A beautifully photographed and designed cookbook and guide to the cultural

phenomenon that is boba, or bubble tea--featuring recipes and reflections from The Boba Guys tea shops. Andrew Chau and Bin Chen realized in 2011 that boba--the milk teas and fruit

juices laced with chewy tapioca balls from Taiwan that were exploding in popularity in the States--was still made from powders and mixes. No one in the U.S. was making boba with the

careful attention it deserved, or using responsible, high-quality ingredients and global, artisanal inspiration. So they founded The Boba Guys: a chic, modern boba tea shop that has now grown

Get Free Tea At Fortnum Mason

to include fourteen locations across the country, bringing bubble tea to the forefront of modern drinks and bridging cultures along the way. Now, with The Boba Book, the Boba Guys will show fans

and novices alike how they can make their (new) favorite drink at home through clear step-by-step guides. Here are the recipes that people line up for--from the classics like Hong Kong

Milk Tea, to signatures like the Strawberry Matcha Latte and the coffee-laced Dirty Horchata. For the Boba Guys, boba is Taiwanese, it's Japanese, it's Mexican, it's all that and more--which means

it's all-American.
