with raw honesty and frank reflection - and exploring more than one difficult subject along the way. Reading sample (...) "Why?" I tried to meet his eyes, but he shut them, avoiding my gaze. His fingernails dug into the skin on his bare arms, and he pursed his lips grimly. Slowly, I scooted toward him. "Talk to me, Danny, please," I said, trying to pry one of his arms loose. But the more I tugged, the more rigidly he kept them crossed against his body as he shrank away from me as far as he could inside the cramped car. For a moment, I was afraid he would simply get out and walk away. Too close, a voice whispered inside me. You're much too close to him! I let go of his arm so I could slide back into my seat, and he relaxed almost instantly. He took several deep, slow breaths before opening his eyes and blinking at me through his long lashes. "You know why," he whispered. "And someday I'll tell you myself. I promise. Be patient with me." About the author Jessica Koch was born in Ludwigsburg, Germany, and began writing short stories when she was still in high school - but never submitted her work to publishers. Shortly after finishing school, she met Danny, a German-American dual citizen. Her experiences with him eventually formed the basis for *So Near the Horizon*, though it was nearly thirteen years before she felt ready to bring the manuscript to the public. Jessica Koch's dramatic debut novel, *Dem Horizont so nah* (So Near the Horizon), broke every record when it hit stores in Germany. Released in 2016 through a small, independent publishing house, the e-book was an instant success, selling over 250,000 copies in just a few months and topping the Amazon bestseller list for more than six weeks - which made it the number-one bestselling German-language ebook of 2016! Since then, one of Germany's largest publishing houses has purchased the rights to this riveting and highly emotional memoir. The foreign rights have been picked up in numerous countries, and the feature film is scheduled to arrive in theaters at the end of 2018. Jessica Koch lives near the city of Stuttgart with her husband, their son, and two dogs. Instead of waiting to be rescued, Cinderella learns that she can save herself and those around her by being true to herself and standing up for what she believes. Many students of Spanish literature will have encountered

some of Góngora's poems. No Spanish poet is grater or

more rewarding, but few are as difficult for the beginner.

His style is a habit of mind: radically metaphorical,

elliptical, witty, highly sensuous, transmuting the world of

the sense into a world of the spirit. To read him, one has

to learn these characteristic habits and perform athletic

mental feats as one goes along. It would be too easy to say

that Professor Jones has made Góngora 'easy'; but he has

certainly made him more accessible. A long introduction

briefly deals with Góngora's life, and then gives solid

critical guidance to the poems. It includes passages of

sustained and detailed analysis which explain how

characteristic poems 'work' and it incorporates original insights and research. The notes are full and are designed to help the reader through the difficulties by offering critical comment.

An eye-opening collection of clandestine poems by Afghan women Because my love's American, blisters blossom on my heart. Afghans revere poetry, particularly the high literary forms that derive from Persian or Arabic. But the poem above is a folk couplet—a landay, an ancient oral and anonymous form created by and for mostly illiterate people: the more than 20 million Pashtun women who span the border between Afghanistan and Pakistan. War, separation, homeland, love—these are the subjects of landays, which are brutal and spare, can be remixed like rap, and are powerful in that they make no attempts to be literary. From Facebook to drone strikes to the songs of the ancient caravans that first brought these poems to Afghanistan thousands of years ago, landays reflect contemporary Pashtun life and the impact of three decades of war. With the U.S. withdrawal in 2014 looming, these are the voices of protest most at risk of being lost when Americans leave. After learning the story of a teenage girl who was forbidden to write poems and set herself on fire in protest the poet Eliza Griswold and the photographer Seamus Murphy journeyed to Afghanistan to learn about these women and to collect their landays. The poems gathered in *I Am the Beggar of the World* express a collective rage, a lament, a filthy joke, a love of homeland, an aching longing, a call to arms, all of which belie any facile image of a Pashtun woman as nothing but a mute ghost beneath a blue burqa.

*Gwen's life has been a rollercoaster since she discovered she was the Ruby, the final member of the secret time-traveling Circle of Twelve.
