

The Librarian's Vampire Assistant

The record-breaking phenomenon from Elizabeth Kostova is a celebrated masterpiece that "refashioned the vampire myth into a compelling contemporary novel, a late-night page-turner" (San Francisco Chronicle). Breathtakingly suspenseful and beautifully written, *The Historian* is the story of a young woman plunged into a labyrinth where the secrets of her family's past connect to an inconceivable evil: the dark fifteenth-century reign of Vlad the Impaler and a time-defying pact that may have kept his awful work alive through the ages. The search for the truth becomes an adventure of monumental proportions, taking us from monasteries and dusty libraries to the capitals of Eastern Europe—in a feat of storytelling so rich, so hypnotic, so exciting that it has enthralled readers around the world. "Part thriller, part history, part romance...Kostova has a keen sense of storytelling and she has a marvelous tale to tell." —Baltimore Sun

Claire is head librarian of the Unwritten Wing--a neutral space in Hell where all the stories unfinished by their authors reside. Her job includes keeping an eye on restless stories that risk materializing as characters and escaping the Library. When a hero escapes, Claire must capture him. him.

The first in the Half-Moon Hollow series is "wry, delicious fun" (Susan Andersen, New York Times bestselling author) as it follows a librarian whose life is turned upside down by a tempestuous and sexy vampire. Maybe it was the Shenanigans gift certificate that put her over the edge. When children's librarian and self-professed nice girl Jane Jameson is fired by her beastly boss and handed twenty-five dollars in potato skins instead of a severance check, she goes on a bender that's sure to become Half Moon Hollow legend. On her way home, she's mistaken for a deer, shot, and left for dead. And thanks to the mysterious stranger she met while chugging neon-colored cocktails, she wakes up with a decidedly unladylike thirst for blood. Jane is now the latest recipient of a gift basket from the Newly Undead Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. She's forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasn't enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. What's a nice undead girl to do?

FALLING IN LOVE WITH YOUR BOSS JUST CAN'T GET MORE AWKWARD ... Michael Vanderhorst is not your usual vampire. For starters, he works in a library, is in love with Miriam, his hot nerdy human boss who has no clue what he is, and he looks like a college student.) In reality, Michael is an ancient deadly vampire, an ex-assassin, and is currently the de facto king of his kind ever since their ruling party disappeared. To where? He doesn't know, but if he wants his life back, he'll have to find out. (Mystery!) Especially because a civil war is brewing, and being king makes his librarian a mark for his enemies. (She is, after all, his biggest weakness.) With a global uprising about to explode, Michael must give her the protection of his army. Only one problem: She must become his queen first. But every attempt he makes to tell her the truth is met with extreme hostility. "Vampires aren't real. That's

crazy talk, Michael!" Clearly, the topic frightens her.) With time running out and her life on the line, Michael is left with one option: Marry her. Without her knowing.) Can he pull it off? And what will happen when the fight comes to their door?

she believes that life couldn't get much worse. But when she's blocked at every turn from finding answers, by both local and U.S. authorities, she must turn to a man she swears is the devil. And the more she learns, the more she realizes she may never be free again. KING FOR A DAY (Book 2): King isn't who she thought. She wasn't even close. When Mia Turner's life becomes tethered to a mysterious billionaire, who she swears is the devil himself, she knows she must break free. It doesn't matter if everything about him—those sinful lips, those pale gray eyes, that perfect male body—keeps her awake at night. He's evil. She has to get away. But when this man, known simply as King, suddenly disappears, Mia will discover she's not home free. Because without King, she's no longer safe from his ruthless, depraved, power-hungry social circle. To survive, Mia will have to conceal King's absence and walk a mile in the evil man's twisted, cruel shoes. What she discovers will leave her more terrified and her heart more conflicted than she ever imagined. King is not who she thought. She wasn't even close. KING OF ME (Book 3): "You're asking me to...love you?" asked Mia. He slowly scratched his thick black stubble. "I suppose I am." Mia Turner is ready to give it all—her body, her heart, her soul—to the mysterious, ruthless billionaire who holds the cards to saving her family. But when this sinfully sexy man, simply known as King, demands something more, something horrifying, Mia will be forced to face the impossible truth about their lives. Sometimes the truth brings salvation. And sometimes the truth breaks you.
