*A secretive resistance movement is the last line of defense in this heart-pounding prequel to 2020's most-anticipated video game release, Ubisoft's Watch Dogs: Legion Bike messenger and wannabe troublemaker Olly Soames is the newest recruit to DedSec's Resistance movement, but when a stranger is shot dead in front of him, he realizes that danger is closer than he thinks... Sarah Lincoln is an aggressive young politician with questionable methods and big ambitions, and when a string of murders unfolds in her borough, it may be the opportunity she has been looking for to make a name for herself... Ex-MMA fighter turned leg-breaker Ro Hayes is in deep with the vicious Clan Kelley, the most brutal organized crime firm in the city's underworld, and her survival rests on uncovering a dead man's secrets... And for Danny, Ro's estranged brother and former soldier, his new career with private military contractor Albion is leading him down a very dark path, toward choices he may never be able to take back... Four lives are drawn into a murderous conspiracy that threatens to destroy Dedsec and plunge the city of London into chaos. Something very bad is going down in London town...*

Not quite pastiche, certainly not parody, LITTLE EGO appropriates the look and feel of Winsor McCay's transcendent masterpiece, LITTLE NEMO IN SLUMBERLAND. Like McCay, Giardino uses the dream formula to free the narrative from the logi- cal strictures a cruelly earth bound reader might seek to impose. But that's not all; in a single, deft stroke, Giardino also shakes off any moral stric- tures as well. Who could object to Ego's erotic frolics- with men, women, the occasional reptile or household implement, or whatever is handiest - when it's all just a dream?

IN A LAND WHERE MAGIC IS FORBIDDEN, AN ANCIENT EVIL HAS RETURNED In the mystical kingdom of Old Vynterra and its surrounding territories, all magic has been banned for centuries, with magical beings forced to live apart from human lands. But when a group of adventurous friends encounter a mesmerizing forest while playing a daring game, and one of their own vanishes without a trace, they begin to suspect the forest may contain a mysterious power. Amid increasingly deadly threats and the shocking return of long-extinct, terrifying creatures, the lifelong companions must work together to stay alive, find their lost friend, and unravel the ancient, dark mystery hiding in the Forest of Arrows. In this spellbinding fantasy, V.F. Sharp takes readers of all ages on an exhilarating and mystifying adventure filled with rich history, exciting twists and turns, and colorful characters. The Forest of Arrows: The Prince of Old Vynterra is the first in a planned trilogy.

*Sacred Moon continues off where Sacred Sun concluded. This is Book 2 of a series that should be read in order. In Sacred Moon our adventurers lead by a godling known as Donovan continue their epic quest to bring about a change to all the realms that crisscross the Terran world. Their missions for the Pantheons of Old want them to strengthen the veil. Is that truly a good idea? What about freeing those friends that have been tethered to the old gods? Will they be freed? When things hit the fan everyone turns to Donovan for leadership. Now, on top of the already heinous actions of the pantheons of this world system, our heroes face even more challenges. Some hidden foes of all the realms has resurfaced. All Donovan wants is for a few desperate moments of peace. He quickly realizes there's few of those moments when the fate of the entire planet and its inhabitants are in peril.The Faes, Were, Elves, Kindred, Mages, Angels, and other paranormal beings including the pantheons of old and new gods continue in this series. Kára is the last Valkyrie left after a genocide that wiped out her kind more than two centuries ago. Trapped on Midgard, she's unable to reach the Gods in order to stop Ragnarök, and knows little of her own magick with no one to teach her about her Valkyrie lineage. She was protected from death in the genocide, only to be left with too little understanding of how she can help at all. Asgard has been cut off from the realms with black magick by those in favor of the Twilight of the Gods, Ragnarök, concluding.Zane, the infuriating Dragon himself, has taught her well in steel and force, but even he, as ancient and powerful as he is, doesn't know the secrets she needs to learn in order to reach the Gods before unfathomable destruction rains down on Midgard-and every other realm. He's keeping secrets though, and she's determined to figure them out.She'll want to trade her very soul to unlearn them before it's all said and done though. She knows nothing of loss and love, not truly, but she will. An emotional journey of love, loss, magick, friendship, and redemption. Join Kara, the last Valkyrie, as she discovers truths, lies, love, and loss, all while trying to learn how to be a Valkyrie. This is a full length novel, but is the first in a trilogy. Release dates for the completed series are: Book 1: 11/1/2020 (Re-release: Completely revised to fit the general romance market)Book 2: 11/11/2020. Angels do not have wings. But they do have fangs and some curse like sailors.The Guardians, a once Mortal group of warriors, exist to hunt the Shadow Demons in our forgotten world. Their bloodline allows them at the time of their death to rise and fight in the war that rages all around, unseen by human eyes.For over a thousand years, Keltor, one of the oldest warriors, has fought after losing everything he loved at the hands of a Demon. He has taken no comfort except in his vengeance against the beings that stole his heart and life. Then one day, it begins to pound in his chest again when he sees her, the Keeper.Elizabeth is a human that suddenly begins to see things that shouldn't exist. The story that she couldn't write is now right in front of her eyes, literally. As is a breathtakingly gorgeous, leather clad warrior with a heavy brogue that is completely off limits per the laws of the new world she is thrust into.She is a Keeper, a balance between the light and dark who has within her the power to tilt the scales one way or another in this war with her choices. Somehow she made it thirty years in this world hidden from both sides. An epic struggle for her soul begins as she learns who she is and tries to accept that it's the Keeper's pull attracting her to Keltor, nothing more.A warrior that lost his heart long ago, a woman that has never really known her own. Each Guardian only gets one Mate and when they are found, there is nothing in the Seven Hells or the

Heavens that could keep them apart.Is it the magic of the Keeper's soul, or is she His?

The magical history of the Ring Lords, alluded to in J.R.R. Tolkein ' s The Lord of the Rings, has been largely consigned to legend and half-remembered battles between good and evil. Shrouded in supernatural enigma, its legacy lives on in fascinating tales of fairies, elves, witches, and vampires. The most popular Grail stories relate to Arthurian tales of Guinevere ' s golden Ring and the great iron-clad Ring of Camelot—the Knights of the Round Table. When this Ring was broken, the land fell into chaos and the forces of darkness reigned over the earth, starlight, and forest. Why do we sense deeper truths behind the mysteries of the Ring and the Grail? Why have their common enhancements been distorted and hidden? The ancient guardians of our culture have never featured positively in academic teachings, for they were the Shining Ones: the real progenitors of our heritage. Instead, their reality was quashed from the earliest days of Inquisitional suppression and the literal diminution of their figures caused a parallel diminishing of their history. In truth, however, the sovereign legacy of our culture comes from a place and time that might just as well be called Middle-earth as by any other name. It lingers beyond the twilight portal in the long distant realm of the Ring Lords.

This book explores the contributions of Italian Americans employed by the Office of Strategic Services (OSS) during World War II. Italian Americans fluent in Italian language and customs became integral parts of intelligence operations working behind enemy lines. These units obtained priceless military information that significantly helped defeat the Axis. They parachuted into frozen mountains tops to link up with Italian guerilla units in northern Italy or hovered in small patrol torpedo boats and row boats across the Mediterranean Sea in pitch black darkness to destroy railroad junctions.

Second Opera of the Rhinegold Trilogy. Music-drama in Three Acts

Cammie Samuels has been in hiding her whole life, not allowing herself to get close to anyone other than her fighter brothers. Her inner animal is rare, and the threat of discovery is all too real. It’s a hard way to live, but she’s made peace with her life, channeling her frustration into fight training, until a mysterious human shows up, shattering her illusion of peace.After a terrible accident, Alex Kincaid has no memory of who he is or why he was looking for the Rocky River fighters. But when he meets Cammie, he’s certain she’s the one he’s been searching for. As pieces of his memory return, he’s left with more questions than answers, and though he’s falling for her hard, he knows he isn’t truly free to be with her until he figures out who and what he really is. With danger approaching, Alex must recover his memory to save the woman he loves, or risk leaving her to fend for herself against an enemy who’s been hunting her for years. Un genocidio ha spazzato via le Valchirie, le uniche messaggere capaci di viaggiare liberamente fino ad Asgard e nel Valhalla, oltre agli Dei. Allo stesso tempo, una magia nera tiene segregati gli Dei ad Asgard fino a quando il Ragnarok non sarà completo, e tutti gli Dei e i regni saranno distrutti, in modo che nuove divinità possano salire al trono. La nascita di Kara su Midgard non è stata registrata e, dalla morte della sua stirpe, ha vissuto nascosta presso il Drago a cui darebbe l'anima. Il suo amore per Zane è un pozzo senza fondo e, nonostante la compagna del Drago sia morta nel genocidio, Kara non può fermare i suoi sentimenti. Non riesce a controllare il suo cuore più di quanto non riesca a capire come essere una Valchiria e liberare gli Dei. Zane è stato il suo mondo per più di due secoli, mantenendo segreti che potrebbero mandarla completamente in frantumi. Rune ha concubine e contratti, ma adesso ha il compito di insegnare la magia a una Valchiria ormai sola per fermare la Nazione Pro Ragnarok, come lui stesso la chiama. Rune non prende parti, ma conosce il piacere... lo conosce molto, molto bene. Qualcosa di cui Kara ha bisogno da moltissimo tempo e che le è sempre stato negato. Il suo cuore appartiene a Zane, il suo Drago, ma lui non è mai stato davvero suo, vero? Un viaggio attraverso l'amore, il lutto, la magia e la redenzione nei più improbabile dei luoghi. Unitevi a Kara, l'ultima Valchiria, e scoprite insieme a lei verità, menzogne, lussuria e perdite mentre tenta di imparare come essere una Valchiria. Kara darebbe la sua stessa anima per dimenticare i segreti che ha scoperto. \* \* \* Consigliata la lettura ai maggiori di diciotto anni per i contenuti espliciti. Questo è il primo romanzo di una trilogia: tre inverni, tre libri. Alcuni elementi si concludono al termine di ciascun volume, ma si aggiungeranno molte domande fino al terzo libro, quando tutte le maschere cadranno. Buona lettura! \* \* \* DICONO DEL LIBRO: «Da dove cominciare? Questo romanzo ha tutto ciò che potreste volere per immergervi in un'avventura strepitosa. Romanticismo, suspense, personaggi sexy... okay, sono personaggi MOLTO sexy. Momenti strappalacrime si alternano ad altri divertenti. Jennifer ha creato un mondo che mischia elementi reali con il fantasy e lo ha fatto in modo da farlo sentire vero.» (All About Books Blog) «Quando leggo l'opera di un'autrice e me ne innamoro, in genere mi aspetto che il suo prossimo libro non mi sorprenda, non che mi sciocchi al punto da lasciarmi senza parole e con il desiderio di volerne ancora. Jennifer Sage riesce a farlo ogni volta con ogni libro!» (Have You Heard? Book Blog) «Ho fatto un drammatico ed eccitante cambio di passo dalle mie solite letture quando ho voltato la prima pagina di The Last Valkyrie. Mi sono immediatamente imbarcata in un viaggio nel paranormal che mi ha tenuto inchiodata fino all'ultima parola. A differenza delle ultime opere paranormal che ho letto di recente, The Last Valkyrie è scritto splendidamente ed è un meraviglioso inizio per una grande storia.» (Books2Blogs)

It includes the full vocal score for all 21 choruses with the specified part (soprano, alto, tenor, bass) in a larger, easy-to-read format, the full text of arias and recitatives, instrumental and solo cues, note finding markings, performance notes and rehearsal tips. The enclosed CDs include superb, professionally recorded orchestral and choral demonstration tracks for every chorus with the specified part increased in volume for easy learning, unique vocal warm-ups for each part, and slowed down versions of the difficult sections. Ideal for choirs with new members or limited rehearsal time and for individual singers interested in improving their facility on the most famous oratorio every composed.

This is the first book to focus entirely on viruses in foods. It collates information on the occurrence, detection, transmission, and epidemiology of viruses in various foods. Although methods for bacterial detection in food are available, methods for detection of viruses in food, with the exception of shellfish, are not available. It is important, therefore, to develop methods for direct examination of food for viruses and to explore alternate indicators that can accurately reflect the virological quality of food. This book addresses these issues along with strategies for the prevention and control of viral contamination of food.
