

The Last Ever After (The School For Good And Evil, Book 3)

As seen in Time, USA TODAY, The Atlantic, The Wall Street Journal, and on CBS This Morning, BBC, PBS, CNN, and NPR, iGen is crucial reading to understand how the children, teens, and young adults born in the mid-1990s and later are vastly different from their Millennial predecessors, and from any other generation. With generational divides wider than ever, parents, educators, and employers have an urgent need to understand today's rising generation of teens and young adults. Born in the mid-1990s up to the mid-2000s, iGen is the first generation to spend their entire adolescence in the age of the smartphone. With social media and texting replacing other activities, iGen spends less time with their friends in person—perhaps contributing to their unprecedented levels of anxiety, depression, and loneliness. But technology is not the only thing that makes iGen distinct from every generation before them; they are also different in how they spend their time, how they behave, and in their attitudes toward religion, sexuality, and politics. They socialize in completely new ways, reject once sacred social taboos, and want different things from their lives and careers. More than previous generations, they are obsessed with safety, focused on tolerance, and have no patience for inequality. With the first members of iGen just graduating from college, we all need to understand them: friends and family need to look out for them; businesses must figure out how to recruit them and sell to them; colleges and universities must know how to educate and guide them. And members of iGen also need to understand themselves as they communicate with their elders and explain their views to their older peers. Because where iGen goes, so goes our nation—and the world.

Every child knows about Santa Claus, the jolly man who brings gifts to all on Christmas. There are many stories that tell of his life, but the delightful version relayed in *The Life and Adventures of Santa Claus* is by far the most charming and original of all. Only L. Frank Baum, the man who created the wonderful land of Oz, could have told Santa's tale in such rich and imaginative detail.

Once best friends, Agatha and Sophie were pulled apart like strangers, each in the arms of a boy, Good with Good, Evil with Evil. Is their friendship lost forever after? But as they settle into their new lives, their story begs to be re-written, and this time, theirs isn't the only one. With the girls apart, Evil has taken over and the villains of the past have come back to change their tales and turn the world of Good and Evil upside down. With Evers being murdered and Nevers reigning supreme, the girls need to restore the balance, find the end to their story, and - hopefully - become friends again.

Morgan didn't mean to do anything wrong that day. Actually, she meant to do something right. But her kind act inadvertently played a role in a deadly tragedy. In order to move on, Morgan must learn to forgive-first someone who did

something that might be unforgivable, and then, herself. But Morgan can't move on. She can't even move beyond the front door of the apartment she shares with her mother and little brother. Morgan feels like she's underwater, unable to surface. Unable to see her friends. Unable to go to school. When it seems Morgan can't hold her breath any longer, a new boy moves in next door. Evan reminds her of the salty ocean air and the rush she used to get from swimming. He might be just what she needs to help her reconnect with the world outside. Underwater is a powerful, hopeful debut novel about redemption, recovery, and finding the strength it takes to face your past and move on.

The instant New York Times and USA TODAY bestseller! Hot on the heels of the New York Times bestsellers *The Twin* and *The Lake*, the undisputed queen of YA thrillers is back. Don't be afraid. Be terrified. It's just a stupid meme that's going around their small fishing town in the dead of winter—people reposting and sharing their biggest fear. But when her classmates start turning up dead—dying in the way that they said scared them the most—Izzy knows it's no joke. With each death hitting closer to home, Izzy sets out to try to stop the killer. Could her older sister's friend Tristan have something to do with the deaths? He's given her some strange vibes. Or what about his brooding cousin, Axel? But he's in her classes at school. He's not a murderer . . . is he? Izzie's soon on a path that will lead her right to the killer . . . and her own worst nightmare.

The inimitable quartet of Reynie, Sticky, Kate, and Constance haven't had a mission together in some time. But with the arrival of a new Society member - and a new threat - they must reunite to face dilemmas more dangerous than ever before.

In the riveting third installment of the New York Times bestselling School for Good and Evil series, everything old is new again, as Sophie and Agatha fight the past as well as the present to find the perfect end to their fairy tale. Former best friends Sophie and Agatha thought their ending was sealed when they went their separate ways, but their storybook is about to be rewritten—and this time theirs isn't the only one. With the girls apart, Evil has taken over and the forces of Good are in deathly peril. Will Agatha and Sophie be able to work together to save them? Will they find their way to being friends again? And will their new ending be the last Ever After they've been searching for? Soman Chainani delivers action, adventure, laughter, romance, and more twists than ever before in this extraordinary chapter of his epic series.

While on spring break in Aruba, Anna is accused of her best friend's death and must stand trial for murder in a foreign country.

The Sunday Times Number One Bestseller! The tinsel is up in the bakery, the lights are twinkling and the mince pies are sold out. It's CHRISTMAS EVE! Greg the Sausage Roll is so excited he could burst. And when he's scooped up as a last-minute treat for Santa, he's catapulted into a magical festive caper beyond his wildest dreams. Hold on tight for a spectacular sausage roll-ercoaster of an adventure! Developed and written by the

social media phenomenon that is LadBaby - the king and queen of Christmas and of sausage rolls - this is set to be a truly unmissable picture book release.

THE SCHOOL FOR GOOD AND EVIL will soon be a major motion picture from Netflix—starring Academy Award winner Charlize Theron, Kerry Washington, Laurence Fishburne, Michelle Yeoh, Sofia Wylie, Sophie Anne Caruso, Jamie Flatters, Earl Cave, Kit Young, and more! All six books in Soman Chainani’s New York Times bestselling fantasy series, *The School for Good and Evil*, are joined together in this digital collection! Journey into the dazzling world of the School for Good and Evil, where ordinary boys and girls are trained to be fairy-tale heroes and villains. Sophie and Agatha each think they know where they belong. Sophie, with her glass slippers and pink dresses, thinks she’ll earn top marks at the School for Good. Meanwhile, Agatha, with her shapeless black frocks and wicked black cat, seems a natural fit for the School for Evil. But when the two friends are swept into the Endless Woods, they find their fortunes are reversed.... The aftermath leads to unexpected paths, new alliances, and forces that divide them in an exhilarating quest to find their true Ever After. This complete digital collection will delight both fans that are new to the series and die-hard fans alike. The collection includes: *The School for Good and Evil* *The School for Good and Evil #2: A World without Princes* *The School for Good and Evil #3: The Last Ever After* *The School for Good and Evil #4: Quests for Glory* *The School for Good and Evil #5: A Crystal of Time* *The School for Good and Evil #6: One True King* Soman Chainani has created a spectacular world that Rick Riordan, author of the bestselling *Percy Jackson and the Olympians* series, says "reimagines the world of fairy tales and will make you question who is good and who is evil" and Newbery Honor–winning author Ann M. Martin calls "a fairy tale like no other, complete with romance, magic, humor, and a riddle that will keep you turning pages until the end."

The School for Good and Evil: The Ever Never Handbook

THE SCHOOL FOR GOOD AND EVIL will soon be a major motion picture from Netflix, starring Academy Award winner Charlize Theron, Kerry Washington, Laurence Fishburne, Michelle Yeoh, Cate Blanchett, and many more! The fairy tale of Sophie and Agatha comes to a dramatic conclusion in this sixth and final book in the bestselling series.

"A dazzling tale of wild hope, lingering grief, admirable self-sufficiency, and intergenerational adoration." —Publishers Weekly (starred review) "Vita tests her own limits, and readers will thrill at her cleverness, tenacity, and close escapes." —Booklist "A satisfying adventure." —Kirkus Reviews From award-winning author Katherine Rundell comes a fast-paced and utterly thrilling adventure driven by the loyalty and love between a grandfather and his granddaughter. When Vita’s grandfather’s mansion is taken from him by a powerful real estate tycoon, Vita knows it’s up to her to make things right. With the help of a pickpocket and her new circus friends, Vita creates the plan: Break into the mansion. Steal back what’s rightfully her grandfather’s. Expose the real estate tycoon for the crook he truly is. But 1920s Manhattan is ever-changing and full of secrets. It might take more than Vita’s ragtag

gang of misfits to outsmart the city that never sleeps. Award-winning author Katherine Rundell has created an utterly gripping tour de-force about loyalty, trust, and the lengths to which we'll go for the ones we love. From beloved author Katherine Rundell comes a clever, funny, and poignant picture book about a lonely little boy who wishes not to be alone on Christmas. A young boy's Christmas Eve wish on a shooting star leads to an adventure with an ever-hungry rocking horse, an angel whose wings are molting, a robin who has forgotten how to sing, and a rusting tin drummer boy in Katherine Rundell's classic Christmas story, with Emily Sutton's gorgeous paintings.

Cooking for Elves, Dwarves and Dragons presents an extraordinary - and completely magical - collection of recipes inspired by the most popular and respected fantasy literature, films and TV series of all time. There are 125 mouth-watering recipes in all, including fantastic dishes suggested by J.R.R. Tolkien's *The Lord of the Rings*, Andrzej Sapkowski's *The Witcher*, George R.R. Martin's *A Song of Fire and Ice*, N.K. Jemisin's *Broken Earth Trilogy*, Robert Jordan's *The Wheel of Time*, and many others. Some dishes are well-known - ones that passionate fans have long wished they could taste (Elven Lembas bread, anyone?). Others capture the mood and emotions of a particularly memorable scene, such as the meal that was eaten prior to *Game of Thrones'* fan favorite *Battle of the Bastards*. Accompanying each recipe is an introductory essay that shines a bit of light on the tales, heroes, villains or histories that inspired it. Readers will also find sidebars and features that provide even more intriguing insights, trivia and fantasy-related fun. Nearly 50 illustrations appear throughout, rendered by noted artist Tim Foley, whose eye-catching scratchboard style captures the look and feel of classic Medieval woodcut printing techniques. The book itself is an artifact of sorts, with faded, time-worn pages and a leatherette cover, lending the overall package the feel of an ancient grimoire - perhaps discovered in a long-forgotten crypt or wizard's castle. Either way, it's a cookbook treasure sure to please hungry readers of any realm.

THE SCHOOL FOR GOOD AND EVIL will soon be a major motion picture from Netflix, starring Academy Award winner Charlize Theron, Kerry Washington, Laurence Fishburne, Michelle Yeoh, Cate Blanchett, and many more! A dark and enchanting fantasy adventure for those who prefer fairytales with a twist. The first in the bestselling series.

Project: Happily Ever After

Saving Your Marriage When the Fairytale Falters

To Paradise

Each student must embark on their required fourth-year quest for glory--which takes them beyond the comforts of the castle, out into the unpredictable dangers of the Endless Woods. The stakes are high: success brings eternal adoration, and failure mea Would you send a villain to do a hero's job? Flunked is an exciting new twisted fairy tale

from the award-winning author of the Secrets of My Hollywood Life series. "Charming fairy-tale fun." -Sarah Mlynowski, author of the New York Times bestselling Whatever After series. Gilly wouldn't call herself wicked, exactly...but when you have five little brothers and sisters and live in a run-down boot, you have to get creative to make ends meet. Gilly's a pretty good thief (if she does say so herself). Until she gets caught. Gilly's sentenced to three months at Fairy Tale Reform School where all of the teachers are former (super-scary) villains like the Big Bad Wolf, the Evil Queen, and Cinderella's Wicked Stepmother. Harsh. But when she meets fellow students Jax and Kayla, she learns there's more to this school than its heroic mission. There's a battle brewing and Gilly has to wonder: can a villain really change? "Fairy Tale Reform School is spellbinding and wickedly clever. Gilly is smart, spunky, and a hilarious narrator, and I cannot wait to read about her next adventure!" -Leslie Margolis, author of the Annabelle Unleashed novels and the Maggie Brooklyn mysteries "Fairy Tale Reform School is a fresh and funny take on the enchanted world. (And who hasn't always wanted to know what happened to Cinderella's stepmother?)" -Julia DeVillers, author of the Trading Faces identical twin series and Emma Emmets, Playground Matchmaker

A hauntingly beautiful fairy tale about love and loss, this Echo North companion novel is perfect for fans of the Winternight Trilogy. In the dark, cold reaches of the north lives a storyteller and his daughter. He told his daughter, Satu, many stories—romances like the girl who loved a star and changed herself into a nightingale so she could always see him shining—but the most important story he told her was his own. This storyteller was once the formidable North Wind, but he lost his power by trading it away in exchange for mortality—he loved her mother too much to live without her. The loss of his magic impacted more than just their family, however, and now the world is unraveling in the wake of this imbalance. To save the North, Satu embarks on a perilous journey to reclaim her father's magic, but she isn't the only one searching for it. In the snow-laden mountains, she finds herself in a deadly race with the Winter Lord who wants the North Wind's destructive powers for himself. Satu has the chance to be the heroine of her own fairy tale, only this one has an ending she never could have imagined.

When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

USA TODAY BESTSELLER! "A romantic comedy that's fun and flirty, young and fresh." – PopSugar Named one of the Best Romances of 2020 by EW, Cosmo, OprahMag, BuzzFeed, Insider, and NPR! Mia Sosa delivers a sassy, steamy #ownvoices enemies-to-lovers novel, perfect for fans of Jasmine Guillory, Helen Hoang, and Sally Thorne! A wedding planner left at the altar? Yeah, the irony isn't lost on Carolina Santos, either. But despite that embarrassing blip from her past, Lina's offered an opportunity that could change her life. There's just one hitch... she has to collaborate with the best (make that worst) man from her own failed nuptials. Marketing expert Max Hartley is determined to make his mark with a coveted hotel client looking to expand its brand.

Then he learns he'll be working with his brother's whip-smart, stunning—absolutely off-limits—ex-fiancée. And she loathes him. If they can nail their presentation without killing each other, they'll both come out ahead. Except Max has been public enemy number one ever since he encouraged his brother to jilt the bride, and Lina's ready to dish out a little payback of her own. Soon Lina and Max discover animosity may not be the only emotion creating sparks between them. Still, this star-crossed couple can never be more than temporary playmates because Lina isn't interested in falling in love and Max refuses to play runner-up to his brother ever again... "The Worst Best Man is rom-com perfection. . . Sosa has a gift with words that's infectious and wry, one that keeps the pages turning in delight." — Entertainment Weekly

Martin calls "a fairy tale like no other, complete with romance, magic, humor, and a riddle that will keep you turning pages until the end." Don't miss the last three books in the series: *Quests for Glory*, *A Crystal of Time*, and *One True King!*

She is expected to marry, cook, and have children—and instead she’s sneaking off to war. Can she manage to stay alive, save her mother, and keep the handsome son of a duke from discovering her secret? The Warrior Maiden is a reimagining of the classic Mulan tale in medieval Europe. When Mulan takes her father’s place in battle against the besieging Teutonic Knights, she realizes she has been preparing for this journey her whole life—and that her life, and her mother’s, depends on her success. As the adopted daughter of poor parents, Mulan has little power in the world. If she can’t prove herself on the battlefield, she could face death—or, perhaps worse, marriage to the village butcher. Disguised as a young man, Mulan meets the German duke’s son, Wolfgang, who is determined to save his people even if it means fighting against his own brother. Wolfgang is exasperated by the new soldier who always seems to be one step away from disaster—or showing him up in embarrassing ways. From rivals to reluctant friends, Mulan and Wolfgang begin to share secrets. But war is an uncertain time and dreams can die as quickly as they are born. When Mulan receives word of danger back home, she must make the ultimate choice. Can she be the son her bitter father never had? Or will she become the strong young woman she was created to be? This fresh twist on the classic tale takes us to fifteenth-century Lithuania where both love and war challenge the strongest of heroes. Praise for The Warrior Maiden: “In this fantastic retelling, Dickerson brings to life a completely new aspect of the medieval era . . . Discover castles, battles, beliefs, and injustices alongside Wolfgang and Mulan . . .” —Hope by the Book Full length clean fairy tale retelling Stand-alone novel in the Hagenheim Series by New York Times bestselling author Melanie Dickerson Includes discussion questions for book clubs

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. What do you do when your marriage is so unhappy that you begin to fantasize about your husband's funeral? That's how bad it got for Alisa Bowman. . . So she launched a last-ditch effort to save her marriage. Project: Happily Ever After is her fearlessly honest and humorous account of how she went from being a “divorce daydreamer” to renewing her wedding vows—and all of the steps in between. From bikini waxes to erotica, romance instruction manuals to second honeymoons, the silent treatment to power struggles, she goes where many marriage-improvement gurus have feared to tread. Equal parts funny, poignant, and most importantly, useful, Bowman's story will give other miserably-married folks courage and hope. And in addition to telling her own story, she packs straightforward prescriptive guidance, including a “10-Step Marital Improvement Guide.” Readers will laugh. They'll cry. And they can start on the road toward their own happy ending!

"We cannot change the cards we are dealt, just how we play the hand."---Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave--"Really Achieving Your Childhood Dreams"--wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have...and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

A brand new series from Jen Calonita, author of the award-winning Fairy Tale Reform School series! "Funny, charming, and rebellious." —James Riley, New York Times bestselling author of The Story Thieves series and the Revenge of Magic series In Enchantasia, becoming a legendary prince or princess doesn't happen overnight. Enter Royal Academy, the training ground for the fairy tale leaders of tomorrow! But Devin has major reservations about her new school and her royal future. How can she be a princess and the best creature caretaker Enchantasia has ever seen? It doesn't help that there's something seriously weird about RA's headmistress. Olivina seems obsessed with preparing students for possible attacks from villains ("A royal can't rule when they're stuck in a tower!") Devin gets that being Snow White and Rapunzel's fairy godmother has probably made Olivina pretty paranoid, but anytime someone steps a toe out of line, Olivina becomes more of a fairy nightmare than a fairy godmother. Something isn't right with this lady, and Devin is determined to find out what. But what Devin discovers could change the fairy tale world forever... Don't miss The Fairy Tale Reform School series: Flunked Charmed Tricked Switched

When a traveling skycircus arrives in town, Lily and Robert can't wait to step aboard. But something sinister lurks there. And before Lily and Robert can do anything, they're captured and whisked off in the mysterious flying circus to somewhere far, far away...

Over the past century, our species has made unprecedented technological innovations with which we have sought to control nature. From river levees to enormous one-crop fields, we continue to try to reshape nature for our purposes - so much so it seems we may be in danger of destroying it. In A Natural History of the Future, biologist Rob Dunn argues that nothing could be further from the truth: rather than asking whether nature will survive us, better to ask whether we will survive nature. Despite our best - or worst - efforts to control the biological world, life has its own rules, and no amount of human tampering can rewrite them. Elucidating several fundamental laws of ecology, evolution, and

biogeography, Dunn shows why life cannot be stopped. We sequester our crops on monocultured fields, only to find new life emerging to attack them. We dump toxic waste only to find microbes to colonize it. And even in the London Tube, we have seen a new species of mosquito emerge to take advantage of an apparently inhospitable habitat. Life will not be repressed by our best-laid plans. Instead, Dunn shows us a vision of the biological future and the challenges the next generations could face. A Natural History of the Future sets a new standard for understanding the diversity of life and our future as a species.

The School for Good and Evil 03. The Last Ever After

THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times Hillbilly Elegy is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of Hillbilly Elegy plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, Hillbilly Elegy is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country. Sensible, serious Norbert Norris knows ALL the important things: dinosaurs, planets, shapes and sums. But when the Museum of Marvellous Things is in trouble, Norbert doesn't know what to do. Only MAGIC can save it - and he knows nothing about magic! Norbert must learn to believe, because when you imagine incredible things, almost ANYTHING can happen . . . A joyful celebration of imagination and creativity, from the author of the bestselling Sir Charlie Stinky Socks, Kristina Stephenson. In this fifth instalment in Soman Chainani's bestselling fantasy series, The School for Good and Evil, Sophie, Agatha, and their friends must find a way to overthrow the sinister evil that twists lies into the truth and seeks to rewrite their story.

This paperback edition features extra content including deleted scenes from book one, a chat with Soman Chainani, and a sneak peek at The School for Good and Evil #3: The Last Ever After In the New York Times bestselling sequel to Soman Chainani's debut, The School for Good and Evil, Sophie and Agatha are back in Gavaldon, living out their Happily Ever After, but life isn't quite the fairy tale they expected. When Agatha wishes she'd chosen a different Happy Ending, she accidentally reopens the gates to the School for Good and Evil, and the girls find that the world they knew has changed. Witches and princesses reside at the School for Girls, where they've been inspired to live a life without

princes, while Tedros and the boys are camping in Evil's old towers. A war is brewing between the schools, but can Agatha and Sophie restore the peace? Can Sophie stay good with Tedros on the hunt? And whose heart does Agatha's belong to--her best friend or her prince? Soman Chainani has created a spectacular world that Newbery Medal-winning author Ann M. Martin calls "a fairy tale like no other, complete with romance, magic, humor, and a riddle that will keep you turning pages until the end."

Can Agatha and Sophie find the perfect ending to their story in this epic conclusion to this bestselling series. Once best friends, Agatha and Sophie were pulled apart like strangers, each in the arms of a boy, Good with Good, Evil with Evil... is their friendship lost forever after...But as they settle into their new lives, their story begs to be re-written, and this time, theirs isn't the only one. With the girls apart, Evil has taken over and the villains of the past have come back to change their tales and turn the world of Good and Evil upside down. With Evers being murdered and Nevers reigning supreme, the girls need to restore the balance, find the end to their story, and--hopefully--become friends again

The School for Good and Evil Collection

You think you know these stories, don't you? You are wrong. You don't know them at all. Twelve tales, twelve dangerous tales of mystery, magic, and rebellious hearts. Each twists like a spindle to reveal truths full of warning and triumph, truths that free hearts long kept tame, truths that explore life . . . and death. A prince has a surprising awakening . . . A beauty fights like a beast . . . A boy refuses to become prey . . . A path to happiness is lost. . . then found again. New York Times bestselling author Soman Chainani respins old stories into fresh fairy tales for a new era and creates a world like no other. These stories know you. They understand you. They reflect you. They are tales for our times. So read on, if you dare. #1 NEW YORK TIMES BEST SELLER • From the award-winning, best-selling author of the classic *A Little Life*—a bold, brilliant novel spanning three centuries and three different versions of the American experiment, about lovers, family, loss and the elusive promise of utopia. *To Paradise* is a fin de siècle novel of marvelous literary effect, but above all it is a work of emotional genius. The great power of this remarkable novel is driven by Yanagihara's understanding of the aching desire to protect those we love—partners, lovers, children, friends, family, and even our fellow citizens—and the pain that ensues when we cannot. In an alternate version of 1893 America, New York is part of the Free States, where people may live and love whomever they please (or so it seems). The fragile young scion of a distinguished family resists betrothal to a worthy suitor, drawn to a charming music teacher of no means. In a 1993 Manhattan besieged by the AIDS epidemic, a young Hawaiian man lives with his much older, wealthier partner, hiding his troubled childhood and the fate of his father. And in 2093, in a world riven by plagues and governed by totalitarian rule, a powerful scientist's damaged granddaughter tries to navigate life without him—and solve the mystery of her husband's disappearances. These three sections comprise an ingenious symphony, as recurring notes and themes deepen and enrich one another: A townhouse in Washington Square Park in Greenwich Village; illness, and treatments that come at a terrible cost; wealth and squalor; the weak and the strong; race; the definition of family, and of nationhood; the dangerous righteousness of the powerful, and of revolutionaries; the longing to find a place in an earthly paradise, and the gradual realization that it can't exist. What unites not just the characters, but these Americas, are their reckonings with the qualities that make us human: Fear. Love. Shame. Need.

Loneliness.

"I loved this book. Told by a narrator you won't soon forget, it is filled with myth and legend, danger and bravery. Hoodoo is pure folk magic."—Keith Donohue, New York Times bestselling author
Twelve-year-old Hoodoo Hatcher was born into a family with a rich tradition of practicing folk magic: hoodoo, as most people call it. But even though his name is Hoodoo, he can't seem to cast a simple spell. Then a mysterious man called the Stranger comes to town, and Hoodoo starts dreaming of the dead rising from their graves. Even worse, he soon learns the Stranger is looking for a boy. Not just any boy. A boy named Hoodoo. The entire town is at risk from the Stranger's black magic, and only Hoodoo can defeat him. He'll just need to learn how to conjure first. Set amid the swamps, red soil, and sweltering heat of small-town Alabama in the 1930s, Hoodoo is infused with a big dose of creepiness leavened with gentle humor. "What a splendid novel. Reader, be prepared to have your foundations shaken: this is a world that is deeper, more wondrous, more spiritually charged than you may have ever imagined."—Gary D. Schmidt, two-time Newbery Honor medalist and author of *The Wednesday Wars*
"The authenticity of Hoodoo's voice and this distinctive mashup of genres make Smith one to watch. Seekers of the scary and 'something different' need look no further."—Kirkus Reviews
"The chilling supernatural Southern Gothic plot action is enhanced by atmospheric description of rural life in Depression-era Alabama . . . Readers will particularly enjoy Hoodoo's authentic and engaging narrative voice."—School Library Journal

Binny woke up happy but nervous. It was her day to share about Diwali, the Festival of Lights!

A hilarious, rhyming picture book about one very naughty bird! In this hilarious rhyming story, one naughty bird flies around the world, pooping on other animals! He goes on a bull on a farm, an elephant in Africa, a wolf in the mountains, and a shark in the sea. It's all fun and games until the bird goes a step too far and poops on a bear. The bird forgot that bears can climb trees, too, as the bear climbs up when the bird is sleeping to a higher branch and returns the favor!

THE SCHOOL FOR GOOD AND EVIL will soon be a major motion picture from Netflix—starring Academy Award winner Charlize Theron, Kerry Washington, Laurence Fishburne, Michelle Yeoh, Sofia Wylie, Sophie Anne Caruso, Jamie Flatters, Earl Cave, Kit Young, and more! Return to Soman Chainani's bestselling *School for Good and Evil* series in this three-book digital collection that chronicles a new era in the *Endless Woods*—*The Camelot Years*. Join Sophie, Agatha, Tedros, and the other students as they move beyond the bounds of school and into the biggest, boldest adventures of their lives. The students at the School for Good and Evil thought they had found their final *Ever After* when they vanquished the malevolent School Master. Now, on their required fourth-year quests, the students face obstacles both dangerous and unpredictable, and the stakes are high: success brings eternal adoration, and failure means obscurity forever. This digital collection contains the last three books in the series: *The School for Good and Evil #4: Quests for Glory* *The School for Good and Evil #5: A Crystal of Time* *The School for Good and Evil #6: One True King*
Soman Chainani has created a spectacular world that Rick Riordan, author of the bestselling *Percy Jackson and the Olympians* series, says "reimagines the world of fairy tales and will make you question who is good and who is evil" and Newbery Honor-winning author Ann M. Martin calls "a fairy tale like no other, complete with romance,

magic, humor, and a riddle that will keep you turning pages until the end."
