"Equally fun, risqué, and informative, this is a welcome addition to sexual health literature." - Publishers Weekly In a culture where female empowerment is used to sell everything from sex toys to soap, most sex education continues to bypass pleasure. The results are stark—we've grown accustomed to slut- and prude-shaming and allowed others to dictate how a "good girl" is meant to feel, act, and look. In *Girl Boner: The Good Girl's Guide to Sexual Empowerment*, August McLaughlin offers an unfiltered blend of personal narrative and practical tips on relationships, solo play, journaling, gender issues, and more. From the perks of "Jilling off" to the 7 types of 'gasms, *Girl Boner* will "empower you to own your sexual self and enjoy ... your whole life a great deal more." So, what exactly is a girl boner? We dare you to find out.

Filled with humor and straight talk, the coauthor of Sex Tips for Straight Women reveals the secrets of seducing and pleasing gay men, outlining thirteen types of gay men and the keys to bagging each. Reprint. 15,000 first printing.

An enlightening guide to sensual pleasure features techniques that will enhance lovemaking, from massages, toys, and treats, to sexy body language and kissing tips, making sex even more erotic, romantic, and satisfying. Original.

Everyone deserves to discover and experience what great sex means for them. The Guide to Great Sex is a manuscript of sexual knowledge written by a former sex columnist who studied human sexuality and openly shared details of his sex life with readers. This guide is the culmination of knowledge gained during that experience as a sex writer. You will learn: What it means to have great sex. The science behind pleasure and orgasms. A complete breakdown of foreplay. Oral sex: fellatio and cunnilingus techniques. 16 of the best sex positions for the hottest sex and deepest intimacy. How sex toys can improve your sex life and which ones the author recommends. The one simple yet rare act that can take your sex life to the next level. How to master multitasking in the bedroom. The balance of dominance and submission. How to communicate openly with your partner about sexual issues. How to unlock sexual fantasies and fetishes within you and your partner. How to overcome 9 different sexual anxieties and insecurities. 3 little-known sexual concepts and how to take advantage of them. And much, much more to help you take your sex life to the next level. The tips and advice in The Guide to Great Sex are 100% gender and sexual orientation neutral. The author phrases terms and describes certain acts to allow everyone to feel included in the conversation. Anyone can learn from these pages, because the author believes that everyone deserves to have great sex. "I started the book 3 hours ago and I just jammed through it. This is both a compliment as to how entertaining it was as well as how easy of a read it is. Making it gender/sexual orientation neutral was an excellent choice and I don't feel like it ever distracted me in any way. As I read through I couldn't help but think I'm going to send this to my little brother in two

years when he first steps foot on a college campus as a student. This is a great accomplishment and I'm especially excited to see where you go from here with your site and whatever else you publish. I was thoroughly entertained and definitely informed." -- Jordan From The Author: "I firmly believe that sex is a fundamental need of human beings, and it's an act that should be enjoyed by everyone. I worked hard to improve my sex life. I worked through my sexual anxiety and insecurities, I made myself vulnerable, I read books just like this one, and I made some of the best memories I will ever have. Now my hope is that you will take this knowledge and apply it to your own sex life, to experience what great sex means to you." -- Michael Karp, Author of The Guide to Great Sex

Congratulations on your desire to impress your partner and enhance your sex life! There are few topics as taboo to discuss as sex. In fact, it is so

Online Library The Greatest Sex Tips InThe World (The Greatest Tips In The World)

taboo, that it isn't even listed when people talk about what topics should never be discussed in public (that's left to religion and politics). Our conservative society discourages honest and frank conversations about sex. Instead, individuals are left to watch pornographic movies and are lead to believe THAT is how everyone is doing it. Alternatively, they try to stick to being good little boys and girls and stay focused on just having basic sex that inevitably leaves both partners unfulfilled and unsatisfied. Following that plan, though, individuals often go without knowing what it is that their partners want and/or need when it comes to sex. One of the number one reasons couples stop having regular sex is because the passion dies and it become boring and monotonous. It's a chore instead of a pleasure. What if there was another way? What if it were possible to bring sex out of the closet and really appreciate it for the many benefits, both for mental and physical health, that great sex can provide? What if you could learn the tips and tricks that would impress your partner and revive the passion and excitement you once had? Individuals could then strive to improve their experiences and creating a scenario that would enhance their sex lives for the rest of their lives. In this book, you will first learn some of the basic tips and tricks to impress your partner and improve your sexual experience. This foundation is critical to getting all the rest just right. It is the little things that tend to be most impressive because it shows that you care enough to pay attention to every detail. In the second part of this guide, you will learn some tips and tricks that you can explore with your partner to enhance your sex life and add some new passion and excitement. Be open to exploring the different tips even if it is just about starting a conversation. You never know where it might lead. There are no limits on what you might discover about yourself and your partner when you aim to impress. Have fun with it and see where it takes you! Purchase this kindle book for only \$2.99

Candid and contemporary, this book gives you a Christian place to turn for answers to your most intimate--and embarrassing--questions. Billions of people have had sex. Far fewer have made love. In *The Good Girl's Guide to Great Sex*, author Sheila Wray Gregoire helps women see how sexual intimacy was designed to be physically stupendous but also incredibly intimate. Whether you're about to walk down the aisle, newly married, or you've been married for decades, *The Good Girl's Guide to Great Sex* will lead you on a wonderful journey of discovery toward the amazing sex life God designed you for. With humor, research, and lots of anecdotes, author Sheila Wray Gregoire helps women see how our culture's version of sex, which concentrates on the physical above all else, makes sex shallow. God, on the other hand, intended sex to unite us physically, emotionally, and spiritually. Gregoire walks through these three aspects of sex, showing how to make each amazing, and how to overcome the roadblocks in each area we often encounter. Drawing on survey results from over 2,000 people, she also includes lots of voices from other Good Girls, giving insight into how other women have learned to truly enjoy sex in marriage.
