

Rudow Il Vampiro Pirata: Il Fiore Della Discordia

Deserter. Traitor. ROGUE. Ember Hill left the dragon organization Talon to take her chances with rebel dragon Cobalt and his crew of rogues. But she can't forget Garret, the soldier of the dragonslaying Order of St. George who saved her from a Talon assassin--and by doing so, signed his own death warrant. Determined to save Garret from execution, Ember must convince Cobalt to help her break into the Order's headquarters. With assassins after them and Ember's own brother helping Talon with the hunt, the rogues find an unexpected ally in Garret and a new perspective on the underground battle between Talon and St. George. A reckoning is brewing, and the secrets hidden by both sides are shocking and deadly. Soon Ember must decide: Should she retreat to fight another day...or start an all-out war?

"The Naked Man is the fourth and final volume [of Mythologiques], written by the most influential and probably the most controversial anthropologist of our time. . . . Myths from North and South America are set side by side to show their transformations: in passing from person to person and place to place, a myth can change its content and yet retain its structural principles. . . . Apart from the complicated transformations discovered and the fascinating constructions placed on these, the stories themselves provide a feast."--Betty Abel, Contemporary Review "Lévi-Strauss uses the structural method he developed to analyze and 'decode' the mythology of native North Americans, focusing on the area west of the Rockies. . . . [The author] takes the opportunity to refute arguments against his method; his chapter 'Finale' is a defense of structural analysis as well as the closing statement of this four-volume opus which started with an 'Overture' in The Raw and the Cooked."--Library Journal "The culmination of one of the major intellectual feats of our time."--Paul Stuewe, Quill and Quire Sweeping across centuries, PASSION is the third novel in the unforgettably epic and worldwide bestselling FALLEN series. A New York Times bestseller A USA Today bestseller More than 3 million series copies in print! Luce would die for Daniel. And she has. Over and over again. Throughout time, Luce and Daniel have found each other, only to be painfully torn apart: Luce dead, Daniel left broken and alone. But perhaps it doesn't need to be that way. . . . Luce is certain that something—or someone—in a past life can help her in her present one. So she begins the most important journey of this lifetime . . . going back eternities to witness firsthand her romances with Daniel . . . and finally unlock the key to making their love last. Cam and the legions of angels and Outcasts are desperate to catch Luce, but none are as frantic as Daniel. He chases Luce through their shared pasts, terrified of what might happen if she rewrites history. Because their romance for the ages could go up in flames . . . forever. “Sexy and fascinating and scary . . . I loved loved loved it!” –P. C. Cast, New York Times bestselling author on Fallen Something is wrong in Niceville. . . A boy literally disappears from Main Street. A security camera captures the moment of his instant, inexplicable vanishing. An audacious bank robbery goes seriously wrong: four cops are gunned down; a TV news helicopter is shot and spins crazily out of the sky, triggering a disastrous cascade of events that ricochet across twenty different lives over the course of just thirty-six hours. Nick Kavanaugh, a cop with a dark side, investigates. Soon he and his wife, Kate, a distinguished lawyer from an old Niceville family, find themselves struggling to make sense not only of the disappearance and the robbery but also of a shadow world, where time has a different rhythm and where justice is elusive. . . .Something is wrong in Niceville, where evil lives far longer than men do. Compulsively readable, and populated with characters who leap off the page, Niceville will draw you in, excite you, amaze you, horrify you, and, when it finally lets you go, make you sorry you have to leave. Read the first thirty-five pages. Find out why Harlan Coben calls Carsten Stroud the master of “the nerve-jangling thrill ride.” Now with an excerpt from Carsten Stroud’s next book, The Homecoming.

‘Wonderfully weird and lots of fun!’ Andy Griffiths Winner of the Text Prize for Young Adult and Children’s Writing Kipp Kindle always knew his family wasn’t like other families. They were weird, in fact they were probably the weirdest family on Earth. It was just as well they lived in the town of Huggabie Falls, because Huggabie Falls was the weirdest place on Earth. On top of all the usual weird things that happened in Huggabie Falls, one day an extremely weird thing happened. It was by far the weirdest thing that ever happened anywhere. It was so weird that someone should write a book about it. In fact, somebody has, and you are reading it. Kipp Kindle and his friends Tobias Treachery and Cymphany Chan live in Huggabie Falls, the weirdest town on Earth. Weird things happen all the time—that’s normal. But when an extremely weird thing happens Kipp and his friends know that something is wrong. They embark on a fast-paced, action-packed, hilarious adventure to find out what is making everything turn normal, and to return the weirdness to Huggabie Falls. With an evil villain, Felonious Dark, a creepy scientist and a fierce wand-wielding teacher, who has turned Cymphany into a baby hippopotamus, to contend with, not to mention killer vampire bats, vegetarian piranhas and a Portuguese-speaking lab rat called Ralf, Kipp, Tobias and Cymphany have quite a task ahead of them. This is the first book in the Huggabie Falls trilogy, the funniest, craziest, weirdest series ever written, so far. Look out for Book 2: The Unbelievably Scary Thing that Happened in Huggabie Falls in October 2018. Adam Cece loves wondering about weird things, like, for instance, if you lived in space, in zero gravity, would there be any point in owning a piggy bank? So he wrote a book about a place where only weird things happen. Adam lives in Adelaide with his wife and two children. ‘The pages are packed with fun and action, and Cece manages to balance on the edge of clever-silliness...it’s a laugh out loud, quirky, rollicking read.’ CBCA Reading Time, Highly Recommended ‘The Extremely Weird Thing that Happened in Huggabie Falls won the 2017 Text Prize, and it’s easy to see why: it’s a funny read, full of hijinks and adventure. Most of the humour comes from the narrator’s many deviations and asides that are reminiscent of authors such as Lemony Snicket or Pseudonymous Bosch.’ Books+Publishing ‘Cherish the nonsense as the pages fly through your fingers...A rollercoaster of fun, friendship and madcap adventure.’ Kids Book Review ‘Young readers looking for a good belly laugh won’t be disappointed.’ Readings ‘Cartoon-style illustrations by Andrew Weldon and frequent interpolations from the excitable author all add to the appeal of an inventive, engagingly offbeat tale.’ Adelaide Advertiser ‘Adam Cece, author of Wesley Booth Super Sleuth, has delivered another engaging tale loaded with humour and nonsense. The reader would expect nothing less when contemplating the words of Cece’s dedication: "Embrace uniqueness. Cherish nonsense. Stay wonderful.'" Magpies ‘A funny and weird book that features a humorous style similar to that of Andy Griffiths.’ StoryLinks ‘A delightfully eccentric and whimsical mystery adventure.’ Diva Booknerd

Kipp Kindle, Tobias Treachery and Cymphany Chan live in Huggabie Falls, the weirdest town on Earth, so weirdness is pretty normal for them. But when unbelievably scary things start to happen, even Kipp, Tobias and Cymphany have trouble believing what’s going on. Why is everyone running away from their worst fears and where did those fears suddenly appear from? How can a dinosaur that doesn’t even exist be about to chomp Cymphany in two? And is the evil Felonious Dark reformed like he says he is, or is he the one behind the unbelievably scary happenings? With all the madcap humour and breakneck adventure of The Extremely Weird Thing that Happened in Huggabie Falls, this hilarious sequel will have young readers laughing out loud and asking for more. Adam Cece lives in Adelaide. His first book, Wesley Booth Super Sleuth, was published in 2015. In 2017, Adam won the Text Prize for Young Adult and Children’s Writing for The Extremely Weird Thing that Happened in Huggabie Falls. The Unbelievably Scary Thing that Happened in Huggabie Falls is the second book in the Huggabie Falls trilogy. ‘Wonderfully weird and lots of fun.’ Andy Griffiths, on The Extremely Weird Thing that Happened in Huggabie Falls ‘The Extremely Weird Thing that Happened in Huggabie Falls won the 2017 Text Prize, and it’s easy to see why: it’s a funny read, full of hijinks and adventure. For fans of Jojo Moyes, David Nicholls and Sophie Kinsella, here is a Pride and Prejudice for the modern era. Londoners Kim and Harry can't see eye to eye...until the life of the person they both love most hangs in the balance. Kim has never grasped what her free-spirited big sister Eva sees in a stuck-up banker like Harry and has spent her childhood trying to keep him out, while Harry's favourite occupation is winding Kim up. Both Harry and Kim are too trapped in their prejudices to care about what's really going on beneath the surface of each other's lives. They'll never understand each other—until the worst of all tragedy strikes. Faced with the possibility of losing the person they both love most, long-buried secrets come to a head in ways that will change both Harry and Kim forever. Marianne Kavanagh is a former deputy editor of Marie Claire and has contributed to a wide variety of newspapers, magazines, and websites, including the Telegraph, Daily Mail, Guardian, My Daily, Easy Living and Red. Her debut novel, For Once in My Life, was published in 2014. She lives in London. Praise for For Once in My Life 'Kavanagh's novel is superior chick lit: beautifully written, enlivened by witty and wise observation.' Age/Sydney Morning Herald '[A] witty, summer-fresh debut.' Independent 'This book is fantastic. It's hilarious, poignant and profound by turns; most of all, it's unpretentious. Unlike so many novels it just wants to tell you a lovely story. It's not about how clever the author is nor is it all style over substance. But precisely because of that it's both clever and stylish anyway... Adorable.' Daily Mail 'The charming and summery first novel from columnist Marianne Kavanagh. This human story of love's near-misses centres around Tess and George, whose eventual (inevitable) meeting is cleverly delineated to call sentimental notions of soul mates into question.' Vogue ‘Kavanagh gives the reader plenty of humour...Her descriptive prose is wonderful.’ BookMooch ‘This is a tale of coping with adversities, a tale of love and loss and ultimately of acceptance. Unashamedly, a light-hearted paperback...This fun read will make you forget about your own problems in a jiffy!’ WYZA

A David and Goliath story. On The Books is the first-hand comic strip account of the labor struggle at NYC’s legendary Strand bookstore in the summer of 2012. Told by Greg Farrell—an employee of the store who interviewed numerous other members of the staff—the book examines the motives and actions of those involved, including the people of New York City. Through interstitial comic portraits Farrell gives voice to his comrades, who often share a nuance of the story that would have otherwise gone overlooked and provide a depth of opinion and fairness to accompany Farrell’s often very personal interpretation of events. In ten short chapters the book explores at once environment, the struggle to exist within it as a young working person, the current state of the book trade, and the impact of the economic recession on all of these factors.

From R.L. Stine, master horror author of the Goosebumps series and the Fear Street trilogy—now streaming on Netflix—comes another spooky tale! This summer Max is going to Camp Snake Lake—where he will have to swim in a lake filled with poisonous snakes . . . where a Headless Ghost roams the fields . . . where he and his mostly ghostly friends are on a dangerous search for Nicky and Tara’s parents. But first Max will have to face the evil spirit Phears again. Can Max learn the secret that will destroy this most terrifying ghoul for good?

Thank You is a tribute to music legend Chris Cornell, written in the words of his international family of fans. Poems, reminiscences, letters, expressions of love and grief, the overwhelming theme is one of gratitude - to the singer, the songwriter, the man. The individual pieces join together to form a unique tapestry demonstrating the profound impact of his music around the world. Raw, candid emotion and words written from the heart create beauty out of collective grief. This is a tribute, a love letter, and a legacy combined.
