

Segreto (La Trilogia Di Lilac Vol 2)

In un futuro non molto lontano, la popolazione è composta esclusivamente da donne. La Sindrome ha ucciso tutti gli individui di sesso maschile, e la riproduzione è possibile solo grazie al midollo osseo. Gli effetti della Sindrome sono stati talmente devastanti per le donne sopravvissute che ricordare quei giorni è proibito, così come è proibito parlare degli uomini. Musica, film, libri, arte: tutto quello che riguarda il genere maschile è sepolto sotto il dolore. Nel paesino francese di Malorai, un angolo di paradiso ai piedi di una cascata, Lilac Zinna si prepara al diploma. Diciassette anni, un amore sconfinato per la Storia Moderna e per le regole, Lilac sta per diventare un'insegnante, coronando il suo sogno e quello della nonna Francesca, che si occupa di lei da quando è nata. Lilac è al settimo cielo, e non solo perché sta per diplomarsi: alla cerimonia solenne parteciperà anche Vega G, la donna a capo del governo femminile che regola il mondo. E quando Vega G si mostra eccezionalmente interessata alla vita di Lilac, arrivando perfino ad offrirle un lavoro per il governo, Francesca - che nasconde un segreto tanto importante quanto pericoloso - decide di affidare sua nipote a qualcuno che avrà il compito proteggerla: due uomini. Nel viaggio che la porterà lontano da Malorai e da tutto ciò in cui ha finora creduto, Lilac conoscerà un mondo nascosto, imparerà che il cuore può battere forte, e non solo per paura, e scoprirà chi è davvero Vega G. Primo di una trilogia, Perfetto è il romanzo d'esordio dell'autrice italiana Alessia Esse.

Winner of the Barbara Ramsden Prize, 1990. This was life: no sooner had you built yourself your little raft and felt secure than it came to pieces under you and you were swimming again. Born into a world without welcome, Isobel observes it as warily as an alien trying to pass for a native. Her collection of imaginary friends includes the Virgin Mary and Sherlock Holmes. Later she meets Byron, W.H. Auden and T.S. Eliot. Isobel is not so much at ease with the flesh-and-blood people she meets, and least of all with herself, until a lucky encounter and a little detective work reveal her identity and her true situation in life. I for Isobel, a modern-day Australian classic, was followed by *Isobel on the Way to the Corner Shop*, winner of the Age Book of the Year Award. Amy Witting was born in Annandale, an inner suburb of Sydney, in 1918. She attended Sydney University, then taught French and English in state schools. Beginning late in life she published six novels, including *The Visit*, *I for Isobel*, *Isobel on the Way to the Corner Shop* and *Maria's War*; two collections of short stories; two books of verse, *Travel Diary* and *Beauty is the Straw*; and her *Collected Poems*. 'When we come to write the history of Australian writing in the twentieth century, the strange case of Amy Witting will be there to haunt us. Here is a writer who

not only has great gifts - the kind of expert and mimetic gifts that would impel instant recognition from someone who admired a fine-lined American naturalist like William Maxwell - but a realist who has an effortless immediacy and a compelling sense of drama that should have ensured the widest kind of appeal, the sort of appeal that Helen Garner could command in her fiction-writing days. And yet this woman who published in the New Yorker and commanded the respect of Kenneth Slessor was scarcely encouraged during the long grey sleep of Australian fiction publishing. It wasn't until the publication of *I for Isobel*...that Witting gained a national profile.' Peter Craven 'Australia's Amy Witting is comparable to Jean Rhys, but she has more starch, or vinegar. The effect is bracing.' New Yorker 'Isobel is instinctively searching for a lost part of her substance, the very memory of which has been obliterated. Prompted by her inexplicable sense of loss, she goes on her way, deviating, baffled, yet rejecting substitutes. To call the ending happy is to say both too much and too little. Was the lost part also searching for her? Amy Witting's admirers will find this novel as distinctive and compelling as her stories and her poetry.' Jessica Anderson '[Witting] lays bare with surgical precision the dynamics of families, sibling, students in coffee shops, office coteries. One sometimes feels positively winded with unsettling insights. There is something relentless, almost unnerving in her anatomising of foibles, fears obsessions, private shame, the nature of loneliness, the nature of panic.' Janette Turner Hospital 'A beautifully but unobtrusively honed style, a marvellous ear for dialogue, a generous understanding of the complex waywardness of men and women.' Andrew Riemer 'Terrific - incredibly wise...When I finished it I went straight back to the first page.' Cate Kennedy

Tiré du site Internet de JRP/Ringier : "Matias Faldbakken (*1973) is an artist and writer living in Oslo. Son of the celebrated Norwegian author Knut Faldbakken, he has published two novels, "The Cocka Hola Company" and "Macht und Rebel" under the alias Abo Rasul. Drenched with acid humor and continuously hitting below the waist, his books immediately caused a considerable stir in Norway. If, in these publications, he underlines the differences and similarities between the so-called underground and the mainstream, and between the "independent" and the "commercial" in everyday life, these subjects are also central to his art practice. Fascinated with systems of knowledge, power, order, and exchange, he shows an interest in understanding how art and artists can be active participants in these systems. Faldbakken studied at the National Academy of Fine Arts in Bergen as well as at the Städelschule in Frankfurt am Main. He represented Norway in the Nordic Pavillion at the Venice Biennial in 2005, as well as showing his work in the Wrong Gallery at the Whitney Biennial, the Stedelijk Museum Amsterdam, the National Museum Oslo, the Sydney Biennial and the KW Institute for Contemporary Art Berlin, among others."

Jirí Levý's seminal work, *The Art of Translation*, considered a timeless classic in Translation Studies, is now available in English. Having drawn on adjacent disciplines, the methodology of Czech functional sociosemiotic structuralism and the state-of-

the art in the West, Levý synthesized his findings and experience in the field presenting them in a reader-friendly book, which combines the approaches of a theoretician, systemic analyst, historian, critic, teacher, practitioner and populariser. Although focused on literary translation from theoretical, descriptive and historical perspectives, it presents a conceptualization of a general theory, addressing a number of issues discussed today. The 'practical' mission of the book as a theory extending to practice is based on the same historical-dialectic affinity of methods, norms, functions and values, accounting for the translator's agency and other contextual agents involved in the communication process. The book will be useful to translators, researchers, students and teachers in Translation and Literary Studies.

In Giacomo Puccini: A Discography, librarian and music historian Roger Flury brings together information on nearly 10,000 recordings of Giacomo Puccini's music. Flury looks at each of Puccini's operas chronologically from Le Villi to Turandot, followed by sections on Puccini's instrumental, chamber, orchestral, and solo vocal works. Details of each complete opera are listed by recording date, followed by excerpts in the order in which they occur in the opera. Recordings of each aria are listed alphabetically by the name of the artist. For ease of use, Flury establishes as the main criteria for inclusion those recordings assigned a commercial issue number and available for purchase, ensuring that this audio recording history of Puccini is free of gaps.

Prosper Redding is the only unexceptional member of his very successful family, that is, until he discovers a demon living inside him. Turns out, Prosper's great-great-great-great-great-something grandfather made, and then broke - a contract with a malefactor, a demon who exchanges fortune for eternal servitude. Now Alastor, the malefactor, has reawakened and is intent on destroying the Redding fortune, unless they can kill him in the body he inhabits, which, oh, wait, that's Prosper, and why is his grandmother coming at him with a silver blade? In danger from both the demon trying to take over his soul and the family that would rather protect their fortune than their own kin, Prosper narrowly escapes with the help of his long lost Uncle Barnabas and Barnabas's daughter, Nell, a witch in training. According to Barnabas and Nell, they have only days to break the family curse and find a way to banish Alastor back to the demon realm. Until then, Prosper has to deal with Alastor's vengeful mutterings inside his head (not to mention his nasty habit of snacking on spiders). And, every night, Alastor's control over his body grows stronger. . . As the deadline to the curse draws nearer, Prosper and Nell realize there's more at stake than just the Redding family fortune. . . that there might be something else out there, something worse than Alastor, that could destroy the balance between the human and demon realms and change the world as they know it forever. There are worse things than death. Things that lurk in the shadows and slip into your dreams. Things that have no business existing. Things that once slept ... but have now awoken. For Callypso Lillis, the fae magic that now runs through her veins is equal parts curse and good fortune. For the very thing that bonds her to Desmond Flynn, the King of the Night, also makes her vulnerable to the Thief of Souls, a man who wants to break the world ... and Callie along with it. But it's not just the Thief whose shadow looms over the Otherworld. Des's father is back from the dead, and he wants revenge on the son

who sent him to the grave in the first place. Des and Callie must figure out how to stop both men, and time is running out. Because there are forces at play working to tear the lovers apart once and for all ... and unfortunately for them, death is no longer the worst thing to fear.

It was just a test report. Like one of many, many he'd written up in the past. Except this time, several of the test subjects are dead..."
