

Stress Free Tax Returns: Be Better Prepared For HMRC And Know What To Give Your Accountant And When (Anna's Simple Accounting Guides)

Maximize your bottom line with the nation's most trusted small business tax guide J.K. Lasser's Small Business Taxes 2019 is the small business owner's ultimate guide to a money-saving, stress-free tax season. Providing straightforward advice from the nation's most trusted tax expert on small business taxes, this book gives you the answers you need quickly, with clear, concise guidance. Updated to cover changes from the Tax Cuts and Jobs Act and other legislation, this edition also includes an e-supplement covering additional developments from Congress and the IRS to keep you fully up-to-date. A complete listing of all available business deductions and credits helps you identify those you qualify for, and includes critical information on dollar limits, recordkeeping requirements, and how to actually take the write-off—all the way down to the IRS form to use. Organizational and planning strategies help you get through the process quickly and with fewer headaches, and this year's changes to the tax laws are explained in terms of how they affect your filing. Keeping up with the intricacies of tax law and filing is a full-time job—but it's not your full-time job. You have a business to run. This book gives you the guidance you need in the time that you have so you can get taxes out of the way and get back to work. Learn which expenses qualify for deductions—and which ones don't Adopt a more organized recordkeeping system to streamline the filing process Explore small-business-specific strategies for starting or closing a business, running a sideline business, and operating in multiple businesses Decode the various forms and worksheets correctly with step-by-step guidance Audit-proof your return Review obligations for the “other taxes,” including payroll and excise taxes Every year, millions of small business owners overpay their taxes because they lack the time and expertise to make tax-sensitive business decisions throughout the year only to learn that it's too late to act when it comes to tax time. Now you can put your money back where it belongs—in your business. J.K. Lasser's Small Business Taxes 2019 helps you take wise actions during the year and tells you how to file completely and accurately while maximizing your bottom line. The 2015 Guide to Self-Publishing is the essential resource for writers who are taking their publishing futures into their own hands, whether it's referred to as self-publishing or indie publishing. In addition to hundreds of listings for freelance editors, designers, self-publishing companies, and more--the Guide to Self-Publishing offers articles on how to create standout covers, hire freelance designers, break in to the gift market, protect your work, promote your work, and more. You also gain access to: • Lists of conferences, organizations, and book fairs and festivals • A pay-rate chart to help negotiate fair terms with any freelancers you might use • Interviews with successful indie authors, including Hugh Howey, Bob Mayer, Delilah Marville, and more + Includes access to a one-hour webinar, "How to Format E-books With Microsoft Word," indie author Jason Matthews helps writers master e-book formatting. This webinar covers each section of your book's needs, from the title and table of contents to inserting images and hyperlinks. In just over an hour, you'll be able to professionally format your e-book and give readers something they'll enjoy.

Maximize your bottom line with the nation's most trusted small business tax guide J.K. Lasser's Small Business Taxes 2020 is the small business owner's ultimate guide to a money-saving, stress-free tax season. Providing straightforward advice from the nation's most trusted tax expert on small business taxes, this book gives you the answers you need quickly, with clear, concise guidance. Updated to cover changes from the Tax Cuts and Jobs Act and other legislation, this edition also includes an e-supplement covering additional developments from Congress and the IRS to keep you fully up-to-date. A complete listing of all available business deductions and credits helps you identify those you qualify for, and includes critical information on dollar limits, recordkeeping requirements, and how to actually take the write-off—all the way down to the IRS form to use. Organizational and planning strategies help you get through the process quickly and with fewer headaches, and this year's changes to the tax laws are explained in terms of how they affect your filing. Keeping up with the intricacies of tax law and filing is a full-time job—but it's not your full-time job. You have a business to run. This book gives you the guidance you need in the time that you have so you can get taxes out of the way and get back to work. Learn which expenses qualify for deductions—and which ones don't Adopt a more organized recordkeeping system to streamline the filing process Explore small-business-specific strategies for starting or closing a business, running a sideline business, and operating in multiple businesses Decode the various forms and worksheets correctly with step-by-step guidance Audit-proof your return Review obligations for the “other taxes,” including payroll and excise taxes Every year, millions of small business owners overpay their taxes because they lack the time and expertise to make tax-sensitive business decisions throughout the year only to learn that it's too late to act when it comes to tax time. Now you can put your money back where it belongs—in your business. J.K. Lasser's Small Business Taxes 2020 helps you take wise actions during the year and tells you how to file completely and accurately while maximizing your bottom line. Just mentioning the IRS breeds fear into most people. It throws them into an emotional prison and paralyzes them from taking action. This shouldn't be the case. For every IRS tax problem, there is a solution. In these pages, tax resolution specialist Jesus Z. Abikarram shares the truth about the IRS and, if you find yourself in trouble, what you can do to regain your freedom. Inside this book you'll learn: What to do when you receive a notice from the IRS How to handle the threat of liens, levies, and losses Why you shouldn't believe the IRS myths that keep people in fear How to stop receiving those persistent letters Where to find the keys that can remove the financial shackles of the IRS And so much more After reading this book, you'll know exactly what you should do when the IRS shows up on your doorstep (or in your mailbox). You don't need to panic. You don't need to fear. There are solutions to the challenges you face. Read this book and you'll know how to Free Yourself from the I.R.S.

The 2014 Guide to Self-Publishing is the essential resource for indie publishers. In other words, this is the guide for writers who are taking their publishing futures into their own hands and self-publishing. In addition to hundreds of listings for freelance editors, designers, self-publishing companies, and more, the Guide to Self-Publishing offers articles on how to produce engaging covers, handle sales tax, dissect the self-publishing contract, protect your work, promote your work, and more. "The Guide to Self-Publishing is brilliant, timely, and the ultimate go-to index for the industry's huge surge of indie authors! Love, love, love having all the pieces of the Puzzle in one resource. Finally, the indie author can wave a Writer's Market of his own and find his way to publication. I predict GTSP to be the hottest how-to writing book of the year. Very highly recommended!" --C. Hope Clark, author of The Shy Writer and the Carolina Slade Mystery Series, and force behind FundsForWriters.com

Stress is the greatest killer of modern times. Almost everyone is affected by it. Some degree of stress is normal, natural and inevitable in personal, family and work life. However, the quantum of stress has a direct impact on happiness in life and excellence in professional field. Being aware and careful about it can save a person from a number of problems and help to make him happy and contented. There are evidences of happier life among people who have an understanding of stress and its possible remedies to keep it at bay. The book "Stress Management" gives an insight into the nature, types and causes of stress and discusses its possible cures and remedies. The sources of stress such as paucity of money or time, age factor, anger, poor communication, burden of studies and making of career have been critically analyzed. It has a complete set of solutions for all categories of stressed people of different age groups and backgrounds. The book is a complete treatise on stress and no aspect of it has been left unattended to. It will surely make the readers stress free and thus enable them to lead a happy and healthy life.

April 15th is the most dreaded day of the year. We are not looking forward to this day because getting everything together can be so stressful. The ELITE 365 Tax Day Planner will help you keep all of your important documents in one safe place, so when it is time to file your taxes, everything will be ready to go! This also ensures getting your taxes prepared more quickly and accurately. Filing your taxes is not as easy as it seems. In fact it takes a lot of planning & file management. During appointments I noticed that the clients I was servicing were not 100% prepared to file their taxes. I was surprised by their lack of knowledge when it comes to tax preparation so I felt the need to do something to help people who just didn't know where to start. The purpose of creating this planner is to help you, the taxpayer maximize your refund or minimize any balance due to Uncle Sam by making sure you have everything you need to file a complete and accurate tax return on time, the first time.

vate, operate, or manage a farm for profit, either as owner or tenant. A farm includes livestock, dairy, poultry, fish, fruit, and truck farms. It also includes plantations, ranches, ranges, and orchards and groves. This publication explains how the federal tax laws apply to farming. Use this publication as a guide to figure your taxes and complete your farm tax return. If you need more information on a subject, get the specific IRS tax publication covering that subject. We refer to many of these free publications throughout this publication. See chapter 16 for information on ordering these publications. The explanations and examples in this publication reflect the Internal Revenue Service's interpretation of tax laws enacted by Congress, Treasury regulations, and court decisions. However, the information given does not cover every situation and is not intended to replace the law or change its meaning. This publication covers subjects on which a court may have rendered a decision more favorable to taxpayers than the interpretation by the IRS. Until these differing interpretations are resolved by higher court decisions, or in some other way, this publication will continue to present the interpretation by the IRS.

"Provides tips on using a variety of sources, including Social Security, Medicare, and 401(k)s, to build a retirement income"--

Get ready for moving day the stress-free way Whether your new home is across the country or across the street, moving is never easy. Between the packing, the hauling, and the unpacking -- let alone the clutter of boxes, the misplaced items, and the upheaval of leaving the old place behind -- the stress can overwhelm even the most easygoing person. But with the right plan, it doesn't have to be that way! For over 25 years, bestselling author and professional organizer Regina Leeds has helped her clients prepare for new homes with practical support and a fresh perspective. She sees moving as an opportunity to simplify and start fresh. In Rightsize . . . Right Now! Regina outlines her 8-week plan to clear clutter, organize, pack, and relocate without stress, with: Helpful guidance on making a moving plan, from hiring movers down to forwarding mail Strategies to tackle each room in the house in a smart, efficient way Rightsizing projects to weed out unneeded possessions Expert advice on organizing your belongings for the move and the new home Weekly self-care tips to keep you from getting bogged down No matter if you're going from dorm to apartment, house to house, castle to condo, or you're preparing for retirement, Rightsize . . . Right Now! will help you to conquer the chaos of moving and settle into a simpler, cleaner home.

The Beginner's Guide to "Tax Preparation" Welcome Newbie - who wants to prepare, reduce, and file taxes yourself... Taxes suck! They suck so bad that they might as well be called "tasses" because they truly are a pain...of a task...to keep track of, prepare, calculate, and file every year. What about hiring an accountant to do the work? Wait, did you forget about needing to stash a couple hundred bucks or more depending on how complicated your tax situation is to pay a professional, which you don't have or don't want to depart with? Simply put - we all hate doing taxes and, even more, giving up a portion of our hard-earned money to the Taxman. We dread them. We can't avoid them. The penalties are there for not complying. Psst...now let us let you in on a little secret. Tax prep isn't as perplexing as you may think. Sure, tax returns are designed with all sorts of convoluted technical wordings and footnotes to throw us, taxpayers, off from easily gaming the taxation system that funds our government and from us easily gaining the optimal tax efficiency for saving on our tax bill, because Uncle Sam does want to squeeze out every last cent. The fact of the matter is, anybody can file taxes - and for free - without ever needing to pay for an accountant or throw money at the latest popular tax software. If you have never done your own taxes before, you're in luck. "Tax Preparation for Beginners" is precisely what the greedy Taxman hates and what you need to get you up to speed and empower you to feel confident and competent to file taxes for the first time, all by yourself. "Tax Preparation for Beginners" will guide you through: - The personal information and documentation needed upon filing your tax return - The good old-fashioned doing taxes by hand-on-paper for seniors or technophobes - The eFile way of submitting taxes directly to the IRS for free with no muss, no fuss - The convenient software to handle complex tax situations, expenses, and deductions - The safely-guarded methods nobody uses, except the rich, to pay as little to no taxes ...on top of everything else that beginners need to know. You will not only get a guiding hand on preparing taxes - but also the secret to NOT paying taxes...legally...like how the wealthy do. Alright, that might be too far of a stretch - so at the very least, lower your taxes dramatically below the standard limitation via "tax hack strategies," which even an accountant probably doesn't disclose upfront unless you already know how to exploit those things and bring them up. Also, shall we dare say that you might find doing taxes fun? We know! That's likely blasphemy to associate "tax" with "fun." Yet, there's no denying that getting bigger than anticipated "tax refund" is always "tax fun." Right? Fear no more of the Taxman and taxes, newbie. Now even a high schooler, who knows diddly-squat about finance while still living in their parent's basement, can file taxes on their own after getting their first job and paycheck ever. You'll never have apprehension again but instead - the capability in doing all your taxes from now on.

Getting Things Done

Basis of Assets

The book Lifehack calls "The Bible of business and personal productivity." "A completely revised and updated edition of the blockbuster bestseller from 'the personal productivity guru'"--Fast Company Since it was first published almost fifteen years ago, David Allen's Getting Things Done has become one of the most influential business books of its era, and the ultimate book on personal organization. "GTD" is now shorthand for an entire way of approaching professional and personal tasks, and has spawned an entire culture of websites, organizational tools, seminars, and offshoots. Allen has rewritten the book from start to finish, tweaking his classic text with important perspectives on the new workplace, and adding material that will make the book fresh and relevant for years to come. This new edition of Getting Things Done will be welcomed not only by its hundreds of thousands of existing fans but also by a whole new generation eager to adopt its proven principles.

Take the anxiety out of tax season and file your return with confidence In Taxes For Dummies, 2022 Edition, you'll get line-by-line advice and plan ahead strategies that take the fear and anxiety out of tax season and save you money now and in the months and years ahead. This completely updated edition includes detailed coverage of the numerous tax bills have passed in recent years. You'll learn everything you need to know to file your own taxes with confidence and intelligently plan year-round tax strategies. In this book, you'll: Discover how to take advantage of every deduction and tax credit that applies to your specific circumstances Learn to navigate the IRS website and the newest versions of the most popular online tax preparation and filing options Understand new retirement account options and the implications of new foreign taxation rules Plan ongoing, multi-year tax strategies that will help you achieve your financial goals at every stage of your life Taxes For Dummies, 2022

Edition is the perfect resource for any United States taxpayer planning to file their own 2021 taxes. Whether you're a first-time taxpayer, an expat filing from outside the US, or a seasoned veteran of tax season looking for the latest deductions and strategies to reduce your tax bill, this book is a must-read resource that'll transform how you think about taxes.

A handbook created for practitioners working in health and well-being who want to build a thriving, sustainable practice, their way. Whether they are new or have been in practice for years, many find marketing and running a business overwhelming. This book simplifies the process and supports practitioners in making the right choices for themselves. By creating their own recipe for their business based on their values, strengths, and the people they help, they can succeed where others fail. Exercises and action points help them move through the process and address any mindset challenges as they go.

What every self-employed person needs to know about their taxes! If you're self-employed, chances are the majority of your time is spent finding new customers or clients, servicing existing ones, and handling each and every aspect of your business. Freelancers, independent contractors, gig economy participants, and other individuals working for themselves need to be aware of their responsibilities when it comes to paying their taxes. Even if you have an accountant or use tax preparation software, you may not be aware of all the deductions and credits you are entitled to. That's where the experts at J.K. Lasser come in. The second edition of J.K. Lasser's Guide to Self-Employment helps you file your taxes correctly, accurately, and on time. Using clear, jargon-free language, this bestselling guide explains the legal and financial implications of self-employment and shows you how to keep as much of your hard-earned money as legally possible. You will learn the essentials of tax reporting and see what types of valuable tax-saving deductions and credits you can claim. Fully updated to reflect changes in the tax code, this new edition features practical examples, easy-to-use worksheets, real-world tips, expert advice, and much more. A must-have resource for anyone who fills out a Schedule C at tax time, this book: Offers effective strategies for reducing your tax bill and increasing your cash flow Presents a detailed overview of the Schedule C that explains when, where, and what to file Explains how to protect yourself on a tax-advantaged basis with insurance, health coverage, and retirement plans Features advice on growing your business through technology and education programs Provides new and updated information on the qualified business income deduction, getting certified for government contracts, recent legislation that protects freelancers, and more Don't let being a solopreneur and filing your taxes be a source of stress and anxiety for you and your business. J.K. Lasser's Guide to Self-Employment: Taxes, Strategies, and Money-Saving Tips for Schedule C Filers is here to help.

Stress management solutions for you and your children! Kids today are more stressed, overwhelmed, and struggling with anxiety than ever before. Children are not born with the coping strategies needed to navigate today's increasing demands of technology, bullying, academics, and family dynamics. You yourself might wonder how your own stressed-out lifestyle is affecting your children. Based on Lori Lite's award-winning series, Stress Free Kids provides relaxation techniques you can use to free your child from stress. Lite shows you how to apply breathing, visualizations, affirmations, and muscle relaxation exercises effortlessly throughout the day. These parenting solutions to everyday stressors will reduce worries and anxiety while increasing self-esteem. You and your children will gain freedom as you live a more joy-filled life with less stress. With this complete resource as your guide, your family will create your own collection of stress-free moments that add up to peace and confidence—for you and your children.

Mortgage Freedom will save the average Canadian homeowner tens of thousands of dollars and help shave years off the mortgage. In this book Alexander Aitken offers readers a comprehensive method to structure their debt in a way that will provide tax deductions and tax refunds for most Canadians. The book explains - the type of mortgage required, - ways to accelerate the plan, - the investments used, - how to use tax refunds, - recent tax rulings, - and much more. In the simplest terms, Canadian homeowners make regular mortgage payments, which creates home equity. That equity can be borrowed back in a line of credit and used for investment purposes. Interest on an investment line of credit is tax-deductible and the tax refunds, along with the net income from these investments, can be used to pay off a mortgage much faster. Foreword by Jonathan Chevreau.

Let's face it, the job market is constantly changing. The influx of disruptive technologies like Artificial Intelligence, the Cloud, and Big data is shrinking opportunities for conventional office jobs. Hold on, all hope is not lost. The rise in technological innovations have given rise to freelancing - the freedom to choose your own working hours and to work from your own home - your comfort zone. Mobile technology has empowered so many people to accomplish tasks from home with limited supervision. For instance, IT analysts, statistical data analysts, graphic designers, and animators can practically work anywhere and with minimum supervision. The gig economy is booming. In fact, freelancing is fast gaining much ground across various workforces. For instance, Payoneer, a leading financial platform, has estimated that the American workforce will contain about 40 percent freelancers by 2020. Europe already boasts the largest number of freelancers, with Asia and Africa trailing closely behind. Working at home offers you flexibility - the ability to choose your working hours. In addition to this, you also get to reduce your wardrobe allowance. What's more, working from home doesn't mean you have to lose out on high-paying jobs. According to Flexjobs, freelancing gigs are some of the highest paying jobs. Find out which jobs are paying over \$100,000 a year that you can do from home! So, to help to make the decision to break free from your time-consuming job, we've collected an amazing array of high-paying jobs that you can do from the comfort of your home. So, sit back, relax, and explore the rich opportunities we've brought to your kitchen table! Click that buy button now to start a new stress free life working from home!

The Easy Way to Prepare, Reduce, and File Taxes Yourself

Writing a book is fun and easy--yes, FUN AND EASY--but it may not always feel that way. How do you find the time to write? How do you keep momentum? How do you deal with the horror of showing anyone a single sentence of your work-in-progress? The answers remain fun and easy, and author Elizabeth Sims will take your hand, dispel your worries, and show you how it's done in this stress-free guide to accomplishing your dream of writing your book. In You've Got a Book in You, Elizabeth is that encouraging voice guiding you through the entire process, from finding the right time and place to gathering all of your creative tools to diving right in and getting it done--page by page, step by step. It's easier than you think, and it all starts right here, right now. "This guide is witty, warm, and wise--and wonderfully down-to-earth as well. Elizabeth Sims doesn't just tell you that you've got a book in you, she shows you how to pour it out using your own creative spirit, common sense, and persistence." ~Lori L. Lake, author of The Gun Series and The Public Eye Mystery Series "If you're searching for the spark of inspiration to get started writing a book, and the nourishment to sustain you to THE END, Elizabeth Sims's You've Got a Book in You will show you how to find it in yourself." ~Hallie Ephron, award-winning author of There Was an Old Woman "You won't find an easier-to-follow or more inspirational writing guide." ~L.J. Sellers, author of the bestselling Jackson mysteries "By focusing the high beams of her intelligence (and humor!) on the twisty trail of book-writing, in You've Got a Book in You, Elizabeth Sims proves herself a true writer's friend. As she guides you from the creation of a "working title" through her (brilliant!) "Making-It-Better Process," this well-established pro plays her most impressive cards--stacking the deck in favor of YOU!" ~Jamie Morris, Director, Woodstream Writers "Elizabeth Sims packs a twelve-week writing course into 280 pages. Inspirational and yet extremely hands-on, You've Got a Book In You will give newbies confidence to forge ahead and will remind veteran writers why they began writing in the first place--for the joy of it. I won't be surprised when the brilliant terms 'stormwriting' and 'heartbrain' become part of every writer's lexicon." ~Julie Compton, author of Tell No Lies and Keep No Secrets "The book is encouraging and inspiring, practical and witty. As a seasoned writer, I appreciate the reminders about the importance of putting yourself on a writing schedule. No more excuses. The many 'writing blasts' are very helpful and will get any writer out of the starting blocks. I especially enjoyed the section, 'Writing with the Masters.' What better way to get inspired, get a feel for different styles, and get jump-started on your writing? Excellent advice that I plan to incorporate in my future classes. I concur with Sims that 'writer's block' is greatly exaggerated. Is there any other profession that claims such a phenomenon? Excuse me, but I have 'book-keeping block,' 'playing music block,' or 'painting block' today? I don't think so. Get yourself on a schedule, read some Sims, write with the masters, and you'll be on your way. You'll be glad you met this friend on your journey to becoming a successful writer." ~Gesa Kirsch, Ph.D., Professor of English, Director of Valente Center for the Arts and Sciences, Bentley University How to Have a Stress Free Mortgage is your resource to getting a loan in today's market. It will guide you through the traps to avoid before you start house hunting or begin to consider a refinance. Forget about what you may have heard by "supposed" experts; Linda Fleischmann is an active Mortgage Broker and she is in the trenches closing loans. After more than 13 years, Linda knows what to do to get you a loan. Use "How to Have a Stress Free Mortgage" as source for getting a mortgage loan today! Here are just a few things that you will learn: What type of loan should you choose? How much do you need to save for a down payment...is it really 20%? When can you buy again if you've had a foreclosure or short sale? Can you have too much credit? Should you co sign for a car loan? What you don't know can hurt you and more importantly, might stop you from getting into your dream home. If just thinking about applying for a mortgage loan makes you queasy or stressed, then you need to read "How to Have a Stress Free Mortgage" today. Knowing up front what to do BEFORE you apply is critical to getting your loan approved. "How to Have a Stress Free Mortgage" will take you through all of the steps of the loan process so you will understand what is happening, why it's happening and make you stress free from start to finish.

What are "Combining Forms"? A combining form is a form of a word that can combine with a free word, root word or another combining form to get a new word. 'Combining form' adds extra meaning to the new word. 'Combining form' is added to the beginning or end of a free word, root word or another combining form. (A). Examples of "Combining form + Free Word": Agro- + Industry = Agro-industry Agro- denotes: connected with farming (B). Example of "Combining form + Root Word": Aero- + Gramme = Aerogramm Aero- denotes: connected with aircraft Gramme denotes: writing (C). Examples of "Combining form + Combining form": Hydro- + -Logy = Hydrology [the scientific study of the earth's water] Hydro- denotes: relating to water -Logy denotes: a subject of study IMPORTANT NOTES: 1. "Combining form" generally cannot stand alone as free words, but there are many exceptions to this rule. EXAMPLES: Combining Form: -like [free word] lotus + -like = lotus-like rope + -like = rope-like -like- denotes: similar to the thing that is mentioned 2. Many Words ending in "-ed", "-en", etc. are used as COMBINING FORMS. EXAMPLES: Combining Form: -based (ending in '-ed') foreign + -based = foreign-based demand + -based = demand-based -based denotes: containing something as an important feature or part 3. Many words ending in "-ing" are used as COMBINING FORMS. EXAMPLES: Combining Form: -looking (ending in '-ing') fine + -looking = fine-looking suspicious + -looking = suspicious-looking -looking- denotes: to be appearing in a way that is mentioned Alphabetical List of Combining Forms Along With Their Meanings And Examples Combining Forms -- A AERO- Used to form: adjectives, adverbs and nouns General meaning: connected with aircraft Examples: aerobatics / aerodrome / aerodynamics / aerofoil / aerogramme (also, aerogram) / aeronaut / aeronautics / aerospace / aerostat ***** -AFFECTED Used to form: adjectives General meaning: suffering from the thing that is mentioned Examples [along with their use in phrases]: drug-affected ---- [drug-affected newborns] famine-affected ---- [famine-affected village] flu-affected ---- [flu-affected patients] militancy-affected ---- [militancy-affected state] quake-affected ---- [quake-affected hills] Other Examples: flood-affected / cyclone-affected / explosion-affected / drought-affected / rain-affected / violence-affected ***** AFRO- Used to form: adjectives and nouns General meaning: African Examples [along with their use in phrases]: Afro-Brazilian ---- [Afro-Brazilian heritage] Afro-British ---- [Afro-British people] Afro-Caribbean ---- [Afro-Caribbean cooperation] Afro-Colombian ---- [Afro-Colombian celebrities] Afro-Cuban ---- [Afro-Cuban player] Afro-descendant ---- [Afro-descendant communities] Afro-Iranian ---- [Afro-Iranian minority] Afro-Latina ---- [Afro-Latina engineers] Afro-Mexican ---- [Afro-Mexican students] Afro-Palestinian ---- [Afro-Palestinian group] Afro-Turk ---- [Afro-Turk music star] ALL- Used to form: adjectives

It didn't work out as you expected, did it? The freelancing life was supposed to give you more time with the family and free you from that incompetent boss. You even assumed you would be better off financially. Instead, you are working longer hours and are under constant stress, worrying about various aspects of your business. It has to stop. If you are thinking of freelancing or are close to surrendering to your workload, then this eBook (eBook#2) will be a treasure chest for you. Realizing that you have made the same mistakes as many before you can be a relief. Read up on how to pitch like a pro and handle your finances properly. Get precious tips on a key issue in freelancing: communication with clients and partners. Compelling marketing strategies will brighten your future, win contracts and make your business profitable. This eBook proves that the hand picked content within, culled from the past two years on Smashing Magazine, makes even more sense when put into context. It has been worth a pot of gold to all those who have already read it. So, make your freelance business successful with minimal investment!
