"God's Amazing Grace: Reconciling Four Centuries of African American Marriages and Families is an insightful study that will be welcomed by thoughtful practitioners and all who ponder the African American family's complexity. Readers familiar with the deep, rich reservoir of African American family literature will recognize many of the black scholars referenced in this work. Readers unfamiliar with these sources will be grateful to discover them and the effective use of disparate literature. " This work will become a different kind of guide for studying American history through the lens of the African American family. Underneath all the research is the search for answers to the compelling questions: Is there a correlation between slave owners' denial to slaves, God's design for the family, and the familial chaos that has plagued African American families for more than a hundred fifty years? And if there is connection, what is it? " The author has brought something new to a familiar topic of discussion—the Bible. The unique moral compass that steered this study is solidly anchored in the bedrock of holy scripture. In this work, the history and sociology of African American marriages are examined in light of the questions asked by Holy Scripture. In so doing, Dr. Turner skillfully attempts to help readers make sense of the story of black families in America. May this book mark the beginning to a new reality for African American families." (Dr. Willie Peterson, senior executive advisor, adjunct professor of Pastoral Ministries, Dallas Theological Seminary).

In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel, whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own transtation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...

You may probably be wondering why another book on leadership training has been published. It is true you may have read or even written hundreds of books on leadership training. But this book is unique. It is not like any other book you may have read or written! Other books write about the need for leadership training and offer the same old courses which have been in use for years. Yesterday's methods may not always produce the results they used to. The methods of yesterday may not always accommodate all the generations living in the world today. This book discusses the benefits of leadership training and suggests nine areas of training which can comfortably benefit the premodern, modern, and the postmodern mindsets. Some people in this generation may be premodern, modern, or postmodern due to various reasons. Probably they were born during the time when those generations were in existence, or probably they have been shaped into those generations by the education system or by influence of others from across the world due to the ease of communication made possible by the internet. This book first discusses the general views held by people concerning whether training of Christian leaders is important or not. Some few people feel that it is not important because the Holy Spirit is their only teacher! Majority of people acknowledge the work of the Holy Spirit but believe that training is important and can make leaders more effective. The Holy Spirit uses people to accomplish his desire to have others trained. Second, the book discusses the benefits of leadership training which affirm the need to have leaders trained for God's own glory. Finally, the book discusses nine areas of training which have been tested and found to be effective in equipping Christian leaders for more successful work of ministry and leadership in the church and its organizations.

Adam's Family: A Study of Depravity (Murder, Incest, Deceit, Adultery, Idolatry, Drugs/Alcohol brings to life the rawness of human nature. It depicts how out of line with God mankind has been ever since the first man and woman. The book gives a scholarly and biblically based account of man's fallen nature, offering references from the church fathers, reformists, great Christian commentariats, and some well-known Christians and secular psychologists and psychiatrists. After offering professional and expert references to support the need for reconciliation, the author offers colorful biblical stories from the book of Genesis, which include those of Cain and Abel, Lamech, Canaan, the tower of Babel, and individual stories of the patriarchs, their wives, sons, and daughters. It climaxes with Jesus as the answer to salvation solely by faith through God's grace. It is a scholarly and entertaining work of literature, useful for personal reading and enlightenment or as a textbook or for Bible study. It is one of a kind!

Woodward examines the Blood Moon Prophecy as articulated by Mark Biltz and John Hagee and evaluates the criticisms of Mark Hitchcock and Chris White. Woodward finds a middle ground, identifying why the Blood Moon Prophecy is likely to be authentic, but cautions against accepting its validity without the test of time. Woodward points out many reasons to find cause for belief and many reasons that it legitimately could be questioned. Woodward evaluates the nature of biblical signs by studying the phrase "signs and wonders". He also evaluates the issues of whether biblical signs of the apocalypse must all be supernatural - showing why many may be "natural" in terms of astronomical events that are unusual but not paranormal acts. The heart of the book is an apologetic for why the study and adherence to the Kingdom of God (and the apocalypse it implies) is mandated by the words of Christ. His followers MUST keep watch—always. It is a must read for all students of eschatology.
