The first in an epic new fantasy series, introducing an unforgettable new heroine and a stunningly original dystopian steampunk world with a flavor of feudal Japan. A DYING LAND The Shima Imperium verges on the brink of environmental collapse; an island nation once rich in tradition and myth, now decimated by clockwork industrialization and the machine-worshippers of the Lotus Guild. The skies are red as blood, the land is choked with toxic pollution, and the great spirit animals that once roamed its wilds have departed forever. AN IMPOSSIBLE QUEST The hunters of Shima's imperial court are charged by their Shogun to capture a thunder tiger □ a legendary creature, half-eagle, half-tiger. But any fool knows the beasts have been extinct for more than a century, and the price of failing the Shogun is death. A HIDDEN GIFT Yukiko is a child of the Fox clan, possessed of a talent that if discovered, would see her executed by the Lotus Guild. Accompanying her father on the Shogun's hunt, she finds herself stranded: a young woman alone in Shima's last wilderness, with only a furious, crippled thunder tiger for company. Even though she can hear his thoughts, even though she saved his life, all she knows for certain is he'd rather see her dead than help her. But together, the pair will form an indomitable friendship, and rise to challenge the might of an empire.

Sky piracy is a bit out of Darian Frey's league. Fate has not been kind to the captain of the airship *Ketty Jay*—or his motley crew. They are all running from something. Crake is a daemonist in hiding, traveling with an armored golem and burdened by guilt. Jez is the new navigator, desperate to keep her secret from the rest of the crew. Malvery is a disgraced doctor, drinking himself to death. So when an opportunity arises to steal a chest of gems from a vulnerable airship, Frey can't pass it up. It's an easy take—and the payoff will finally make him a rich man. But when the attack goes horribly wrong, Frey suddenly finds himself the most wanted man in Vardia, trailed by bounty hunters, the elite Century Knights, and the dread queen of the skies, Trinica Dracken. Frey realizes that they've been set up to take a fall but doesn't know the endgame. And the ultimate answer for captain and crew may lie in the legendary hidden pirate town of Retribution Falls. That's if they can get there without getting blown out of the sky.

These beautiful images include abstract designs, animals and people, each with its own subversive saying like "It's been lovely but I have to scream now", "As If", "That's MS. Bitch to you", and more. Contains Adult Language. What others are saying about *Calm the F\*ck Down*, an Irreverent Adult Coloring Book by Sasha O'Hara "This book will do exactly as it says. It will help you calm the "f" down. The book is awesome. It has one image per page, not front and back, so no worries about markers bleeding thru and ruining another image. I love that there are a couple of pages at the front to test your colors on. The book has awesome images and sayings. The images vary significantly so there really is something for everyone. I've included some sample images from the book to get an idea of what is inside. Amazing book for anyone who loves to color at a super reasonable price. Great gift idea. I'm buying a couple more for friends now that I've seen the inside..." - Melissa S. "I have had so much fun coloring your designs! They keep me somewhat sane when I am not feeling well. Thank you so much for putting out this book!" - Trish H. "I have so many coloring books that I've collected for the last 20 years; as a potty-mouthed b\*tch, though, this is my current favorite. Can't wait for the next!" - Debbie M. "This is by far my favorite coloring book and I have tons!! Just the perfect amount of swears meets funny. Some of the swears are disgusting. This one is perfect!!" -Gavin S. "I don't typically do product reviews but this time I'm making an exception. I absolutely love this book! Sure I'm sarcastic, sassy and have a sense of humor, and if you are too you'll love it as well. Some pages are simple, some more detailed so it's great for someone trying to just get a start in this hectic new wave of adult coloring. In the long run it makes

me smile, and isn't that worth every penny?" - Anonymous "I just received this 15 minutes ago. This is just what the doctor ordered. Clearly it's not for those offended by foul language, but that should be obvious by title. I don't write that many reviews and certainly not within minutes of receiving the article. This little treasure of a coloring book was definitely worth the effort. While I enjoy my beautiful garden, faces, animals, mandalas and steampunk coloring books, Sasha O'Hara knocked it outta the park with this little diddy. I'm glad I didn't look at the pictures in the reviews. It was sooo much better being surprised by each turn of the page and literally laughing my a\*\* off at such lovely drawings as the titles described my true feelings. There's a few I plan on coloring, framing and presenting to a few friends. Highly recommended to those not offended by uncensored foul language. - Moodswings
