

The Banished Of Muirwood (Covenant Of Muirwood Book 1)

The War Within Is Always Hardest Won, Lucien de Montregnier knew, for he daily battled demons from his past. Still, his fighting prowess had won him an unexpected boon: Lady Alayna of Avenford, a hellcat with a heart who alone could save him from his greatest enemy—himself! Widowed before she was truly a wife, Alayna of Avenford now found herself claimed as a war prize by Lucien de Montregnier, a warrior as well known for his fierce nature as he was for his skill in battle. She despised him, of course. But why, then, did his merest glance ignite her very soul?

In a stand-alone series set in the world of Muirwood, eighteen-year-old Maia is the exiled princess of Comoros and heir to the throne. As a result of her father's ceaseless need for authority, she was left disinherited and forced to live as a servant in her enemy's home. When the king invites chaos into the land by expelling the magical order known as the Dochte Mandar, Maia finds herself on a perilous quest to save her people. To survive, she must use magic she has learned in secret--despite the fact that women are forbidden to control it. Hunted by enemies at every turn, Maia realizes that danger lurks within her, too. Her powers threaten to steal not only her consciousness but also her sense of right and wrong. Can she set herself free and save the realm she loves--even if that realm has forgotten her? The clock ticks for London... Liliana is trapped alone in the dark. Her father is dead, and London is very far away. If only she hadn't been locked up in her room, reading a book she wasn't allowed to read, she might have been able to stop her father's killer. Now he's lying dead in the next room, and there's nothing she can do to bring him back. Arhyen is the self-declared finest thief in London. His mission was simple. Steal a journal from Fairfax Breckinridge, the greatest alchemist of the time. He hadn't expected to find Fairfax himself, with a dagger in his back. Nor had he expected the alchemist's automaton daughter, who claims to have a soul. Suddenly entrenched in a mystery too great to fully comprehend, Arhyen and Liliana must rely on the help of a wayward detective, and a mysterious masked man, to piece together the clues laid before them. Will they uncover the true source of Liliana's soul in time, or will London plunge into a dark age of nefarious technology, where only the scientific will survive? Clockwork Alchemist is classified as Gaslamp Fantasy, with elements of magic within alchemy and science, based in Victorian England. Keywords: steampunk, mystery, cozy mystery, victorian, historical fantasy, historical mystery, fantasy series,

An exploration of the origins and influences of number from prehistory to modern time • Reveals the deeper meaning of the symbols and esoteric knowledge of secret societies • Explains the numerical sophistication of ancient monuments • Shows how the Templar design for Washington, D.C., represents the New Jerusalem The ubiquitous use of certain sacred numbers and ratios can be found throughout history, influencing everything from art and architecture to the development of religion and secret societies. In Sacred Number and the Origins of Civilization, Richard Heath reveals the origins, widespread influences, and deeper meaning of these synchronous numerical occurrences and how they were left within our planetary

environment during the creation of the earth, the moon, and our solar system. Exploring astronomy, harmony, geomancy, sacred centers, and myth, Heath reveals the secret use of sacred number knowledge in the building of Gothic cathedrals and the important influence of sacred numbers in the founding of modern Western culture. He explains the role secret societies play as a repository for this numerical information and how those who attempt to decode its meaning without understanding the planetary origins of this knowledge are left with contradictory, cryptic, and often deceptive information. By examining prehistoric and monumental cultures through the Dark Ages and later recorded history, Sacred Number and the Origins of Civilization provides a key to understanding the true role and meaning of number.

An abandoned child becomes a singular inspiration to the mythology of Muirwood in an epic series by Jeff Wheeler, Wall Street Journal bestselling author of the Muirwood and Kingfountain novels. Eilean was born a "wretched"--a lowly foundling raised by the Aldermaston of Tintern Abbey. Then she's chosen to assist in establishing the new abbey of Muirwood, now the site of a castle in the swamps of Bearden Muir. Eilean's role is as night servant to the druid Mordaunt, the king's exiled advisor--and prisoner. He's clever, dangerous, and invaluable to the Aldermaston. Mordaunt's priceless secret: the hiding place of an ancient tome that reveals the existence of other worlds and the magic between them. Mordaunt knows how potent its words are and how dangerous they could be in the wrong hands. But can Eilean win him over? All she must do is gain Mordaunt's confidence and trust and persuade the apostate to divulge his secret to her. But as she learns more from Mordaunt, Eilean's loyalties begin to fray. And the risks are greater than she imagined. Despite betrayals, deceptions, and the deadly motivations of others, a girl from the flax fields is about to rise above her station. By exploring the potential of the power of an ancient spoken magic, Eilean is coming into her own.

The discovery of a strange and superior warship sends Dion, youngest son of the king of Xanthos, and Chloe, a Phalesian princess, on a journey across the sea, where they are confronted by a kingdom far more powerful than they could ever have imagined. But they also find a place in turmoil, for the ruthless sun king, Solon, is dying. In order to gain entrance to heaven, Solon is building a tomb--a pyramid clad in gold--and has scoured his own empire for gold until there's no more to be found. Now Solon's gaze turns to Chloe's homeland, Phalesia, and its famous sacred ark, made of solid gold. The legends say it must never be opened, but Solon has no fear

of foreigners' legends or even their armies. And he isn't afraid of the eldren, an ancient race of shape-shifters, long ago driven into the Wilds. For when he gets the gold, Solon knows he will live forever.

Will Maria and her friends be able to find the solution, or will the demons win? In the end, will it be possible to keep the demons away from Uniland forever, or will the unicorns always be in danger?

Book 3 of the Fourth Element Series, an epic fantasy set in an alt ancient Persia.

A Demonic King. A Cursed Cloak. A Broken Promise. When Kara's soul is stolen on the eve of her 13th birthday by the deranged Kazzabus, it's up to her brother Arias to traverse the divide into the world of Falasia to rescue her, before she's stitched into the dreaded Shadow Cloak. Knowing he'll need all the help he can get, Arias teams up with Sakundra, a feisty young woman who leads a rebel group known as the Rough Riders. Navigating the bizarre yet deadly world of Falasia in a race against time, they search for the legendary 'Babbling Warrior', the only soul who knows Kazzabus' secret weakness. Along the way Arias and Sakundra encounter strange creatures of all sorts, even coming face to face with the Zivaluni - assassins who take the guise of children. As time dwindles away, it becomes evident that a terrified Arias will have to face Kazzabus in a final duel for his sister's soul, and the very fate of Falasia itself.

A Nissera Novel

A fierce young female adventurer battles time itself to claim her destiny in a sweeping new fantasy saga from the author of the Hundredth Queen series. Everley Donovan is living on borrowed time. The lone survivor of her family's unexplained assassination, she was saved by an ingeniously crafted clockwork heart. But the time she was given won't last forever. Now, every

tick-tock reminds her how fragile her existence is and hastens her quest to expose Killian Markham, the navy admiral who shattered her world and left her for dead. But Everley's hunt for justice will be a long and hard-won voyage. Her journey takes her to a penal colony on a cursed isle, where she will be married off and charged to build the new world. It is here, and beyond, that hidden realms hide, treasures are unearthed, her family secrets are buried, and young love will test the strength of her makeshift heart. When Everley discovers Markham may not be who he seems, her pursuit for truth is bound to his redemption, her tragic history, and her astonishing destiny.

There is a tradition in Jiggy's hometown - the night before a boy starts school he goes to the Piddle Pool near the old quarry and pees in the pool for good luck. But when Jiggy went...he couldn't go, and he's been unlucky ever since. Now Jiggy wants to change his luck. One night, while he is mid-piddle, a genie rises out of the water. Will the genie bring Jiggy good luck, or is Jiggy's life about to get even worse?

Welcome to Nissera, land of three kingdoms and home to spectacular magic. Bristal, a sixteen-year-old kitchen maid, finds herself in a gritty fairy tale gone wrong when she discovers she has magic in her blood. She's descended from an ancient line of immortal sorcerers called elicromancers—a race that has all but died out in her world, but only two remain in Nissera after a bloody civil war. Bristal joins their ranks without knowing that one of them has a dark secret . . . Tamarice is plotting a quest to overthrow the realm's nobility and take charge herself. Together, Bristal and Brack must guard the three kingdoms of Nissera against Tamarice's black elicromancy. There are princesses to protect, royal alliances to forge, and fierce monsters to battle—all with the hope of preserving peace. With clever homages to Cinderella, Sleeping Beauty, and the Chinese legend of Hua Mulan, Hannah West makes a fast-paced, exciting, and wholly original debut. The Nissera Chronicles begin here and continue with Fields of Fire, a short story set against the events of Kingdom of Ash and Briars, and Realm of Ruins, a gripping companion novel. Such is the voice of Shan Sa's unforgettable heroine in her latest literary masterpiece, Empress. Empress Wu, one of China's most controversial figures, was its first and only female emperor, who emerged in the seventh century during the great Tang Dynasty and ushered in a golden age. Throughout history, her name has been defamed and her story distorted by those taking vengeance on a woman who dared to become emperor. But now, for the first time in thirteen centuries, Empress Wu (or Heavenlight, as we come to know her) flings open the gates of the Forbidden City and tells her own astonishing tale—revealing a fascinating, complex figure who in many ways remains modern to this day. Writing with epic assurance, poetry, and vivid historic detail, Shan Sa plumbs the psychological and philosophical depths of what it means to be a striving mortal in a tumultuous, power-hungry world. Empress is a great literary feat and a revelation for the ages. From an stunning new voice in fantasy comes the debut novel Landmoor. Thealos Quickfellow, a Shae from Avisahn, has left his homeland to face a danger threatening his people - a danger that exists near the fortress of Landmoor.

Age of Myth—from the author of the Riyria Revelations and Riyria Chronicles series. In Age of Myth, fantasy master Michael J. Sullivan launched readers on an epic journey of magic and adventure, heroism and betrayal, love and loss. Now the thrilling saga continues as the human uprising is threatened by powerful enemies from without—and bitter rivalries from within. Raithe, the God Killer, may have started the rebellion by killing a Fhrey, but long-standing enmities dividing the Rhunes make it all but impossible to unite against the common foe. And even if the clans can join forces, how will they defeat an enemy whose magical prowess renders them indistinguishable from gods? The answer lies across the sea in a faraway land populated by a reclusive and dour race who feel nothing but disdain for both Fhrey and mankind. With time running out, Persephone leads the gifted young seer Suri, the Fhrey sorceress Arion, and a small band of misfits in a desperate search for aid—a quest that will take them into the darkest depths of Elan. There, an ancient adversary waits, as fearsome as it is deadly. Magic, fantasy, and mythology collide in Michael J. Adventure awaits as a former archaeologist from Earth marooned on a barbaric, inhospitable, alien planet searches for truth in an abundantly detailed alternate world that is fun to explore. Tobias Hart is the valiant former archaeologist from Earth, now a self-made warrior and outlaw on the planet Vulvar, a ruthless world where females rule a harsh society that enacts a most brutal form of matriarchy that subjects all males to slavery. In this fourth novel in the series, the Vulvarian saga continues as Hart searches for the truth behind the inhospitable planet's mysterious and reclusive deities, the Goddess Queens. Twice Hart has served them faithfully at great personal risk only for the ruthless, callous divine beings of Vulvar to repay him with their utter contempt and subjugation to a life of insufferable agony and misery. Hart heads to a reckoning with the enigmatic divinities of Vulvar, journeying to their remote mountain stronghold, knowing full well that no one who has dared approach the Goddess Queens has ever returned alive. Read the entire saga of this creatively imagined cruel, dystopian world where females rule and males live only to serve them. Goddess Queens of Vulvar is the fourth book in the Vulvarian Saga, but you can enjoy reading the series in any order.

From the New York Times bestselling author comes a breathtaking fantasy of a cursed kingdom, warring clans, and unexpected salvation. Bayr of Saylok, bastard son of a powerful and jealous chieftain, is haunted by the curse once leveled by his dying

mother. Bartered, abandoned, and rarely loved, she plagued the land with her words: From this day forward, there will be no daughters in Saylok. Raised among the Keepers at Temple Hill, Bayr is gifted with inhuman strength. But he's also blessed with an all-too-human heart that beats with one purpose: to protect Alba, the first girl child born in nearly two decades and the salvation for a country at risk. Now the fate of Saylok lies with Alba and Bayr, whose bond grows deeper with every whisper of coming chaos. Charged with battling the enemies of their people, both within and without, Bayr is fueled further by the love of a girl who has defied the scourge of Saylok. What Bayr and Alba don't know is that they each threaten the king, a greedy man who built his throne on lies, murder, and betrayal. There is only one way to defend their land from the corruption that has overtaken it. By breaking the curse, they could defeat the king...but they could also destroy themselves.

"Uneasy lies the head that wears a crown. A brutal war of succession has plunged the court of Kingfountain into a power struggle between a charitable king who took the crown unlawfully and his ambitious rival, Devon Argentine. The balance of power between the two men hinges on the fate of a young boy ensnared in this courtly intrigue. A boy befittingly nicknamed Ransom. When the Argentine family finally rules, Ransom must make his own way in the world. Opportunities open and shut before him as he journeys along the path to knighthood, blind to a shadowy conspiracy of jealousy and revenge. Ransom interrupts an abduction plot targeting the Queen of Ceredigion and earns a position in service to her son, the firstborn of the new Argentine dynasty. But conflict and treachery threaten the family, and Ransom must also come to understand and hone his burgeoning powers."--Publisher.
