

The Forever Letter: Writing What We Believe For Those We Love

Twelve prompted letters offer a meaningful way for friends, family, and long-distance loves to be there in spirit when they can't be there in person. The gift-giver fills this book of letters with pep talks and good cheer, seals each envelope with a sticker, and gifts this keepsake for future opening. The recipient gets to break the seals to find the greatest gift: their loved one's encouraging words whenever they need them the most.

This book of twelve prompted letters invites parents to share memories, love, and words of wisdom with a son of any age. Once filled out, postdated, and sealed, these letters will become a truly special keepsake.

"Rosita felt like a taco all wrapped up in Mama Elena's rebozo shawl." Three year old Rosita Chavez is dark eyed, cute, and cuddly. The Chavez family is desperately poor, struggling to get ahead. A humorous accident lands Rosita's gradpa, skinny Abuelo Don Juan and his donkey, right in the middle of wealthy Helen Winter's flower beds. The situation ignites a bond of friendship which develops between the two families. Don Juan is pressured by his wife, Lupita, to accomplish that which is beyond his reach. Wearing her long skirts, an apron and huarache sandals, Rosita's mother, Mama Elena is strong, hard working, loving and kind. Six year old Daniel Winters takes to her immediately. Mama Elena treats Daniel as if he were her own son. He becomes protective of Rosita. The two families' entertaining adventures exploring the historical sites of the City of Cuernavaca help develop a mutual understanding of their cultural differences. While Rosita and her family struggle to achieve what the Winters take for granted, the Winters on the other hand, begin to change their outlook on life and take pleasure in learning about the people around them. Helen Winters is determined to help the Chavez family in a way that does not hurt their pride. "Rosita in Mexico" is an educational and emotionally heart-warming book for children ages 9 to 99. Pointing out the cultural differences, the historical wealth, and the geographical diversity of Mexico, this book begins to fill the gap in understanding between the peoples inhabiting the North American Continent.

An accomplished novel from a talented writer, Letters to the Lost is a stunning, emotional love story. Iona Grey's prose is warm, evocative, and immediately engaging; her characters become so real you can't bear to let them go. I promised to love you forever, in a time when I didn't know if I'd live to see the start of another week. Now it looks like forever is finally running out. I never stopped loving you. I tried, for the sake of my own sanity, but I never even got close, and I never stopped hoping either. Late on a frozen February evening, a young woman is running through the streets of London. Having fled from her abusive boyfriend and with nowhere to go, Jess stumbles onto a forgotten lane where a small, clearly unloved in old house offers her best chance of shelter for the night. The next morning, a mysterious letter arrives and when she can't help but open it, she finds herself drawn inexorably into the story of two lovers from another time. In London 1942, Stella meets Dan, a US airman, quite by accident, but there is no denying the impossible, unstoppable attraction that draws them together. Dan is a B-17 pilot flying his bomber into Europe from a British airbase; his odds of survival are one in five. In the midst of such uncertainty, the one thing they hold onto is the letters they write to each other. Fate is unkind and they are separated by decades and continents. In the present, Jess becomes determined to find out what happened to them. Her hope—inspired by a love so powerful it spans a lifetime—will lead her to find a startling redemption in her own life in this powerfully moving novel.

Twelve-year-old best friends Elizabeth and Tara*Starr continue their friendship through letter-writing after Tara*Starr's family moves to another state, in a complex and emotionally rich novel about two friends coping with overwhelming change.

"The Last Letter is a haunting, heartbreaking and ultimately inspirational love story."—InTouch Weekly Beckett, If you're reading this, well, you know the last-letter drill. You made it. I didn't. Get off the guilt train, because I know if there was any chance you could have saved me, you would have. I need one thing from you: get out of the army and get to Telluride. My little sister Ella's raising the twins alone. She's too independent and won't accept help easily, but she has lost our grandmother, our parents, and now me. It's too much for anyone to endure. It's not fair. And here's the kicker: there's something else you don't know that's tearing her family apart. She's going to need help. So if I'm gone, that means I can't be there for Ella. I can't help them through this. But you can. So I'm begging you, as my best friend, go take care of my sister, my family. Please don't make her go through it alone. Ryan

"Beautiful. The human condition is on full display in these glimpses of our essential connectedness. Perfect for our times." —Dani Shapiro, author of Inheritance Sixty-five extraordinary writers grapple with this mystery: How can an ephemeral encounter with a stranger leave such an eternal mark? When Colleen Kinder put out a call for authors to write a letter to a stranger about an unforgettable encounter, she opened the floodgates. The responses—intimate and addictive, all written in the second person—began pouring in. These short, insightful essays by a remarkable cast of writers, including Elizabeth Kolbert, Pico Iyer, Lauren Groff, Gregory Pardlo, Faith Adiele, Maggie Shipstead, Lia Purpura, Kiki Petrosino, and Jamil Jan Kochai, are organized around such themes as Gratitude, Wonder, and Farewell and guide us both across the globe and through the mysteries of human connection. Addressed to a first responder after a storm, a gambler encountered on jury duty, a waiter in Istanbul, a taxi driver in Paris, a roomful of travelers watching reality TV in La Paz, and dozens of others, the pieces are replete with observations about how to live and what we seek, and how a stranger's loaded glance, shared smile, or question posed can alter the course of our lives. Moving and unforgettable, Letter to a Stranger is an irresistible read for the literary traveler and the perfect gift for anyone who is haunted by a person they met once and will remember forever.

“One of the loveliest, most exquisitely beautiful books I’ve read in a very long time. . . . I didn’t just read the pages, I lived in them.” —Jennifer Niven, New York Times bestselling author of *All the Bright Places* A beautiful love story for fans of Jandy Nelson and Nicola Yoon: two teens find their way back to each other in a bookstore full of secrets and crushes, grief and hope—and letters hidden between the pages. Years ago, Rachel had a crush on Henry Jones. The day before she moved away, she tucked a love letter into his favorite book in his family’s bookshop. She waited. But Henry never came. Now Rachel has returned to the city—and to the bookshop—to work alongside the boy she’d rather not see, if at all possible, for the rest of her life. But Rachel needs the distraction. Her brother drowned months ago, and she can’t feel anything anymore. As Henry and Rachel work side by side—surrounded by books, watching love stories unfold, exchanging letters between the pages—they find hope in each other. Because life may be uncontrollable, even unbearable sometimes. But it’s possible that words, and love, and second chances are enough.

New York Times Bestseller: This anthology of Erma Bombeck’s most memorable and humorous essays is a tribute to one of America’s sharpest wits. When she began writing her regular newspaper column in 1965, Erma Bombeck’s goal was to make housewives laugh. Thirty years later, she had published more than four thousand columns, and earned countless laughs—from housewives, presidents, and everyone in between. With grace, good humor, and razor-sharp prose, she gently skewered every aspect of the American family. This collection holds the best of her columns—not just her famous quips, but also the heartbreaking observations that gave her writing such weight. In 1969, Erma wrote: “screaming kids, unpaid bills, green leftovers, husbands behind newspapers, basketballs in the bathroom. They’re real . . . they’re warm . . . they’re the only bit of normalcy left in this cockeyed world, and I’m going to cling to it like life itself.” With what Publishers Weekly calls her “infectious sense of human absurdity,” Erma Bombeck’s writing remains a timeless examination of the still-cockeyed world. This ebook features an illustrated biography of Erma Bombeck including rare images and never-before-seen documents from the author’s estate.

The Art of the Personal Letter

One Million Lovely Letters is one woman's inspirational journey to recovery. A witty and uplifting testament to the power of words to heal the heart and mind. As featured on 'Jodi's Lovely Letters', part of the popular BBC One series 'Our Lives'. In the summer of 2011, aged only 22, Jodi Ann Bickley contracted a serious brain infection that would change her life forever. Jodi had been performing at Camp Bestival on the Isle of Wight.

Returning with pockets full of glitter, she thought the happy memories would last forever. A week later, writhing in pain on the doctor's surgery floor, Jodi found out that she had been bitten by a tick and contracted a serious brain infection. Learning to write and walk again was just the start of the battle. In the months that followed Jodi struggled with the ups and downs of her health and the impact it had on her loved ones. Some days Jodi found herself wondering whether she could go on. She had two choices: either to give up now or do something meaningful with the time she had been given. Jodi chose the latter. This is the story how she turned her life around. 'An extraordinary woman.' Stephen Fry 'There is so much emotion in these pages that we challenge you not to cry.' What could be better than putting words to paper to tell people who we are and what we are becoming, and what it is that we cherish and value—thanking them for the way they helped point us toward our own North Star?"—Parker J. Palmer, author of *Let Your Life Speak* and *A Hidden Wholeness* "Elana Zaiman has a mission: She loves connection, deep and personal, and wants others to experience the sweet joy she has lived of shared truth-telling. Her forever letter embodies the passing on of wisdom, humbling experience, dreams, and love from one person to another. It is a beautiful concept that all of us should embrace."—Julie Schwartz Gottman, PhD, co-founder of the Gottman Institute and author of *Ten Principles for Doing Effective Couples Therapy*

FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF PEOPLE WE MEET ON VACATION AND BOOK LOVERS! A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily ever afters. Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). From the country's leading couple therapist duo, a practical guide to what makes it all work. In *10 Principles for Doing Effective Couples Therapy*, two of the world's leading couple researchers and therapists give readers an inside tour of what goes on inside the consulting rooms of their practice. They have been doing couples work for decades and still find it challenging and full of learning experiences. This book distills the knowledge they've gained over their years of practice into ten principles at the core of good couples work. Each principle is illustrated with a clinically compiled case plus personal side-notes and storytelling. Topics addressed include: • You know that you need to "treat the relationship," but how are you supposed to get at something as elusive as "a relationship"? • How do you empathize with both clients if they have opposite points of view? Later on, if they end up separating does that mean you've failed? Are you only successful if you keep couples together? • Compared to an individual client, a relationship is an entirely different animal. What should you do first? What should you look for? What questions should you ask? If clients give different answers, who should you believe? • What are you supposed to do with all the emotional and personal history that your clients stir up in you? • How can you make your work research-based? No one who works with couples will want to be without the insight, guidance, and strategies offered in this book.

It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more -- though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while May was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May. And only when Laurel has begun to see her sister as the person she was -- lovely and amazing and deeply flawed -- can she begin to discover her own path in this stunning debut from Ava Dellaira, *Love Letters to the Dead*.

A real professor and her student forge a friendship through correspondence as they discuss love, art, life, cancer, and death. In 2012, Sarah Ruhl was a distinguished author and playwright, twice a finalist for the Pulitzer Prize. Max Ritvo, a student in her playwriting class at Yale University, was an exuberant, opinionated, and highly gifted poet. He was also in remission from pediatric cancer. Over the next four years—in which Ritvo's illness returned and his health declined, even as his productivity bloomed—the two exchanged letters that spark with urgency, humor, and the desire for connection. *Reincarnation, books, the afterlife as an Amtrak quiet car, good soup: in Ruhl and Ritvo's exchanges, all ideas are fair, nourishing game, shared and debated in a spirit of generosity and love. "We'll always know one another forever, however long ever is," Ritvo writes. "And that's all I want—is to know you forever." Studded with poems and songs, Letters from Max is a deeply moving portrait of a friendship, and a shimmering exploration of love, art, mortality, and the afterlife. Praise for Letters from Max "An unusual, beautiful book about nothing less than the necessity of art in our lives. Two big-hearted, big-brained writers have allowed us to eavesdrop on their friendship: jokes and heartbreaks, admiration, hard work, tender work." —Elizabeth McCracken, author of Bowlaway "Immediate comparisons will be made to Rainer Maria Rilke's Letters to a Young Artist . . . this book is a nuanced look at the evolution of an incredible talent facing mortality and the mentor, never condescending, who recognizes his gift. Their infectious letters shine with a love of words and beauty." —The Observer "Deeply moving, often heartbreaking. . . . A captivating celebration of life and love." —Kirkus Reviews "Moving and erudite . . . devastating and lyrical . . . Ruhl draws a comparison between their correspondence and that between poets Robert Lowell and Elizabeth Bishop, and indeed, with the depth and intelligence displayed, one feels in the presence of literary titans." —Publishers Weekly*

Letters to My Dad

The first major socio-cultural study of manuscript letters and letter-writing practices in early modern England. Daybell examines a crucial period in the development of the English vernacular letter before Charles I's postal reforms in 1635, one that witnessed a significant extension of letter-writing skills throughout society.

In "Letter from Birmingham Jail," Martin Luther King Jr. explains why blacks can no longer be victims of inequality.

Franz Kafka first met Felice Bauer in August 1912, at the home of his friend Max Brod. The twenty-five-year-old career woman from Berlin—energetic, down-to-earth, life-affirming—awakened in him a desire to marry. Kafka wrote to Felice almost daily, sometimes even twice a day. Because he was living in Prague and she in Berlin, their letters became their sole source of knowledge of each other. But soon after their engagement in 1914, Kafka began having doubts about the relationship, fearing

that marriage would imperil his dedication to writing and interfere with his need for solitude. Through their break-up, a second engagement in 1917, and their final parting later that year, when Kafka began falling ill with the tuberculosis that would eventually claim his life, their correspondence continued. The more than five hundred letters that Kafka wrote to Felice over the course of those five years were acquired by Schocken from her in 1955. They reveal the full measure of Kafka's inner turmoil as he tried, in vain, to balance his need for stability with the demands of his craft. "These letters are indispensable for anyone seeking a more intimate knowledge of Kafka and his fragmented world." —Library Journal

As evidenced in the Terri Schiavo case that made national headlines, having a living will is an essential element in ensuring that the way in which you would like to spend your last days will be respected. It informs both family and doctors of your medical treatment preferences in specific situations. An ethical will is a complementary text that communicates personal values, beliefs, blessings, and advice to relatives and to future generations. It can be more meaningful to friends and family than any material possession you could bequeath to them. Together, living and ethical wills ensure that your wishes and hopes are "on the record," not to be lost, ignored, or forgotten. Offering practical and inspirational advice for people at any stage of life, *Ethical and Living Wills* includes: --Three recommended writing approaches to capturing our feelings for posterity --Expert information for understanding the legal and practical issues involved in documenting your medical care and treatment preferences in commonly occurring situations --Advice on when to distribute both ethical and living wills -- Tips to protect the legacy you leave in an ethical will-preparing and caring for the document you create
