***First used as an incredibly successful stop-smoking method, this cutting-edge approach now addresses the fastest-growing nicotine delivery system in the world, vaping. The Easyway method tackles addiction from an entirely different angle. Rather than employing scare-tactics and enforcing painful restrictions on your vaping habits, it unravels the cognitive brainwashing behind your addictive behaviour. In this way, it removes the desire to vape altogether without willpower or sacrifice. Whether you use e-cigarettes, JUUL, tanks or pens, or any kind of mod or pod, this method will work for you. All you have to do is read this book in its entirety, follow all of the instructions and you will be set free***

still a smoker! Scare tactics simply don't work! Another thing this book won't be asking you to do is to reduce your smoking over a period of time with a view to eventually stopping altogether. This tactic is common, but usually ineffective. Reducing nicotine intake slowly still keeps your body supplied with at least some nicotine, right up to the point where you stop smoking altogether and your withdrawal symptoms begin. This process is ineffective when you consider that at the end of your cutting down period you are still going to be plunged headlong into the

difficulty of dealing with withdrawal. Why bother? You can start dealing with being a non smoker as soon as you finish this book, without having to torture yourself for weeks beforehand! Your newly acquired skills and knowledge really will give you the edge that you need to stop smoking without too much difficulty and will allow you to start your new life as a non smoker immediately. Although the cutting down method may work for a few people, experience has shown that the most effective method of stopping smoking is to simply stop, then deal with any issues that may arise. The method of

# Read Free Stop Smoking: The Proven Method To Quit

Smoking For Life And Get Healthy Again

stopping smoking discussed in this book is undoubtedly effective. It is also realistic. It doesn't promise you a totally pain free ride. It does though; teach you how to effectively manage the discomfort of withdrawal. You have, I'm sure, heard talk of the 'easy' way to stop smoking - wishful thinking I'm afraid! If stopping smoking was easy then surely just about everyone who smokes would have already stopped! The method discussed in this book works, because it recognizes the fact that you are addicted to nicotine and therefore your solution must lie in dealing with the
