

## The Gorgeous How To Draw Book For Girls: A Fun And Easy Step By Step Drawing Book!

*This book presents how to draw beautiful comics (cute stuff), in an easy and fun way that allows children to enjoy drawing, which makes them more open to books. These methods rely on the use of simple shapes - such as circles, ovals, rectangles and triangles, and how to customize them by adding your cool details. These methods are used to allow children to raise the mental and compulsive decisions of children at an early age, while keeping the childish style of drawing fun, which makes children more accommodating and enjoying. Drawing promotes family bonds, as it is accompanied by parents or siblings and is a good way to stimulate affection and communication. Parents should take advantage of every possible opportunity to draw with their children, who will be very pleased with this participation. This book to drawing is perfect for kids 9-12 +, but kids age 6-8 with a high interest in art will be able to follow our diagrams easily as well. The Drawing Book for Kids is the only book you'll need to turn your kids' creativity into artistic confidence!*

*Does your child love cute baby animals, things, and cartoon characters? Well this is called Kawaii / Chibi style. This is a compilation or collection of our 3 Kawaii drawing books that will teach your kids how to draw cute Kawaii style animals, critters, things, foods, desserts, and super cute characters. This is a style of Manga / Anime that is very simple for children to draw. I am sure that you have seen Kawaii style before...these cute cartoons are known to have very basic geometric shapes, adorable expressions, and large eyes. This book will teach your child how to draw these cute characters, step by step, with the easiest approach possible...by using alphabet letters, numbers, symbols, and other simple shapes. By buying this compilation book, you are getting 3 books for the price of 2. Kids and beginners will learn how to draw cute Kawaii stacked animals, a cute doggy in a shark costume, an adorable raccoon holding a monkey balloon, a cute little kid eating a lollipop, a Chibi bunny rabbit crying over his spilled ice cream, adorable Kawaii kittens hugging, a cute baby duckling in sunglasses pointing at a cute bumble bee, a cute Kawaii tiger, an adorable raccoon, a cute Kawaii turtle eating pizza, a Chibi kid in a frog onesie costume, an adorable Kawaii cactus, a cute pig cupcake, a silly fish spitting water at a bird, a Kawaii seal ice cream cone, a cute hedgehog, a llama dressed in a unicorn costume, a cute dog super hero, a Kawaii elephant singing and dancing, a cute hedgehog balancing on top of a fox and a piggy, cute Kawaii animals stacked in an ice cream cone, a cute Kawaii hamsters, an adorable raccoon, cute Kawaii cats, a Chibi unicorn, an adorable dragon, a cute narwhal, a silly octopus with a mustache, a child dressed in a dinosaur costume, a unicorn jumping in the air, a little girl sticking out her tongue, a cute Kawaii narwhal ice cream cone, an adorable hamster running in his hamster ball, and many other cute Kawaii characters. Some of these Chibi / Kawaii drawings might seem strange to you, but it is what kids are drawing these days...and these are so easy to learn how to draw. These cartoons are perfect for doodling. You will find your child's doodles and you won't be able to keep yourself from smiling. Kawaii style is easy to doodle and that is part of what makes this style so much fun to learn how to draw. Rachel has been teaching kids how to draw for almost ten years now, and this drawing technique really works! With this no-tears strategy, learning how to draw is fun for children as young as 5 years old, but also works for adults and teens. Cartooning is fun for kids, but even more fun when it comes easy to them. This book does just that...makes drawing fun and easy for kids. This book will turn your child into the manga / kawaii artist that he or she wants to be. Each cute Kawaii drawing lesson is a step by step process. Each tutorial is broken down into the simplest of steps that can be followed by most children. Your child doesn't need to know how to read or write letters to follow these drawing lessons. In fact, preschoolers, Kindergartners, First graders, etc. can enjoy this book. The only thing your child needs is time and interest. You can also use this as a drawing workbook as the child can draw along in the book. This book is for both boys and girls, and is good for kids of most age ranges, but is best for kids aged 6-8, 9-12 - but if your kids are 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, etc, they will all have fun trying these drawing tutorials out. Have fun drawing the day away! Let the Kawaii drawing and doodling start now! Great for kids and beginners! Just an FYI. This book teaches your child how to draw Kawaii characters, animals, and things that we created. It does NOT teach your child how to make up their own Kawaii characters.*

"Drawing Cute Manga Chibi walks you through the steps needed to draw these adorable characters, while sidebars offer expert tips, pointers on the pitfalls to avoid, and how to use details to bring your drawings to life"--

The works in The Drawing Book, by artists, architects, sculptors, scientists, filmmakers and thinkers of all descriptions, attest to the versatility and immediacy of drawing. From first thoughts to finely wrought, elaborate artworks, from the lightest sketch in pencil to bold, gallery-wall installations, the medium is shown as an essential vehicle for creativity. The recent prominence of artists such as Ofiii, Rachel Whiteread, Ellen Gallagher, and a host of others who use drawing as a final means of expression, is addressed in both the works shown and essays by curators Kate Macfarlane and Katharine Stout, and art historian Charles Darwent. The Drawing Book takes us on a journey through five themes -- measurement, nature, the city, dreams, and the body. Each is richly illustrated with a d old masters -- Leonardo da Vinci, Botticelli, Dürer -- through great Modernist pieces by Rodin, Picasso, Matisse, and on to the contemporary artists who are reviving drawing today. A new and unique approach to an age old medium.

*Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in The Reverse Coloring Book has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking a clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. The Reverse Coloring Book includes 50 original works of art, printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen.*

*Learning How to Draw Has Never Been Easier! Lee Hammond's All New Big Book of Drawing is the culmination of nearly forty years of teaching. No matter what your experience level YOU CAN DRAW by following along these easy step-by-step demonstrations. Whether you want to create drawings of flowers, learn how to draw animals or how to draw a person, these drawing techniques, all-new projects, and expert tips will show you how to get great results with both regular pencils and colored pencils. • Two books in one. The first half is a comprehensive course on using pencils to capture shape, form and likeness. The second half explores adding color using colored pencils • 88 step-by-step projects. You will learn to draw everything with this book! Starting with a simple sphere and working up to sea shells, sunsets, flowers, birds, horses, clothing, people--and so much more! • A lifetime of know-how! Lee covers it all--from big picture concepts (selecting tools, shading techniques, making sense of perspective) down to techniques for creating the look of feathers, capturing skin tones, and making surfaces look shiny or transparent. Using her straightforward, three-stage approach to lifelike drawings, Lee makes any subject approachable, from still life and landscapes to animals and even people. This project-driven tome will help you create realistic, frame-worthy artwork. Project by project and subject by subject, you will gain confidence and cultivate great joy in drawing.*

*Build your drawing and character design skills while following the step-by-step instructions of Draw 62 Animals and Make Them Cute. Beloved illustrator and Instagrammer Heegyum Kim takes you on a fun journey to expand your character-building skills as she shows youhow to draw 62 animals and make them cute! On the left-hand page, follow along with the steps as each animal moves from simple shapes to identifying marks. On the right-hand page, you will find several other clever options for varying your character design. You might change the view, the animal's posture, their accessories, or their expression. Grab your pen and use the open spaces throughout the book to create your own versions and variations of each one. Whether it's a playful platypus, an adorable sloth, or a scintillating chinchilla—you will delight in the charm of this animal collection. Fresh, modern, and with a dash of clever anthropomorphic humor, you won't find a more enjoyable way to practice your illustration and expand your imagination.*

*Draw the Flow Way "Create whatever causes a revolution in your heart." –Elizabeth Gilbert "I cannot rest, I must draw, however poor the result, and when I have a bad time come over me it is a stronger desire than ever." –Beatrix Potter "Drawing, painting, creating...it's like a muscle. You have to work on it every day." –Sarah Walsh "Draw the art you want to see, start the business you want to run, play the music you want to hear, write the books you want to read, build the products you want to use—do the work you want to see done."*

*–Austin Kleon "Drawing is the discipline by which I constantly rediscover the world. I have learned that what I have not drawn, I have never really seen, and that when I start drawing an ordinary thing, I realize how extraordinary it is, sheer miracle." –Frederick Frank*

*"Have no fear of perfection, you'll never reach it." –Salvador Dalí "Creativity is a way of living life, no matter what our vocation or how we earn our living." –Madeline L'Engle "I believe the most important single thing, beyond discipline and creativity, in any artistic work, is daring to dare." –Maya Angelou "I sometimes think that there is nothing so delightful as drawing." –Vincent van Gogh In this innovative approach to drawing instruction, the illustrators from Flow magazine open up their tool kits, sharing secrets and techniques to teach the creatively curious how to draw. The lessons, 50 in all, curated from the best of Flow's two special drawing issues, show how to render the kinds of things we see every day: a bouquet of flowers, a beloved teacup, colorful mittens, the kitchen table, a bike, jam jars, a cat, an apple tree. Along the way we learn about color, materials, perspective, tools, and negative space.
