Solving an impossible crime should be easy for the man who fooled the university's best mages for years. Except he's not counting on the head constable being an old flame who isn't so fond of him anymore. Or on Kadka, the half-crazy half-orc who insists she's his partner--whether he likes it or not. Not to mention the masked mage who keeps trying to kill him. Now, Tane's survival depends on the one truth that has
