This is a dark mafia/cartel romance that touches on subjects that some readers may find offensive or triggering.

The #1 New York Times–bestselling author's "groundbreaking" work on women's sexual fantasies (Publishers Weekly). First published in 1973, My Secret Garden ignited a firestorm of reactions across the nation—from outrage to enthusiastic support. Collected from detailed personal interviews with hundreds of women from diverse backgrounds, this book presents a bracingly honest account of women's inner sexual fantasy lives. In its time, this book shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, My Secret Garden remains one of the most iconic works of feminist literature of our time—and is still relevant to millions of women throughout the world. "The author whose books about gender politics helped redefine American women's sexuality." —The New York Times

Holly has been kept 'safe', untouched, and segregated within a sex slave training center for 2 years. But when she has to jump from a burning building into the arms of the mysterious and handsome master of the house, it's a catalyst for big change. Holly, no longer happy to be blissfully ignorant, starts to play with sexual fire. How badly is she about to get burnt? Him: I saved her from a fate many would believe was worse than death. But, I'm no hero. Far from it. I'm saving her for myself, which might be even worse. Her: He's dark. He's dangerous. He's the most attractive man I have ever laid eyes on. Everything about him says villain but I can't help but think that maybe there's a hero deep inside. He's kept me apart from the others for a long time. No one is allowed to touch me. Few are allowed to even set eyes on me. I arrived here just before my sixteenth birthday. But soon, I won't be a little girl any more. How much longer will I be safe? And is safety all that matters? This is a dark romance. If you like your romance dark, proceed. If you don't, or if you're not sure --- approach with caution. This story is a standalone Dominator series spin-off. Holly and Alessandro's story. You do not need to have read the Dominator books to enjoy this story, but it will offer a richer reading experience if you do. (Possible triggers. Dark romance. Sex, Violence, Coarse language. Human Trafficking.) Dedication: This story is for the readers who like to spend time in the dark. With the anti-heroes. My Secret Garden

Love an over-the-top possessive dirty-talking book boyfriend who is an alpha male biker without being an alpha-hole? You need to meet Deacon.

Standalone. No cliffhanger. Contains: smokin' hot steamy scenes, romance, drunk texting, erotic spankings, a battery-operated boyfriend, dirty-talking, shoe shot-put, celebrity and puppet impersonations, a soft drink war, pudding shooters, laughs, tears, a bit of darkness. Oh... and an HEA. Deacon is a beautiful biker who sets eyes on his girl and decides he's going to go to any lengths to: -make her his and only his.-keep her safe amid some very amped circumstances with his MC and a rival club.-give her a wild ride on the way toward happily ever after. Detour is the first book in a set of standalone but linked love stories about the Dominion Brotherhood MC. Meet Deacon: He's 28, tall, dark, gorgeous, and 100% alpha male. In the relationship department, things either go one way or the other. He either shows them a good time and moves on, never going back for seconds, or he stakes a claim and things get serious REAL fast. It's been a long while since he's been motivated to claim anyone. Deacon has what some might classify a problem with possessiveness and jealousy. But he's got good reasons for this. And when he does stake his claim, he means it. And he allows no one to mess with that. Meet Ella.: Ella, 23, feels like the Marilyn Munster of her eclectic household. Despite her crazy hippie parents and rambunctious little brother, her life is boring and humdrum. And her love life is so far off the mark that she considers herself in a serious relationship with her battery-operated boyfriend. She's having trouble shaking off an ex that won't go away and fending off her partying friends who continually hassle her to either party with them or be their designated driver. But things are about to get real for Ella. Real fast. Very soon after she notices the new Beautiful Biker in town she finds herself in a real pickle. In fact, Ella keeps finding herself in trouble. And Deacon, whose MC has just opened a chapter, biker bar, and garage in Ella's town, (much to the chagrin of an existing rival MC), notices Ella, too. Deacon keeps swooping in to save Ella's bacon from a variety of tight spots. And because of that, it draws even further attention to her. Someone or several someones want revenge against Deacon and his MC and don't mind using a biker's woman to make their point. Ella has been warned away from Deacon. And she worries that her heart will go SPLAT if she lets the beautiful biker get too close. But it's too late. Ella has no choice because Deacon is determined to get right in her space. This book contains a hot alpha book boyfriend, steamy hot scenes, some laughs, and plenty of biker romance action. And because it comes from the brain of DD Prince, it has a little bit of darkness, too. Standalone, no cliffhanger.

Unapologetically raw and deliciously filthy, Shepherd & Claire's dark, gritty story is an emotional punch to the gut!" - Anna Zaires, New York Times bestselling author I'm far more than possessive when it comes to my female. I am obsessed with her scent, her form, her determination to resist me. She longs to be free, yet sings when I stroke her. She swears she will never forgive me for forcing a pair-bond between us, yet melts at the sound of my purr. I have the unwilling Omega right where I want her. And I will lie, manipulate, and even kill to keep her under my control. The first book in Addison Cain's exciting, raw, and suspense-filled Paranormal series is an addictive Dark Romance that will keep you up long past your bedtime.

Tia is totally smitten by the guy who flirted with her in the ice cream parlor on her last day there. The gorgeous man in an expensive suit oozed money, power, confidence, sexuality, and she can't stop daydreaming about how he flirted and teased and tied a cherry stem into a knot with his tongue suggestively right in front of her. But Tia has no idea that while she daydreams about the gorgeous guy, a plot is underfoot. He's about to tie her whole life up into knots. She has no idea that as soon as she graduates from school she'll be delivered to him. He owns her. And he has plans. Carnal plans. Her father owes his father a debt and that debt is to be paid with Tia. This book is a dark romance with a flesh debt payment plot. Tommy Ferrano needs to get married to get handed his birthright, a business with ties to organized crime. He has been in no hurry to get married so his father decided to get creative. His father chose Tia for very specific reasons. Tia grew up too fast. She lost her Mom due to suicide and has a screw-up for a father. She's excited about moving to the next chapter of life with plans for after school, plans for life on her own after growing up in foster care. She doesn't know, yet, that the changes coming don't remotely resemble what she had in mind. Tommy Ferrano likes to play games, especially mind games. After Tia is delivered to him and told of her fate she quickly finds this out and learns that she has to obey his rules ... or else. Rule 1: He owns her and wants full control. He wants obedience; he punishes defiance. Rule 2: She needs to keep her mouth shut and reveal nothing to anyone about him. He soon reveals Rule #3 to her, and starts revealing his dark, possessive, and depraved sexual side. Tia has to obey him in order to survive. Will it break her or will submission bring about a different kind of freedom? Ingredients include: profanity, sex, violence, dominating alpha male, blood, pain, love, redemption... No cliffhanger. Dark romance with scenes with dubious/ non-consent, some bondage, and discipline. Possessive, dark, damaged OTT alpha male with control issues. For mature audiences only.

The Devious Games Duet, Part 2

The Devious Games Duet, Part 1

A sexy enemies-to-lovers roommate romance. You met Austin Carmichael in Alphahole and he seemed like a great guy, right? He is. But when he gets pushed and has to deal with one thing after another, after another... apparently he can get a little testy. And like his brother Aiden, this means he can act like a bit of an alphahole, too. Austin has to spend some time in New York and finds himself with a new roommate. The circumstances around their first meeting? Instant hate. Though... with two hot, young, single people living in close proximity, things are bound to be interesting. Especially when Austin finds the stories she's writing about him on her computer. He's completely unprepared for how interesting. Jada: I'm a nice person. I'm a good girl, I swear. I just met Austin at the worst possible moment. My life has never sucked harder. He's got the complete wrong impression about who I am and everything I stand for. I might be a good girl, but I've found a stubborn streak. And he's been such a jerk to me that I'm determined to rock my job and be 100% professional. If only I could stop myself from writing down my fantasies about the growling, angry, sexy grouch. And then one day, I come in and find Austin reading something on my laptop. Best experienced after Alphahole. Some early feedback so far from beta readers: "They say a GOOD GIRL is really just a bad girl who has never been caught, but Austin catches Jada when he stumbles across her "Austin Smut File" writing and starts to make her fantasies come true. Boy does he ever make those fantasies come to life. Oh the burn...." - Robin "seriously funny bits. It made me laugh, cry and shout with fury" - Liz "DD always knows how to pull you in and activate all your senses and that's what she did - I was happy, sad, mad and angry but I LOVE every minute of it." - Marquitta "I had every emotion possible running through my veins as I was reading this book. The whole book was beautifully written and the ending....it was crazy amazing. DD always leaves me wanting more. Kudos to you on another amazing book. Bring on Ally & Jude!!! " - Scharme

"Lash is capable of explaining the mind-bending concepts of Gnosticism and pagan mystery cults with bracing clarity and startling insight. . . . [His] arguments are often lively and entertaining."—Los Angeles Times Fully revised and with a new preface by the author, this timely update is perfect for readers of The Immortality Key. Since its initial release to wide acclaim in 2006, Not in His Image has transformed the lives of readers around the world by presenting the living presence of the Wisdom Goddess as never before revealed, illustrating that the truth of an impactful Gnostic message cannot be hidden or destroyed. With clarity, author John Lamb Lash explains how a little-known messianic sect propelled itself into a dominant world power, systematically wiping out the great Gnostic spiritual teachers, the Druid priests, and the shamanistic healers of Europe and North Africa. Early Christians burned libraries and destroyed temples in an attempt to silence the ancient truth-tellers and keep their own secrets. Not in His Image delves deeply into ancient Gnostic writings to reconstruct the story early Christians tried to scrub from the pages of history, exploring the richness of the ancient European Pagan spirituality—the Pagan Mysteries, the Great Goddess, Gnosis, the myths of Sophia and Gaia. In the 15th Anniversary Edition, Lash doubles down on his original argument against redemptive ideology and authoritarian deceit. He shows how the Gnostics clearly foresaw the current program of salvation by syringe, and places the Sophianic vision of life centrally in the battle to expose and oppose the evil agenda of transhumanism, making this well-timed update more relevant than ever. "Sometimes a book changes the world. Not in His Image is such a book. It is clear, stimulating, well-researched, and sure to outrage the experts. . . . Get it. Improve not just your own life, but civilization's chances for survival."—Roger Payne, author of Among Whales

For months, Batman has been haunted by the death of Tim Drake, the young hero who fought beside him as Red Robin. Tim helped Batman assemble a team of heroes and misfits to help him keep Gotham safe, then fell in battle defending the city. Or so it seemed. In reality, Tim has been held captive, snatched from the moment of death by the mysterious Mr. Oz. Now he must escape this prison that exists outside of time, but he isn't coming back alone. Tim has every reason to trust his fellow prisoner, but when his new ally proves he's not afraid to kill, Tim begins to doubt everything he thought he knew! When the duo make their way back to Gotham City, Tim's escape partner sets a plan in motion to murder one of Batman's allies. Even reunited with Red Robin, can Batman and his team of heroes protect one of their own from a killer who knows them better than they know themselves? Writer James Tynion IV (Batman/Teenage Mutant Ninja Turtles) and artists Eddy Barrows, Alvaro Martinez and Carmen Carnero continue the acclaimed run on Batman: Detective Comics. Collects Detective Comics #963-968.

When Anastasia Steele, a young literature student, interviews wealthy young entrepreneur Christian Grey for her campus magazine, their initial meeting introduces Anastasia to an exciting new world that will change them both forever. Reissue. Movie tie-in.

The definitive guide to using this ancient psychological system to gain self-knowledge and achieve personal growth—now expanded and revised. The Enneagram is an extraordinary framework for understanding more about ourselves. No matter from which point of view we approach it, we discover fresh conjunctions of new and old ideas. So writes Don Riso in this expanded edition of his classic interpretation of the Enneagram, the ancient psychological system used to understand the human personality. In addition to updating the descriptions of the nine personality types, *Personality Types, Revised* greatly expands the accompanying guidelines and, for the first time, uncovers the Core Dynamics, or Levels of Development, within each type. This skeletal system provides far more information about the inner tension and movements of the nine personalities than has previously been published. This increased specificity will allow therapists, social workers, personnel managers, students of the Enneagram, and general readers alike to use it with much greater precision as they unlock the secrets of self-understanding, and thus self-transformation. “No Enneagram teachers I’ve come across offer such a rich and dynamic picture of how each personality type expresses itself in the world, and the process by which we can move through progressive stages of psychological and spiritual growth.”—Tony Schwartz, author of *What Really Matters: Searching for Wisdom in America*

Violet: Killian saved me from the hell of life with Ray. But have I been pulled from the frying pan only to be tossed straight into the flames? Dirty Stack is part two in The Devious Games Duet, a psychological romantic suspense. Please read book one, Kill Game, before reading this book.

In a personal memoir, the author describes her relationships with the two men closest to her--her father and his brother, Joseph, a charismatic pastor with whom she lived after her parents emigrated from Haiti to the United States.

Ambrosia is book two in the Nectar series, a dark paranormal romance. Reading these books in order is essential. This is a dark paranormal romance. This book is the highly anticipated continuation of Tristan & Kyla's journey. Contains: VAMPIRES, BLOOD, SEX, MYSTERY, BAD GUYS, ANSWERS, and A FEW MORE QUESTIONS. In Nectar, we met Tristan and Kyla, who found themselves inexplicably addicted to one another. Kyla couldn't help feel magnetized, drawn to the handsome vampire prince, despite the fact that he held her in his home and in his bedroom against her will. He forced her to feel. Tristan was clearly drawn to Kyla, too. Not only was she his preferred type but the fact that she wasn't mesmerized and the fact that her blood was better than any blood he'd ever tasted created a fierce protectiveness as well as other mysterious emotions in him. He transformed from arrogance to a lovesick romantic. But love is rarely easy and this REALLY seems to be the case when the supernatural gets added into the mix! Things weren't going well at the end of book one and Kyla had a tough snap decision to make. In Ambrosia, Kyla has to deal with the fallout of that decision and process the truth, as it reveals itself. The twists, the turns, the steam (phew), the blood? Wait until you see where this story goes! This dark romance contains explicit sex, blood and gore, violence, sexual aggression, potential triggers, and a connection that surpasses all the heroine and her alpha vampire prince ever thought possible.Book three is also available now!******

Next to Never

My boyfriend's billionaire boss always gets what he wants. Menacingly handsome and unquestionably powerful, Theo Whitman need only snap his fingers to have a flock of supermodels fall at his feet. So when his steel gray eyes first meet mine, I expect him to pass right over me, to not give so much as a second thought to my presence. Instead, he sees me. Truly sees me. And for a girl who prefers to hide behind her camera lens, it's the most unnerving experience of my life. Until he asks me to stay on his yacht for the summer. All I have to do to earn my keep is be Theo's on-call photographer when he has guests, and I'll get a free ride through the Mediterranean with my boyfriend. Easy peasy. Still, my skin prickles in warning when I say yes. As the humid days fade into balmy nights, I can't seem to avoid Theo. And when he finds me, it's like a rabbit running into a wolf. His intense gaze immobilizes me. The way he speaks strips me bare. Every brush of his skin sears me like a violent flame. My boyfriend's billionaire boss always gets what he wants. And this time, I think he wants me.

Imperialism as we knew it may be no more, but Empire is alive and well. It is, as Michael Hardt and Antonio Negri demonstrate in this bold

work, the new political order of globalization. Their book shows how this emerging Empire is fundamentally different from the imperialism of European dominance and capitalist expansion in previous eras. Rather, today's Empire draws on elements of U.S. constitutionalism, with its tradition of hybrid identities and expanding frontiers. More than analysis, Empire is also an unabashedly utopian work of political philosophy.

Every time humanity has shifted to a new stage of consciousness in the past, it has invented a new way to structure and run organizations, each time bringing breakthroughs in collaboration. The organizations researched for this book have already "cracked the code." Their founders have fundamentally questioned every aspect of management and have come up with entirely new organizational methods. This book describes in practical detail how organizations large and small can operate in this new paradigm.

I was sent to another planet to be a mail-order bride as a punishment. I'm a quiet and painfully shy librarian who spends her off-time with her nose in a book. Me and 37 other girls were shipped off to a place with almost no women and told we had three days to have sex with an alien otherwise we die. I'm here. And now that I am, after being whisked away, thrown over the shoulder by a giant hot alien man and put into a sky-car of some sort, I'm thinking... What if my life, the life I wanted but was never brave enough to try to have... was finally about to start? All I need to do is lose my virginity in 72 hours. The problem is...this hot alien wants to take things slow. We keep getting to the brink, and my life depends on pushing us over. The Hot Alpha Alien Husbands series books are standalone, each book about a different couple. These are fun, steamy stories with humanoid 7 ft tall possessive and protective 'aliens'. Much more romance than sci-fi. This one is a slow-burn but with all sorts of smokin' hot sexual tension. "Slow burn but still contained all the sensual heat and build up and the tension was expertly ramped up notch by delicious notch. When things finally erupted - wow it went super-nova... bloody fantastic read and most definitely worth the wait" - Beckie Bookworm Blog

Truth Or Dare, The Dominator 2

The Dominator A Dark Mafia Romance

It's here! Essence, the much anticipated book three in the Nectar trilogy is ready for you. Wondering how Tristan & Kyla will get their much-deserved HEA? Here you go! All three books are now ready to be devoured! Essence is book three in the Nectar trilogy, a dark paranormal romance. Reading these books in order is essential. This is a dark paranormal vampire romance and contains scenes and triggers that may be disturbing. Contains: VAMPIRES, BLOOD, SEX, BAD GUYS, GOOD GUYS, HOT GUYS, ANSWERS, and running-a-red-light sex. In Nectar, we met Tristan and Kyla, who found themselves together in a dark bedroom. Kyla, an offering to Tristan, a royal vampire with an insatiable appetite. They were almost instantly addicted to one another. Even if Kyla tried to resist. Kyla couldn't help feel magnetized, drawn to the handsome vampire prince, despite the fact that he held her in his home and in his bedroom against her will. He forced her to feel things physically as well as emotionally. Tristan was clearly drawn to Kyla, too. Not only was she his preferred type but the fact that she wasn't mesmerized and vacant like all the others and the fact that her blood was better than any blood he'd ever tasted created a fierce protectiveness as well as other mysterious emotions in him. He transformed from arrogant hedonistic vampire to a lovesick romantic. Love is rarely easy and this REALLY seems to be the case when the supernatural gets added into the mix! Things weren't going well at the end of book one and Kyla had a tough snap decision to make. In Ambrosia, Kyla had to deal with the fallout of that decision and process the truth, as it revealed itself. There was a whole lot of stunning, unbelievable truth to process while she felt herself changing, getting stronger, exhibiting some supernatural powers of her own. At the end of Ambrosia things went terribly wrong and Tristan was faced with the reality of the agendas of those around him, those he'd trusted, those who had been grooming him for his leadership role. And he was faced with the inexplicable agony associated with a choice that he had to make. Essence begins with Tristan's POV as he processes what happened at the end of book two and tries to find a way to right those wrongs while keeping his head together despite wanting to turn into an inferno that melts everything in sight. "Standard vampire romance, right? The vampire falls for the human, the human falls for the vampire, and then she becomes a vampire and they live happily ever after. Isn't how this goes? That's how it always goes." Nope. Not even close. The twists, the turns, the steam (pew), the blood? Wait until you see where this story goes! This book is the end of the Nectar trilogy but won't be the end for these characters. There's a HEA, no cliffy, but the doors will be left open for the possibility of future stories about some of the secondary characters as well as the opportunity to see where Tristan & Kyla's adventures will take them next. This dark romance contains sex, blood and gore, violence, and a connection that surpasses all the heroine and her alpha vampire prince ever thought possible.

A journey to some of the Earth's most endangered people in the remote Upper Amazon...a look at the rituals of the Bwiti cults of Gabon and Zaire...a field watch on the eating habits of 'stoned' apes and chimpanzees - these adventures are all a part of ethnobotanist Terence McKenna's extraordinary quest to discover the fruit of the Tree of Knowledge. He wonders why, as a species, we

are so fascinated by altered states of consciousness. Can they reveal something about our origins as human beings and our place in nature? As an odyssey of mind, body and spirit, Food of the Gods is one of the most fascinating and surprising histories of consciousness ever written. And as a daring work of scholarship and exploration, it offers an inspiring vision for individual fulfilment and a humane basis for our interaction with each other and with the natural world.

If you liked The Dominator you'll want to read the story of Dario Ferrano falling in love. Before my father died, he arranged for my brother to get married, gifted him with a girl. After I saw the impact of that girl on my brother's life I joked with Pop that I wanted a mail-order bride for my upcoming birthday, joked about it with emotions about my now sister-in-law that I should not EVER have been feeling. Pop joked back that he was already shopping around and would find me a perfect fit. Only, he wasn't joking. A little less than two months before my birthday he had asked me what I wanted in a bride. "What's on your wish list, son?" Pop asked. "Beautiful. Redhead. But she has to want what I want from life. She has to have an insatiable sexual appetite but want kids and a picket fence, too." "How about if she's all those things because she does exactly what you tell her to do? How about if she's been schooled in all the ways to please a man in and out of the bedroom?" "That's too good to be true, Pop. Too bad such a woman does not exist." "But, she does exist. And she's waiting for me to pick her up. To be her new Master. We're trying to clean up the filthy mess Pop left us with. To live clean. To resist the enticing and dangerous life of organized crime. There's no way I can accept this gift, keep a woman who was bought for me. I need to pick her up and set her free. Don't I?" Warning: Profanity. Dark themes. This book's heroine is a sex slave that gets rescued. She appears broken (not to worry, Dare is on the task and will succeed brilliantly!). The book does not spend chapter after chapter describing her abuse in detail but there is some explicit content related to her memories. Please read DD Prince's The Dominator before reading this book.

We meet him late in life: a quiet man, a good father and husband, a fixture in his Brooklyn neighborhood, a landlord and barber with a terrifying scar across his face. As the book unfolds, moving seamlessly between Haiti in the 1960s and New York City today, we enter the lives of those around him, and learn that he has also kept a vital, dangerous secret. Edwidge Danticat's brilliant exploration of the "dew breaker"--or torturer--s an unforgettable story of love, remorse, and hope; of personal and political rebellions; and of the compromises we make to move beyond the most intimate brushes with history. It firmly establishes her as one of America's most essential writers. BONUS: This edition includes an excerpt from Edwidge Danticat's Claire of the Sea Light.

I've been ripped from my life & handed over to become property of Tommy Ferrano, a criminal who is beautiful outside but ugly inside. He has 3 rules for me. 1) Obey. 2) Tell no one ANYTHING about him. Rule 3 gives me a peek into just how depraved, alpha and possessive he really is. My life is about to be twisted up in knots. He will hurt me. Love me. Set my body on fire with passion. He will kill for me. A dark mafia romance with mature themes and situations that may offend those who are sensitive to triggers. Ingredients include: profanity, sex, violence, dominating alpha male, blood, pain, love, redemption. Complete story, no cliffhanger.

'The food is creative, beautifully presented and exciting.' Guardian 'To us, the fact our cooking is vegetarian is incidental - we just like to eat good food. We love to reinvent classic dishes, create new flavour combinations, source unusual ingredients and occasionally we use a microwave because well, why not?' From the start, Andrew and Donna's rule was, no pasta bake and no vegetable curry. They set up Vanilla Black as a restaurant with a mission - to reinvent expectations about what it means to eat vegetarian food. It's all about the flavour, the first bite that intrigues, the surprising, the unusual, the recipes your friends will want to steal. From Jerusalem artichoke, white wine and thyme pie to a reinvention of classic tomatoes on toast, from Savoy cabbage pudding to broad bean and lemon cheesecake, from smoky baked beans to Marmite new potatoes, and from parsnip cake with Horlicks frosting to cherry Bakewell tart with marzipan custard, this surprising and inventive cookbook will change the way you think about food - and leave you wanting more. Vanilla Black restaurant is co-owned by Andrew Dargue, head chef, and his partner Donna Conroy, who runs front of house. www.vanillablack.co.uk @vanillablack1

Lucia It all started with a contract signed by him, then by me, while our families watched. While my father sat silent, a man defeated, giving his daughter to the Benedetti monsters. I obeyed. I played my part. I signed my name and gave away my life. I became their living, breathing trophy, a constant symbol of their power over us. That was five years ago. Then came the time for him to claim me. For Salvatore Benedetti to own me. I had vowed vengeance. I had learned hate. And yet, nothing could have prepared me for the man who now ruled my life. I expected a monster, one I would destroy. But nothing is ever black or white. No one is either good or evil. For all his darkness, I saw his light. For all his evil, I saw his good. As much as he made me hate him, a passion hotter than the fires of hell burned inside me. I was his, and he was mine. My very own monster. Salvatore I owned the DeMarco Mafia Princess. She belonged to me now. We had won, and they had lost. And what better way to teach a lesson than to take from them that which is most precious? Most beloved? I was the boy who would be king. Next in line to rule the Benedetti Family. Lucia DeMarco was the spoils of war. Mine to do with as I pleased. It was my duty to break her. To make her life a living hell. My soul was dark, I was hell bound. And there was no way out, not for either of us. Because the Benedetti family never lost, and in our wake, we left destruction. It's how it had always been. How I believed it would always be. Until Lucia.

Marriage—it's all about love and understanding and being with each other for the rest of your days. For Elise, it means something entirely different. Thrown into a

marriage on her father's orders, Elise isn't prepared to be married to the man known as Luca Pasquino. Luca is the next capo in line to take over his father's empire with an iron fist. He's cruel, he's evil, and he's ready to destroy anything and anyone that gets in the way of his plans for complete control. Elise has no idea what is in store for her. All she knows is that she can try to survive her life for the rest of her days with Luca. Update from author: I'm listening! In my zeal to tell my story, I relied on the expertise of others to ensure it went from my head to the printed page, which didn't go exactly as planned. Deadly Vows has now been re-edited to ensure the grammar and punctuation are now as they should be. Enjoy!

Incorporating systems theory, teachings from mythology and religions, and the human sciences, The World Peace Diet presents the outlines of a more empowering understanding of our world, based on a comprehension of the far-reaching implications of our food choices and the worldview those choices reflect and mandate. The author offers a set of universal principles for all people of conscience, from any religious tradition, that they can follow to reconnect with what we are eating, what was required to get it on our plate, and what happens after it leaves our plates.

If you liked The Dominator, you'll want to read the story of Dario Ferrano falling in love. This is a mafia romance. Reading book one before reading this book is recommended and necessary. Want more Ferrano alpha male hotness? Get to know Dario a whole lot better in this continuation story about the Ferrano family. Dario is Tommy's younger brother and after seeing his brother fall in love Dare's new motto is MAN WHORE NO MORE! Dare wants his happily ever after. But, after Dare comes home from his brother's wedding and celebrates his 25th birthday he gets a posthumous gift from his father, one that'll change the course of his life. *** Before my father died he arranged for my brother to get married, gifted him with a girl. After I saw the impact of that girl on my brother's life I joked with him that I wanted a mail-order bride for my upcoming birthday, joked about it with emotions about my now sister-in-law that I should not EVER have been feeling. My father joked back that he was already shopping around and would find me a perfect fit. At least I'd thought he'd been joking. But when I got home from my brother's wedding I found out that before Pop died he had gotten that ball rolling. He'd gotten things rolling in a way that could not be stopped and that was going to be a problem. A messy problem. See, my Pop was deeply involved in a human trafficking ring, one of the many involvements he'd neglected to tell me and my brother about as he prepared us to take over the family business. We never knew that what he'd had in mind for us was just the top skim off a cesspool of filth he'd been too happy to be wading in. We had suspicions but we had no clue just how filthy it truly was. A little less than two months before my birthday he had asked me what I wanted in a bride. "What's on your wish list, son?" Pop asked. "Beautiful. Redhead. But she has to want what I want from life. She has to have an insatiable sexual appetite but want kids and a picket fence, too." "How about if she's all those things because she does exactly what you tell her to do? How about if she's been schooled in all the ways to please a man in and out of the bedroom?" "That's too good to be true, Pop. Too bad such a woman does not exist." I'd laughed it off and our conversation got cut short. I'd always wanted a wife and kids. I wanted the picket fence and enough kids to start my own soccer team. But when I caught my fiancée cheating on me with the DJ we'd hired for our wedding my heart went cold and what my sister dubbed my 'man whore years' began. After seeing Tommy's life change because of falling in love I decided that maybe it was time to open my mind up to the possibilities of connecting with someone again beyond a one night stand. But when I got home from my brother's wedding, ready to start the massive job of cleaning up the family business so that I could move on with my life and think about finding my own happily ever after I found out that Pop had already ordered my mail order bride. And I couldn't cancel that order. She's waiting for me to pick her up near Bangkok. She's been told she has been sold and is going back to North America. She's about to turn 23, she's a beautiful redhead, and she's been in captivity for 2 years. There's no way I can accept this gift, keep a woman who was bought for me. I need to pick her up and set her free. Don't I? Warning: Explicit sex scenes. Profanity. Dark themes. This book's heroine is a sex slave that gets rescued. She's broken. The book does not spend chapter after chapter describing her abuse in detail but there is some explicit content related to her memories.

Nothing is fair in war. Jonathan King is every bit his last name. Powerful. Untouchable. Corrupted. He's also my dead sister's husband and way older than me. When I first met him as a clueless child, I thought he was a god. Now, I have to confront that god to protect my business from his ruthless grip. Little did I know that declaring a war on the king will cost me everything. When Jonathan covets something, he doesn't only win, he conquers. Now, he has his sights on me. He wants to consume not only my body, but also my heart and

my soul. I fight, but there's no escaping the king in his kingdom...Reign of a King is the first part of a duet and is not standalone.

Christian Forker was a beautiful biker. And if I had my way, he was going to be mine. The biker was leather, wind, muscles, and Alpha. Jojo Valentine wants a beautiful biker of her own. Unfortunately, her father is Prez and her three brothers are members of The Dominion Brotherhood and act as a virtual chastity belt. Her last secret relationship ended in tragedy and heartbreak of the worst kind --- betrayal. Christian "Fork" Forker is a recently patched-over member who has shown he's not one to shy away from getting what he wants even if people think he's a dick. Jojo wants him. There's only one problem. For some reason, he refuses to acknowledge her existence. She's going to get his attention.

As we come to understand the urgency of our multiple global crises, we become motivated to get involved, to make use of our collective wisdom and our capacity to work for solutions in community. The Sourcebook is designed to support readers in finding pathways for effective individual and group action. It cuts through the glut of information, providing a clear, concise overview of the most important issues and aspects of sustainability that everyone needs to know. And it's packed with successful models, inspiring examples and actionable solutions.

More than twenty years after her father was arrested, convicted, and executed for killing several college students, Nina Madden, shaken by lingering doubts about the crimes, returns to Stone River to investigate a killing spree that bears a striking resemblance to those for which her father was executed, joining forces with Wes Powell to uncover the truth.
