side of the road. A man is dead, and there's no way he can ever right that wrong. He'd steer clear of Colebury, Vermont forever if he could. But an ex-con in recovery for his drug addiction can't find a job just anywhere. Sophie Haines is stunned by his reappearance. After a three year absence, the man who killed her brother and broke her heart is suddenly everywhere she turns. It's hard not to stare at how much he's changed. The bad boy who used to love her didn't have big biceps and sun-kissed hair. And he'd never volunteer in the church kitchen. No one wants to see Sophie and Jude back together, least of all Sophie's police chief father. But it's a small town. And forbidden love is a law unto itself. *Summer nights and star-crossed lovers! From USA Today bestselling author Sarina Bowen. Once upon a time, he gave me a summer of friendship, followed by one perfect night. We shared a lot during our short time together. But he skipped a few crucial details. I didn't know he was a rock star. I didn't know his real name. Neither of us knew I'd get pregnant. And I sure never expected to see him again. Five years later, his tour bus pulls up in Nest Lake, Maine. My little world is about to be shattered by loud music and the pounding of my own foolish heart. \*\*\*\*\* Perfect for fans of: Helena Hunting, Elle Kennedy, Catherine Gayle, Avon Gale, Toni Aleo, Kristen Callihan, LJ Shen, Mona Kasten, Corinne Michaels, Jana Aston, Karina Halle, Meghan March, Jay Crownover, Anna Todd, Geneva Lee, Audrey Carlan, Jill Shalvis, Suzanne Brockmann, Helen Hoang, Christina Lauren, Kristan Higgins, Sally Thorne, Penelope Sky, Vi Keeland, Penelope Ward, Debbie Macomber, Nora Roberts, Maisey Yates, Sarah Mayberry, Elle Kennedy, Lauren Blakely, Susan Mallery, Penny Reid, Julia Kent, Kelly Jamieson, Melanie Harlow, Carrie Ann Ryan, Kendall Ryan, Kennedy Ryan, Helen Hardt, Meghan March, Julia Kent, Meli Raine, Sylvia Day, Chelle Bliss, Brenda Rothert, Natasha Madison, Kylie Scott, Helena Hunting, Sloane Kennedy, Penelope Sky, Elle Kennedy, K.A. A nimble, extraordinarily moving novel about a sister and adopted brother with a one-of-a-kind connection Zachariah and Rachel Wolff are brother and sister. Well, not exactly. They are star-crossed lovers. Well, not exactly. Rachel is the cherished daughter born to a Russian family living in London, and Zachariah is her parents' adopted son, who arrived from the orphanage with one sweater, a head of rambunctious curls, and a dexterous set of fists, or fives, as he likes to call them. As children, they were as close as two people could be.*

***But when they crossed this forbidden line, there was no going back. Now, as an adult, coping with Zach's estrangement from their formidable father, Rachel is determined to invent a family history for her beloved. And so the novel cartwheels through Zach's imagined ancestry--from a tavern-educated boxer in Dickensian times to a Hussar at the Battle of Borodino during the Napoleonic Wars. All the while, Zach and Rachel's troubles in the present are building to a new point of no return. Filled with art and science, fairy tales and folk songs, tsars and foundlings, epic battles in the prize ring and on the Eastern Front, Be My Wolff is a novel of astonishing range and imagination: a love story, an exuberant adventure through time and place, a tale of our most unbreakable bonds.***

***I'm banished to Vermont for a scandal that wasn't my fault, and broke because my famous father cut me off. And did I mention my roommate stole my boyfriend? Yeah, I'm loving my Moo U experience. Now I need a job, because this gel manicure won't upkeep itself. The only available option is the last one I'd ever want--a job as the hockey team's equipment manager. My plan is to do the bare minimum, get paid, and find my way back into my father's good graces. I will not get involved with a hockey player, no matter how hot. They're cocky. And obnoxious. I know their type, and I'm not willing to risk getting hurt again. Until Lex Vonne glides into my life looking like sin on a stick. He thinks I'm a spoiled brat. I think he's using me to get ahead. But the fire I feel when we're together is like a slapshot to my heart...***

**\*\*\*The 1st standalone novel in The Pucked Series\*\*\* With a famous NHL player for a stepbrother, Violet Hall is well acquainted with the playboy reputation of many a hockey star. So of course she isn't interested in legendary team captain Alex Waters or his pretty, beat-up face and rock-hard six-pack abs. When Alex inadvertently obliterates Violet's misapprehension regarding the inferior intellect of hockey players, he becomes much more than just a hot body with the face to match. Suffering from a complete lapse in judgment, Violet discovers just how good Alex is with the hockey stick in his pants. Violet believes her night of orgasmic magic with Alex is just that: one night. But Alex starts to call. And text. And email and send extravagant--and quirky--gifts. Suddenly, he's too difficult to ignore, and nearly impossible not to like. The problem is, the media portrays Alex as a total player, and Violet doesn't want to be part of the game. Everyone knows the girl is off limits. But it's so good to be bad. There's this girl... Heidi and I have been trading hungry looks all year, and everything she does makes me smile. But I don't do girlfriends, and I certainly can't get involved with the league commissioner's daughter. I need shots on goal, not a hookup and a widely misunderstood paparazzi photo. Can I resist her, though? The way she teases me should be a game penalty for interference with my libido. There's this guy... Jason wants me, but he won't admit it. That man looks at me the way a hockey player eyes the lunch buffet after practice—and I love it. But when victory is finally within my grasp, I blow it and humiliate myself. Even then I can't even avoid him—as the team intern, I'm in constant view of his hard body and cocky smile. I need another chance. Jason Castro is about to learn the true meaning of an overnight sensation. "Sarina Bowen's hockey heroes feed my heart and soul! Delicious, emotional and wildly sexy!" In high school they were the perfect couple—until the day Georgia left Leo in the cold... Hockey player Leo Trevi has spent the last six years trying to do two things: get over the girl who broke his heart, and succeed in the NHL. But on the first day he's called up to the newly franchised Brooklyn Bruisers, Leo gets checked on both sides, first by the team's coach—who has a long simmering grudge, and then by the Bruisers' sexy, icy publicist—his former girlfriend Georgia Worthington. Saying goodbye to Leo was one of the hardest things Georgia ever had to do—and saying hello again isn't much easier. Georgia is determined to keep their relationship strictly professional, but when a press conference microphone catches Leo declaring his feelings for her, things get really personal, really fast....

An emotional love story that follows the touch-and-go relationship of Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. Their body art is hot. Their chemistry is even hotter. From her dark hair sweeping below her waist to her soft, sexy curves, Tenley Page intrigues tattoo artist Hayden Stryker in a way no one else ever has...especially when she asks him to ink a gorgeous, intricate design on her back. Yet for all her beauty, there is something darkly tragic and damaged about Tenley that Hayden is everything. Covered in ink and steel, Hayden is everything Tenley has never dared to want, awakening a desire to explore more

than the art adorning his stunning body. Trapped by a past that leaves her screaming from nightmares, Tenley sees Hayden as the perfect escape. Although he has secrets too, if they both keep themselves guarded perhaps their intense physical connection will remain only that. But nothing, not even passion, can keep them safe from their pasts...

But then she falls stupid in love with him anyway. And for a while it seems like maybe he'll do the same. Until she asks him for the one thing he can never give her... Enjoy a FREE taste of the Ivy Years Series! A blind date. A nervous sorority girl. A mean-spirited fraternity prank. What could go wrong? As a sorority pledge, there are commandments that Katie Vickery must live by. One: thou shalt not show up for the party without a date. Two: the guy shall be an athlete, preferably an upperclassman.

Unfortunately, Katie just broke up with her jerkface football player boyfriend. Even worse, her last encounter with him resulted in utter humiliation. She'd rather hide under the bed than attend a party where he'll be. Yet staying home would mean letting him win. Enjoying herself tonight was out of the question. She could only hope to get through the evening without her blind date noticing that he was spending the evening with a crazy person. Andrew Baschnagel is living proof that nice guys don't finish first. He's had his eye on Katie since the moment her long legs waltzed into his art history class. So when her roommate sets Andy up to be Katie's date, he'd be crazy to say no. Unfortunately, he doesn't have a lot of practice with either girls or parties. Yet. Already the family screw-up, she can't afford to fail. And nobody (nobody!) can learn of the colossal mistake she made with the best man during a weak moment last spring. It was wrong, and there will not be a repeat. Absolutely not. Even if he is the sexiest thing on two legs. Blake Riley sees the wedding as fate's gift to him. Jess is the maid of honor and he's the best man? Let the games begin. So what if he's facing a little (fine, a lot) of resistance? He just needs to convince the stubborn blonde that he's really a good boy with a bad rap. Luckily, every professional hockey player knows that you've got to make an effort if you want to score. But Jess has more pressing issues to deal with than sexy-times with a giant man-child. Such as: Will the ceremony start on time, even though someone got grandma drunk? Does glitter ever belong at a wedding? And is it wrong to murder the best man? Caution: May cause accidental aspiration of tea or coffee. Do not read in a public place where loud laughter is inappropriate. Contains hot but hilarious hockey players, puppy cuddling and a snarky pair of underwear. Dev is a football player at Forester University, a small liberal arts college where he and his teammates get to strut around in their pick of the girls on Friday nights. That's as good as it gets--until he meets Lee, a fox with a quick wit and an attractive body. Problem is, Lee's not a girl. He's a gay fox, an activist who never dreamed he'd fall for a football player. As their attraction deepens into romance, it's hard enough for them to handle each other, let alone their inquisitive friends, family, and co-workers. School is bad, the hyper-masculine world of professional sports that awaits Dev after graduation will be a hundred times worse. It alone would make everything easier. If only they could stop fighting long enough to break up.

The sport she loves is out of reach. The boy she loves wants someone else. What now? She expected to start Harkness College as a varsity ice hockey player. But a serious accident means that Corey Callahan will start school in a wheelchair instead. Across the other handicapped-accessible dorm room, lives the too-delicious-to-be-real Adam Hartley, another would-be hockey star v

leg broken in two places. He's way out of Corey's league. Also, he's taken. Nevertheless, an unlikely alliance blooms between Corey and Hartley in the "gimp ghetto" of McHerrin Hall. Over tequila, perilously balanced dining hall trays, and video games, the two find themselves with disappointments that nobody else understands. They're just friends, of course, until one night when things fall apart. On the surface, they're together. All Corey knows is that she's falling. Hard. But will Hartley set aside his trophy girl to love someone as broken as Corey? If he won't, she will need to find the courage to make a life for herself at Harkness — one which does not revolve around the sports team, no longer play, or the brown-eyed boy who's afraid to love her back. .
