Sole Traders only need simple accounting systems. This kit, including step by step how to 'do the books', invoices filing and UK tax return, keeps it simple. Using the cash basis, single entry method and the new 'simplified allowable expenses' - tax ready system, accounting is easy to master. Based on a set of self employed trader Case Study bank statements, invoices, receipts and ready to use bookkeeping forms you practise and learn hands on bookkeeping skills that you then repeat for your own small business. There is a special section for eBay traders with help to save tax. With the HMRC 'Making Tax Digital' around the corner, the need for small traders to use Cloud based systems is approaching. You will learn how to build up your bookkeeping technology skills to use computer based 'drop down' expenses categories; first with a provided 'spreadsheet' and then with QuickBooks where you can also save time and import your bank statement directly to your books.
