The truths about
Iran; quite
different truths
from versions
put forward by
Washington,
Tehran, and the
media. Iran
thundered onto
the world stage
in 1979 with an
Islamic

revolution that
shook the world.

Today that
revolution has
gone astray, a
popular
democracy
movement boldly
challenges
authority, and
young Iranians
are more
interested in
moving to

America than in
chanting "Death
to America."

Afshin Molavi,
born in Iran and
fluent in
Persian,
traveled widely
across his
homeland,
exploring the
legacy of the
Iranian
revolution and

probing the soul
of Iran, a land
with nearly
three millennia
of often-
glorious
history. Like a

Molavi weaves
together threads
of rich

the daily
realities of
life in the

to produce a

In Fire Love,

divine light,
limitless
creativity, and
soulful depth.

She inspires
readers to
fathom and
perceive as
attainable the

of the mind,

invites the

reader to create
a new life
experience
through the
undeniable
healing and
freeing nature
of love.

In our Christian
walk in this
world, we are
always presented
with choices and
subtle offers

that can appear
appealing.

However, we
often ignore the
small print,
either
deliberately, or
through
ignorance.

Interestingly,
the Israelites,
faced similar
offers, as they
'negotiated'

with Pharaoh for
their freedom
from slavery.

Freedom Bargains
explores five
subtle offers
usually
presented to us

to God's ideal
of real and

out by God, in

being able to

all the traps

that are

us into living

intends for us.

It encourages
and challenges
believers to re-
examine God's
original
intention for
setting us free.

It encourages us
to be alert to
and remain
steadfast in the
liberty with

which we have
been set free
and to let this
be manifest in
all areas of our
lives. The book
is written in a
contemporary,
conversational
style with real
life (personal,
family, social
and political)
examples which

current popular
and social
culture and
makes it easily

mature
believers. This
notwithstanding,
the book's

strongly
biblical and
culturally
informed. The
chapters include
