It's 1982 and Jack Bonafide has left Delta Force. He's on thin ice with the CIA. No one knows where the mythical Black Tsar hydrogen bomb is, but they do know that a countdown has started. The KGB agent who outwitted Jack is still on the loose, but he's the least of this ghost operative's concerns. A twelve man Soviet Alpha Group assault team is also after the Black Tsar, and they have been given a simple mandate: Failure will not be tolerated by the Kremlin. Note: This book also contains the origin novella Jack Bonafide Book 0: Direct Action. THE PRINCE OF PARK AVENUE FINALLY MEETS HIS MATCH IN A FEISTY MANHATTAN PRINCESS. I've made every one of my billions of dollars myself--I'm calculating, astute and the best at what I do. It takes drive and dedication to build what I have. And it leaves no time for love or girlfriends or relationships. But don't get me wrong, I'm not a monk. I understand the attention and focus it takes to seduce a beautiful woman. They're the same skills I use to close business deals. But one night is where it begins and ends. I'm not the guy who sends flowers. I'm not the guy who calls the next day. Or so I thought before an impatient, smart-talking, beyond beautiful heiress bursts into my world. When Grace Astor rolls her eyes at me--I want to hold her against me and show her what she's been missing. When she makes a joke at my expense--I want to silence her sassy mouth with my tongue. And when she leaves straight after we f*ck with barely a goodbye--it makes me want to pin her down and remind her of the three orgasms she just had. She might be a princess but I'm going to show her who rules in this Park Avenue bedroom. A sexy, stand-alone, contemporary romance. It: Chapter Two—now a major motion picture! Stephen King's terrifying, classic #1 New York Times bestseller, "a landmark in American literature" (Chicago Sun-Times)—about seven adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers...an evil without a name: It. Welcome to Derry, Maine. It's a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city's children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry's sewers. Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. It reappears in many of his books, including Bag of Bones, Hearts in Atlantis, and 11/22/63. But it all starts with It. "Stephen King's most mature work" (St. Petersburg Times), "It will overwhelm you...to be read in a well-lit room only" (Los Angeles Times).

NATIONAL BESTSELLER • An audacious, darkly glittering novel set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Now an original series on HBO Max. Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's new novel, Sea of Tranquility, coming soon!

This heartbreaking, hilarious, and brutally honest memoir shares the deeply personal life story of a girl next door and her transformation into a household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she's never shared, until now. Of the medium she loves, the one that made her a household name, she says, "Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is." Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn't afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she

relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest “get”—often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric’s position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later, brought yet more trauma—and an unwavering commitment to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News—a world rife with sexism and misogyny. Her “welcome” was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer—a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly—why her second marriage almost didn’t happen. If you thought you knew Katie Couric, think again. Going There is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

MI5 agents have been executed and more agents have been abducted with no terms received from the kidnappers. An MI5 analyst is missing having accessed and downloaded prohibited security data. The trial of notorious radical cleric Mullah Al-Shaqqaf collapses, his extradition falls apart. A man known to have funded ISIS, recruit fighters for Syria and coerce teenagers to martyr themselves. Again he walks free. The hunt for a nuclear warhead stolen ten years ago has led Russian intelligence to London. One man connects them all... When retired MI6 operative Alex King is contacted by the deputy director of MI5 with a proposition, he feels compelled to act. His brief is illegal, his actions unprecedented. The law and the courts have failed. Time and events are against the nation's intelligence services and the battle can no longer be fought by the rules. Britain's enemies will soon find the game has changed. As MI5 agent Caroline Darby investigates with the help of a seasoned Scotland Yard detective she soon starts to look through the elaborate misdirection and discovers the horrifying truth... Author Bio A P Bateman is an Amazon #1 best selling author. Both of his novels have reached the top 4 positions in the paid top 100 categories, with The Contract Man reaching no 1. A P Bateman has previously worked as a private investigator and trained and worked in close protection with ex-military, police and special forces. He has studied karate most of his life and still enjoys training. Having trained on US SWAT ranges in the past with serving police officers gives him a unique insight into weapons and tactics which adds realism to his writing.

Blake When the fierce redhead with the beautiful ass walks into the local bar, I can tell she ’ s passing through. And I ’ m looking for distraction while I ’ m in town—a hot hook-up and nothing more before I head back to the city. If she has secrets, I don't want to know them. If she feels good underneath me, I don't want to think about it too hard. If she's my future, I don't want to see it. I ’ m Blake McKenna and I ’ m about to teach this Boston socialite how to forget every man who came before me. Mackenzie When the future I had always imagined crumbles before my very eyes. I grab my two best friends and take a much needed vacation to the country. My plan of swearing off men gets railroaded when on my first night of my vacation, I meet the hottest guy on the planet. I decide he could be the distraction I might just need. I ’ m certainly not going to reveal my deepest secrets to him as we steal away each night hoping no one will notice. And the last thing I ’ m going to do is fall in love for the first time in my life. My name is Mackenzie Locke and I haven ’ t got a handle on men. Not even a little bit. Not until Blake. The spellbinding classic that started it all, from the #1 New York Times bestselling author “A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire.”—Chicago Tribune Here are the confessions of a vampire. Hypnotic, shocking, and chillingly sensual, this is a novel of mesmerizing beauty and astonishing force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write.

"Alex King is unstoppable, a force to be reckoned with..." Stephen Leather - Sunday Telegraph bestselling author *From the editor: New to Alex King? Don't worry, this prequel novel is a great place to start. Timeline: Twenty years ago. A delegation of OPEC executives and intelligence operatives working deep undercover are taken hostage in Angola and moved across the border into the Congo. The region is recovering from thirty years of civil and tribal war and international oil contracts are up for grabs, but only if the area can be deemed stable. The standoff must be ended quickly but the newly appointed Angolan government will not grant Britain permission to deploy the SAS and has charged the woefully under-skilled defence force with rescuing the hostages. Alex King has much to prove. His first mission to halt a coup by a splinter cell of the IRA and London criminals was deemed a failure and his mentor Peter Stewart is having second thoughts about training him for the field. The brief is simple: Avoid an international incident and bring home the hostages. The reality is altogether more deadly. A small force of mercenaries led by Stewart and King must cross into the Congo and take on the Southside Boys - a gang of tribal rebels and boy soldiers, high on drugs and violence, who have made kidnapping, rape and murder their way of life.

Alex King knows he made a mistake, and as a result MI5 has been coerced into investigating the sudden and mysterious death of an MI6 operative. In the frozen wilds of Lapland at a point where Finland, Russia and Norway intersect, an isolated hotel becomes the only sanctuary from the most powerful Arctic storm in living memory. A Russian defector holds the key to a terrifying secret. Pursued by ruthless mercenaries, who will stop at nothing to silence them, the defector heads for the hotel, unaware that the man they mean to meet has been murdered. King must intercept the defector and get the deadly secrets they hold to safety. But who can he trust? And why, after all these years has King's past finally caught up with him here? Facing attack on all sides, and battling the frozen elements, King suspects that the fight most deadly is not always the one you can see.

In the dark world of intelligence it seems that everybody has their price.

Tinderbox tells the exclusive, explosive, uninhibited true story of HBO and how it burst onto the American scene and screen to detonate a revolution and transform our relationship with television forever. The Sopranos, Game of Thrones, Sex and the City, The Wire, Succession...HBO has long been the home of epic shows, as well as the source for brilliant new movies, news-making documentaries, and controversial sports journalism. By thinking big, trashing tired formulas, and killing off cliches long past their primes, HBO shook off the shackles of convention and led the way to a bolder world of content, opening the door to all that was new, original, and worthy of our attention. In Tinderbox, award-winning journalist James Andrew Miller uncovers a bottomless trove of secrets and surprises, revealing new conflicts, insights, and analysis. As he did to great acclaim with SNL in Live from New York; with ESPN in Those Guys Have All the Fun; and with talent agency CAA in Powerhouse, Miller continues his record of extraordinary access to the most important voices, this time speaking with talents ranging from Abrams (J. J.) to Zendaya, as well as every single living president of HBO—and hundreds of other major players. Over the course of more than 750 interviews with key sources, Miller reveals how fraught HBO's journey has been, capturing the drama and the comedy off-camera and inside boardrooms as HBO created and mobilized a daring new content universe, and, in doing so, reshaped storytelling and upended our entertainment lives forever.

A heartfelt, witty, and thought-provoking YA love story about two teens who fall for each other while forced apart during quarantine, written by two New York Times bestselling authors, and for fans of Five Feet Apart, Anna and the French Kiss, and My Life Next Door Maxine and Jonah meet in the canned goods aisle just as California is going into lockdown. Max's part-time job as a personal grocery shopper is about to transform into a hellish gauntlet. Jonah's preexisting anxiety is about to become an epic daily struggle. As Max and Jonah get to know each other through FaceTime dates, socially distanced playground hangs, and the escalating heartbreaks of the pandemic, they're pushed apart by what they don't share and pulled closer by what they do. As thoughtful, probing, and informed as it is buoyant, romantic, and funny, Hello (From Here) cuts across differences in class, privilege, and mental health, all thrown into stark relief by the COVID-19 pandemic. Here's a novel that looks at the first two months of the quarantine, and adds falling in love to the mess. "Hello (From Here) isn't just a book about the pandemic." -PopSugar "It's also a funny, poignant romcom about the unpredictability of love in chaotic times. . . . Excellent." -BCCB * "Satisfyingly banter-filled." -PW, starred review "Sweet . . . Shadow War of the Night Dragons, Book One: The Dead City: Prologue

Alex is trapped. His life has been one bad decision after the other, and now he's forced to work off his debt with a spaceship captain or risk a fate worse than death. Captain Tracht is respected and well-connected. Unfortunately, he also has some very questionable private interests, and makes no secret that he intends Alex to participate in them, whether he likes it or not. It's an experience of pain, humiliation, and tears,

but somehow Alex finds himself growing less and less interested in his eventual release...

A horror story of a children's pet cemetery and another graveyard behind it from which the dead return.

Rob Stone is taking time out to climb in the mountains of Oregon. Taking a break, drinking coffee in a diner in a small mountain town he watches a helpless man humiliated. Stepping in to help, he sparks a confrontation. Within an hour somebody tries to kill him. A message has been sent, but Stone will not be pushed. As he starts to investigate what some people in the town do not want uncovered, the truth becomes unthinkable. Cruelty on a scale unimaginable, Stone is determined to shut it down and reclaim the town for its people. Outnumbered, hunted through the dense forest and mountain terrain, his enemy are unaware that they haven't gained the advantage. They have merely released him into his element. Murder, abduction, betrayal... Sometimes you can't see the woods for the trees...

When a deniable mission to infiltrate Albanian and Russian organised crime is compromised, the Security Service distance themselves ahead of political fallout leaving their missing operatives off the grid with no clue to their status. Alex King is re-evaluating his options after a rogue mission has cost him his career. He has sworn to leave the shadowy world he knows behind, but to do so would mean the fate of his closest friend will remain a mystery. He has questions, but the answers lie with an asset who had been supplying MI5 with information from within the inner circle of the Russian mafia. With the Russian mafia on one side and the Albanian brotherhood on the other, getting the asset out is just the beginning in what will be a dirty war fought against a ruthless enemy who have no limits and hold all the cards.

Stephen King's legendary debut, the bestselling smash hit that put him on the map as one of America's favorite writers "Gory and horrifying. . . . You can't put it down." —Chicago Tribune Unpopular at school and subjected to her mother's religious fanaticism at home, Carrie White does not have it easy. But while she may be picked on by her classmates, she has a gift she's kept secret since she was a little girl: she can move things with her mind. Doors lock. Candles fall. Her ability has been both a power and a problem. And when she finds herself the recipient of a sudden act of kindness, Carrie feels like she's finally been given a chance to be normal. She hopes that the nightmare of her classmates' vicious taunts is over . . . but an unexpected and cruel prank turns her gift into a weapon of horror so destructive that the town may never recover.

#1 NEW YORK TIMES BESTSELLER • THE BLOCKBUSTER JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE STREAMING SERIES REACHER Digging graves had not been part of my plans when I woke up that morning. Reacher goes where he wants, when he wants. That morning he was heading west, walking under the merciless desert sun—until he comes upon a curious scene. A Jeep has crashed into the only tree for miles around. A woman is slumped over the wheel. Dead? No, nothing is what it seems. The woman is Michaela Fenton, an army veteran turned FBI agent trying to find her twin brother, who might be mixed up with some dangerous people. Most of them would rather die than betray their terrifying leader, who has burrowed his influence deep into the nearby

border town, a backwater that has seen better days. The mysterious Dendoncker rules from the shadows, out of sight and under the radar, keeping his dealings in the dark. He would know the fate of Fenton ' s brother. Reacher is good at finding people who don ' t want to be found, so he offers to help, despite feeling that Fenton is keeping secrets of her own. But a life hangs in the balance. Maybe more than one. But to bring Dendoncker down will be the riskiest job of Reacher's life. Failure is not an option, because in this kind of game, the loser is always better off dead.

At a US research facility funded by the military and clandestine agencies a super-virus has been created as a first strike military weapon. During its conception the anti-virus has furthered the possibilities of medical research by decades. Such is its potential, treachery has struck from within. If the virus is released, then the anti-virus will be worth billions to the pharmaceutical industry. Isobel Bartlett worked on the project and knows its potential. After the suspicious death of her mentor, and upon hearing part of an audacious plan to make money from the project she flees the facility with the information needed to culture the viruses to seek help from a contact with the FBI. Up against rogue government forces, she is helped by Agent Rob Stone of the Secret Service who has been tasked by the president to investigate a disbanded assassination program after his investigation led him to the bio research facility. The two are hunted mercilessly by an assassin from Washington to the streets of New York. Only when the hunt reaches the wild forests of Vermont can ex-special forces soldier Stone take the fight to the enemy.

Since 1976, Stephen King has worked hard to help young filmmakers get their big break through his Dollar Baby film program. Through this deal, King allows an aspiring filmmaker to create a short film based on one of his short stories, as long as that story was not already optioned for a major movie or television show. It all started with Frank Darabont (Shawshank Redemption, The Green Mile), the Godfather of the phenomenon, and Dollar Deal: The Story of the Stephen King Dollar Baby Filmmakers tells the stories of 19 filmmakers as they talk about making their Dollar Baby films and the careers they enjoyed after finishing their Stephen King short film. Dollar Baby filmmaker Shawn S. Lealos (I Know What You Need) interviews each of these filmmakers about their road traveled, from college campuses to Hollywood, including Peter Sullivan (Night Surf), Nick Wauters (Rainy Season), Jeff Schiro (The Boogeyman), Jay Holben (Paranoid), and many more.

A burned spy must stop a deadly cult from igniting global conflict... Thomas Caine lives in the shadows. Betrayed and left for dead, he has put his past as a government assassin behind him. Now he lives off the grid, in the seedy underworld of Pattaya, Thailand. But when local gangsters set him up for a crime he didn't commit, his old CIA masters make him an offer he can't refuse: rot in a hellish Thai prison, or accept a dangerous mission in Tokyo, Japan.
