

Star Wars: Joke Book

Prepare to have your ribs tickled as you relive the humour from the Star Wars universe. Packed with jokes about all your favourite characters from all six films, this book is sure to have even the darkest Sith laughing his head off.

The original Extremely Unofficial and Highly Unauthorized Star Wars Kama Sutra came out just before Star Wars: The Force Awakens and has sold thousands of copies around the world. Now, here we are, two years later and it's time for Star Wars: The Last Jedi. Like Lucas did with his special editions (but our changes are actually good), I wanted to take a moment to go through the original book and smooth out some rough edges, get rid of some jokes that didn't land, and add in a bunch of new positions, featuring toys from the Star Wars movies and TV shows that have come out since the first edition. The same warning applies from the original publication. This isn't a text book, it's a funny book. It's for grown-ups with a twisted sense of humor. Most importantly, it is a work of independent parody, made with love and reverence for all things Star Wars. Don't buy this for a child, buy it for your partner, spouse or friend. And remember, the internal temperature of a Taun Taun is still "Luke Warm." - May The Force Be With You.

Whether you re making a toast at a wedding, trying to break the ice at a party, or just want to make your boss giggle, the Ultimate Book of Jokes is the first and last resource you'll ever need. From road-crossing chickens and classic knock knock jokes to the naughty, nice, and totally soused, no subject goes unmocked in this collection of over 1,500 jokes, packaged in a deluxe embossed board cover with 2-color line art throughout. Scott McNeely, author of Ultimate Book of Card Games, mined decades worth of jokes to find chuckle-inducing punch lines for joke lovers of all stripes from yo mamma aficionados to naughty limerick connoisseurs.

BEING A TEENAGER IS HARD ENOUGH WITHOUT ALSO TRAINING TO BE A JEDI. . . . Obi-Wan Kenobi has not been apprenticed long to Qui-Gon Jinn, and he is chafing at Qui-Gon's training style: all meditation, no action. Obi-Wan yearns to prove himself on a mission, but when he and Qui-Gon are finally set to leave on an assignment, Qui-Gon is nowhere to be found. Angered by his master's abandonment, Obi-Wan sets out on the mission alone, determined to prove himself. On a mysterious planet he encounters a pack of feral, Force-wielding teens who seem to be the planet's only inhabitants. As he experiences wild freedom with them and wonders if this isn't the life he was meant for, Obi-Wan can't escape the nagging sense that something is wrong with the Force there. Romantic complications, startling revelations, and a looming threat to both the planet and his new friends will bring Obi-Wan face-to-face with his worst fear: that maybe he was never supposed to be a Jedi at all. Can he connect with the living Force in time to save himself and everyone around him? It's the star of the Obi-Wan Kenobi Disney+ limited series as you've never seen him before. . . .
