

The Gay Man's Kama Sutra

The PassionBook is the most famous work of erotica in the vast literature of Tibetan Buddhism, written by the legendary scholar and poet Gendun Chopel (1903-1951). Soon after arriving in India in 1934, he discovered the Kama Sutra. Realizing that this genre of the erotic was unknown in Tibet, he set out to correct the situation. His sources were two: classical Sanskrit works and his own experiences with his lovers. Completed in 1939, his "treatise on passion" circulated in manuscript form in Tibet, scandalizing and arousing its readers. Gendun Chopel here condemns the hypocrisy of both society and church, portraying sexual pleasure as a force of nature and a human right for all. On page after page, we find the exuberance of someone discovering the joys of sex, made all the more intense because they had been forbidden to him for so long: he had taken the monastic vow of celibacy in his youth and had only recently renounced it. He describes in ecstatic and graphic detail the wonders he discovered. In these poems, written in beautiful Tibetan verse, we hear a voice with tints of irony, self-deprecating wit, and a love of women not merely as sources of male pleasure but as full partners in the play of passion.

Finally there is a book that tells you what you need to know about gay sex. This book informs you about everything you need to know, whether it's dating, health, the best ways to relax or the responsible use of stimulants.

"Who was Vatsyayana? What motivated this intriguing personality in the third century to compile ancient erotic texts, replete with his witty aphorisms, into the Kama Sutra

the ultimate treatise on love and the art of lovemaking? Kama is a fictionalised account of the life and times of Vatsyayana. Seemingly, a manual for the hedonist about town, the Kama Sutra reveals another tale—written in blood—of broken hearts, lyrical violence, ageless love, and unbridled lust! Set in 273 AD, in a land fraught with war and unrest, Kama is the story of a catastrophic day in a writer-artist's life that sets him off on a journey unto himself, beyond the boundaries of love, family and betrayal. This fast-paced story of tragedy and triumph beguiles and captivates as it flits seamlessly between an agonising past, erotic present and a cataclysmic future."

The story of this monumental work begins in the mists of time and, after a brief layover in La Verkin, Utah, it was triumphantly introduced to the world by Cami

Sue Truman in 1970. While never totally out of print, Sister Dottie S. Dixon, along with artist Pat Bagley, have endeavored to update this wonderful work and marvel. You have in your hands the 40th anniversary edition, revised and edited for latter-day 21st century sensibilities.

The Gay Man's Kama Sutra Carlton Books

A provocative 'sexploration' of the cultural and political landscape of modern India.

In the beginning, the Lord of Beings created men and women, and in the form of commandments in one hundred thousand chapters laid down rules for regulating their existence with regard to Dharma, [1] Artha, [2] and Kama.[3] Some of these commandments, namely those which treated of Dharma, were separately written by Swayambhu Manu; those that related to Artha

were compiled by Brihaspati; and those that referred to Kama were expounded by Nandi, the follower of Mahadeva, in one thousand chapters. Now these 'Kama Sutra' (Aphorisms on Love), written by Nandi in one thousand chapters, were reproduced by Shvetaketu, the son of Uddvalaka, in an abbreviated form in five hundred chapters, and this work was again similarly reproduced in an abridged form, in one hundred and fifty chapters, by Babhravya, an inhabitant of the Punchala (South of Delhi) country. These one hundred and fifty chapters were then put together under seven heads or parts named severally- 1st. Sadharana (general topics). 2nd. Samprayogika (embraces, etc.). 3rd. Kanya Samprayuktaka (union of males and females). 4th. Bharyadhikarika (on one's own wife). 5th. Paradika (on the wives of other people). 6th. Vaisika (on courtesans). 7th. Aupamishadika (on the arts of seduction, tonic medicines, etc.). Man, the period of whose life is one hundred years, should practise Dharma, Artha, and Kama at different times and in such a manner that they may harmonize together and not clash in any way. He should acquire learning in his childhood, in his youth and middle age he should attend to Artha and Kama, and in his old age he should perform Dharma, and thus seek to gain Moksha, i.e., release from further transmigration. Or, on account of the uncertainty of life, he may practise them at times when they are enjoined to be

practised. But one thing is to be noted, he should lead the life of a religious student until he finishes his education. Dharma is obedience to the command of the Shastra or Holy Writ of the Hindoos to do certain things, such as the performance of sacrifices, which are not generally done because they do not belong to this world, and produce no visible effect; and not to do other things, such as eating meat, which is often done because it belongs to this world, and has visible effects.

Redesign your sex life with this tongue-in-cheek architecture and design-themed take on the Kama Sutra. 'Truss Me', 'Eames it in' and 'Get an Eiffel' are just some of the sexual positions listed in this architecture- and design-themed take on the Kama Sutra, the ancient Indian Hindu guide to love and sex. Le Corbusier coined the phrase 'machines for living' in his book, *Towards an Architecture* in 1923. Sex plays a large role in society and everyday life. So why is it so often overlooked when an architect designs a building? Miguel Bolivar's tongue-in-cheek sex manual uses witty descriptions and annotated scale

drawings to demonstrate various sexual positions, all inspired by iconic buildings and often incorporating surprising uses for designer furniture. The Archisutra builds on the work of Vitruvius, da Vinci and Le Corbusier in pushing the idea that buildings should be designed around human life.

Le Livre Blanc, a "white paper" on homosexual love, was first published anonymously in France by Cocteau's contemporary Maurice Sachs and was at once decried as by the critics as obscene. It is now possible to issue it under Cocteau's name. The semi-autobiographical narrative describes a youth's love affairs with a succession of boys and men during the early years of this century. The young man's self-deceptive attempts to find fulfilment, first through women and then by way of the church, are movingly conveyed; the book ends with a strong plea for male homosexuality to be accepted without censure. The book is fully illustrated and includes many woodcuts by the author.

Tritiya-Prakriti: People of the Third Sex is a collection of years of research into a topic seldom discussed or easily found within the Hindu/Vedic scriptural canon. Based entirely upon authentic Sanskrit references and modern concurring facts, the book guides us through the original Hindu concept of a "third sex" (defined as homosexuals, transgenders and the intersexed), how such people were constructively incorporated into ancient Indian society, and how foreign influences eventually eroded away that noble system. It discusses how this concept can be practically applied in today's modern world, the importance of all-inclusiveness in human society, and the spiritual principle of learning to transcend material designations altogether. Tritiya-Prakriti: People of the Third Sex will be a

valuable source of reference for anyone interested in Hindu/LGBTI studies whether they are newcomers to the field or seasoned veterans of Vedic knowledge. It offers a veritable treasure trove of fresh information and ideas that will likely challenge the reader to rediscover and rethink Hinduism's traditional understanding and treatment of gay, lesbian, and other gender-variant people within its culture. "The recognition of a third sex in ancient India and Hinduism is highly relevant in many ways. Our own modern-day society has only recently begun to understand sexual orientation, transgender identity, and intersex conditions, and our legal and social systems are just beginning to catch up with and accommodate such people in a fair and realistic way . . . yet ancient India had already addressed and previously resolved this issue many thousands of years ago in the course of its own civilization's development. Indeed, there is much we can learn from ancient India's knowledge regarding the recognition and accommodation of a 'third sex' within society."

-Amara Das Wilhelm "In India there is a system where such people (the third sex) have their own society, and whenever there is some good occasion like marriage or childbirth, they go there and pray to God that this child may be very long living." -A.C. Bhaktivedanta Swami Prabhupada "Gay and lesbian people have always been a part of society from Vedic times to our postmodern times. They should be accepted for what they are in terms of their

sexual orientation and encouraged like everyone else to pursue spiritual life." -B.V. Tripurari Swami "Initially, I did not really allow myself to go deep in trying to understand the third sex. I figured that this was necessary only for those who are insensitive, arrogant and fundamentalist . . . who think that they are compassionate and tolerant while basically being superficial and even condescending. It is quite amazing how most of us can be so prejudiced about so many things and not even know itI thank you and several others for your compassion and for your tolerance in making efforts to educate your Godfamily, so that we can be more authentic servants of the servant." -H.H. Bhakti Tirtha Swami

Budding archaeologist Tara Singh has been excavating the ruins near Khajuraho for two years, hoping to discover a new temple. In the

process, she's discovered that she has a slight crush on her boss, eminent archaeologist Hari Varma. But the man Tara is truly fascinated by is the Chandela King Vidyadhara, who built the crowning jewel of the complex - the Kandariya Mahadeva temple - 'the one with the most sex stuff on its walls'. Tara's curiosity is about to be satisfied when she runs into Kala Devi, a tantric who sends her back in time to 1022 CE. Now, armed only with an unwieldy sword and her wits, Tara finds herself trapped in the medieval world of queens, concubines, courtiers and, of course, the King himself, who is everything she'd imagined - only sexier. As she scrambles to find a way back home, Tara begins to wonder why she was sent here in the first place. A heady cocktail of romance and history, this delicious tale will leave you thirsting for more

An ancient Hindu text, "The Kama Sutra" is attributed to Vatsyayana-a Vedic philosopher of the Gupta Empire. The book offers advice on the practice of sexual intercourse, with additional passages about virtue, love, family, and other aspects of human life. It is arguably the world's most famous literary document concerning human sexuality.

This is the first book to examine the same-sex weddings and same-sex couple suicides reported in India over the last two decades. Ruth Vanita examines these cases in the context of a wide variety of same-sex unions, from Fourteenth-century narratives about co-wives who miraculously produce a child together, to Nineteenth-century depictions of ritualized unions between women, to marriages between gay men and lesbians arranged over the internet. Examining the changing legal, literary, religious and social Indian and Euro-American traditions within which same-sex unions are embedded, she brings a fresh perspective to the gay marriage debate, suggesting that same-sex marriage dwells not at the margins but at the heart of culture. *Love's Rites* by Ruth Vanita is a finalist for a Lambda Literary Award.

We gay folk, who inhabit bodies of the

type we naturally desire, require a sex-positive spiritual practice that celebrates and utilizes our gay being instead of opposing it. We need a spiritual practice that teaches us how to use our senses instead of merely shutting them off or repressing them. We need a practice that empowers us to integrate all the rejected aspects of self to form a strong, healthy gay identity, which confers a spiritual advantage in deep spiritual practice. We need a spiritual practice that recognizes that gender and gender identity are fluid, that we all contain elements of the masculine and feminine. We need a spiritual practice that recognizes not only that same-sex love is possible, but that our love can powerfully energize a deep quest for Self-awareness and enlightenment. We need to realize that any feeling of shame or unworthiness connected to our gay being shackles our spirit and blocks us from the full realization of God/dess within, for the Divine Being is gay, too.
