***Chris Spielman was a high school and Ohio State football legend and a four-time Pro Bowl linebacker, but he didn't tackle his toughest opponent until his playing career was almost over. In 1998 his wife Stefanie was diagnosed with breast cancer, and so began an 11-year journey that brought joy and suffering to the Spielmans, as well as hope and inspiration to thousands of others. In That's Why I'm Here, Spielman traces his storied career, recalls his courtship of Stefanie Belcher, cherishes the growth of their four children and invokes the deep spiritual faith that gave their family wisdom and comfort in times of struggle. Though there are plenty of on-the-field tales in the book, it's not just for football fans. It's for people whose lives have been touched by cancer, for people whose own faith has wavered, for people who want to meet a woman of tremendous beauty, grace and strength. Though Stefanie passed away on Nov. 19, 2009, her memory and inspiration live on. With laughter and tears, joy and heartbreak, this book lets you know her spirit is still here.***

In this touching and cheeky before-and-after story for fans of Matthew Cordell's *Wish*, a child describes what his parents' lives were like before he was born...and how much more fun they have now that he's finally here! Before he was born, Mom and Dad dreamed of their new baby. Back then life was boring. All they did on weekends was sleep in; have quiet, peaceful (dull) breakfasts; and read lots of (boring) baby books. But now, life is an adventure. Their new child makes for an excellent alarm clock, knows that sofa cushions are better used in a pillow fort, and shows how a detour through the park can make the morning commute magical. Best of all, now the whole family reads fun books...together. In this playfully sweet picture book, perfect as a baby shower gift, Aaron Meshon captures the eagerness of expecting parents--and all of the chaotic, messy, wonderful joy a new child brings.

The perfect blank lined notebook for any dad or mom who loves country music. Keep track of all your thoughts and ideas with this cool gift! Great for Fathers Day or as a birthday present.

"They're ready for you in the studio." The streets of London are relentless during rush hour. Even more so for a voiceover artist running late for the biggest audition of her career. As Pilar walks the narrow

path of Euston Road, she realises she hasn't read the brief. But then again, how important is the brief? Being a Spanish voiceover artist in a competitive city is hard when challenges are plenty and opportunities few. Read stories of success and setback as a freelancer in this telling account of everyday life. From the Edinburgh Fringe Festival to a major audition for a popular cartoon series. Walk with her. Find out why Pilar's voiceover career revealed more about herself than anything else and how these insights helped her to discover a new passion for podcasting. This is an honest and funny account, which explores the permanence of memory, personal relationships, and the value of self-discovery in pursuit of a dream job.

I'm Here To Win

In I'M HERE TO WIN, Chris "Macca" McCormack opens his playbook and reveals everything it takes-mind, body, and spirit-to become a champion. Now he shares the story of his triumphs and the never-say-die dedication that has made him the world's most successful triathlete. In 2010, at the age of 37, Macca beat the odds and won the Ford Ironman World Championship in Kona, Hawaii for a second time in what many called the most dramatic finish in the race's history. Macca's journey to athletic greatness is more than just one of physical perseverance. After coming in fourth in Hawaii in 2009, Macca returned to the island on a mission: He was there to win. A game plan containing a new strategic approach to winning brought him first across the finish line. Chris McCormack has dedicated his life to training for-and winning-the Ironman Hawaii, one of the most grueling tests of mental and physical endurance in the world. The race challenges athletes to swim 2.4 miles, bike 112 miles, and run a full marathon, 26.2 miles, using all their strength and willpower to overcome the incredibly harsh conditions. In I'M HERE TO WIN Macca provides concrete training advice for everyone-from weekend warriors who casually compete to seasoned veterans who race every week to armchair athletes looking for an extra push-and provides insight into the mind of a great champion with excitement and inspiration on every page. I'M HERE TO WIN is also available as an enhanced e-book with embedded video and audio.

*I'm here. And you're there. And that's okay. But... maybe there will be a gentle wind that pulls us together. And then I'll be here and you'll be here, too. Pure, powerful and deceptively simple, bestselling author and illustrator Peter H. Reynolds reminds us that children—and the friendships they make—can take flight in unexpected ways.*

*So many people accept salvation only to later walk away from God. Trials and tests are going to come, but when they do will you draw near or will you walk away? Will you start the voyage only to jump ship and try to swim back to shore hoping you make it without drowning or being devoured by sharks? This book will give examples and biblical principles that will help you stay afloat with the storms come.*

It's Me and I'm Here!

Out of twenty-seven years of therapy, Reace spent two years journal writing. By sharing those two years in this book, she fulfills her desire that her life experience not be in vain. Her story, especially, will educate those who work with abused, traumatized, dissociated individuals. Like Dr. Bradshaw who wrote the Foreword, in reading Reaces journal, you will experience awe and respect; anger and sadness. While in the midst of horror the authors spirit touched wonder. One night, in her anger, Reace decided as she cried out to God, Ill show them, Ill show them all. I will get an in-curable disease and then I will find a cure for it. Then someone WILL see me. She forgot that she had made this conscious decision. In writing this journal, Reace re-membered and understood why she manifested Multiple Sclerosis. With courage and persistance, Reace healed her childhood trauma and MS. The book closes with her Therapists case study of a long and successful healing journey. This edition of I'M HERE TO WIN is an enhanced e-book with exclusive embedded video from the author.
