For some time sex has been defined as the biological difference between men and women, and gender as the manner in which culture defines and constrains these differences.

Feminine/masculine, male/female, women/men, boy/girl - terms of sexual and gender division like these permeate the way we think and talk about ourselves and each other. On most occasions we find their use non-problematic and people employ them easily, at other times, however, particularly if we are interested in psychology, we may wonder whether this ease is illusory.; One may speculate whether being a woman necessarily implies being "feminine".

One may question why young women are often referred to as girls, while men are seldom referred to as boys. Is dressing in a stereotypically feminine manner a reliable indication that a woman is heterosexual? What about cross dressing? Why do these topics hold so much fascination for the media?; "Gender, Sex and Sexuality" examines the effects that the inequalities experienced between men and women have had on the psychologies of both sexes, and the battle to remove them. It aims to introduce the reader to current research and theories, drawing on novels, theatre, soap operas, as well as research for case histories.

Lijvig en bijzonder goed gedocumenteerd werk over de verschillen tussen de seksen, wat betreft psychologisch functioneren. Met name bepaalde intellectuele capaciteiten en sociale gedragingen, waarvan algemeen wordt aangenomen dat ze verschillen tussen mannen en vrouwen, worden onder de loep genomen. De auteurs willen immers een onderscheid maken tussen enerzijds de meningen over sekseverschillen die een solide feitenbasis hebben en anderzijds deze die louter gebaseerd zijn op veronderstellingen. Het boek doorprikt enkele mythen en geeft ook de sociale implicaties van deze 'ontmaskering' aan. In verband met onderwijs, is vooral het hoofdstuk over intellectuele capaciteiten en cognitieve stijlen van belang (p. 63-70). In her series of ' Sexy & Pure Asian Beauties ' photographer Midori Yukano beautifully depicts the sensuality in very young girls who have just turned 18 years of age, and whose purity has remained intact. Their innocence and the subtle awakening to their female sexuality is artistically interpreted in these finely executed photographs. A Photo-Only eBook with 24 full page color photos. \*All models are over 18 years of age. " Irresistible, Sensual & Steaming Hot Girls Photos " \_James Felton, The Erotic Review
