

Ten Boys Who Made A Difference (Lightkeepers)

Ten Boys from History by Kate Dickinson Sweetser Excerpt "To the sea of fools Led the path of the children." Old Epigram. Just a word about the Crusades, or Holy Wars, before we begin our story. A war is generally a conflict between nations, countries, or individuals, for possession of land or a throne, but the Holy Wars were not such. They were expeditions made by those Christians who were determined to rescue the Sepulchre, or tomb, of Christ and the City of Jerusalem, from the rule of unbelievers. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. Parker O'Neill is a man with the world at his feet. Son of the CEO of O'Neill's International, he is ready to take over as head of the company, once his father retires in six months' time. However, Parker has earned himself the ultimate playboy reputation, and not everyone thinks he is ready to take control of the company that he was groomed for all his life. Given an ultimatum that he has to settle down if he wants to take over from his father; Parker decided the only way to solve his problem, is to pay someone to play the part of his dutiful wife. Alice Whitman is a hard working girl, with a kind heart. Raised by her grandmother after losing her parents, she knows what its like to lose everything. Sophia, Alice's grandmother, is getting older and growing weaker by the day. Alice is the only one Sophia has, so it falls to her to do whatever it takes to help her beloved Gram. When Parker makes Alice an offer he thinks she can't refuse, he is stunned to find that money doesn't always mean you get your own way. However, Alice soon realises Parker might be the one person that can help her when she needs it most. Can they make their arrangement work without anyone finding out the truth, or will this thing between them turn into something neither of them expected it to be?

Would you give in or would you resist? Blandina became a Christian and then a martyr; Perpetua was forced to give up her child and then died in a Roman amphitheatre; Lady Jane Grey did as she was told but in the end would not deny her Lord; Anne Askew lost her home and family but never lost her faith; Lysken Dirks loved her young husband but they both loved Jesus first; Marion Harvey discovered the joy of following Christ and followed him to the end; Margaret Wilson became an outlaw for Jesus but obeyed God whatever the cost; Judith Weinberg loved the Lord although it cost her life; Betty Stam's life was full of danger but she lived for Jesus through and through; Esther John gave her life to Christ and died for him. Men of Kent is, first and foremost, an archetypical sports tale—a story of the improbable happening to the unlikely, unfolding against the backdrop of a turbulent era. Both an homage and a unique inside look at the fast-growing sport of rowing, it embraces the sport's history, traditions, and culture as it tells the story of ten ordinary boys and their coach from Kent, Connecticut, who found themselves in extraordinary circumstances during the spring and summer of 1972. The Kent School's 1972 crew, of which the author was a part, had a 46-0 winning streak, broke three course records, and claimed a national championship. In its final race, at the fabled Henley Royal Regatta in England—a race broadcast on television worldwide—it barely edged the Canadian National Champions. Kent's achievement merited a banner headline in the New York Times sports section, and is regarded as one of the most breathtaking finishes in Henley's long history.

Looks at the lives of ten men who made an impact on the world as a result of their strong Christian faith, starting with events from their boyhood and continuing through their later lives.

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

A child's dream takes us on a journey through space. The child looks for a place to land while exploring each planet, but some are too hot, some are too cold, and some are just made of liquid and gas. Only planet Earth is just right. Fun rhyming text introduces children to each planet and basic facts about it. The text is accompanied by stunning images of a rocket traveling through the solar system, interspersed by close up images of each planet in order. While each planet is amazing in its own way, there is only one we can call home. If parents choose, this can be the start to a conversation about how we can take better care of our planet. Thrifty Thelma and the Ten-Cent Tiara

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

Thalia is dreaming of an extravagant 8th birthday party, but her parents say that they can't afford one this year. Can Thrifty Thelma persuade her little sister that being a smart shopper can actually be more fun than spending a lot of money?

Twenty school children hide ten Jewish children from the Nazis during the occupation of France during World War II.

Would you like to make a difference? These ten boys grew up to do just that - but first they had to change the church. How did God change them? Augustine discovered the love of God and changed the way we think; Knox focused on God's word and told his country the truth; Luther rediscovered God's truth and gave it to ordinary people; Calvin realised that salvation was a gift from God and not a reward for what he did; Tyndale longed to print the Bible in a language that everyone would understand; Latimer urged people to read the Bible for themselves and made enemies as a result; Hus taught that God is in charge of the church and the world; Zwingli challenged people to obey God's word in every area of their lives; Chalmers called the church to show Christ's compassion to the poor and Shaftesbury pushed the church into making Christ's love a living reality for everyone
