

Shadow Wings (The Darkest Drae Book 2)

I know many things. What I am capable of, what I will change, what I will become. But there is one thing I will never know? The veil I've worn from birth carries with it a terrible loneliness; a suppression I cannot imagine ever being free of. Some things never change? My mother will always hate me. Her court will always shun me. Until they do. When the peace delegation arrives from the savage world of Glacium, my life is shoved wildly out of control by the handsome Prince Kedrick who, for unfathomable reasons, shows me kindness. And the harshest lessons are learned. Sometimes it takes the world bringing you to your knees to find that spark you thought forever lost. Sometimes it takes death to show you how to live. This is one crown you don't want. Born and raised in the Dregs, the last thing I expected was the "honor" of being recruited to Crown Princess Academy. And by honor, I mean fighting for my life against the fae that rule our world. Our first exam is in three weeks and not every student will make it out alive... don't these bimbos realize that? I'm not fooled. I know how ruthless the fae can be. All the princess initiates are captivated by Lucas, the sexy fae Crown Prince who, in turn, seems fixated on me. He can't know that I'm actually the most powerful Malice Caster in the Dregs. I'm sure my talents for the Criminal Guild won't earn me any extra credit in my princess classes. All my life I've stayed one step ahead of the two-faced fae and their Malice, the out of control black magic that has nearly wiped out all of humanity. This is my chance to do more than survive--this is my chance to fight back. I'll play the Crown Prince's game. I'll wear the tiny initiate crown, dance in my glittering pink dress, survive the deadly exams, and ultimately graduate as the Crown Princess all while he thinks I'm playing right into his plans. He's in for a surprise when I reveal who I am and wipe that sexy, smug grin off his face... I just hope my heart doesn't forget he's the enemy. Crown Princess Academy: Book 1 is the first of a planned trilogy. As it is a series, there will be a cliffhanger. This is an upper YA/NA paranormal and fantasy series with enemies-to-lovers romance and HEA.

From the beloved World Fantasy Award-winning author of Witchmark comes a sweeping, romantic new fantasy set in a world reminiscent of Regency England, where women's magic is taken from them when they marry. A sorceress must balance her desire to become the first great female magician against her duty to her family. Beatrice Clayborn is a sorceress who practices magic in secret, terrified of the day she will be locked into a marital collar that will cut off her powers to protect her unborn children. She dreams of becoming a full-fledged

Magus and pursuing magic as her calling as men do, but her family has staked everything to equip her for Bargaining Season, when young men and women of means descend upon the city to negotiate the best marriages. The Clayborns are in severe debt, and only she can save them, by securing an advantageous match before their creditors come calling. In a stroke of luck, Beatrice finds a grimoire that contains the key to becoming a Magus, but before she can purchase it, a rival sorceress swindles the book right out of her hands. Beatrice summons a spirit to help her get it back, but her new ally exacts a price: Beatrice's first kiss . . . with her adversary's brother, the handsome, compassionate, and fabulously wealthy Ianthe Lavan. The more Beatrice is entangled with the Lavan siblings, the harder her decision becomes: If she casts the spell to become a Magus, she will devastate her family and lose the only man to ever see her for who she is; but if she marries—even for love—she will sacrifice her magic, her identity, and her dreams. But how can she choose just one, knowing she will forever regret the path not taken? Magical Fantasy. Romance. Deception. All of my expectations shattered the day my sister fell, and my magic changed. Zivrune, the magi prince I'd loved since childhood, didn't become king. My sister didn't heal the land. The two of them didn't become bondmates. For years I waited in hiding, hoping for the promised rebellion. Instead, the cruel king's guards arrive and leave a trail of bodies in their search for someone. I know who they want. I just don't understand why. To find answers, I'm forced to return to Yandari and face my past. But I'm not the same girl anymore. Because now, I know family doesn't mean fidelity, devotion definitely requires sacrifice, and love? For Zivrune, I'll defy the law, regardless of nature or magic. This coming of age fantasy is told in parallel timelines, building up to a shocking reveal that will leave you reeling and breathless. With action, drama, and unexpected turns galore, BETRAYED is young adult fantasy that is dark, twisted, and beautiful.BETRAYED is the first book in the Magi Rising series and includes the previously released prequel, Fallen, plus an additional 30k words for a novel filled with unique magical powers, romantic suspense, and a surprising twist on teen shifter books. Due to thematic elements, BETRAYED is intended for mature young adults and up.****

Ebba-Viva Fairisles

Crown Princess Academy

This is a special edition of the complete Hades Trials series, in hardback. I've been kidnapped by Zeus. Plucked from the streets of Manhattan and frightened half to death by a freaking Olympian god. And now I'm trapped in the Underworld, being forced to compete in a series of deadly trials for the position of Queen of the Underworld. Which would mean marrying Hades, the utterly terrifying Lord of the Dead. Who the hell wants a husband at all, let alone one made of smoke and riddled with death? I have to get back home, to New York and my brother. But I can't leave without completing the trials and they've been designed for a godly Queen, not Persephone - barista and botanical garden enthusiast. I'm surrounded by lethal, all-powerful maniacs. Sexy-as-hell maniacs, sure, but as dangerous as they come. And I'm going to have to prove to all of them that there's a goddess of hell inside me. It's the only way I'll survive the Hades Trials. But then what? And why, why, why am I so desperate to see under Hades' smoky exterior and find out what he's hiding from me? If I win the trials, I have to marry the devil himself. But losing might mean losing my life.

Haven survived the Devourers, but she isn't any closer to saving Bell. Meanwhile, her forbidden powers rage stronger than ever. Caught in a whirlwind of romance, bravery, and deception, she must prove herself every step of the way as she and her friends plunge deeper into the Shade Queen's lands. But will it be enough to break the curse?

After a vicious battle for the crown, I'm now Alpha King. My brothers are safe, as is my mother, but my fated mate Nai Crescent is...Gone. In the middle of my coronation ceremony she disappears. All signs point to a kidnapping, but the High Mage Realm is off limits for my kind. I'll be damned before I let anyone take her from me. Unfortunately, Nai's abduction isn't my only problem. Between the outcast shifters, the lower class mages, and strange deaths in Dark Row, I struggle under the weight of royal responsibilities. The longer I rule, the more I discover how dirty the high mages are playing... and how desperate they are for power. And I start to wonder if Nai was abducted, or if she left of her own free will. Was fate wrong about us? Told from Courage "Rage" Midnight's POV, this fast-paced novella gives exclusive insight into the new Alpha King's heart and mind after Nai's disappearance.

An Ancient Curse. An Immortal Monster. A Forbidden Love. Seventeen year-old Hope Nicholas has spent her entire life on the run. With her mom, she's traveled from town to town, barely staying long enough to meet anyone, let alone make friends. If she wants to stay alive, she'll have to keep it that way. When her mother is murdered, Hope is left orphaned and alone. Is this the fulfillment of Apollo's curse? Is Hope, too, being hunted? Hope flees again, staying hidden now more important than ever. But learning to navigate mean girls, demigods, and shadow-monsters from the Underworld is nothing compared to enigmatic and persistent new-boy, Athan Michael. In a modern world still ruled by the Greek Gods, being a monster is more than a curse. It is a death sentence.

Curse of the Sphinx

Immortal Plunder

Hell's exit appears once a day. My very life--and the key to escaping Davy Jones' Locker--rests in figuring out Mutinous Cannon's sinister plan. He needs my crew in hell. We have to figure out why before time runs out. But Plank is sinking into an abyss where none of us can follow. Mutinous' presence has rocked my fathers to their very cores, and now I find myself unable to ignore the heat mounting within me. . . . Yet giving in to my feelings for one will hurt another. I can't lose my fathers, my crew, to the horrors of their pasts. Their demons must be conquered. As must mine. The Eternal Gambit must be untangled.

An army is half way to Glacium. And not just any army - it belongs to my mother. In the realm of the dead, there are no lies. Hope Nicholas is desperate to believe that the truth will set her free from the bindings of Apollo's curse. But to get the truth, she must travel to the Underworld, a feat near impossible for the living. The gods there have their own agendas and, forced to forge alliances with the most unlikely allies, Hope will find that death is not the worst torment of the Underworld. Athan Michael spent months chasing Hope, only to have her disappear once again. And when he discovers her destination, he knows the treacherous journey to the Underworld is one he cannot take alone. Forced to put aside his past with Xan and Dahlia, the three demigods embark on their own quest. But the past will not stay buried, and Athan must decide how much he's willing to sacrifice to help Hope break the curse. Told from dual points of view, Myths of Immortality is a tense, action-packed story that will leave you begging for the next installment of The Sphinx series.

There are three types of people in the Exosian Realm--males, females, and pirates. I'm a pirate. One with six overprotective fathers for a crew. And if I'm telling the honest truth, not just the pirate truth, having so many fathers is working pretty well for me so far. When I'm caught eavesdropping on the pirates of Malice, they retaliate with violence, and my fathers become set on revenge. But simple payback cascades into shattering misfortune. Unexplainable magical happenings and impossible creatures propel me toward a fate much darker than stealing plunder. A terrible beast drags forth horrible truths of my fathers' pasts which call my entire life into question. Now, my sheltered upbringing is swelling into a furious storm that I must, for the first time in seventeen years, navigate without my crew. An intense russet-haired landlubber seeks to help me. A savvy silver-eyed Malice pirate strives to hinder me. But the further I drift, the more I wonder--am I helping or hindering myself? Can I stand on my own two feet to claim victory? And if so. . . what will that victory cost? Prepare to sail into a realm of high-stakes adventure, swashbuckling characters, forgotten magic, and slow-burn romance. Disadvantaged by her parents' low standing, Rocío Lopez has dedicated herself to expanding her considerable talent to earn a place in the Confederation. Their rejection leaves her reeling--and determined to fight to keep her magic. Long ashamed of his mediocre abilities, Finn Lockwood knows the Confederation accepted him only because of his prominent family. Declaring for the Exam instead means a chance to confirm his true worth.

Her sacrifice could save her people. Luana's colony is under threat of an impending attack. As the sole child of their grievously wounded leader, she seeks aid from the only other native species on the planet. Consenting to a marriage of convenience with one of the Zelconians, a peaceful bird-like race, would secure the protection her village desperately needs. As much as that prospect terrifies her, Luana cannot deny being intrigued by the hybrid she is to marry, with his strange eyes full of stars, his majestic wings, and his hypnotic voice. Dakas is shocked when his soul clamors for Luana the moment she enters their Council chamber. Who would have thought the brewing war would have finally allowed him to find his soulmate? Her delicate and demure appearance cannot fool his empathic abilities. Dakas senses the fire and strength burning within Luana. He's more than eager to take the human as his mate to serve both of their peoples' best interests. But he wants more than to protect her village; he wants to conquer her heart. Can Luana embrace their union despite the circumstances, or will the war destroy any chances they had of a future together?

"Goodbye, unicorns." "What?" My heart dropped. "What?" was a stupid question. I knew exactly what she meant. Still, it was hardly the kind of thing I expected to hear a seven-year-old girl mumble as she headed out her bedroom door for what would probably be the last time. To an onlooker, it might make sense. Her room was, in fact, a pink and purple web of horned horses she'd spent more than half her life believing in. But I knew the rest of the story. And her words told me this was worse than a kid finding out about Santa. 'Goodbye unicorns' wasn't happening. Not on my watch. You'd think that basically being in charge of love would be an epic job, right? Wrong. Sure, I can blow some Lust into people's faces and watch the show, but I can't actually participate. It gets old, trust me. Same goes for love. I can pass it out like sugar-free lollipops at a dentist's office, but I can't get any love for myself. It totally sucks. I used to consider myself a hopeless romantic, so why wouldn't I choose to become a cupid? Sounds like a good idea, right? Wrong again. They don't call us stupid cupids for nothing. I'm stuck in this never-ending afterlife where I'm invisible, lonely, and bitter as hell. And yeah, I'm probably responsible for some terrible matchmaking out there. Sorry, not sorry. All my bad cupid'ing might be why I was exiled from the human realm. You can only do so much before the cupid bosses get all huffy. Unfortunately, my bitterness carried over into the new realm, and then I attacked a fae prince with Love Arrows. Accidentally. Okay, not accidentally. But hey, he deserved it. What I didn't expect was for him to retaliate and hit my ass with some crazy magic mojo strong enough to push me into the physical realm. Whoa. That's right. This cupid just got a real body. And you know what that means...Now, it's my turn to get some. Love, I mean. Get your head out of the gutter. Wink, wink bitches. Author's Note: This is a medium-burn reverse harem story. It includes explicit language and sexual situations. Intended for audiences 18 years and older. As this is a series, there will be a cliffhanger.

Orphaned. Trained to fight. Raised to fear the power of Underhill. Secretly in love with a man who doesn't want me. I'm still just Alli, aka the half-human orphan fae, but my life is looking up for the first time. It only took me my whole 24 years. But when Underhill-the ancestral home of the fae-shatters, making it impossible for any fae to enter, I'm the only one who knows who did it. A secret that will be the death of me if I do nothing. A brutal madness spreads through the fae as they lose their connection to Underhill, and to save my people, my only choice is to leave all I have fought for and go on the run. Unless I figure out how the hell magic that has existed since the dawn of time was destroyed with a single touch, well, an entire life spent fighting to prove myself isn't going to mean anything at all. One of the 100 Best Fantasy Books of All Time, according to Time Magazine One of the best books of 2018, according to NPR, Publishers Weekly, BuzzFeed, the Chicago Review, BookPage, and the B&N Sci-Fi and Fantasy Blog. C. L. Polk arrives on the scene with *Witchmark*, a stunning, addictive fantasy that combines intrigue, magic, betrayal, and romance. The New York Times calls it “thoroughly charming and deftly paced... an accomplished and enjoyable debut.” In an original world reminiscent of Edwardian England in the shadow of a World War, cabals of noble families use their unique magical gifts to control the fates of nations, while one young man seeks only to live a life of his own. Magic marked Miles Singer for suffering the day he was born, doomed either to be enslaved to his family's interest or to be committed to a witches' asylum. He went to war to escape his destiny and came home a different man, but he couldn't leave his past behind. The war between Aeland and Laneer leaves men changed, strangers to their friends and family, but even after faking his own death and reinventing himself as a doctor at a cash-strapped veterans' hospital, Miles can't hide what he truly is. When a fatally poisoned patient exposes Miles' healing gift and his witchmark, he must put his anonymity and freedom at risk to investigate his patient's murder. To find the truth he'll need to rely on the family he despises, and on the kindness of the most

gorgeous man he's ever seen. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

When Ebba escapes to the secret sanctuary she is haunted by the guilt of her decision.

Six were taken. Eleven years later, five come back--with no idea of where they've been. A riveting mystery for fans of *We Were Liars*. Eleven years ago, six kindergartners went missing without a trace. After all that time, the people left behind moved on, or tried to. Until today. Today five of those kids return. They're sixteen, and they are . . . fine. Scarlett comes home and finds a mom she barely recognizes, and doesn't really recognize the person she's supposed to be, either. But she thinks she remembers Lucas. Lucas remembers Scarlett, too, except they're entirely unable to recall where they've been or what happened to them. Neither of them remember the sixth victim, Max--the only one who hasn't come back. Which leaves Max's sister, Avery, wanting answers. She wants to find her brother--dead or alive--and isn't buying this whole memory-loss story. But as details of the disappearance begin to unfold, no one is prepared for the truth. This unforgettable novel--with its rich characters, high stakes, and plot twists--will leave readers breathless.

From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+.

Queen of the fae courts. Faced with an impossible battle. Destined to never be with the Unseelie I love. The magical tea has worn off. My eyes are wide open. And it's with horror that I realize the fate of two realms rests on my shoulders after my mother's ultimate sacrifice to trap Rubezahl in Underhill. Terrified humans clamoring for answers, whispered rumors from both Seelie and Unseelie, and a stepmother who seeks the throne for surprising reasons are the least of my troubles. Rubezahl has returned far sooner than I thought possible. I'm not ready. I can't win this. And not only that... He has something crucial if we are to win. He's taken something I cannot live without. The place of the final battle has been decided, and two armies will meet. Yet forces beyond my understanding must be satisfied first--old magics rise and demand their dues. There is no option but to race and decipher the puzzle to save the man I love, the friends more important to me than my own life, and humans and fae alike. Two realms. Only I can save them. We're screwed. If you can't get enough of Sarah J. Mass, Holly Black, or Jennifer L. Armentrout, you will love this vibrant world where impossible love and an explosive pace will leave you breathless!
