

Schemi Schede Di Diritto Processuale Penale

Three Finnish siblings head for the logging fields of nineteenth-century America in the New York Times–bestselling author’s “commanding historical epic” (Washington Post). Born into a farm family, the three Koski siblings—Ilmari, Matti, and Aino—are raised to maintain their grit and resiliency in the face of hardship. This lesson in sisu takes on special meaning when their father is arrested by imperial Russian authorities, never to be seen again. Lured by the prospects of the Homestead Act, Ilmari and Matti set sail for America, while young Aino, feeling betrayed and adrift after her Marxist cell is exposed, follows soon after. The brothers establish themselves among a logging community in southern Washington, not far from the Columbia River. In this New World, they each find themselves—Ilmari as the family’s spiritual rock; Matti as a fearless logger and entrepreneur; and Aino as a fiercely independent woman and union activist who is willing to make any sacrifice for the cause that sustains her. Layered with fascinating historical detail, this novel bears witness to the stump-ridden fields that the loggers—and the first waves of modernity—leave behind. At its heart, Deep River explores the place of the individual, and of the immigrant, in an America still in the process of defining its own identity.

Patrick McGrath has created his most psychologically penetrating vision to date: a nightmare world rocked to its foundations by a passion of such force and intensity that it shatters the lives--and minds--of all who are touched by it. Stella Raphael, a woman of great beauty and formidable intelligence, is married to Max, a staid and unimaginative forensic psychiatrist. Max has taken a job in a huge top-security mental hospital in rural England, and Stella, far from London society, finds herself restless and bored. Into her lonely existence comes Edgar Stark, a brilliant sculptor confined to the hospital after killing his wife in a psychotic rage. He comes to Stella's garden to rebuild an old Victorian conservatory there, and Stella cannot ignore her overwhelming physical attraction to this desperate man. Their explosive affair pits them against Stella's husband, her child, and the entire institution. When the crisis comes to a head, Stella makes a decision--one that will destroy several lives and precipitate an appalling tragedy that could only be fueled by illicit sexual love. Asylum is a terrifying exploration of the extremes to which erotic obsession can drive us. Patrick McGrath brings his own dazzling blend of cool artistry and visceral engagement to this mesmerizing story of a fatal love and its unspeakably tragic aftermath. And in Stella Raphael, a woman who tears down the walls of her constricted existence to pursue a dangerous passion, he has created a character who will long be remembered for her willingness to take the ultimate risk, even if she must pay the ultimate price.

This book is an in-depth and timely analysis of the EU Crowdfunding Regulation. Striking a balance between academic scrutiny and practical context, and drawing upon various aspects of financial law, consumer law, and dispute resolution, it is invaluable for practitioners and academics seeking to understand an innovative alternative mode of funding.

La nuova edizione di questa Introduzione ai Sistemi giuridici comparati è stata aggiornata ed arricchita con una serie di illustrazioni seguendo il movimento del "Legal design". Nel volume i sistemi giuridici sono visti come un insieme in cui ogni parte di essi è in relazione con le altre ed in un contesto globale con il quale sono in osmosi. Il volume è suddiviso in otto capitoli dedicati a: 1. Sistemi democratici. 2. Valori. 3. Il governo. 4. La dimensione economica. 5. Il 'Welfare state'. 6. La repressione dei reati. 7. Giudici e giurisdizione. 8. Modelli per un mondo globalizzato.

Bullettino Dell'istituto Di Diritto Romano

The Palestinian refugee question, resulting from the events surrounding the birth of the state of Israel seventy years ago, remains one of the largest and most protracted refugee crises of the post-WWII era. Numbering over six million in the Middle East alone, Palestinian refugees' status varies considerably according to the state or territory 'hosting' them, the UN agency assisting them and political circumstances surrounding the Israeli-Palestinian conflict these refugees are naturally associated with. Despite being foundational to both the experience of the Palestinian refugees and the resolution of their plight, international law is often side-lined in political discussions concerning their fate. This compelling new book, building on the seminal contribution of the first edition (1998), offers a clear and comprehensive analysis of various areas of international law (including refugee law, human rights law, humanitarian law, the law relating to stateless persons, principles related to internally displaced persons, as well as notions of international criminal law), and probes their relevance to the provision of international protection for Palestinian refugees and their quest for durable solutions.

L'eBook raccoglie le informazioni necessarie per affrontare la prova orale dell'esame di Stato per l'abilitazione alla professione di Consulente del lavoro. Il testo consente ai candidati di ripassare, mediante apposite schede,

le principali materie dell'esame, sia per le prove scritte che orali. Permette inoltre di mettere alla prova la propria preparazione attraverso una ricca raccolta di domande per ciascuna delle materie previste per la prova orale. Inoltre, nel testo trova spazio una attenta, per quanto sintetica, illustrazione dell'ordinamento professionale e della deontologia dei Consulenti del Lavoro, materia entrata nell'ultima sessione nel gruppo di quelle previste dalla normativa per l'orale. L'eBook fa parte della collana di ebook dedicati alla preparazione delle prove per l'esame di Stato per l'abilitazione alla professione di Consulente del lavoro.

Palestinian Refugees in International Law

Padre Candido Amantini, Cp: Rome's Exorcist

From international bestselling author Cristina Caboni comes an exquisite and engrossing novel of two women, centuries apart, bound by a love of books and a longing for self-discovery. With her delicate touch, Sofia Bauer restores books to their original splendor. In this art she finds refuge from her crumbling marriage and the feeling that her once-vibrant life is slipping away. Then an antique German edition takes her breath away. Slipped covertly into the endpapers is an intriguing missive, the first part of a secret...from one bookbinder to another.

Two hundred years ago, Clarice von Harmel defied the constraints of family and society to engage in a profession forbidden to women. Within three separate volumes, Clarice bound her own hidden story filled with pain, longing, and love beyond all reason. A confession that now crosses centuries to touch the heart of a stranger. With the help of book collector Tomaso Leoni, Sofia connects the threads of Clarice's past, page by page, line by line, town by town. She's determined to make Clarice's voice heard. With each new revelation, Clarice is giving Sofia the courage to find her own voice and hope for the future she thought was lost.

A collection of insightful and thought provoking essays from one of the greatest thinkers of the twentieth century A new edition of the most definitive collection of Albert Einstein's popular writings, gathered under the supervision of Einstein himself. The selections range from his earliest days as a theoretical physicist to his death in 1955; from such subjects as relativity, nuclear war or peace, and religion and science, to human rights, economics, and government.

Technology, Law, and the Future of Entertainment

This is an English translation of a brief biography of Servant of God Father Candido Amantini, C.P., a Passionist priest, exorcist, and beloved spiritual father. He lived from 1914-1992 and received people at the Church of the Scala Santa (Holy Staircase) in Rome, Italy. He was the teacher of Fr. Gabriele Amorth. Padre Candido is loved by many people. Every day, at the Scala Santa in Rome, his 'friends' come to pray for his intercession by his tomb. His cause for beatification and canonization has been opened. All proceeds from the sale of this publication go directly to printing prayer cards and other materials about Padre Candido.

What do Catharine MacKinnon, the legacy of Brown v. Board of Education, and Lani Guinier have in common? All have, in recent years, become flashpoints for different approaches to legal reform. In the last quarter century, the study and practice of law have been profoundly influenced by a number of powerful new movements; academics and activists alike are rethinking the interaction between law and society, focusing more on the tangible effects of law on human lives than on its procedural elements. In this wide-ranging and comprehensive volume, Gary Minda surveys the current state of legal scholarship and activism, providing an indispensable guide to the evolution of law in America.

During the past fifteen years, changes in technology have generated an extraordinary array of

new ways in which music and movies can be produced and distributed. Both the creators and the consumers of entertainment products stand to benefit enormously from the new systems. Sadly, we have failed thus far to avail ourselves of these opportunities. Instead, much energy has been devoted to interpreting or changing legal rules in hopes of defending older business models against the threats posed by the new technologies. These efforts to plug the multiplying holes in the legal dikes are failing and the entertainment industry has fallen into crisis. This provocative book chronicles how we got into this mess and presents three alternative proposals--each involving a combination of legal reforms and new business models--for how we could get out of it.

English-Only Europe?

Law and Jurisprudence At Century's End

Leibniz published the Dissertation on Combinatorial Art in 1666. This book contains the seeds of Leibniz's mature thought, as well as many of the mathematical ideas that he would go on to further develop after the invention of the calculus. It is in the Dissertation, for instance, that we find the project for the construction of a logical calculus clearly expressed for the first time. The idea of encoding terms and propositions by means of numbers, later developed by Kurt Gödel, also appears in this work. In this text, furthermore, Leibniz conceives the possibility of constituting a universal language or universal characteristic, a project that he would pursue for the rest of his life. Mugnai, van Ruler, and Wilson present the first full English translation of the Dissertation, complete with a critical introduction and a comprehensive commentary. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. English-Only Europe? explores the role of languages in the process of European integration. Languages are central to the development of an integrated Europe. The way in which the European Union deals with multilingualism has serious implications for both individual member countries and international relations. In this book, Robert Phillipson considers whether the contemporary expansion of English represents a serious threat to other European languages. After exploring the implications of current policies, Phillipson argues the case for more active language policies to safeguard a multilingual Europe. Drawing on examples of countries with explicit language policies such as Canada and South Africa, the book sets out Phillipson's vision of an inclusive language policy for Europe, and describes how it can be attained. L'eBook contiene le informazioni e gli elementi che consentono di affrontare con sicurezza le prove scritte di diritto del lavoro e legislazione sociale e la prova teorico pratica di diritto tributario così come predisposte dalla Commissione appositamente costituita in sede regionale. Oltre ad illustrare sinteticamente la regolamentazione delle prove scritte dell'esame di Stato, fornisce consigli e suggerimenti utili per affrontare la composizione e la redazione dei temi da parte dei candidati nonché le tracce delle precedenti sessioni d'esame. Apposite schede consentono di ripassare le materie per le prove scritte e orali, di verificare la propria preparazione con domande per ciascuna materia.

Giornale della libreria

Introduction to Italian Public Law

The law of contract increasingly takes account of welfarist considerations (the need to protect vulnerable parties, for example). This book, focusing on English and Finnish law, analyzes the coherence of welfarist ideals and explores seminal ideas of procedural and substantive fairness.

This book explores how the Internet impacts on the protection of fundamental rights, particularly with regard to freedom of speech and privacy. In doing so, it seeks to bridge the gap between Internet Law and European and Constitutional Law. The book aims to emancipate the debate on Internet Law and Jurisprudence from the dominant position, with specific reference to European legal regimes. This approach aims to inject a European and constitutional 'soul' into the topic. Moreover, the book addresses the relationship between new technologies and the protection of fundamental rights within the theoretical debate surrounding the process of European integration, with particular emphasis on judicial dialogue. This innovative book provides a thorough analysis of the forms, models and styles of judicial protection of fundamental rights in the digital era and compares the European vision to that of the United States. The book offers the first comparative analysis in which the notion of (judicial) frame, borrowed from linguistic and cognitive studies, is systematically applied to the theories of interpretation and

argumentation.

A Road Towards Digital Constitutionalism?

Deep River

Judicial Protection of Fundamental Rights on the Internet

The subject of declining jurisdiction in private international law is one of enormous practical importance and academic interest. It is also a topic where a comparative approach is particularly revealing. This book contains the 17 national reports and the general report on the subject of 'Rules for declining to exercise jurisdiction: Forum Non Conveniens, Pendants'. The Reports were held in Athens/Delphi in August 1994. The list of nations for which a report has been prepared is as follows: Argentina, Brazil, Canada, Quebec, Finland, France, Germany, Great Britain, Greece, Israel, Italy, Japan, The Netherlands, New Zealand, Sweden, Switzerland, and USA. This book by bringing together all the reports on 'Declining Jurisdiction' provides a unique insight into this topic, and, dealing as it does with a key aspect of private international law, fits very well into the Oxford series of monographs on private international law.

A brand-new Courtney Series adventure. The action-packed new book in the Courtney Series and the sequel to Courtney's War. Just because the war is over and Hitler dead, doesn't mean the politics he stood for have died too. Saffron Courtney and her beloved husband Gerhard only just survived the brutal war, but Gerhard's Nazi-supporting brother, Konrad, is still free and determined to regain power. As a dangerous game of cat-and-mouse develops, a plot against the couple begins to stir. One that will have ramifications throughout Europe. . . Further afield in Kenya, the outcrop of the colonial empire is feeling the stirrings of rebellion. As the situation becomes violent, and the Courtney family home is under threat, Leon Courtney finds himself caught between two powerful sides - and a battle for the freedom of a country. Legacy of War is a nail-biting story of courage, bravery, rebellion and war from the master of adventure fiction.
