When one of Bethany Anne's loved one gets caught in the crossfire between her and the Forsaken, she goes rabid in rage. She doesn't believe in seeking peace and harmony, but rather revenge and mayhem. Continuing the story of Bethany Anne and TQB team, Love Lost picks up after Queen Bitch. She works to complete both her business and military team leads and we meet Stephen's daughter Gabrielle as plans are made to exact revenge South of the Border. You don't touch one of Bethany Anne's loved ones and get away with it, no matter how far away you live. **Please note, as mentioned in another review, there is flagrantly foul language in this novel. "On the outside, Dina Demille is the epitome of normal. She runs a quaint Victorian Bed and Breakfast in a small Texas town, owns a Shi-tzu named Beast, and is a perfect neighbor, whose biggest problem should be what to serve her guests for breakfast. But Dina is... different: Her broom is a deadly weapon; her Inn is magic and thinks for itself. Meant to be a lodging for otherworldly visitors, the only permanent guest is a retired Galactic aristocrat who can't leave the grounds because she's responsible for the deaths of millions and someone might shoot her on sight. Under the circumstances, 'normal' is a bit of a stretch for Dina. And now, something with wicked claws and deepwater teeth has begun to hunt at night... Feeling responsible for her neighbors, Dina decides to get involved. Before long, she has to juggle dealing with the annoyingly attractive, ex-military, new neighbor, Sean Evans -- an alpha-strain werewolf -- and the equally arresting cosmic vampire soldier, Arland, while trying to keep her inn and its guests safe. But the enemy she's facing is unlike anything she's ever encountered before. It's smart, vicious, and lethal; and putting herself between this creature and her neighbors might just cost her everything."--Page 4 of cover.

Stephen walked into the office which Barnabas was using as his judge's chamber. While the massive amount of data Bethany Anne's team was throwing at him was more than enough to assuage his curiosity, he had never felt this way in the last one hundred and fifty-two years. He wanted a vacation. He pulled the top manila-folder and took a look at the name, "Clarissa Bernier, CEO." He opened the folder, and it was now in the agreed upon fashion. There was one page with her typical information of name, age, location, and a two paragraph background and the requested punishment. It was a type of joke now between Barnabas and Bethany Anne. No matter the requested punishment, she would strike it out and write "DEATH" and put a happy face on, with fangs. It let him know that she was not letting up on her desire to make a lot of people pay for Michael's death. The team had already executed six individuals across the world in the last three months. Sean Truitt was just the first one. Stephen interrupted him, "You look tired," he spoke as he took a seat in one of the two blue chairs facing Barnabas's desk. Barnabas leaned back, keeping the folder open, "Is she serious?" He pointed to the document, "Even ADAM, using our agreed punishment matrix is calling for this lady to be punished financially." He closed the folder, "She walks the line towards Michael all the time, brother..." To be continued ...

Dance in the Vampire Bund: Age of Scarlet Order

Perfect for fans of Robopocalypse, this action-packed science-fiction debut introduces a chilling future and an unforgettable heroine with a powerful role to play in the battle for humanity's survival. The machines have risen, but not out of malice. They were simply following a command: to stop the endless wars that have plagued the world throughout history. Their solution was perfectly logical. To end the fighting, they decided to end the human race. A potent symbol of the resistance, Rhona Long has served on the front lines of the conflict since the first Machinations began—until she is killed during a rescue mission gone wrong. Now Rhona awakens to find herself transported to a new body, complete with her DNA, her personality, even her memories. She is a clone . . . of herself. Trapped in the shadow of the life she once knew, the reincarnated Rhona must find her place among old friends and newfound enemies—and quickly. For the machines are inching closer to exterminating humans for good. And only Rhona, whoever she is now, can save them. Praise for Machinations “A tension-filled story of loss, loyalty, and forgiveness, with abundant Terminator-style shoot-em-up scenes and a snarky, kickass female warrior. I inhaled it!”—Jennifer Foehner Wells, author of Fluency and Remanence “Powerful and fast-paced, Machinations is an action-packed SF thriller loaded with fantastic characters and gut-wrenching emotional twists. Hayley Stone had me from page one with Rhona's story of desperation, survival, and the amazing depths of love. Stone perfectly interweaves Rhona's fight for humanity's survival with the deeper experiences of trust, loss, and love all wrapped in a ragtag band of courageous survivors, each with their own gripping tale. The prose is stunning, the action is nonstop.”—Linnea Sinclair, author of Gabriel's Ghost “A clone's wry inner voice propels this tale of a machine uprising, and how the rebel leader's genetic copy must step into her late original's combat boots. Rhona is a great protagonist, and Hayley Stone creates terrifying opponents in the rebellious AIs. An SF techno-thriller with heart and soul.”—Alex Bledsoe, author of The Hum and The Shiver “Machinations is a thrilling fusion of action and heartbreak, with quick pacing, rich characters, and a one-of-a-kind story. A great debut.”—G. T. Almasi, author of Blades of Winter and Hammer of Angels

Forsaken have gone into hiding, and Terry sends the Force de Guerre's tactical teams on missions around the globe to root the evil ones out. When Ted can no longer keep the pod flying, things heat up quickly in a race to corner and finish Mister Smith. Nomad's Force starts nearly one-hundred years before Michael's return to earth and the events that happen in Justice Is Calling. What does the mundane look like when gearing up for war? This snippet is a taste of that. How can TH keep the blade sharp when no enemy stands before him? What will his kids do? Always his children, but not children. The FDG finds out how small they really are when they have to search the world for their enemy. And the New Schwabenland pod is getting old and doesn't charge like it used to. Is Terry's dominance waning? Building a New Empire is supposed to be dangerous, but training the next generation of leaders? That's not supposed to be dangerous, right? Follow us as we have the people in the Etheric Empire setting up a special academy to train the first set of teens on a leadership track. They are supposed to learn about the different groups in the Etheric Empire and areas (including R&D, Weapons, Operations and others). Unfortunately, some of the members of those teaching teams tapped to train the kids don't realize how ... adventurous... the teens can be. Especially if the teachers are Team BMW. Travel with us as we are introduced to Alpha Class, one of the teams in the new Etheric Academy as they merge human's and Wechselbalg (Were's) in a group of five young adults as they learn to become the first cohesive group on their first assignment. The first dragon rider in over a hundred years has been born. And it's a girl. Never before has a female been chosen to ride a dragon. The Elite, a guild comprised exclusively of dragon riders, is dead according to most. No one has seen a rider in decades. The problems they used to fight overwhelm the world. Dragons are thought to be near extinction. However, the Elite aren't dead... It's just that a bunch of crusty, old men who do nothing that benefits the world at large are easy to mistake as useless corpses. Sophia Beaufont is about to change all of that. When the dragon egg that magnetized to her hatches, it sets Sophia on a new course. The Elite are immediately notified. She's expected to train. To defend. To fight. Sophia is ready to conquer evil, as the dragon riders should have been doing for centuries. However, the Elite have been turning a blind eye, allowing the world to be overrun by criminals. That's all about to change. S. Beaufont isn't a girl who will be told to sit down and relax when a war is brewing that only a dragon rider can extinguish.
