

## The Fabulous Book Of Paper Dolls: A Book With 6 Paper People And Piles Of Perfect Punch Out Clothes

*The Marvelous Book of Magical Horses comes with everything girls need to dress-up and play with the horses of their dreams. With tthe reusable mix-and-match pieces, they can give a silver mare a pair of sparkling wings and a rainbow mane. Or dress a cuddly colt in star horseshoes and a glittery crown.*

*A life lesson that all parents want their children to learn: It's OK to make a mistake. In fact, hooray for mistakes! A mistake is an adventure in creativity, a portal of discovery. A spill doesn't ruin a drawing—not when it becomes the shape of a goofy animal. And an accidental tear in your paper? Don't be upset about it when you can turn it into the roaring mouth of an alligator. An award winning, best-selling, one-of-a-kind interactive book, Beautiful Oops! shows young readers how every mistake is an opportunity to make something beautiful. A singular work of imagination, creativity, and paper engineering, Beautiful Oops! is filled with pop-ups, lift-the-flaps, tears, holes, overlays, bends, smudges, and even an accordion "telescope"—each demonstrating the magical transformation from blunder to wonder.*

*Commemorate the wedding of the year with paper dolls of the royal couple! The world will be watching when Prince Harry of Wales and Meghan Markle wed in St. George's Chapel at Windsor Castle — and you can relive the events leading up to the big day with this fabulous paper doll collectible. Dress the royal couple in the outfits they wore to their engagement announcement or choose from Harry's Invictus Games T-shirt, Meghan's ensemble for her first official duty, and more. Includes two dolls and 14 costumes.*

*Artist and movie buff, David Wolfe, turns back the cinematic clock to the 1940s and 50s for a paper doll book dedicated to the glamorous and often lethal leading ladies of Film Noir. The dark and sinister movies popular after WWII starred tough guy anti-heroes who were always entangled with dangerous dames portrayed by stars like Lauren Bacall, Joan Bennett, Rita Hayworth and Barbara Stanwyck. This sophisticated new book presents four femme fatale paper dolls who look sexy and chic in dozens of fashions from films such as Double Indemnity, The Maltese Falcon and The Lady from Shanghai. Included are seductive gowns, smartly tailored suits, playwear with pizzazz and sensational accessories. An essay by David explains the Film Noir genre and its fascination with fabulous '40s and '50s fashions.*

**In this beautiful book, containing 29 projects, 10 handy templates and 8 bespoke gift papers, along with plenty of great ideas, you can learn how to upcycle your paper waste, find a fun project for the kids this weekend or pursue the dream of selling your own hand-made objects, from jewellery to trinkets to stationery to sculpture. turn your tax returns into artworks. Create unique paper jewellery. transform old books into sculptures. Make your own journals and stationery. Follow the simple instructions in this beautiful book to make these projects and many more. Or, take your own inspiration from author, Skye Rogers' reflections on her love of paper and her insights into the journey that has taken this love and turned it into a viable business. Whether you are a committed crafter or first-timer, you'll find all the ideas and inspiration you need in this exquisite book. Skye Rogers has been an illustrator for a good part of her adult life. But the long apprenticeship to her career was her childhood passion: she has been drawing on, cutting up, stamping on and pasting bits of paper together since she was very young. Not so long ago, Skye Rogers spent a whole summer sitting around her lounge room cutting and pasting and drawing and sewing like a woman possessed! Some of the looks she received were on the 'astonished' side: this wasn't productive, this wasn't what a grown woman should do, this wasn't 'making money'. From her fever of creativity that summer came her burgeoning little business, Skye's the Limit, a unique range of stationery and gifts, each product created with Skye's unique sense of style. As her business grew and expanded, Skye was often asked, 'How did you come up with/do that?' Realising that there are so many people out there wanting a few tips on bringing some ideas together in an easy-to-follow fashion, Skye started collecting projects that she had admired or completed herself over the years and developed them into a beautiful book of 30 paper craft projects to do at home to help and inspire others in their creative journey. PAPER BLISS has fantastic paper craft projects for all levels: from those at 'infants school' and only at paper-aeroplane level to more advanced projects for 'paperians' to get their teeth into, to those at paper high school who want to advance their skills with some more complex and elaborate projects. With some easily sourced items: scissors, cutting blade and mat, glue, fancy fasteners, paper punches, needle and thread and some found, pre-loved, new, hand-decorated, plain or recycled paper, there are hours of fun to be had with these projects. Whether it's the simple completion of something that inspires you, a gift for a special friend or spending part of a day with the kids away from more pressing demands, you might be surprised by what you**

find.

Love her or loathe her, millions of people across America are "mad about" Martha Stewart. This fabulous unauthorized paper doll book shares all of the fun without requiring any of the fuss or mess. This winter there will be no more hours of slaving to replicate a Martha Stewart Christmas; just get out the scissors and it will be a snap, with exquisitely rendered cutouts of the famous gingerbread house, the gloriously prepared turkey with all the trimmings, the handmade house decorations, and more. Full color.

With this fashion activity book, you can feel like a fashion designer. 3 paper dolls with many charming outfits wait for you to color, cut, and play dress-up with them. For adults, paper dolls may be a gateway to childhood memories but they also make great gifts for children. While cutting out will improve their scissor skills, coloring the line art can help to find good color combinations and developing a sense of style and design. Younger children may need help to cut these dolls out since the dolls and clothes are not perforated. However, this is a nice opportunity for fun family time. Paper dolls can bring adults and children together, and collections of paper dolls have always passed down to younger generations. New generations can learn a lot while playing with paper dolls. In a digital era where dress-up games allow us to change clothes on paper dolls by only touching a screen, cutting these dolls the traditional way is a great help for developing motor skills. Playing together also helps to develop communication and cooperation between friends and family. Playing games goes hand in hand with storytelling, role-playing, and fantasy so everyone can treasure the time spent playing with these paper dolls as memories full of creativity and imagination. Paper dolls have a long history, and although inspired by antique and vintage paper dolls, these are modern fashion dolls. Collecting these paper dolls and sharing them with children can also make fashion and design become one of their passions.

Summary: Explains the basic principles of flight and gives folding instructions for twenty-nine airplanes.

CD-ROM disc consists of 1 movie (. MPG format) (34:46 min.): 50 paper-pieced stars, featuring Carol Doak with Nancy Martin.

Step back in time with 31 pages of styles from the 1950s. Then play fashion designer by adding color to men's and women's outfits, from full skirts to cardigans and capris. One rip is all it takes to expose the devastating truth behind a seemingly perfect life. Lina Henry is a wife and mother who likens herself to a pretty paper doll. She lives in a beautiful home in the Atlanta suburbs. Her husband, David, is a well-to-do investment banker. She's raised two wonderful teenagers. To the outside world, the Henry family is perfect. What no one knows is that Lina's paper doll life is being torn apart in a controlling and abusive marriage. When Lina develops an unexpected friendship with another man, and reconnects with her former best friend, she begins navigating a way out of the emotional minefield that is her home. But as David senses his loss of control, he becomes more dangerous, and Lina must do everything in her power to protect herself and

her children. In order to take back the happiness she deserves, Lina must first rediscover the strength and the fearlessness of her three-dimensional self.

*Everybody loves Doris Day and it's no wonder. Her popularity made her one of the biggest Hollywood stars of all time. Her long movie career showcased her sunny personality in romantic musical comedies, but she was adept at dramatic roles, too. More than a film star, her inimitable singing voice brought her world-wide, lasting acclaim. Doris Day has been a beloved star for decades and this year she is celebrating her 90th birthday! Paper Studio Press is honoring her with a special paper doll book, spotlighting not only Doris*

Day, the star, but also her passionate devotion to animals. A portion of the proceeds from the sale of every book will be donated to the Doris Day Animal Foundation. This brand new celebration book by David Wolfe features a delightful cover with Doris surrounded by her canine pals. The back cover presents two dolls to dress in the dozens of outfits in the eight page book. Costumes from many famous films include April in Paris, Tea for Two, The Man Who Knew Too Much, Lover, Come Back and Calamity Jane, among others. Also included are some glamorous costumes from her TV Specials. This new book (the second Doris Day paper doll book published by Paper Studio Press) will delight collectors and fans alike. Authorized by Doris Day, this special edition includes a personal message from Doris Day herself!

More than three hundred years before the advent of psychoanalysis, Michel de Montaigne (1533-1592) embarked on a remarkable quest to see and imagine the self from a variety of vantages. He explored the significance of monsters, nightmares, and traumas; the fear of impotence; the fragility of gender; and the anticipation of death. For Montaigne, imagination lies at the core of an internal universe influencing both the body and the mind. "The fabulous imagination" can be curative, enabling the mind's "I" to sustain itself in the face of hardship. Tracing Montaigne's development of the Western concept of the self, Lawrence D. Kritzman begins with his study of the fragility of gender and its relationship to the peripatetic movement of a fabulous imagination. He then follows with the essayist's examination of the act of mourning and the power of the imagination to overcome the fear of death, and Montaigne's views on philosophy, experience, and the connection between self-portraiture, ethics, and oblivion.

## 50 Fabulous Paper-Pieced Stars

*In Paper Parties, designer-maker Erin has carefully curated over 50 paper projects for chic, fabulous celebrations that will delight and inspire anyone who loves to make playful and beautiful things. Paper Parties was born out of Erin Hung's love affair with paper as a medium and her passion for celebrations that are bursting with fun. Gone are the days when 'papercrafts' conjure up images of shabby-chic scrapbooks and heaps of unnecessary embellishment. Erin proves that these projects can be modern, stunning and relevant, through a unique format that combines the beauty of an inspirational, illustrated coffee table book, with the simplicity of a practical craft manual. Whether you fancy sending a Secret Love Message, want to dazzle and delight guests with a 3D Gem Stone place name and Flower Bomb confetti piñata, or celebrate the passing seasons with an Origami Advent Calendar, there is something to create and celebrate for every occasion.*

**You'll love this new deluxe edition of an underground classic. Meet 37 outrageous, sexy, glamorous swinging singles and socialites at a fabulous Manhattan cocktail party hosted by "Aunt Mary." A parade of gay and lesbian stereotypes are trotted out in paper doll form for perusal in this reprint of the iconic, highly collectible Attitudes book first released by renown paper doll artist Tom Tierney in 1979. This new volume has been recreated, now in full color and with six new characters, to commemorate one of the early books in a long series of paper doll books for which Tierney has become famous. Enjoy hairdressers, movie stars, millionaires, models, drag queens, and others, each nearly naked in seductive loungerie, and with character appropriate clothing.**

***Romances were among the most popular books in the sixteenth and seventeenth centuries among both Protestant and Catholic readers. Modeled after Catholic narratives, particularly the lives of saints, these works emphasized the supernatural and the marvelous, themes commonly associated with Catholicism. In this book, Tiffany Jo Werth investigates how post-Reformation English authors sought to discipline romance, appropriating its popularity while distilling its alleged Catholic taint. Charged with bewitching readers, especially women, into lust and heresy, romances sold briskly even as preachers and educators denounced them as papist. Protestant reformers, as part of their broader indictment of Catholicism, sought to redirect certain elements of the Christian tradition, including this notorious literary genre. Werth argues that through the writing and circulation of romances, Protestants repurposed their supernatural and otherworldly motifs in order to "fashion," as Edmund Spenser wrote, godly "vertuous" readers. Through careful examinations of the period's most renowned romances—Sir Philip Sidney's *The Countess of Pembrokes Arcadia*, Spenser's *The Faerie Queen*, William Shakespeare's *Pericles*, and Lady Mary Wroth's *Urania*—Werth illustrates how post-Reformation writers struggled to transform the literary genre. As a result, the romance, long regarded as an archetypal form closely allied with generalized Christian motifs, emerged as a central tenet of the religious controversies that divided Renaissance England. Teen and preteen girls love journaling, scrapbooking, taking personality tests, and documenting their exciting and funny memories. Who was their first kiss? What is the one thing they can't live without? Which classmate is their secret crush? *The Fabulous Book of Me!*, new from the *Ultimate Girls' Guide* series, is a one-of-a-kind journal that includes insightful questions, quizzes, games, photo pages, and much more. This book is a wonderful keepsake for girls to look back on over the years. *The Fabulous Book of Me!* gives teen and preteen girls a unique opportunity to record their autobiography. This book includes journal space, quizzes, and photo pages for subjects like friends, family, school, crushes and love. Other fun topics include style, personality, and dreams. This book helps girls create a treasured record of their emotions, friendships, hopes, and memories. All girls will love this fun opportunity for self-expression.***

*A Thing of Beauty Is A Joy Forever Do you enjoy writing in old fashion notebooks and journals? Then you need the Create Beautiful Things Notebook. 100 Notebook Pages & 4 Adult Coloring Pages Plenty of pages for note taking or journaling. In addition, enjoy gorgeous adult coloring pages for relaxation and mindfulness. Laptop Or Paper Notebook? Technology promises to make our lives more productive. Indeed, some things are faster and easier than ever. Unfortunately, a lot of technology is designed for the task, not for the user. As a result, people are able to take more notes, yet understand less. Have you ever taken copious notes in a class or meeting using your computer only to realize afterwards you still didn't understand? Taking notes on paper forces you to synthesize rather than merely transcribe. Because you desire comprehension and understanding rather than simple transcription, the Create Beautiful Things Notebook is a must. Studies About Benefits of Paper Notebooks Don't just take my word, based on a study conducted at UCLA, the Association for Psychological Science indicated that "taking notes by hand is better than taking notes on a laptop for remembering". Will you take advantage of this knowledge to gain an edge on your competition at school, work, or business? How will better understanding make things help you achieve your goals? Organize Your Life Get rid of little scraps of paper you use to capture inspirations and ideas, daily tasks, notes, and phone numbers. Use the Create Beautiful Things Notebook to neatly organize your life. Feel Better By Logging Your Progress In my corporate days, I'd instruct employees to write down accomplishments as they happened. During annual reviews, we are bogged down with current issues and activities and it's hard to remember the great things we did 9, 6, or even 3 months ago. Write down your accomplishments with your hobbies, weight loss, and other life goals. Use the Create Beautiful Things Notebook notebook to look back feel good about yourself and the things you've done! FREE BONUS INSIDE Included inside is a link to download a free copy or an amazing adult coloring book featuring mandalas, animals and butterflies. Aside from*

pictures are one-sided, so no bleed-through issues. Features lovely backing paper with Christmas motif. Thank you for getting this book! You and your kids will love it!

Back in the Fall of 2001, Klutz created The Fabulous Book of Paper Dolls, and it's a good thing we did. Almost 800,000 copies later, we are happy to say we have given it a brand-new face without messing with the time-tested content. These paper people wear their clothes with the help of reusable, press-on, peel-off adhesive dots -- no tabs! The dolls, clothes, and accessories are perforated, ready to pop right out and play. Six reversible paper dolls in a variety of skin tones come with the book. Half of them have pre-printed faces, and the other half are ready to be customized. There are bunches of reversible clothes, shoes, and hairstyles that make exactly one jillion different combinations. (We counted.) Of course, any fashion expert will tell you that accessories are the key to snappy dressing, so we've provided plenty of them, from hats to sunglasses to soccer balls to tiaras. To round out the family, three baby paper dolls and a few paper pets are also included. Artists from around the globe were commissioned to create six beautifully illustrated backdrop scenes. Prop open the book to one, and your dolls are transported to a beach, ballroom, theatrical stage, neighborhood park, winter wonderland, or only-slightly-messy kids' bedroom. In the back of the book is a nifty portfolio-pocket armoire, providing plenty of wrinkle-free storage for the dolls, clothes, and accessories after they've been punched out. The Fabulous Book of Paper Dolls is a fabulous introduction to a classic activity -- now freshened up for a whole new generation.

Unleash your child's personality with this brightly coloured, rainbow, paint effect Children's Story Writing paper composition book! Red Panda Publishing produces great quality, colourful composition books, sketchbooks and journals with beautiful designs on the cover to give you incredible choice when selecting your stationary for school, college, work or use at home. Alli-Kar, a white-hole portal from another universe, rains meteoroids onto the surface of the planet Kelanni. But the "lodestones" behave according to different physical laws, transforming Kelanni's society. With the aid of the fearsome their flying cloaks, the Kelanni are being put to forced labor to mine the lodestones. Shann, an orphan with a fiery determination witnesses a battle between a Keltar and a stranger bearing a similar flying cloak. She tracks down the stranger, learns the technology behind the Keltars' power and joining him on a mission to free the slaves and cut off their supply of lodestones. Meanwhile Keris, a Keltar, is sent on a mission to track down the rebels. She is attacked by a flying creature and saved by an enigmatic Chandara. At their Great Tree, she learns that a mysterious "Prophet" is out to destroy the Kelanni people and that hope is a powerful instrument hidden in the distant past. Pursued by Keltar, the party will encounter bizarre creatures, advanced technologies and terrifying dangers. Finally, they must seek to cross a massive storm barrier in order to reach the core of their world, where a world-shaking revelation awaits.
