Shameful! This man was definitely shameless to a certain extent! He was so tired of catching her that he wanted to just tie her to him once and for all? The so-called dirty trick was to get her pregnant? Do you even have the demeanor of a boss anymore? She was a hitman, yet she was more imposing than him. What should he do? Under the "ravage" of that lowly man, she "gloriously" became pregnant. You think she won't run away when you're pregnant? "Hehe, no way ..."

From the bestselling author of "The Little Book of Wrong Shui" and "The Little Book of Stress" comes a meditation on stress that will delight anyone who has ever worked in an office setting.

This book explores how boys from low-socioeconomic status backgrounds disengage from their education, and are resultantly severely underrepresented in post-compulsory education. For those who attend university, many will be first-in-their-family. As first-in-family students, they may encounter significant barriers which may limit their participation in university life and their acquisition of social and cultural capital. Drawing on a longitudinal study of young Australian men pursuing higher education, the book provides the first detailed account of socially mobile working-class masculinities. Investigating the experiences of these young men, this book analyses their acclimatisation to new learning environments as well as their changing subjectivities. The monograph draws on various sociological theories to analyse empirical data and make practical recommendations which will drive innovation in widening participation initiatives internationally. This book will be of interest to scholars interested in widening participation, transitions, social mobility and Critical Studies of Men and Masculinities.

STUDENT SUCCESS VALIDATES WHAT WE TEACHERS DO. Yet, not all students succeed. Many give up helplessly, reaching - unnecessarily - the end of their ropes. We teachers spent years honing our craft, figuring out ways to reach out, to connect, and to positively affect the lives of our students, not only while in college, but well beyond the often-treacherous college years. Paving the students' path toward a thriving university life and a rewarding career, therefore, gives meaning to what we do for a living. The art of learning has indeed transformed. Both the Internet and distinct generational preferences of our students have introduced new paradigms in post secondary education. Whereas years ago, the teacher and the local university library were the main repositories of knowledge, today's students can use the Internet - indeed the libraries of the entire planet - to instantly locate the information they need, often effortlessly from the comfort of a couch! What the students want is not mere information; they need - and demand - practical knowledge and how information is applied. To be a successful teacher, one must constantly experiment with new and more effective learning strategies that combine best practices in learning. In this book, the authors have assembled numerous strategies and techniques for academic success. We have emptied our bags of tricks onto these pages. We have witnessed how these strategies rejuvenate our students' university experience. By authoring this book, we pass on to you - our student - the intricacies of the art of learning. From the role of motivation to memory retention to the ins and outs of connecting with your teachers, we have provided not only what is needed to succeed academically, but also the evidence for our recommendations. We offer you this book not only for us to make sense of our professional lives, but also for you to make sense of yours.

To commemorate HCI's 40th anniversary, many of its most loved and revered authors have contributed personal stories of lifechanging events in Success Stories from the Heart. Poignant and inspiring from cover to cover, these authors generously share their personal journeys to find truth, the unexpected discoveries they made along the way, and the spiritual renewals they experienced as a result. A brave and mighty volume, Success Stories from the Heart bares their souls and tells the stories of not only their own lives, but of the many lives they've touched. Each contributing author in this extraordinary book has played a pivotal role in the advancement of mental health services and personal transformation. They coined the phrases, they made the discoveries, they are the vanguards who brought us a deeper understanding of the issues that affect us, our families, our communities, and every one of our relationships. They are the true, indispensable guides and mentors who rescue us from ourselves and each other, that teach us better, more fulfilling ways to live. These stories chronicle experiences that go beyond the educational realm, past office visits and therapy sessions, and brought them deep into the tender realm of the heart. They are the encounters that blurred the lines and made their work personal, the hopes and tears of their careers, the indelible scars that belie their commitment to do whatever it takes to make a difference. It is this blending of personal and professional life that births wisdom, that connects people, and heals a hurting world. Let Success Stories from the Heart inspire you—it's a celebration of 40 momentous years and a thrilling celebration of life!

This is the second instalment of Browning's great murder-story set in the Italy of the 1690s, The Ring and the Book, a poem which Henry James called a 'monstrous magnificence'. Here Browning lets the central characters of his poem - the corrupt aristocrat and murderer

Franceschini, his victim, and her rescuer - tell the story in their own words.

Robert Browning (1812 - 1889) was an English poet and playwright whose mastery of dramatic verse, and in particular the dramatic monologue, made him one of the foremost Victorian poets. His poems are known for their irony, characterization, dark humor, social commentary, historical settings, and challenging vocabulary and syntax. The speakers in his poems are often musicians or painters whose work functions as a metaphor for poetry. His complete works include the life and letters of Robert Browning, letters, poetry, and plays.

Soldier of Courage, Soldier of Compassion: The Story of Captain Bennett L. Munger Company C, 44th New York State Infantry

In June, 1860, Browning purchased an (old yellow book) from a bookstall in Florence. The book contained legal briefs, pamphlets, and letters relating to a case that had been tried in 1698 involving a child bride, a disguised priest, a triple murder, four hangings and the beheading of a nobleman. Browning resolved to use it as the source for a poem. The result, The Ring and the Book, is certainly one of the most important long poems of the Victorian era and is arguably Browning's greatest work. Basing their edition on the 1888/89 version of the poem, Altick and Collins include the last corrections Browning intended before his death. In addition to a substantial introduction, this Broadview Literary Texts edition also includes selections from Browning's correspondence, and contemporary reviews and reactions to the work.

This carefully crafted ebook: "The Ring and the Book (Unabridged)" is formatted for your eReader with a functional and detailed table of contents. The Ring and the Book is a long dramatic narrative poem, and, more specifically, a verse novel, of 21,000 lines, written by Robert Browning. It was published in four volumes from 1868 to 1869 by Smith, Elder & Co. The book tells the story of a murder trial in Rome in 1698, whereby an impoverished nobleman, Count Guido Franceschini, is found guilty of the murders of his young wife Pompilia Comparini and her parents, having suspected his wife was having an affair with a young cleric, Giuseppe Caponsacchi. Having been found guilty despite his protests and sentenced to death, Franceschini then appeals[unsuccessfully]to Pope Innocent XII to overturn the conviction. The poem comprises twelve books, nine of which are dramatic monologues spoken by a different narrator involved in the case (Count Guido speaks twice), usually giving a different account of the same events, and two books (the first and the last) spoken by the author. Robert Browning (7 May 1812 – 12 December 1889) was an English poet and playwright whose mastery of dramatic verse, especially dramatic monologues, made him one of the foremost Victorian poets.

Soldier of Courage, Soldier of Compassion is drawn from the letters and diaries of Captain Bennett L. Munger of company C, 44th New York state volunteer infantry. Munger's regiment was known as "Ellsworth's Avengers," in honor of their fallen comrade, Col. Elmer Ellsworth. The regiment was a seasoned fighting unit, and saw action in many important battles during the civil war. Munger's career would eventually place him in the position of prison inspector for the north's most notorious, Confederate prisoner of war camp, "Elmira." Elmira was little better than a death camp, that in some ways was on par with the horror of Andersonville. Munger's letters and diaries give an important firsthand account and insight into a moment in time that otherwise would be lost without this small volume that is dedicated to his unwavering service to his country and his steadfast compassion to ease the sufferings of his fellow man.

The fascinating inside story of how the Android operating system came to be. In 2004, Android was two people who wanted to build camera software but couldn't get investors interested. Today, Android is his lead team at Google, delivering an operating system (including camera software) to over 3 billion devices worldwide. This

is the inside story, told by the people who made it happen. Androids: The Team that Built the Android Operating System is a first-hand chronological account of how the startup began, how the team came together, and how they all built an operating system from the kernel level to its applications and everything in between. It describes the tenuous beginnings of this ambitious project as a tiny startup, then as a small acquisition by Google that took on an industry with strong, entrenched competition. Author Chet Haase joined the Android team at Google in May 2010 and later recorded conversations with team members to preserve the early days of Android's history leading to the launch of I.O. This engaging and accessible book captures the developers' stories in their own voices to answer the question: How did Android succeed?

Do you want to know how to make money from your blogs or websites? There's nothing right now that's easier, and certainly there's nothing more that pays more, than making tons of cash from the Google AdSense ads you put on your blogs/websites. Unfortunately, many people fail because they just don't know how to do SEO for AdSense. My book is the best visual guide you can find that explains step by step how to make \$100 a day with your blog like I do. How much I wish you knew the great effort I put into writing and compiling the information in this book! If you did, you'd realize the value of this information and you'd want to keep this the secret to yourself, just like I've done for a couple of years until now that I decided to reveal it all! If you've already heard of Google AdSense but thinking that it's a slow or a poor way of making money online, you're completely wrong! The truth still remains that Google AdSense is still by far the fastest and the best source of income I've seen for all bloggers. I cannot be more than convinced of this fact because I've been making \$100-\$120 every day for over 2 years now and I am now ready to tell you every bit of my experience. The most important thing in this book is the very crucial SEO secrets I added for you. This will make you understand how to rank #1 on Google in the easiest and fastest way.

Do you know God's purpose for your life? Do you know how to find out what it is? In this honest, conversational account, Candace Vaught Robinson not only shares her personal story but also encourages women to be open to God's leading as He reveals His plans for each one of us. By the world's standards, Candace was a success, holding a good job complete with a travel expense account and a prominent view of the nation's capital outside her office window. When she was laid off in 2010 after more than ten years of service that she believed represented her greatest life accomplishment, she was crushed. In retrospect, she learned a valuable life lesson: if God is preparing us for a greater purpose, we don't get to decide how or when His plans will unfold, or even the people who will be sharing them with us. More lessons followed as she became her mother's full-time caregiver and as she learns now to live without her mother's earthly presence as her ministry expands. Knowing our purpose is crucial to God's plan, and A Woman of Success is designed to help you avoid pitfalls such as using personal insecurities to fight against loved ones instead of letting God heal relationships and discerning the difference between a call to salvation and a call to an occupation. No matter what your past has been like, it's not too late to learn God's will for you and respond with joy and confidence in knowing that He will lead the way!

The Ring and the Book is a long dramatic narrative poem, and, more specifically, a verse novel, of 21,000 lines. The book tells the story of a murder trial in Rome in 1698, whereby an impoverished nobleman, Count Guido Franceschini, is found guilty of the murders of his young wife Pompilia Comparini and her parents, having suspected his wife was having an affair with a young cleric, Giuseppe Caponsacchi. Dramatis Personae is a poetry collection. The poems are dramatic, with a wide range of narrators. The narrator is usually in a situation that reveals to the reader some aspect of his personality. Dramatic Lyrics is a collection of English poems, entitled Bells and Pomegranates. It is most famous as the first appearance of Browning's poem The Pied Piper of Hamelin, but also contains several of the poet's other best-known pieces, including My Last Duchess, Soliloquy of the Spanish Cloister, Porphyria's Lover... Table of Contents: Introduction: Robert Browning by G.K. The Ring and the Book, published serially in 1868–9, is one of the most daring and innovative poems in the English language. The story is based on the trial of an Italian nobleman, Guido Franceschini, for the murder of his wife Pompilia in Rome in 1698. Browning's discovery of the 'old yellow book', a bundle of legal documents and letters relating to the trial, on a second-hand market stall in Florence, sparked an imaginative engagement with this sordid tale of domestic cruelty, adultery, and greed which grew, through four years of arduous labour, into an epic peopled not by gods and warriors but by concrete, recognisably human beings. Fusing the technique of the dramatic monologue, the form he had made his own, with the grandeur of classical epic and the vivid realism of the modern novel, Browning created a unique hybrid form that allowed him not only to bring to life an entire historical period but also to reflect on the process of artistic creation itself – the forging of the golden 'ring' of the poem from the 'pure crude fact' of its historical original. This edition, comprising volumes 5 and 6 in the acclaimed Longman Annotated English Poets edition of Browning's poems, does full justice to the scope and depth of Browning's achievement. The headnote in volume 5 gives an authoritative account of the poem's composition, publication, sources, and reception, making use of hitherto unpublished letters and textual material. In addition to giving readers help, where needed, with historical and linguistic comprehension, the notes track Browning's formidable range of allusion, from the most erudite to the most vulgar. The appendices in volume 6 present a selection from the original sources, a list of variants from extant proofs, and key passages from Browning's fascinating and revealing correspondence with one of the earliest readers of the poem, Julia Wedgwood. The aim is to enable readers not just to understand the poem as an object of study, but to take pleasure in its abounding intellectual and emotional energies.
